INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Arora Engineers, Inc. 401(k) Plan
Chadds Ford, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Arora Engineers, Inc. 401(k) Plan an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Arora Engineers, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

(Continued)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Arora Engineers, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Arora Engineers, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

(Continued)

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Arora Engineers, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Arora Engineers, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Arora Engineers, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution.

(Continued)

In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ARORA ENGINEERS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF THE PLAN

The following description of Arora Engineers, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more detailed and complete description of the Plan's provisions.

General and Eligibility

The Plan is a participant directed, defined contribution 401(k) plan established to provide retirement benefits to eligible employees, as defined, of Arora Engineers, Inc., Arora Systems Group, LLC, Arora Technology Group, LLC and effective January 1, 2020, Electronic Data, Inc. (the "Company" and "Plan Sponsor"). Employees are eligible to contribute and share in the Company matching contributions as of the first of the month following his/her date of hire, provided he/she is at least 21 years of age. Employees are eligible to share in the Company profit sharing contribution after four months of service. Union employees, non-resident alien employees and leased employees are not eligible for participation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Board of Trustees.

The Plan investments are administered and held in a trust by the Plan's trustee, Ascensus Trust Company ("Ascensus") or ("Trustee"). Vanguard Retirement Plan Services is the record keeper of the Plan.

Changes to the Plan

Effective January 1, 2020, the Plan was amended to reflect the merger of Electronic Data, Inc., an affiliated company, and the transfer of Electronic Data, Inc. 401(k) Plan ("EDI Plan") assets into the Plan. The transferred net assets have been recognized in the accounts of the Plan as of January 1, 2020, as previously carried in the accounts of the EDI Plan. A summary of the transferred net assets is as follows:

Investments, at fair value	\$ 4,470,735
Notes receivable from participants	21,169

Coronavirus Aid, Relief, and Economic Security ("CARES") Act

During 2020 and 2019, respectively, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE Act") were passed which allow for certain changes in the regulations surrounding loans and distributions including, among others, to take a penalty-free distribution through December 30, 2020 and suspend outstanding scheduled loan payments until 2021, increase the maximum loan limit for loans taken as a result of COVID-19 through September 22, 2020, and suspend required minimum distributions for the 2020 calendar year, including 2020 payments that would have been required to be made by April 1, 2021, unless elected otherwise.

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF THE PLAN (Continued)

Coronavirus Aid, Relief, and Economic Security (“CARES”) Act (Continued)

The Plan did not adopt any of these provisions for the current plan year, however has until the last day of the first plan year beginning on or after January 1, 2022 to adopt.

Contributions

Each year, participants may elect to defer to the Plan up to the amount of their compensation, as defined in the Plan and subject to the Internal Revenue Code (“IRC”). Once an employee obtains an eligible status, he/she is automatically enrolled into the Plan at a 3% deferral rate. Participants who are age 50 years or older may also make catch up contributions as allowed by the IRC. Participants may make a rollover contribution of amounts distributed from another tax-qualified pension or profit sharing plan. The Company may make matching contributions equal to a percentage of each participant's contribution as determined by the Board of Directors of the Company in their sole and complete discretion. The Company matches 50% of pretax deferrals up to 6% of compensation. The Company did not make a profit sharing contribution to the Plan during the years ended December 31, 2021 and 2020.

Investment Options

Participants may direct the investment of their account balances into various investment options offered by the Plan. Investment options include a money market and various mutual funds.

The Pension Protection Act created the Qualified Default Investment Alternative (“QDIA”) which provides employers a safe harbor from fiduciary risk when selecting an investment for a participant or beneficiary who fails to elect his or her own investment. The Plan has selected Vanguard Target Retirement series funds based upon age of participant as its QDIA.

Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus. This information has not been audited by the Plan’s independent auditors.

Participant Accounts

Individuals accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution if any, and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

ARORA ENGINEERS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts, plus actual earnings thereon, is based on years of service. A participant is 100% vested after five years of credited service. Notwithstanding the foregoing, a participant becomes fully vested in his or her employer matching contributions and profit-sharing contributions upon death prior to termination of employment.

The schedule for vesting is as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1 Year of Vesting Service	0%
2 Years of Vesting Service	20%
3 Years of Vesting Service	40%
4 Years of Vesting Service	75%
5 Years of Vesting Service	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The notes are secured by the vested balance in the participant's account and bear interest at the prime rate plus one percent. Principal and interest are paid ratably through payroll deductions. The interest rates on the loans outstanding at December 31, 2021 and 2020 ranged from 4.25% to 6.50% and the loans outstanding mature through October 2025. Loans must be repaid over a period not extending beyond five years from the date of the loan, unless such loan is used to purchase the participant's primary residence.

Payment of Benefits

On termination of service due to death, disability, or retirement, benefits are paid in a lump-sum cash distribution. Participants who are no longer employed by the Company and have a vested balance less than \$1,000, will receive a lump-sum payment if the participant declines to instruct the Plan Administrator what to do with the funds; those no longer employed with vested balances between \$1,000 and \$5,000, will have their balances rolled into IRAs. If the participant's vested account balance exceeds \$5,000, no lump sum distribution may be made to the participant without written consent of the participant. Hardship withdrawals are available in accordance with Internal Revenue Service ("IRS") guidelines.

Pursuant to the SECURE Act, which was enacted in December 2019, the age at which required minimum distributions must begin for the Plan was increased from 70½ to 72, effective January 1, 2020.

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF THE PLAN (Continued)

Hardship Withdrawals

Prior to termination of employment, a participant may withdraw, subject to the Plan's notice requirements, all or a portion of the value of his or her participant account and the vested value of his or her Company contribution account if he or she has attained age 59-1/2 or becomes totally and permanently disabled, or all or a portion of the value of his or her participant account in the event of demonstrated financial hardship, subject to the Plan's provisions. Withdrawals to which a participant is entitled are the amounts that can be provided by the contributions and income thereon (including net realized and unrealized investment gains and losses) allocated to each participant's account, less allocated expenses.

Forfeited Accounts

The portion of a participant's account balance attributed to the Company's contributions that is not vested upon termination of employment will be forfeited and may be used in future periods to reduce employer contributions and pay administrative expenses of the Plan. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$86,555 and \$61,685, respectively. During 2021 and 2020, \$14,996 and \$12,719 of forfeitures were used to pay Plan expenses. During 2021, \$38,082 of forfeitures were used to reduce employer contributions.

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of the Plan assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee.

ARORA ENGINEERS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in the loan fund balance. As of December 31, 2021 and 2020, no allowances for credit losses have been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a deemed distribution based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Management Fees and Operating Expenses

Management fees and operating expenses charged to the Plan for investments in the mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected in the net appreciation in fair market value of such investments.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Plan expenses totaled \$55,358 and \$39,502 for the years ended December 31, 2021 and 2020, respectively.

Subsequent Events

These financial statements were approved by management and available for issuance on October 10, 2022. Management has evaluated subsequent events through this date.

3 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

ARORA ENGINEERS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

3 - FAIR VALUE MEASUREMENTS (Continued)

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money Market and Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The money market and mutual funds held by the Plan are deemed to be actively traded.

Investments, at fair value	\$ 15,176,246	\$ -	\$ -	\$ 15,176,246

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation in fair value of investments.

4 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The following is a summary of the unaudited information regarding the Plan included in the Plan's financial statements as of December 31, 2021 and 2020 that was prepared by the Trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained a certification from the Trustee that such information is complete and accurate:

Interest and dividend income	250,118	223,739
Interest income on notes receivable from participants	5,583	6,814

5 - PARTY-IN-INTEREST TRANSACTIONS

The Plan issues loans to participants that are secured by participants' account balances. These transactions qualify as party-in-interest transactions, however, they are exempt from the prohibited transactions rules under ERISA.

Fees paid to Kathmere Capital Management for investment advisory services amount to \$40,055 and \$25,990 for the years ended December 31, 2021 and 2020, respectively.

The Plan invests in certain funds managed by Vanguard totaling \$15,325,071 and \$13,443,133 at December 31, 2021 and 2020, respectively. Transactions in such investments qualify as party-in-interest transactions, however, they are exempt from the prohibited transaction rules under ERISA. Fees paid to Vanguard for recordkeeping services amounted to \$15,303 and \$13,512, for the years ended December 31, 2021 and 2020, respectively.

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation, recordkeeping and financial reporting of the Plan. The Company pays these individuals' salaries and other administrative expenses on behalf of the Plan. Certain fees, to the extent not paid by the Company, are paid by the Plan. These transactions are not deemed prohibited party-in-interest transactions because they are covered by statutory and administrative exemptions from the IRC and ERISA rules on prohibited transactions.

ARORA ENGINEERS, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, participants would become 100% vested in their accounts.

7 - TAX STATUS

The Company adopted a pre-approved prototype plan offered by the Plan's trustee. The Internal Revenue Service ("IRS") has determined that the prototype plan, by letter dated June 30, 2020, is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8 - RISKS AND UNCERTAINTIES, AND CONCENTRATIONS

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The Plan had investments in three mutual funds and one collective investment trust, representing approximately 10%, 11%, 11% and 24%, respectively, of assets held at December 31, 2021.
