Independent Auditor's Report

Executive Committee

Davis Graham & Stubbs LLP

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Davis Graham & Stubbs LLP Money Purchase Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 29, 2021, and the related statement of changes in net assets available for benefits for the period then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the period ended December 29, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Independent Auditor's Report

Executive Committee
Davis Graham & Stubbs LLP

We were engaged to audit the accompanying statement of net assets available for benefits of Davis Graham & Stubbs LLP Money Purchase Plan (the "Plan") as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Great-West Trust Company, LLC, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance with DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

AS OF DECEMBER 29, 2021 AND DECEMBER 31, 2020,
AND FOR THE PERIOD ENDED DECEMBER 29, 2021

1. DESCRIPTION OF THE PLAN

The following description of the Davis Graham & Stubbs LLP Money Purchase Plan (the “Plan”) is provided for general information purposes. Participants should refer to the Plan agreement and Summary Plan Description for more complete information.

General

The Plan is a defined contribution plan covering all eligible partners and employees (other than law students, law clerks, associates who began full-time employment with Davis Graham & Stubbs LLP on or after January 1, 1986, staff attorneys and lawyers who are either special counsel or of counsel with Davis Graham & Stubbs LLP). An employee is eligible to enter the Plan as of the earlier of January 1 or July 1 coincident with or next following completion of six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended to comply with the Final Regulations issued under Sections 401(k), 401(m) and 415 of the Internal Revenue Code of 1986 (the Code), as amended; and with respect to certain provisions of the Pension Protection Act of 2006 and the Worker, Retiree, and Employee Recovery Act of 2008. The Plan is administered by Davis Graham & Stubbs LLP. Great-West Trust Company, LLC is the Plan’s Trustee and held the Plan's investment assets as of December 29, 2021 and December 31, 2020.

The Plan was merged into the Davis Graham & Stubbs LLP 401(k) Plan effective December 29, 2021 and all of the assets were transferred into the Davis Graham & Stubbs LLP Retirement Plan.

Contributions

Each year, Davis Graham & Stubbs LLP contributes to the Plan an amount equal to 8% of each participant's compensation up to the taxable wage base and 13.7% of each participant's compensation in excess of the taxable wage base, provided the participant has completed 1,000 hours of service during the Plan year and is an employee on the last day of the period for which the contribution is made. Participants are not permitted to make any employee contributions to the Plan. In total, all contributions made to the Plan and to the Davis Graham & Stubbs LLP 401(k) Plan on behalf of each participant are not to exceed the lesser of 100% of the participant’s eligible compensation for that year or the maximum allowable under the Code of \$58,000 (\$64,500 for those 50 and older) in 2021 and \$57,000 (\$63,500 for those 50 and older) in 2020. Participants eligible to make catch-up contributions to the Davis Graham & Stubbs LLP Retirement Plan may exceed such dollar limitations by the amount of the catch-up contribution.

Each participant's account is credited with an allocation of (a) the employer's contributions and (b) Plan earnings (losses), as of the current valuation date. The Plan values the individual participants' accounts daily based on the current market value of each type of asset. Amounts credited to a participant's account are fully vested and non-forfeitable.

Investment Options

Participants in the Plan may elect to direct the Trustee to invest all contributions made on their behalf, into any of 25 fund options available under the Plan. Self-directed accounts are also available whereby amounts are invested as designated by the participant.

Absent an investment election by the participant, contributions are invested in the Vanguard Wellesley Income Admiral Fund.

1. DESCRIPTION OF THE PLAN (Continued)

Distributions

A participant's entire interest in the Plan is distributable upon the participant's termination of employment, death, attainment of normal retirement age (age 65), or disability, as defined under the Plan. Participants can defer distributions until attaining the later of age 72 (70 ½ if you reach 70 ½ before January 1, 2020) or retirement in certain circumstances. The Plan requires that lump-sum distributions be made to terminated participants with a total account balance less than or equal to \$1,000. Participant benefits are payable as a qualified joint and survivor annuity, in a lump sum payment, as a qualified rollover into an Individual Retirement Account or another qualified plan, in installment payments or a combination thereof. Distributions under the Coronavirus Aid, Relief, and Economic Security Act ("Cares Act") are permitted to qualified individuals up to \$100,000 from January 1, 2020 to December 31, 2020, require self-certification, and are not subject to a 10% early withdrawal penalty. Recipients may spread the income evenly over a three-year period for income tax purposes and may make recontributions of prior distributions within 3 years of the distribution.

Termination Provisions

Davis Graham & Stubbs LLP has the right to terminate the Plan at its discretion and upon approval of the Executive Committee. In the event the Plan terminates, the net assets of the Plan will be distributed to each participant according to the amount then credited to his or her account in the Trust.

Administrative Expenses

The expenses of maintaining the Plan are paid in part by Davis Graham & Stubbs LLP and in part with Plan assets.

Income Tax Status

The Internal Revenue Service has determined and informed the Plan sponsor by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with Section 401(a) of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 29, 2021 and December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Plan recognizes income and expenses and other changes in net assets using the accrual method of accounting.

AND FOR THE PERIOD ENDED DECEMBER 29, 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of additions and deductions in net assets during the reporting period. Actual results could differ significantly from those estimates.

Concentration of Credit Risk

Overall, the investments offered by the Plan are diversified by geographic area, globally, and by fund objective. They generally represent uncollateralized ownership in or lending to publicly held corporations and the U.S. government and U.S. government agencies traded on reputable domestic and foreign exchanges.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

3. CORONAVIRUS AID, RELIEF, AND ECONOMIC SECURITY ACT

In March 2020, the Coronavirus Aid, Relief, and Economic Security Act ("Cares Act") was signed into law. The applicable Cares Act provisions included additional distributions and an available pause on 2020 required minimum distributions. The Plan intends to formally adopt the Cares Act on or before the last day of the 2022 plan year, or a later date if determined by the Department of Treasury.

4. FAIR VALUE MEASUREMENTS

Authoritative guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described below:

- | | |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
|---------|---|

AS OF DECEMBER 29, 2021 AND DECEMBER 31, 2020,
AND FOR THE PERIOD ENDED DECEMBER 29, 2021

4. FAIR VALUE MEASUREMENTS (continued)

- Level 2 Inputs to the valuation methodology include:
- Quoted market prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Following is a description of the valuation methodologies used for assets measured at fair value.

Level 1 Fair Value Measurements: The fair value of mutual funds and unit investment trusts is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stock, preferred stock, and cash equivalents are based on quoted market prices.

Level 2 Fair Value Measurements: The fair value of commingled funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair value of interest-bearing cash equivalents is based on original cost plus accrued interest. The fair value of certain corporate bonds for which quoted market prices are not available are valued based on price quotes from multiple dealers for the security or similar securities. The fair value of certain U.S. Government and agency securities is based on the LIBOR/Swap forward curve, credit spreads from the new issue market, dealer quotes, and interest rate volatilities from the dealer quoted swaptions market.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2020:

<u>December 31, 2020</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Total</u>
Mutual funds	\$ 61,204,178	\$ ---	\$ 61,204,178

5. INVESTMENTS

Custody of Plan investments and reporting thereof was managed by Great-West Trust Company, LLC as of December 29, 2021 and December 31, 2020.

During 2021, the Plan had total investment gains (including interest and dividend income, and gains and losses on investments bought and sold, as well as held during the year) of \$10,894,792. Of total investment gains, \$1,355,292 was from investments in the self-directed accounts.

6. INFORMATION PROVIDED BY THE PLAN TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate and was not subjected to auditing procedures:

- Investments, as shown in the statements of net assets available for Plan benefits as of December 29, 2021 and December 31, 2020, and Notes 4 and 5;
- Investment income, as shown in the statement of changes in net assets available for Plan benefits for the year ended December 29, 2021 and December 31, 2020, and Note 5.

7. SUBSEQUENT EVENTS

Plan management evaluated events occurring between December 29, 2021 and the date the financial statements were available to be issued.
