INDEPENDENT AUDITORS' REPORT

To the Plan Administrator, Plan Sponsor and Management
of the ABM Mechanical, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of ABM Mechanical, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020**

NOTE A---PLAN DESCRIPTION

The following description of the ABM Mechanical, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan documents for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

General

The Plan covers all eligible employees of ABM Mechanical, Inc. (the "Company"). The purpose of the Plan is to provide retirement income to eligible employees of the Company. The Plan is a volume submitter prototype defined contribution plan sponsored by Transition Finance Strategies LLC, with Ascensus Trust Company serving as the Plan's custodian.

KSOP Plan Merger

Starting in 2021, the Company established the ABM Mechanical, Inc. Employee Stock Ownership 401(k) Plan (the "KSOP") with the intention of merging the existing ESOP and existing 401(k) plan into one qualified retirement plan for their employees. As part of the merger, effective December 31, 2021, ownership of the Plan's assets and liabilities were transferred to the KSOP.

Eligibility

Employees are eligible to participate in the Plan, as well as the employer contributions, when they have completed ninety days of service, as defined by the Plan documents. Employees enter the Plan on the first day of each calendar month coinciding with or next following the date the employee satisfies the Plan's eligibility requirements. Employees who were employed by the Company on December 31, 2016 were immediately eligible to participate in the Plan effective January 1, 2017.

Contributions

The Plan allows for 401(k) pre-tax and ROTH deferral options. Participants may contribute up to 100% of their eligible compensation, as defined by the Plan. Contributions are subject to certain limitations, such as provided by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants deferring to the Plan are eligible for a safe harbor matching contribution equal to 100% of salary deferrals that do not exceed 3% of the employee's compensation plus 50% of salary deferrals between 3% and 5% of an employee's compensation. For purposes of calculating the safe harbor matching contribution, the compensation and deferrals are determined on a payroll period basis. Participants are also allowed to make rollover contributions to the Plan of amounts received from certain other tax-qualified retirement plans. Changes to the participant's elective deferrals are permitted on a monthly basis.

All contributions to the Plan are directed by the participants and allocated to the investment options that the participants select.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company safe harbor matching contributions, as well as allocations of (a) plan earnings and charged with an allocation of certain administrative expenses. Participant accounts are charged with an allocation of certain administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A---PLAN DESCRIPTION (Continued)

Vesting

Participants are vested immediately in their rollover contributions, pre-tax and ROTH contributions, qualified non-elective contributions and Company safe harbor matching contributions, plus actual earnings thereon.

Notes Receivable from Participants

Participants are permitted to have 1 loan outstanding at any time and may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years. For the purchase of a primary residence, the plan administrator may permit a longer repayment term. The loans are secured by the balance in the participant's account and bear interest at the Prime Rate plus 2%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Benefits may be paid upon termination, death, disability, retirement or hardship. On termination of service, a participant with an account balance of more than \$5,000 is permitted to leave the amount in the Plan and defer receipt of their distribution until a later date. However, a participant cannot postpone if the vested account balance is \$5,000 or less, in which case the Plan Administrator will direct the Custodian to distribute the participant's vested account balance in a single lump-sum payment.

Participants meeting certain criteria may make in service withdrawals from the Plan. Eligible participants may elect to withdraw all or a portion of their entire vested account balance while still employed by the Company.

The Plan also permits distributions for hardships, as defined by the Plan documents.

Forfeitures

Amounts forfeited from a participant's account can be used to restore forfeitures, reduce Company contributions, or to pay reasonable Plan expenses, as defined by the Plan documents. For the years ended December 31, 2021 and 2020, approximately \$77,775 and \$37,746 of forfeitures were used for Plan expenses and employer contributions. As of December 31, 2021 and 2020, there was approximately \$-0- and \$2, respectively, of unallocated forfeitures.

NOTE B---SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared under the accrual method of accounting, except that benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual amounts may differ from those estimates.

NOTE B---SUMMARY OF ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are held in a trust and consist of shares of registered investment companies and units of a common collective trust fund. Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by investment advisors and custodians. See Note D for disclosure of fair value measurements.

The Plan's investment in the Reliance Trust Stable Value Fund (MetLife Series 25157, Class 0)(the "Fund") is held through a common collective trust. The primary investment objective of the Fund is to preserve principal while generating earnings at rates competitive over time with short-time high quality fixed income investments. The Fund invests entirely in the MetLife Group Annuity Contract 25157, which consists of a separately managed investment portfolio directed by Reliance Trust Company.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date and interest is recorded on the accrual basis. Net appreciation (depreciation) in fair value include the Plan's realized and unrealized gains and losses on investments bought and sold as well as those held during the year.

Investment fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, investment fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Management has determined that no allowance for loan losses is necessary. Delinquent participant loans are reclassified as distributions based on the terms of the Plan documents. For the year ended December 31, 2021, approximately \$734 of participant loans and accrued interest were distributed and the amount is included in the benefits paid to participants in the accompanying statement of changes in net assets available for benefits.

Excess Contributions Payable

Excess contributions consist of amounts payable to participants for contributions that were withheld prior to eligible entry date. These amounts are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefit are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from the accompanying financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

Date of Management's Review

Management has evaluated subsequent events through October 10, 2022, the date which the financial statements were available to be issued.

NOTE C---INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

As of December 31, 2021, ownership of all investments previously held by the Plan were transferred to and held by the KSOP. As of December 31, 2020, the Plan's investments were held by Ascensus Trust Company (the "Custodian") of the Plan. The financial information included in the Plan's financial statements, except for receivables, payables, benefit payments, contributions and administrative fees, has been derived from information certified as complete and accurate by the custodian, in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The following is a summary of the information that has been prepared and certified to as complete and accurate by the Plan's custodian, as of and for the years ended December 31:

	2021	2020
Investments, at fair value:		
Mutual Funds	\$ -	\$ 4,237,834
Common Collective Trust	-	212,211
Notes Receivable from Participants	-	12,584
Net Appreciation in Value of Investments	468,089	
Interest and Dividends	95,052	
Interest Income on Notes Receivable from Participants	1,041	

NOTE D---FAIR VALUE MEASUREMENTS

FASB ASC 820 and subsections, "*Fair Value Measurements and Disclosures*", established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Financial assets and liabilities whose values are based on unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 Financial assets and liabilities whose values are based on the following:

- a) Quoted prices for similar assets or liabilities in active markets;
- b) Quoted prices for identical or similar assets or liabilities in non-active markets;
- c) Pricing models whose inputs are observable for substantially the full term of the asset or liability and;
- d) Pricing models whose inputs are derived principally from or corroborated by observable market data through correlation or other means for substantially the full term of the asset or liability.

NOTE D---FAIR VALUE MEASUREMENTS (Continued)

Level 3 Financial assets and liabilities whose values are based on prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable. These inputs reflect management's own assumptions about the assumptions a market participant would use in pricing the asset or liability.

Below are the Plan's financial instruments carried at fair value on a recurring basis by their fair value hierarchy levels, described above:

December 31, 2020	Total	Level 1
Mutual Funds	\$ 4,237,834	\$ 4,237,834
Assets in the Fair Value Hierarchy	4,237,834	<u>\$ 4,237,834</u>
Common Collective Trust*	212,211	
Investments, at Fair Value	<u>\$ 4,450,045</u>	

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Mutual Funds - Investments in mutual funds are valued daily at quoted market prices, which represent the net asset value of shares. The mutual funds held by the Plan are deemed to be actively traded.

Common/collective trust – The fair value of participation units held in the Reliance Trust Stable Value Fund (MetLife Series 25157, Class 0), a common/collective trust ("CCT") is based on net asset value, as reported by the manager of the common collective trust fund, Reliance Trust Company, and as supported by the unit prices of actual purchase and sale transactions occurring as of or close to the financial statement date. The CCT provides for daily redemptions by the Plan at reported net asset value, with no advance notice requirements. The fund has no unfunded commitments.

The Plan's policy is to recognize transfers of investments into or out of Level 3 as of the date of the event or change in circumstances that cause the transfer. For the years ended December 31, 2021 and 2020, there were no transfers of investment into or out of Level 3.

NOTE E---TAX STATUS

The Internal Revenue Service (the "IRS") has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

The Plan is subject to audit by various taxing authorities; however, there are currently no audits for any tax periods in progress. The Plan has not recognized any interest or penalties related to uncertain tax positions.

NOTE F---PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Participants should refer to the Plan Agreement for a description of the priorities or distribution of Plan benefits in the event of termination.

NOTE H---ADMINISTRATIVE COSTS

The Company absorbs significant costs associated with administering the Plan and therefore are excluded from the accompanying financial statements. For the year ended December 31, 2021, certain administrative fees relating to recordkeeping and advisory fees were charged to the Plan and allocated to the participants totaling approximately \$31,000.

NOTE I---PARTY-IN-INTEREST TRANSACTIONS

Ascensus Trust Company performed custodian services for the Plan during the years ended December 31, 2021 and 2020. Ascensus Trust Company is considered a party-in-interest to the Plan. Accordingly, transactions with the Custodian, as well as notes receivable from participants, qualify as party-in-interest transactions.

The Plan invests in shares of certain registered investment companies managed by an affiliate of The Vanguard Group, Inc., a service provider of the Plan, and therefore, these transactions qualify as party-in-interest transactions. Investments held by the Plan in Vanguard Funds totaled \$-0- and \$3,624,661 as of December 31, 2021 and 2020.

Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Fees associated with the management of these funds are incorporated into the net asset value of the funds.

Certain employees and officers of the Company, who may also be participants in the Plan, perform administrative services for the Plan at no cost to the Plan.

NOTE J---RISKS AND UNCERTAINTIES

The Plan provides for various investment options in combination of registered investment companies and a fixed account. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits and the statement of changes in net assets available for benefits.
