INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants
David Peyser Sportswear, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of David Peyser Sportswear, Inc. 401(k) Profit Sharing Plan an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ("ERISA") Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 (modified cash basis) the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of David Peyser Sportswear, Inc. 401(k) Profit Sharing Plan's financial statements (modified cash basis) performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Voya Retirement Insurance and Annuity Company ("VRIAC") as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of David Peyser Sportswear, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about David Peyser Sportswear, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

(Continued)

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of David Peyser Sportswear, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about David Peyser Sportswear, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplementary Schedule Required by ERISA

The supplementary schedule of assets (held at end of year) (modified cash basis) as of December 31, 2021 and delinquent participant contributions for the year ended December 31, 2021 (collectively, the "supplementary schedules) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedule (modified cash basis), we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplementary schedule (modified cash basis), other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplementary schedule (modified cash basis) related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements (modified cash basis) of David Peyser Sportswear, Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution.

(Continued)

In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

DAVID PEYSER SPORTSWEAR, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF PLAN

The following description of the David Peyser Sportswear, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all nonunion full-time current and former employees of David Peyser Sportswear, Inc. (the "Company"), and the plan sponsor and plan administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Voya Retirement Insurance and Annuity Company ("VRIAC") is the Plan's custodian and two individuals serve as the Plan's trustees. In 2015, the Plan was amended to include employees of The Game, a subsidiary. In 2018, the Plan was amended to change the minimum service requirement from one year to thirty days. In 2019, the Plan was amended to include employees of Andy & Evan Industries Inc., another subsidiary.

The Plan's trustees determine the appropriateness of the Plan's investment offerings, monitor investment performance and report to participants.

Effective January 1, 2022, the Plan restated and amended the Plan document to incorporate changes resulting from the CARES Act and SECURE Act, enacted in 2020.

Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act")

The Plan has implemented certain requirements by the CARES Act and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE Act"), which laws change the Plan to, among others, allow a penalty-free distribution through December 30, 2020 and suspend outstanding scheduled loan payments until 2021, increase the maximum loan limit for loans taken as a result of the coronavirus disease 2019 ("COVID-19") through September 22, 2020, and suspend required minimum distributions for the 2020 calendar year, including 2020 payments that would have been required to be made by April 1, 2021, unless elected otherwise. The Plan was formally amended effective January 1, 2022.

Contributions

Each year, participants may contribute a portion of their pre-tax compensation, as defined in the Plan, subject to certain Internal Revenue Code ("Code") limitations. All eligible employees who have reached age 21 and completed thirty days of service can make pre- and after-tax contributions. Participants who have attained age 21 must complete 1,000 hours of service and be employed on the last day of the plan year to meet the requirements for a discretionary matching contribution. The Company may make profit sharing and matching contributions at its discretion. The Company did not make any contributions during the year ended December 31, 2021. Contributions are subject to a ceiling defined by the Code.

1 - DESCRIPTION OF PLAN (Continued)

Contributions (Continued)
The Plan also permits eligible employees who are age fifty or older by the end of the calendar year to make catch-up contributions. Matching contributions do not apply to catch-up contributions.

Under the SECURE Act, effective for the Plan years beginning after December 31, 2020, any Employee working at least 500 hours of service during each of three consecutive 12-month periods ("LTPT Employee") becomes a Particpant eligible to make Elective Deferrals on the date specified in the Plan provided that he or she is an Eligible Employee and has attained the applicable age requirement, if any on such date. No 12-month period beginning before January 1, 2021 is taken into account. Each 12-month period for which an LTPT Employee has at least 500 hours of service is treated as a year of service for vesting purposes.

Participant Accounts
Individual accounts are maintained for each plan participant. Each participant's account is credited with the participant's contribution, the Company's matching contribution, if applicable, and plan earnings. Each participant's account is charged with withdrawals and plan losses and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments
Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers the Voya Fixed Account and various mutual funds held in VRIAC's pooled separate accounts as investment options for participants.

The Pension Protection Act created the Qualified Default Investment Alternative ("QDIA"). The QDIA provides employers a safe harbor from fiduciary risk when selecting an investment for a participant or beneficiary who fails to elect his or her own investment. The Plan has selected the Vanguard Target Date Funds as the QDIA.

Vesting
Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in Company contributions plus earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service.

1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance, subject to certain other restrictions. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 7.5%, commensurate with local prevailing rates as determined by the plan administrator. Loan terms range from 1 to 30 years through 2047. Principal and interest are paid ratably through payroll deductions.

Pursuant to the CARES Act (as defined in Note 7 "Risks and Uncertainties"), loan limits were temporarily increased. Between March 27, 2020 and September 22, 2020, participants meeting certain eligibility criteria were able to borrow from their account balance up to the lesser of 100% of the vested balance or $100,000. Participants receiving loans under the CARES Act were not subject to the 60-day waiting period between paying off a loan and obtaining a new loan.

Additionally, any loan payments due between March 27, 2020 and December 31, 2020 for eligible participants could be delayed for up to one year, and those twelve months would not count towards the overall repayment period.

Payment of Benefits
The Plan provides for distributions to participants or their beneficiaries upon the participants' retirement, termination of employment or death, in accordance with the IRC. Participants may withdraw all or any portion of their vested account balance.

Pursuant to the Setting Every Community Up for Retirement Enhancement Act (the "SECURE Act"), which was enacted in December 2019, the age at which required minimum distributions must begin for the plan was increased from 70 ½ to 72, effective January 1, 2020.

In addition, pursuant to the CARES Act, participants who were currently receiving required minimum distributions were offered the option to waive their 2020 payment, and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. The ability to request special waivers with respect to required minimum distributions under the CARES Act ceased as of December 31, 2020.

Forfeitures
Forfeitures of amounts not vested are used to reduce the Company's future contributions. There were no forfeitures during the year ended December 31, 2021.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The Company prepares its financial statements on the modified cash receipts and disbursements basis of accounting ("modified cash basis"), which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America ("GAAP"). The basis differs from GAAP in that dividend and interest income is recorded as earned, purchases and sales of securities are recorded on a trade-date basis and dividends are recorded on the ex-dividend date.

Use of Estimates
Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and reported revenues and expenses. Actual results could differ from those estimates.

Notes Receivable from Participants
Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. Related fees are recorded as administrative expenses and are expensed when incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a deemed distribution is recorded.

Investment Valuation
GAAP defines fair value, provides guidance for measuring fair value and requires certain disclosures. GAAP discusses valuation techniques, such as the market approach (comparable market prices), the income approach (present value of future income or cash flow) and the cost approach (cost to replace the service capacity of an asset or replacement cost). GAAP provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels. The following is a brief description of those three levels:

Level 1: Observable inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in markets that are not active.

Level 3: Unobservable inputs that reflect management's own assumptions.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation (Continued)
The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy.

Pooled Separate Accounts
Fair value of investments in pooled separate accounts has been estimated using the observable net asset value ("NAV") per share of the underlying investments. Contributions sent to VRIAC are used to purchase units in pooled separate accounts in which the primary underlying investment is the named mutual fund which is actively traded. As the pooled separate accounts receive money, contributions are sent to the mutual fund company in exchange for shares. In the daily valuation process, VRIAC uses the observable NAV from the respective mutual fund companies to calculate the unit values for the pooled separate accounts. Investments in pooled separate accounts are classified as Level 2 investments.

Income Recognition
Net appreciation in the fair value of pooled separate accounts includes both realized and unrealized gains and losses, based on the value of assets at the beginning of the year or at the time of purchase during the year. Purchases and sales of pooled separate accounts are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits
Benefit claims are recorded as expenses when they have been approved for payment and paid by the Plan.

Hardship Withdrawals
The Plan provides for hardship withdrawals, not to exceed an amount required to meet the immediate need created by the hardship, and then only to the extent such immediate need cannot be satisfied by other sources readily available to the participant. Permissible circumstances for hardship withdrawals include education expenses, costs directly related to the purchase of a principal residence, and costs necessary to prevent eviction from the participant's personal residence, and such other circumstances as the plan administrator may determine based on rules set forth in the Internal Revenue Service regulations. Salary deferral contributions are suspended for six months after withdrawal.

Administrative Expenses, Management Fees and Operating Expenses
The Company is responsible for certain costs and expenses of administering the Plan. Management fees and operating expenses charged to the Plan for investments in mutual funds and pooled separate accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected in net appreciation in fair value of such investments.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Events
These financial statements were approved by management and available for issuance on October 12, 2022. Management has evaluated subsequent events through this date.

3 - FAIR VALUE MEASUREMENTS

The following table summarizes investment assets measured at fair value at December 31, 2021:

	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -0-	$10,672,472	$ -0-	$10,672,472

The following table summarizes investment assets measured at fair value at December 31, 2020:

	Investments at Fair Value			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -0-	$8,652,475	$ -0-	$8,652,475

4 - VOYA FIXED ACCOUNT

The Voya Fixed Account is a benefit-responsive investment contract. Investment contracts held by a defined contribution plan are required to be reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

The trustee of the Voya Fixed Account maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals, and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by the trustee. Contract value is equal to contributions received plus interest credited, less payments, withdrawals or transfers. The interest rate credited on the unallocated annuity contract varies based on a formula determined by the plan trustee, but will not be less than a guaranteed floor interest rate determined annually. The interest rate credited for 2021 and 2020 was 1.00%. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract has certain restrictions that impact the ability to collect the full contract value, for example, the Plan may not withdraw more than 20% of the beginning of the year balance of the contract without incurring a penalty. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable. The trustee may not terminate the contract at any amount less than contract value.

The accompanying statements of changes in net assets available for benefits are prepared on a contract value basis. The fair value of the Plan’s interest in the unallocated annuity contract is based on information reported by the issuer at year-end. The contract value represents contributions plus earnings, less participant withdrawals and administrative expenses.

The contract is included in the financial statements at contract value as reported to the Plan by VRIAC. Participants may ordinarily direct the withdrawal or transfer of all, or a portion, of their investment at contract value. There are no reserves against contract value for credit risk. There are no unfunded commitments. Under the terms of the contract, the plan sponsor must provide a minimum of 90 days’ notice to VRIAC prior to redemption of the contract.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (2) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (3) premature termination of the contract or (4) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan). The plan administrator does not believe that the occurrence of any such event which would limit the Plan’s ability to transact at contract value with participants is probable.

5 - INVESTMENTS CERTIFIED BY THE CUSTODIAN

The following information included in the accompanying financial statements and supplementary schedule was obtained from data prepared and certified as complete and accurate by VRIAC.

	December 31,	
	2021	2020
Investments		
Pooled separate accounts, fair value	$10,672,472	$8,652,475
Voya Fixed Account, contract value	886,684	845,441

	Year Ended December 31, 2021
Net appreciation in fair value of investments	$ 1,878,329
Dividend and interest income	8,585

This information has not been audited by the Plan's independent auditors.

6 - RELATED PARTY TRANSACTIONS/PARTIES IN INTEREST

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation, recordkeeping and financial reporting of the Plan. The Company pays these individuals' salaries and also pays other administrative expenses on behalf of the Plan. Certain fees, to the extent not paid by the Company, are paid by the Plan. Parties in interest included Procyon Partners LLC, Pivotal Planning Group LLC and ERP Actuaries & Consultants.

The Company remitted participant contributions after the time period permitted by ERISA during 2021 and 2020. A nominal amount for rate of return loss on the late payments for the number of days late, using a rate determined by the Department of Labor (based on the Code) has been calculated, and the Company has remitted participant contributions in accordance with ERISA regulations. The Company is in the process of implementing procedures to remit the contributions in a timely manner.

7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Participants may invest in securities with contractual cash flows, such as asset-backed securities, collateralized mortgage obligations and commercial mortgage-backed securities, including securities backed by subprime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

During the year ended December 31, 2020, the coronavirus disease 19 ("COVID-19") pandemic sparked an unprecedented global health and economic crisis. The volatility in financial markets resulting from the COVID-19 pandemic has affected and may continue to affect the market price of Plan investments, however the ultimate impact on the plan is uncertain and will depend on future developments. In response to the COVID-19 pandemic, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") was signed into law in March 2020. The CARES Act contains several provisions that temporarily impact retirement savings plans. These provisions may be effective and operationalized immediately, prior to amending the retirement savings plan. The Plan adopted certain provisions of the CARES Act in 2020, which include coronavirus-related distributions, increased loan limits and extended loan repayment periods for eligible participants. The Plan will execute a formal Plan amendment within the timeframe required by law.

8 - INCOME TAX STATUS

In June 2020, the Company adopted a non-standardized pre-approved profit sharing plan offered by CCH Incorporated. The Internal Revenue Service ("IRS") has determined in its latest opinion letter dated June 30, 2020, that the pre-approved profit sharing plan is designed in accordance with applicable sections of the IRC. Although the Plan has been restated since receiving the determination letter, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

The modified cash basis requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in employer contributions.

10 - CORRECTIVE DISTRIBUTIONS

During the year ended December 31, 2021, corrective distributions of $219,895 were made to certain active participants to refund excess contributions required to satisfy the relevant nondiscrimination provisions of the Plan.

In 2022, corrective distributions of $113,045 will be made to certain active participants to refund excess contributions required to satisfy the relevant nondiscrimination provisions of the Plan.

11 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
