Independent Auditor's Report

To the Trustees
Creative Options, Inc. 401(k) Retirement Plan
Rosedale, Maryland

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Creative Options, Inc. 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Creative Options, Inc. 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Creative Options, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Creative Options, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Creative Options, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Creative Options, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Delinquent Participant Contributions and Assets Held for Investment Purposes at End of Year as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with

GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements

For the years ended December 31, 2021 and 2020

1. Description of Plan

The following description of the Creative Options, Inc. (the “Company”) 401(k) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Creative Options, Inc. 401(k) Retirement Plan is a defined contribution salary deferral retirement plan which provides an individual account for each participant and provides benefits upon retirement based on amounts contributed by the employee and employer matching and discretionary contributions plus earnings on those contributions. The Plan was established on January 1, 2008. The Plan, as adopted, is considered to be a “safe harbor plan” since it includes certain provisions such that it is considered to be nondiscriminatory by design.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective January 1, 2012, the Safe Harbor computation period was amended from an annual basis to a payroll basis.

Participation

All employees of the Company are eligible to participate in the Plan, except for employees covered by a collective bargaining agreement, non-resident aliens, and leased employees. In order to be eligible to participate in the Plan, an employee must have completed one year of service with at least 1,000 hours of service during that year, and be at least twenty-one years old. The initial year of eligibility is calculated from the employee’s hire date. An employee becomes eligible to enter in the Plan on the first day of the Plan year or the first day of the seventh month of the Plan year after the age and service requirements are satisfied.

Contributions

Eligible participants may defer, either as pre-tax elective deferrals or Roth elective deferrals, amounts from 1% to 100% of their compensation not to exceed the limits of Internal Revenue Code (“IRC”) Sections 401(k), 402(g), 404 and 415, which was \$19,500 for both years ended December 31, 2021 and 2020. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. The Company contributes a safe harbor matching contribution of 100% of the first 3% of a participant’s deferrals and 50% of the amount of deferrals between 3% and 5%. Thus, if a participant defers 5% or more of their eligible compensation, they would receive a 4% safe harbor matching contribution. The Company may also contribute an additional discretionary match at the end of the Plan year. Participants must be employed with the Company on the last day of the Plan year to be eligible for the discretionary contribution. For the years ended December 31, 2021 and

Notes to Financial Statements

For the years ended December 31, 2021 and 2020

1. Description of Plan (continued)

Contributions (continued)

2020, total discretionary contributions made on behalf of participants were \$90,000 and \$75,000, respectively. All participants over the age of 50 before the close of the Plan year are eligible to make catch-up contributions totaling \$6,500 per employee per year for 2021 and 2020, under IRC Sections 401(a)(30), 402(g) and 414(v). Participant and Company contributions are directed by the participants into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's matching and discretionary contributions, and Plan earnings. Allocations are based on participant earnings, deferrals or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may redirect their investments on the first day of each quarter of the Plan year.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants are also immediately vested in the Company's safe harbor matching contributions which represent safe harbor matching contributions up to 4% of the participant's compensation. Any additional discretionary matching contributions are subject to the vesting schedule as noted in the Plan document. Vesting in the Company's discretionary contributions portion of a participant's account is based on years of service. Vesting service is the total of an employee's countable periods of service beginning on their hire date. The standard measure for one year of service is the completion of 1,000 hours during the Plan year. Failure to meet the requirement means that no vesting credit is given to the participant. Participants vest at a rate of twenty percent per year starting with year two. A participant is one hundred percent vested after six years of credited service and participation in the Plan. Any employer matching contributions and discretionary contributions which are not vested, other than safe harbor matching contributions as noted above, are forfeited upon termination. If a participant is re-employed prior to incurring five consecutive one year breaks in service and restores their vested balance, the amount forfeited will be restored to his or her account. If the participant does not return, the forfeitures are used to offset Plan expenses or future employer matching contributions.

Notwithstanding the above, a participant shall be fully vested in their entire account upon the attainment of age 65, death, disability or if the Plan is terminated.

Notes to Financial Statements

For the years ended December 31, 2021 and 2020

1. Description of Plan (continued)

Participant Loans

The Plan Document does not allow participants to borrow money from the Plan.

Payment of Benefits

Upon termination of service, death, disability, or retirement at age 65, such participant or his or her beneficiary may elect to receive his or her individual account in a single lump-sum payment, partial payments or a direct rollover to a qualified retirement account. If the participant's vested account balance is less than \$1,000, then the participant or their beneficiary will receive a lump-sum distribution.

A terminated or retired participant may elect to receive payment from their account soon after it is valued or postpone payment until a later date. If payment is postponed, the account will continue to share in investment earnings. However, payment must start on April 1 of the year after the participant reaches 70 1/2 years of age, even if they are still working. Hardship withdrawals are permitted if certain criteria are met.

Upon the death of a participant before retirement or termination of employment, the current balance of such participant's individual account shall become payable as of the valuation date coincident with or next following his or her death.

Forfeited Accounts

The balance of non-vested forfeited accounts was \$2,335 and \$6,854 at December 31, 2021 and 2020, respectively. The Plan allows forfeitures to be used to offset Plan expenses or future employer matching contributions. During 2021 and 2020, forfeitures were not used to reduce employer contributions. Forfeitures of \$4,568 and \$1,140 were used to pay Plan administrative fees during 2021 and 2020, respectively.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Creative Options, Inc.
401(k) Retirement Plan

Notes to Financial Statements

For the years ended December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by investment advisors, custodians and the insurance company. See Note 4 for discussion of fair value of investments. Income is recognized using a daily valuation method based on the daily changes in the market value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's realized gains and losses on investments bought and sold during the year as well as unrealized gains and losses on the investments held at year end.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments. Plan participants incurred direct administrative expenses of \$19,611 and \$17,552 during the years ended December 31, 2021 and 2020, respectively.

Funding Policy

Contributions are funded as accrued.

Payments of Benefits

Benefit payments are recorded when paid.

3. Certified Information

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to certain information certified by John Hancock Life Insurance Company, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedules.

Notes to Financial Statements

For the years ended December 31, 2021 and 2020

3. Certified Information (continued)

Accordingly, the following information related to investments held at December 31, 2021 and 2020 was obtained or derived from information supplied to the plan administrator and certified to be complete and accurate by John Hancock Life Insurance Company as of and for the year ended December 31:

	<u>2021</u>	<u>2021</u>
Investments at fair value:		
Pooled separate accounts	<u>\$ 2,602,460</u>	<u>\$ 2,080,796</u>

4. Fair Value Measurements

In accordance with generally accepted accounting principles, the Plan has adopted the provisions which establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value.

4. Fair Value Measurements (continued)

Pooled Separate Accounts: Pooled separate accounts are invested in separate accounts established by John Hancock Life Insurance Company. Each separate account is made up of multiple subaccounts. Each subaccount holds a single registered mutual fund. The Plan's investment in the subaccounts is valued at fair value. Fair value is equal to the number of participation units owned under the contract in each subaccount, multiplied by the unit value of the participation unit. The unit value of participation units in the subaccounts are determined by John Hancock annually based on the value of the underlying mutual fund held in the subaccount, minus the fund's liabilities, which are the contract charges imposed by John Hancock, divided by the number of participation units outstanding. The pooled separate accounts are considered to have a readily determinable fair value as defined above.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	\$ <u>-</u>	\$ <u>2,602,460</u>	\$ <u>-</u>	\$ <u>2,602,460</u>

Assets at Fair Value as of December 31, 2020

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Pooled separate accounts	\$ <u>-</u>	\$ <u>2,080,796</u>	\$ <u>-</u>	\$ <u>2,080,796</u>

5. Related Party Transactions / Party-In-Interest Transactions

The Company sponsors the Plan. Personnel within the employer organization perform certain administrative services for the Plan, including maintenance of participant records. The payroll and related overhead costs associated with these services are not included as Plan expenses. Expenses for the audit and outside administration services are paid directly by the Plan Sponsor.

Certain Plan investments are pooled separate accounts managed by John Hancock Life Insurance Company. John Hancock Life Insurance Company is the trustee defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Commissions paid to John Hancock Life Insurance Company totaled \$13,022 and \$9,533

5. Related Party Transactions / Party-In-Interest Transactions (continued)

for the years ended December 31, 2021 and 2020, respectively. The Plan custodian also received both direct and indirect compensation during 2021 and 2020. The commissions, direct and indirect compensation are netted against the net appreciation in fair value of investments reported in the accompanying Statements of Changes in Net Assets Available for Benefits.

6. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

7. Tax Status

The prototype for this Plan obtained its latest opinion letter on March 31, 2014 in which the Internal Revenue Service stated that the prototype Plan was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since the prototype received its opinion letter. However, the Plan Sponsor and Administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is subject to income tax examinations by tax authorities for the current year and the last three years.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with such investments, and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in risk in the near-term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. Plan assets are not FDIC insured.

9. Uncertainty (COVID-19)

On March 11, 2020, the World Health Organization declared the outbreak of a coronavirus (COVID-19) a worldwide pandemic. The pandemic is having significant effects on global financial markets and economies. As noted in the risk and uncertainties note, investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk and uncertainty, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits. The long-term impact of the effects of the COVID-19 pandemic to the Plan and Plan sponsor are currently not known. The extent of the adverse impact of the COVID-19 pandemic on the Plan's participant account balances and the net assets available for benefits cannot be reasonably estimated at this time.

10. Subsequent Events

Subsequent events were evaluated through September 20, 2022, the date the financial statements were available to be issued. There were no subsequent events requiring disclosure.
