INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator,
Japan Airlines Tax Advantaged Savings Account Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Japan Airlines Tax Advantaged Savings Account Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Japan Airlines Tax Advantaged Savings Account Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Japan Airlines Tax Advantaged Savings Account Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Japan Airlines Tax Advantaged Savings Account Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Japan Airlines Tax Advantaged Savings Account Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplementary Schedule Required by ERISA

The supplementary schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of Japan Airlines Tax Advantaged Savings Account Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditor not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 27, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Japan Airlines Tax Advantaged Savings Account Plan

Notes to Financial Statements

December 31, 2021 and 2020

1. DESCRIPTION OF PLAN

The following description of the Japan Airlines Tax Advantaged Savings Account Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan provisions.

General

The Plan is a defined contribution plan qualifying under Section 401(k) of the Internal revenue Code ("IRC"). The Plan, sponsored by Japan Airlines International Co., Ltd. (the "Plan Sponsor" or "Company"), is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and is open to all eligible employees of the Company.

Eligibility

An employee (except excluded employees as described in the Plan document) of the Company becomes an eligible participant in the Plan after completion of two months of service and can enter the Plan upon satisfying the service requirement.

Employee Contributions

The Plan provides for automatic enrollment of 3% of compensation for certain covered employees, as defined in the Plan document, unless the participant elects a different deferral percentage or declines to participate in the Plan. The initial automatic percentage will be increased by 1% on the first day of each subsequent Plan year until it equals 6% of compensation. Employees hired or rehired prior to July 1, 2020, and who were enrolled at 3%, are excluded from the annual increase. Employees not subject to automatic enrollment, must file a salary deferral agreement with the Plan administrator before they can begin contributing to the Plan. Participants will indicate deferral percentage in the salary deferral agreement. Participants may contribute up to 100% of their annual compensation, as defined by the Plan, not to exceed the maximum allowed by the Internal Revenue Code ("IRC"). In addition, the Plan allows for catch up contributions by employees aged 50 years and older before the end of the Plan year. Participants may also contribute amounts representing distributions from other qualified plans, as defined in the plan's provisions (rollover contributions). The plan also allows for ROTH elective deferral contributions.

Employer Contributions

The Plan Sponsor makes a matching contribution to match all or portion of participants' contributions, not to exceed 2% of compensation. Under the profit-sharing portion of the Plan, contributions are provided solely by the Plan Sponsor, as determined by the Plan administrator. The Plan contributes 4% of the compensation of all participants who are still employees on the last day of the allocation period regardless of service. For the year ended December 31, 2021, the Plan Sponsor made employer contributions of approximately \$1,013,000, which includes profit sharing contributions of approximately \$736,000.

Participant Accounts

Each participant's account is credited with the participant's contributions, Plan Sponsor's matching and profit sharing contributions, an allocation of Plan earnings, and charged with an allocation of administrative expenses and withdrawals, as applicable. Plan earnings are allocated based on the same proportion that each participant's account bears to the total of all participant accounts as of the valuation date. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in their elective contributions, rollover contributions, plus earnings or dividends earned on their contributions. Participants become 50% vested in the Plan Sponsor's matching and profit-sharing contributions after two years of service and become fully vested after three years of service, or in the event of death or permanent disability.

Notes to Financial Statements
December 31, 2021 and 2020

Payment of Benefits

Upon termination of service due to attainment of age 59 ½, retirement, death, disability, or other reasons, a participant may elect to receive either a lump-sum amount or partial payments or to rollover to another qualified retirement plan an amount equal to the value of the participant's vested balance in his or her account as specified by the Plan. Participants are entitled to receive a distribution of their rollover accounts at any time. Additionally, participants meeting certain "hardship" rules as prescribed by the Internal Revenue Service ("IRS") may elect to receive distributions from the Plan. A participant or beneficiary will receive a hardship distribution in a lump-sum amount equal to the vested portion of the funds allocated to the account.

Investment Options

Upon enrollment in the Plan, a participant may direct participant and employer contributions in any of the Plan's investment options. Participants may change their contribution allocation among investment options and transfer amounts among the accounts daily.

Forfeited Accounts

When certain terminations of participants in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represents forfeiture. These accounts may be used to pay administrative expenses and/or reduce future employer matching and profit-sharing contributions. As of December 31, 2021 and 2020, there were approximately \$41,000 and \$26,000, respectively, of forfeited non-vested account balances. During the year ended December 31, 2021, forfeitures amounting to approximately \$26,000 were used to reduce the Plan Sponsor matching and profit-sharing contributions.

Plan Expense

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Investment related expenses are included in net appreciation or depreciation in fair value of investment.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The Plan uses the accrual basis of accounting for the presentation of financial statements.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates and assumptions.

Valuation of Investments and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes to Financial Statements

December 31, 2021 and 2020

Payment of Benefits

Benefit payments to participants are recorded when paid.

Subsequent Events

Plan management has evaluated subsequent events through September 29, 2022, the date that the financial statements were available to be issued. Based upon this evaluation, the Plan has determined that no subsequent events have occurred, which require adjustment to or disclosure in the financial statements.

3. FAIR VALUE MEASUREMENTS

Fair value is measured using a framework that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation methodology used for Plan assets measured at fair value.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Self-directed brokerage accounts are comprised of assets traded on the open market, valued at the closing price reported on the active market on which the individual securities are traded.

Common collective trust funds: Valued at the NAV as determined by the trust. The NAV, as provided by the directed trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (purchases and sales) may occur daily. The Plan has no unfunded commitments related to these common trust funds and the funds are redeemable daily without restriction. There is no redemption notice period.

Notes to Financial Statements
December 31, 2021 and 2020

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

2021				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 56,521,985	\$ -	\$ -	\$ 56,521,985
Self-directed brokerage accounts	8,025	-	-	8,025

Investments measured at asset value*				<u>3,945,887</u>
Investments at fair value				<u>\$ 60,475,897</u>

2020				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 49,256,019	\$ -	\$ -	\$ 49,256,019
Self-directed brokerage accounts	4,932	-	-	4,932

Investments measured at asset value*				<u>3,778,948</u>
Investments at fair value				<u>\$ 53,039,899</u>

*In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalents) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table set forth additional disclosures for investments in which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020:

Investment Type	Fair Value at December 31,		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2021	2020

4. RELATED-PARTY TRANSACTIONS AND PART IN INTEREST TRANSACTIONS

Schwab Retirement Plan Services, Inc. and Charles Schwab Trust Bank are recordkeeper/trustee as defined by the Plan and, therefore, transactions with the recordkeeper/trustee qualify as party-in-interest transactions. Fees paid by the Plan for investment management services amounted to approximately \$50,000 for the year ended December 31, 2021 and is included in administrative expenses. In addition, certain transaction fees charged by the trustee are absorbed in investment income that are not readily determinable.

5. INVESTMENTS AND INFORMATION PROVIDED AND CERTIFIED BY CUSTODIAN/TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the trustee of the Plan has certified the completeness and accuracy of all investments and related investment activity in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2021, and the accompanying supplementary schedule of assets (held at end of year) as of December 31, 2021. No auditing procedures were performed by the independent public accountants as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for reporting and Disclosure under ERISA with respect to information certified as complete and accurate by the custodian/trustee, except for comparing such information with the related information included in the financial statements and supplementary schedule.

6. PLAN TERMINATION

Although it has not expressed any intention to do so, the Plan Sponsor has the right under the Plan's provisions to discontinue its contributions at any time and terminate the Plan, subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

7. TAX STATUS

On May 23, 2008, the IRS stated that the prototype adopted by the Plan, as then designed, qualifies under Section 401(a) of the IRC. The Plan has not received a determination letter specific to the Plan itself since its adoption of the prototype plan. The Plan has been amended since the adoption of the prototype plan. The Plan Sponsor continues to believe that the Plan is being operated in accordance with the IRC and therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Plan management has evaluated tax positions taken by the Plan and recognizes a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. Furthermore, there are no tax related interest or penalties included in the financial statements presented.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
