| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

### **Independent Auditor's Report**

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed audits of the financial statements of Summit Behavioral Services 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

#### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — 2021 Supplemental Schedules Required by ERISA***

The supplemental Schedule of Assets Held for Investment Purposes at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Other Matter – Auditor's Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.13-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **SUMMIT BEHAVIORAL SERVICES LLC 401(K) PLAN**

Pleasant Hill, Missouri

### **NOTES TO FINANCIAL STATEMENTS**

December 31, 2021 and 2020

#### **Note 1: Description of the Plan**

The following description of Summit Behavioral Services, LLC 401(K) Plan, (the Plan) provides only general information. Refer to the Plan agreement for a more complete description of the Plan's provisions.

##### **General**

The Plan is a defined contribution plan covering employees of Summit Behavioral Services, LLC, (the Company). Employees are eligible to participate after two months of service. Employees are eligible for non-elective discretionary match after achieving 1,000 hours and must be employed on the last day of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

##### **Employee Contributions**

Participating employees may elect to contribute a percentage of their annual compensation not to exceed IRS limits, as defined in the Plan document, to the Plan on a tax-deferred basis or after-tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct their contributions into various investment options offered by the Plan. The Plan currently offers money market and mutual funds as investment options for participants. The Plan also offers target date fund choices which are pre-determined allocations of the available mutual funds.

The Plan may accept a proper rollover from another qualified plan.

##### **Employer Contributions**

The Company may make a discretionary match contribution equal to a uniform percentage of the employee's salary, which percentage is determined annually at the discretion of the Company's Board of Directors. During 2021 and 2020 the Company contributed 1% for discretionary match contributions.

##### **Participant Accounts**

Each participant's account is credited with the participant's voluntary contribution, any employer discretionary profit-sharing contribution and plan earnings, which are allocated proportionately among all participants based on participant earnings or account balances, as defined. Participants' accounts are charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### **Vesting**

Participants are vested immediately in their contributions plus actual earnings thereon. The Plan provides vesting in the employer's discretionary contributions of 20% after one year of service, 40% after two years of service, 60% after three years of service, 80% after four years of service, and 100% after five years of service. An employee who becomes disabled, dies, or reaches age 65 will become 100% vested in employer's contributions.

##### **Payment of Benefits**

Upon termination of service due to death, disability, retirement, or termination of employment, the participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For an account balance greater than \$1,000, the participant must authorize the benefit payment distribution. In-service withdrawals are not permitted. Hardship distributions are permitted from pre-tax or after tax deferral accounts.

##### **Forfeitures**

At December 31, 2021 and 2020, forfeited, nonvested accounts totaled \$491 and \$0, respectively. Forfeitures during 2021 and 2020 were \$520 and \$0, respectively. These accounts will be used to reduce employer contributions the following year. In 2021, employer contributions were reduced by \$0 from forfeited, nonvested accounts.

##### **Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Other expenses are included in administrative expenses. Investment related expenses are included in the net appreciation of the fair value of investments.

Pleasant Hill, Missouri  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
December 31, 2021 and 2020

**Note 2: Summary of Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America. Contributions from the Company are accrued in the period in which they become an obligation of the employer by declaration of the Board of Directors. Contributions from employees are accrued when withholding is made from employees' payroll.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Payment of Benefits**

Benefits are recorded when paid. As of December 31, 2021 and 2020, the Plan had no pending distributions of participants requesting distribution but not receiving it until the subsequent year.

**Investment Valuation and Income Recognition**

The Plan's investments are presented as determined and certified by Nationwide Trust Company, FSB and Nationwide Life Insurance Company (the Custodians) as of the Plan year end. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Investments in common stocks, corporate bonds, and publicly traded limited partnerships are valued at the closing price reported on the active market on which the individual securities are traded. Investments in unit investment trusts are valued at the closing price of the underlying assets. Net appreciation consists of both realized and unrealized appreciation (depreciation) on investments bought and sold as well as held by the Plan during the year.

Investment contracts are reported at contract market value. Contract value is the relevant measurement attributed for that portion of the net assets available for benefits of a defined-contributions plan attributable to fully benefit-responsive investment contracts.

**Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific contractual term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

See Note 3 for further documentation on fair value.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The valuation methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2021 and 2020. Following is a description of the valuation methodologies used for assets measured at fair

**Mutual Funds, Real Estate Mutual Funds, Money Market Funds**

Mutual Funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Note 4: Related Parties and Parties in Interest**

The Company absorbs some administrative expenses of the Plan, the cost of audit fees related to the Plan, and the cost of fidelity bonds. The Company provides administrative services on behalf of the Plan. As the Plan does not reimburse the Company for the cost of such services, they are not included in these financial statements. Also, certain plan investments are shares of proprietary funds managed by the Custodians (or its affiliates). These transactions qualify as exempt party-in-interest transactions.

Administrative functions are performed by officers or employees of the Company. Additional party-in interest transactions include audit fees paid to Varney & Associates, CPAs, LLC, and investment fees paid to the Custodians. These transactions qualify as exempt party-in-interest transactions.

**Note 5: Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

**SUMMIT BEHAVIORAL SERVICES LLC 401(K) PLAN**  
Pleasant Hill, Missouri  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
December 31, 2021 and 2020

**Note 6: Tax Status**

The Company adopted a non-standardized prototype Plan document. The Internal Revenue Service issued an opinion letter, dated March 31, 2014, on the prototype Plan document, indicating the basic Plan document is acceptable under Code Section 401 of the Internal Revenue Code. Although the Plan has been amended since receiving the letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for the years prior to 2018.

**Note 7: Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

As a result of COVID-19 and other worldwide incidents, there has been heightened market risk and volatility associated with the pandemic and this could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact these events may have.

**Note 8: Reconciliation of Financial Statements to Form 5500**

**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
December 31, 2021 and 2020

**Note 9: Information Prepared and Certified by Custodian (Unaudited)**

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the years ended December 31, 2021 and 2020 was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Custodians.

Plan investments were in the custody of Nationwide Trust Company (the Custodian).

**Note 10: Investment Contracts**

Participants in the Plan have the option to invest in the Nationwide Fixed Select Fund, a guaranteed investment contract. The account earns a declared interest rate for new deposits in each calendar quarter. Interest rate guarantees of the account are backed by assets held by the Nationwide Life Insurance Company's general account. Credited rates are set based on yields earned for the general account for new deposits each quarter. The contract value of these funds reflects the relationship between credited rates earned by funds held in the account and current market rates.

This guaranteed investment contract is fully benefit responsive insofar as the contract does not restrict participant-directed exchanges.

**Note 11: Subsequent Events**

The Plan Administrator has evaluated subsequent events through October 3, 2022, the date on which the financial statements were available to be issued.

### **Independent Auditor's Report**

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed audits of the financial statements of Summit Behavioral Services 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

#### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — 2021 Supplemental Schedules Required by ERISA***

The supplemental Schedule of Assets Held for Investment Purposes at End of Year is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Other Matter – Auditor's Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.13-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **SUMMIT BEHAVIORAL SERVICES LLC 401(K) PLAN**

Pleasant Hill, Missouri

### **NOTES TO FINANCIAL STATEMENTS**

December 31, 2021 and 2020

#### **Note 1: Description of the Plan**

The following description of Summit Behavioral Services, LLC 401(K) Plan, (the Plan) provides only general information. Refer to the Plan agreement for a more complete description of the Plan's provisions.

##### **General**

The Plan is a defined contribution plan covering employees of Summit Behavioral Services, LLC, (the Company). Employees are eligible to participate after two months of service. Employees are eligible for non-elective discretionary match after achieving 1,000 hours and must be employed on the last day of the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

##### **Employee Contributions**

Participating employees may elect to contribute a percentage of their annual compensation not to exceed IRS limits, as defined in the Plan document, to the Plan on a tax-deferred basis or after-tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct their contributions into various investment options offered by the Plan. The Plan currently offers money market and mutual funds as investment options for participants. The Plan also offers target date fund choices which are pre-determined allocations of the available mutual funds.

The Plan may accept a proper rollover from another qualified plan.

##### **Employer Contributions**

The Company may make a discretionary match contribution equal to a uniform percentage of the employee's salary, which percentage is determined annually at the discretion of the Company's Board of Directors. During 2021 and 2020 the Company contributed 1% for discretionary match contributions.

##### **Participant Accounts**

Each participant's account is credited with the participant's voluntary contribution, any employer discretionary profit-sharing contribution and plan earnings, which are allocated proportionately among all participants based on participant earnings or account balances, as defined. Participants' accounts are charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### **Vesting**

Participants are vested immediately in their contributions plus actual earnings thereon. The Plan provides vesting in the employer's discretionary contributions of 20% after one year of service, 40% after two years of service, 60% after three years of service, 80% after four years of service, and 100% after five years of service. An employee who becomes disabled, dies, or reaches age 65 will become 100% vested in employer's contributions.

##### **Payment of Benefits**

Upon termination of service due to death, disability, retirement, or termination of employment, the participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For an account balance greater than \$1,000, the participant must authorize the benefit payment distribution. In-service withdrawals are not permitted. Hardship distributions are permitted from pre-tax or after tax deferral accounts.

##### **Forfeitures**

At December 31, 2021 and 2020, forfeited, nonvested accounts totaled \$491 and \$0, respectively. Forfeitures during 2021 and 2020 were \$520 and \$0, respectively. These accounts will be used to reduce employer contributions the following year. In 2021, employer contributions were reduced by \$0 from forfeited, nonvested accounts.

##### **Expenses**

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Other expenses are included in administrative expenses. Investment related expenses are included in the net appreciation of the fair value of investments.

**Note 2: Summary of Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America. Contributions from the Company are accrued in the period in which they become an obligation of the employer by declaration of the Board of Directors. Contributions from employees are accrued when withholding is made from employees' payroll.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

**Payment of Benefits**

Benefits are recorded when paid. As of December 31, 2021 and 2020, the Plan had no pending distributions of participants requesting distribution but not receiving it until the subsequent year.

**Investment Valuation and Income Recognition**

The Plan's investments are presented as determined and certified by Nationwide Trust Company, FSB and Nationwide Life Insurance Company (the Custodians) as of the Plan year end. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Investments in common stocks, corporate bonds, and publicly traded limited partnerships are valued at the closing price reported on the active market on which the individual securities are traded. Investments in unit investment trusts are valued at the closing price of the underlying assets. Net appreciation consists of both realized and unrealized appreciation (depreciation) on investments bought and sold as well as held by the Plan during the year.

Investment contracts are reported at contract market value. Contract value is the relevant measurement attributed for that portion of the net assets available for benefits of a defined-contributions plan attributable to fully benefit-responsive investment contracts.

**Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific contractual term, the level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

See Note 3 for further documentation on fair value.

**Note 3: Fair Value Measurements**

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

|                          | Level 1           | Level 2     | Level 3     | Total             |

|                          | Level 1           | Level 2     | Level 3     | Total             |
| <b>December 31, 2020</b> |                   |             |             |                   |
| Mutual Funds             | \$ 248,905        | \$ -        | \$ -        | \$ 248,905        |
| Real Estate Mutual Fund  | 136               | -           | -           | 136               |
| Total                    | <u>\$ 249,041</u> | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 249,041</u> |

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The valuation methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2021 and 2020. Following is a description of the valuation methodologies used for assets measured at fair

**Mutual Funds, Real Estate Mutual Funds, Money Market Funds**

Mutual Funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Note 4: Related Parties and Parties in Interest**

The Company absorbs some administrative expenses of the Plan, the cost of audit fees related to the Plan, and the cost of fidelity bonds. The Company provides administrative services on behalf of the Plan. As the Plan does not reimburse the Company for the cost of such services, they are not included in these financial statements. Also, certain plan investments are shares of proprietary funds managed by the Custodians (or its affiliates). These transactions qualify as exempt party-in-interest transactions.

Administrative functions are performed by officers or employees of the Company. Additional party-in interest transactions include audit fees paid to Varney & Associates, CPAs, LLC, and investment fees paid to the Custodians. These transactions qualify as exempt party-in-interest transactions.

**Note 5: Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

**SUMMIT BEHAVIORAL SERVICES LLC 401(K) PLAN**  
Pleasant Hill, Missouri  
**NOTES TO FINANCIAL STATEMENTS (CONTINUED)**  
December 31, 2021 and 2020

**Note 6: Tax Status**

The Company adopted a non-standardized prototype Plan document. The Internal Revenue Service issued an opinion letter, dated March 31, 2014, on the prototype Plan document, indicating the basic Plan document is acceptable under Code Section 401 of the Internal Revenue Code. Although the Plan has been amended since receiving the letter, the Plan Administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for the years prior to 2018.

**Note 7: Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

As a result of COVID-19 and other worldwide incidents, there has been heightened market risk and volatility associated with the pandemic and this could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. Because of the uncertainty of the markets during this time, Plan management is unable to estimate the total impact these events may have.

**Note 8: Reconciliation of Financial Statements to Form 5500**

The statements of net assets available for benefits for December 31, 2021 and 2020 is reconciled to Schedule H of Form 5500 as follows:

|                                                                      | <b>December 31,</b> |                   |

**Note 9: Information Prepared and Certified by Custodian (Unaudited)**

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the years ended December 31, 2021 and 2020 was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the Custodians.

Plan investments were in the custody of Nationwide Trust Company (the Custodian).

**Note 10: Investment Contracts**

Participants in the Plan have the option to invest in the Nationwide Fixed Select Fund, a guaranteed investment contract. The account earns a declared interest rate for new deposits in each calendar quarter. Interest rate guarantees of the account are backed by assets held by the Nationwide Life Insurance Company's general account. Credited rates are set based on yields earned for the general account for new deposits each quarter. The contract value of these funds reflects the relationship between credited rates earned by funds held in the account and current market rates.

This guaranteed investment contract is fully benefit responsive insofar as the contract does not restrict participant-directed exchanges.

**Note 11: Subsequent Events**

The Plan Administrator has evaluated subsequent events through October 3, 2022, the date on which the financial statements were available to be issued.

| <b>Part I</b> | <b>Asset and Liability Statement</b> |
|---------------|--------------------------------------|

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.
