INDEPENDENT AUDITORS' REPORT

The Trustees of
GCGA Physicians, Inc. Profit Sharing Plan
Cincinnati, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of GCGA Physicians, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits (in liquidation) as of December 31, 2021, and the related statement of changes in net assets available for benefits (in liquidation) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of GCGA Physicians, Inc. Profit Sharing Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in the Certified Investments note to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of GCGA Physicians, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter- Plan Termination and Liquidation Basis of Accounting

As described in the notes to the financial statements, the governing body of GCGA Physicians, Inc. Profit Sharing Plan approved a plan of liquidation effective May 1, 2021, and management determined liquidation was imminent. As a result, the Plan changed its basis of accounting from the going concern basis of accounting used in presenting the 2020 financial statements to the liquidation basis of accounting used in presenting the 2021 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GCGA Physicians, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of GCGA Physicians, Inc. Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS**

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the GCGA Physicians, Inc. (the Company) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Document and the summary plan description for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan covering all employees of the Company except employees who are designated as P.R.N. employees. For the purpose of making employee deferrals, an employee became a participant in the Plan on the first entry date following the day on which one year of service was completed (including 1,000 hours of service) and age twenty-one was attained. Entry dates were January 1st, April 1st, July 1st, and October 1st. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Effective October 1, 2020, the Plan Sponsor sold all its stock to Gastro Health of Ohio, LLC. On that date participant contributions to this Plan ceased and participants then became immediately eligible for the Gastro Health of Ohio, LLC plan.

On April 15, 2021, the Plan Sponsor adopted a resolution to terminate the Plan effective May 1, 2021. All participants as of April 15, 2021 became 100% vested in their account balances. Final distributions from the Plan to participants were made as soon as administratively feasible and all distributions were completed by December 17, 2021.

Participant Contributions

Each year up through September 30, 2020, participants could contribute up to limits as defined in the Plan, not to exceed amounts determined by the Internal Revenue Service. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from certain other retirement plans as described in the Plan document (rollovers). Participants directed the investment of their contributions into any combination of several investment options offered by the Plan.

Employer Contributions

Prior to Plan termination, the Company's Board of Directors determined the profit sharing contribution it would make to the Plan on an annual basis. All eligible participants who had completed one or more hours of service during the Plan year were eligible to share in the allocation of the employer profit sharing contribution. Each employee was assigned to a group as described in the Plan Document and received an allocation of the profit sharing contribution based on their compensation for the Plan year. There was no profit sharing contribution for 2021. For 2020, the total profit sharing contribution was \$950,020 of which \$840,000 was paid by the Company and the remaining \$110,020 was paid using the balance in the forfeitures account. Contributions were subject to certain statutory limitations.

Participant Accounts

Each participant's account was credited with the participant's contributions and allocations of (a) Plan earnings (losses), including a charge for an allocation of administrative expenses paid by the Plan, and (b) employer profit sharing contributions. Allocations were based on participant earnings, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Notes Receivable From Participants

Notes receivable from participants were not allowed under this Plan.

Vesting

Prior to Plan termination, participants were immediately vested in their 401(k) elective deferrals and rollover contributions plus actual earnings thereon. Vesting in the remainder of their accounts, plus actual earnings thereon, was based on years of service as defined in the Plan. Vesting began upon the completion of the second year of service, and a participant was 100% vested after six years of credited service.

Forfeitures

Prior to Plan termination, if a participant was not fully vested on their termination date, the non-vested amount of their account was forfeited. Forfeitures on non-vested account balances were used to reduce future employer contributions or to pay Plan expenses.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of employment from the Company, a participant could receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or any other form of payment included in the Plan document. However, participants with a vested benefit of \$1,000 or less automatically received a lump sum amount equal to the vested portion of their account upon termination. For terminating participants with a vested balance in excess of \$1,000 but less than \$5,000, in which the participant did not elect to receive a distribution, the Plan administrator automatically transferred the benefit to an IRA established in the name of the participant. Prior to Plan termination, participants with a vested balance in excess of \$5,000 could remain in the Plan, but they could not make additional contributions.

Administrative Expenses

Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

As a result of the Plan's termination the financial statements of the Plan were prepared on the liquidation basis of accounting as of and for the year ended December 31, 2021. As of and for the year ended December 31, 2020, the financial statements of the Plan were prepared using going concern (ongoing) basis of accounting.

Use of Estimates

The process of preparing financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues and expenses. Certain estimates relate to unsettled transactions and events as of the date of the financial statements. Other estimates relate to assumptions about the ongoing operations and may impact future periods. Accordingly, upon settlement, actual results may differ from estimated amounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determined the Plan's valuation policies utilizing information provided by the investment advisers and trustee (see Fair Value Measurements note).

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation in fair value of investments included the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Payable

Amounts payable to the Plan Sponsor for overpayment of employer profit sharing contributions were recorded as a liability with a corresponding reduction to contributions. There were no contributions payable for the year ended December 31, 2021.

Payment of Benefits

Payments of benefits were recorded when paid.

Net Assets Available for Benefits

Net assets available for benefits at both December 31, 2021 and 2020 included \$-0- allocated to the accounts of persons who, prior to that date, had withdrawn from participating in the earnings and operations of the Plan.

Tax Status

The Plan was operating under a volume submitter plan document that was accepted under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. This document received a favorable opinion letter from the Internal Revenue Service dated March 31, 2014. The Plan had been amended since receiving this opinion letter. A determination letter had not been received specific to the GCGA Physicians, Inc. Profit Sharing Plan. However, the Plan administrator believed the Plan was designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and therefore believed that the Plan was qualified and the related trust was tax-exempt.

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of both December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Currently, the prior three years are open under Federal statutes of limitations and remain subject to review and change. The Plan is not currently under audit nor has it been contacted by any taxing authority.

Subsequent Events

The Plan has evaluated subsequent events through October 7, 2022, which is the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

LEVEL 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

LEVEL 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

LEVEL 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The Plan used appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at either December 31, 2021 or 2020.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan were open-end mutual funds that were registered with the SEC. These funds were required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan were deemed to be actively traded.

Interest in Common Collective Trust – Stable value fund maintained by Putnam Fiduciary Trust Company which invested primarily in high-quality guaranteed investment contracts issued by insurance companies, banks, and other financial institutions, as well as security-backed investment contracts, whose units are valued at the net asset value (NAV). The NAV was used as a practical expedient to estimate fair value. The NAV was based on the fair value of the underlying investments held by the fund less liabilities. This practical expedient would not be used if it was determined to be probable that the fund would sell the investment for an amount different from the reported NAV.

The preceding methods described may provide a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believed its valuation methods were appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could have resulted in a different fair value measurement at the reporting date.

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2020:

<u>December 31, 2020</u>	<u>Investments at Fair Value</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 27,318,331	\$ -	\$ -	\$ 27,318,331
Total Assets in Fair Value Hierarchy	\$ 27,318,331	\$ -	\$ -	27,318,331
Investments Measured at Net Asset Value (a)				908,974
Total Investments				\$ 28,227,305

As of December 17, 2021 all assets of the Plan have been distributed and thus there are no Plan assets as of that date.

a) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value was measured using the net asset value per share practical expedient as of December 31, 2020. There were no participant redemption restrictions for these investments; the redemption notice period was applicable only to the Plan.

<u>December 31, 2020</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Interest in Common Collective Trust	\$ 908,974	N/A	Daily	None

NOTE 4 – ERISA EXPENSE ACCOUNT

Included in the asset holding account of the Plan were contributions from the revenue sharing agreement which could be used by the Plan to pay direct expenses or allocated to the accounts of participants. As of December 31, 2021 and 2020, the ERISA expense account totaled \$-0- and \$9,392, respectively. During both the years ended December 31, 2021 and 2020, no administrative expenses were offset from this account. There were no amounts from this account allocated to the accounts of participants for both 2021 and 2020. During 2021, \$9,392 was refunded to the plan sponsor during plan termination procedures for fees incurred by plan sponsor related to the Plan.

NOTE 5 – CERTIFIED INVESTMENTS

Certain information related to investments disclosed in the accompanying financial statements including investments held at both December 31, 2021 and 2020, and the net appreciation in fair value of investments, interest and dividends for the years then ended was obtained by management and agreed to or derived from information certified as complete and accurate by Newport Trust Company, the trustee of the Plan.

NOTE 6 – FORFEITURES

For the years ended December 31, 2021 and 2020, forfeitures of \$88,085 and \$-0-, respectively, were used to pay Plan expenses. Forfeitures of \$-0- and \$110,020 were used to reduce employer contributions for the years ended December 31, 2021 and 2020, respectively. At both December 31, 2021 and 2020, there were no unallocated forfeitures.

NOTE 7 – RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Newport Trust Company is the trustee and record-keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines. Fees paid by the Plan to the trustee are included in either administrative expenses or net appreciation in fair value of investments. The Company pays directly any other fees related to the Plan's operations.

Several employees of the Company provided administrative services to the Plan, such as day to day administration and oversight. The Company did not charge the Plan for these services.

Newport Trust Company provided certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Company and Newport Trust Company. Newport Trust Company received revenue from mutual fund service providers for services Newport Trust Company provided to the funds. This revenue was used to offset certain amounts owed to Newport Trust Company for its administrative services to the Plan.

If the revenue received by Newport Trust Company from such mutual fund service providers exceeded the amount owed under the MSA, Newport Trust Company remitted the excess to the Plan's trust on a quarterly basis. Such amounts could be applied to pay Plan administrative expenses or allocated to the accounts of the participants. The Plan or Plan sponsor may make a payment to Newport Trust Company for administrative expenses not covered by revenue sharing. (Refer to the ERISA Expense Account note for further information.)

NOTE 8 – RECONCILIATION OF NET ASSETS WITH PARTICIPANTS' ACCOUNTS

	December 31,	
	2021	2020
	(In Liquidation)	(Ongoing)
Balance of Participants' Accounts	\$ -	\$ 28,217,913
Contributions Payable	-	(292,000)
ERISA Expense Account	-	9,392
Net Assets Available for Benefits	\$ -	\$ 27,935,305

NOTE 9 – RISKS AND UNCERTAINTIES- COVID-19 OUTBREAK

In 2020, the World Health Organization announced a global health emergency later classified as a global pandemic as a result of the COVID-19 outbreak. The outbreak and response has impacted financial and economic markets across the World and within the United States of America. The full impact continues to evolve and as such, it is uncertain as to the full magnitude that the pandemic will have, however, given this Plan is terminated and has no assets at the end of 2021, no adjustments to the Plan's financial statements were necessary.
