To the Administrative Committee of
QC Auto Sales, Inc. 401(k) Plan
Davenport, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of QC Auto Sales, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of QC Auto Sales, Inc. 401(k) Profit Sharing Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years then ended, stating that the certified investment information, as provided in Note 4 to the financial statement is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

-1-

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of QC Auto Sales, Inc. 401(k) Profit Sharing Plan and to meet other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about QC Auto Sales, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transaction that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,

intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of QC Auto Sales, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about QC Auto Sales, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objectives of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2021 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the

responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified financial information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other procedures in accordance with auditing standards generally accepted. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than agreed to or is derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from information certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

QC AUTO SALES, INC. 401(K) PROFIT SHARING PLAN
Notes to Financial Statements
December 31, 2021

Note 1 Description of the Plan

The following description of the QC Auto Sales, Inc. 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General The Plan is a defined contribution plan covering all full time employees of the Company who have one year of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

Contributions Each year, participants may contribute up to one hundred percent of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers twenty seven mutual funds.

The Plan Sponsor matches 50 % of employee deferrals up to 6 % on a discretionary basis. Profit sharing amounts may be contributed at the option of the Company's board of directors and are invested as directed by each participant.

Participant accounts Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting Participant contributions plus actual earnings thereon are always 100 % vested. Vesting in the Company's matching portion of their accounts thereon is based on years of continuous service on a sliding scale. A participant after 2 years of credited service is vested at twenty percent, after 3 years forty percent, 4 years is sixty percent, 5 years of service vests to eighty percent, and after 6 years of service, a participant is one hundred percent vested.

Participant notes receivable Participant may borrow from their fund accounts a minimum of \$ 1,000 up to a maximum equal to the lesser of \$ 50,000 or 50 % of their account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 5.25 % to 7.5 %, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through semi-monthly payroll deductions.

Notes to Financial Statements December 31, 2021

Note 1 Description of the Plan, continued

Payment of benefits On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a period of time. For termination from service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited accounts There were \$ 28,992 and \$ 1,614 in forfeited nonvested accounts as of December 31, 2021 and 2020, respectively. These accounts will be used to pay administrative fees within the Plan or off set contributions due. As of December, 31, 2021 the Sponsor had made a duplicate payment into the Plan of \$ 22,494, which is included in the \$ 28,992 forfeited accounts.

Note 2 Summary of Significant Accounting Policies

Basis of Accounting

The Plan's policy is to prepare its financial statements on the accrual basis of accounting.

Valuation of Investments

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Participant notes receivable

Participant's notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the cash basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020 no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note is recorded as a benefit payment based on the terms of the Plan document.

Notes to Financial Statements

December 31, 2021

Note 2 Summary of Significant Accounting Policies, continued

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America ("GAAP") requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are Paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative (other) expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Note 3 Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying Statement of Net Assets Available for Benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values.

Furthermore, although the Plan believes its valuation method are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of quoted prices for similar or identical assets in active or inactive markets, other than quoted prices that are observable for the asset, derived primarily or corroborated by observable market data by correlation or other means and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based

Notes to Financial Statements
December 31, 2021

Note 3 Fair Value Measurements, continued

on the available inputs to measure the fair value of its investments. When available the Plan measures fair value using level 1 inputs because they generally provide the most reliable evidence of fair value. One Level 2 inputs was available to the Plan, and Level 3 inputs are only used when Level 1 and 2 inputs were not available.

Level 1 Fair Value Measurements: The fair value is based on quoted net asset values of the shares held by the Plan at year end. The fair values of common stocks, corporate bonds, and U.S. Government securities are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements: The fixed account insurance contract is not actively traded and the only significant observable inputs is the contract amount. Thus the fair value of the fixed account insurance contract is determined by discounting the related cash flows based on current yields of similar investments with comparable durations considering the credit-worthiness of the issuer.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020, respectively:

<u>Fair Value Measurements Using:</u>			
		Quoted Prices In Active Markets for Identical Assets (Level 1)	Quoted Price Contract inputs (Level 2)
	<u>Fair Value</u>		
<u>December 31, 2021</u>			
Mutual funds	\$ 3,094,706	\$ 3,094,706	\$ - - -

Note 4 Investments

Unaudited information certified by Plan Trustee

The December 31, 2021 and 2020 Statement of Net Assets available for benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the years ended December 31, 2021 and 2020, and the accompanying notes to the financial statements were prepared in part or entirely from information Certified by the Trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The information certified includes total investments of \$ 3,149,780 and \$ 2,398,944 as of December 31, 2021 and 2020 investment income of \$ 363,362 and \$ 320,251 for the years ended December 31, 2021 and 2020 respectively.

Note 5 Accounts payable

The Plan sponsor made a duplicate payment to the plan during the year ended December 31, 2021 of \$ 22,494. This is an asset of the plan but is not available for participant benefits.

Note 6 Tax Status

The IRS has determined and informed the Plan Sponsor by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the IRC and therefore believe the Plan is qualified, and the related trust is tax exempt. The Plan's Form 5500, *Annual Return / Report of Employee Benefit Plan* for the years ended 2021, 2020 and 2019 are subject to examination by the IRS, generally for three years after they were filed.

Note 7 Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Notes to Financial Statements

December 31, 2021

Note 8 Related Party Transactions

Certain Plan assets are shares of mutual funds managed by Massachusetts Mutual Life Insurance Company (U.S.A.). Massachusetts Mutual Life Insurance Company is the record keeper and therefore, these transactions qualify as party in interest. Fees paid for the record keeper services amounted to \$ 1,862 and \$ 5,701 for the years ended December 31, 2021 and 2020, respectively.

Certain employees and officers of QC Auto Sales, Inc., who may also be participants in the plan, perform administrative services for the Plan. QC Auto Sales, Inc. does not charge fees for these administrative service to the Plan.

Note 9 Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

As a result of the rapid spread and duration of the COVID 19 coronavirus, economic uncertainties have arisen which resulted in significant volatility in the investment markets. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

Note 10 Subsequent Events

The manager at one of the company's locations started his own company and has hired all the employees of the former location as of July 1, 2021. For Plan participants there is no adverse change, everything from dollars to dates are grandfathered in.

Subsequent events were evaluated through August 24, 2022, which is the date the financial statements were available to be issued.
