INDEPENDENT AUDITORS' REPORT

To the Trustee and Board of Directors of
Skills Development Services, Inc. 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Skills Development Services, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Skills Development Services, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Skills Development Services, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements

relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Skills Development Services, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Skills Development Services, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Skills Development Services, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of 2021) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Principal Financial Group, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

SKILLS DEVELOPMENT SERVICES, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Skills Development Services, Inc. (the Company) 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

A. General

The Plan is a profit sharing plan covering employees who have thirty (30) days of service. Employees enter the plan on the semi-annual date on or after meeting the eligibility requirement. The plan year is January 1 through December 31. It is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA). The Trustee oversees governance of the Plan.

B. Contributions

Each year participants may contribute from 0% to 100% of compensation. Maximum contribution is limited by Federal tax laws. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may match part of the participant contribution based on salary deferrals and pays of the end of the pay period. The Company may make a discretionary contribution at the end of the plan year if an employee is an active participant on the last day of the Plan year and employed at least 30 days before plan entry dates January 1 and July 1 each year. Employer contributions may change in the future.

The Plan includes an automatic contribution arrangement for new participants or re-hired participants as they enter the plan. It includes an automatic 3% deduction from pay contributed to the plan unless participant elects a different salary deferral percentage.

C. Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, and an allocation of plan earnings. Allocations are based on the participant average account balances, as defined.

D. Vesting

Participants are 100% vested in their salary reduction and employer contributions based on years of service in which participant worked at least 1,000 hours. Participants are 100% vested in employer matching after four years of credited service.

E. Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in any of the Plan's available investment options. Participants may change their investment options or contribution percentages two times during the year, January 1 and July 1.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN (Continued)

F. Payment of Benefits

Benefits will be paid only on death, disability, termination of employment, age 59-1/2 and still working, or at retirement. Upon such event, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in periodic payments over a period not exceeding the life expectancy of the participant or the joint life expectancy of the participant and his designated beneficiary or certain other annuity options. The Plan does allow for hardship withdrawals.

G. Forfeited Accounts

At December 31, 2021 and 2020, forfeited accounts totaled \$25,131 and \$20,051. These accounts are used to reduce future employer contributions.

H. Plan Administrative Costs

Plan administrative costs are absorbed by the Company.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

B. Date of Management's Review

Subsequent events were evaluated through October 11, 2022, which is the date the financial statements were available to be issued.

C. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

D. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net change in value includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefits are recorded when paid.

NOTE 3 - FAIR VALUE MEASUREMENTS

The following information included in the accompanying financial statements and the supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the Plan custodian. The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

December 31, 2021		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
	Fair Value			
Guaranteed Interest				
Accounts	\$ 56,443	\$ -	\$ -	\$ 56,443

December 31, 2020		Quoted Prices in Active Markets for Identical Assets	Significant Other Observable Inputs	Significant Unobservable Inputs
	Fair Value	(Level 1)	(Level 2)	(Level 3)

Accounts	\$ 49,102	\$ -	\$ -	\$ 49,102

Total	<u>\$ 2,075,317</u>	<u>\$ 2,026,215</u>	<u>\$ -</u>	<u>\$ 49,102</u>

The fair value measurements accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 consists of significant other observable inputs and Level 3 inputs have the lowest priority.

The three levels of the fair value hierarchy are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted price for identical assets or liabilities in active markets that the plan has the ability to access.

SKILLS DEVELOPMENT SERVICES, INC. 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement. Unobservable inputs are those that reflect the plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances. An example could be real estate valuations, which require significant judgment.

Effect of Level 3 Inputs on Net Assets or Liabilities:

Investment Category	Beginning Balance	Total Gains or Losses	Interest Certified	Purchases	Sales	Ending Balance	Transfer In or Out of Level 3	Unrealized Gains or Losses
Investment Contract	\$ 49,102	\$ (529)	\$ 319	\$ 24,462	\$ 16,911	\$ 56,443	\$ -	\$ (529)

NOTE 4 – INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

Under the Department of Labor's regulations, certain assets and related information held by a bank, trust company or similar institution, or an insurance company, that is required and subject to periodic examination by a state or federal agency does not have to be audited, provided the plan administrator exercises this opinion and the institution holding the assets certifies the required information. NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6 - TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter in March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan was amended and updated in 2019 to bring the plan into compliance with the IRC code. Management has evaluated the Plan's design and operation and has concluded that the Plan is designed and has been operated in compliance with the applicable requirements of the IRC.

Generally accepted accounting principles prescribe requirements for the recognition, measurement, classification, and disclosure in the financial statements of uncertain tax positions taken or expected to be taken by the Plan. Further, management believes that the Plan has maintained its tax-exempt status and has taken no uncertain tax positions that require adjustment of the financial statements.

The Plan is subject to routine audits by the IRS; however, there are currently no audits in progress. Generally, the Plan's tax returns remain open for federal income tax examination for three years from the date of filing.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least possible that changes in the values of investment securities will occur in the new term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 – PARTY-IN-INTEREST

Certain Plan investments are shares of funds managed by Principal Financial Group. Principal is the custodian as of year-end as defined by the Plan and, therefore, these transactions qualifies as party-in-interest.

NOTE 9 – GUARANTEED INTEREST ACCOUNTS

This contract offers a guaranteed interest account that provides a guaranteed interest rate for a specified period of time as determined by the Plan. These contracts promise contract value for a benefit event; however, there could be a surrender charge when funds are withdrawn before maturity. These accounts are considered non-benefit responsive; therefore, fair value is the relevant measurement for the benefits attributable to the guaranteed contract.

NOTE 10 – CARES ACT

On March 27, 2020, President Trump signed into law the **Coronavirus Aid, Relief, and Economic Security Act, (CARES Act)**. There were amendments to the Plan for the following optional relief items as permitted under the CARES Act and as outlined below:

Impacted Participants who have:

- been diagnosed with virus SARS-CoV-2 or with coronavirus disease 2019 (COVID-19) by a test approved by the Centers for Disease Control and Prevention.
- a spouse or dependent (as defined in Section 152 of the Internal Revenue Code of 1986) diagnosed with the virus or disease by such a test.
- experienced adverse financial consequences resulting from a reduction in work hours, layoff, quarantine, furlough, or who are unable to work due to lack of childcare or business closing, all on account of the virus or disease.
- other factors determined by the Treasury Secretary.

Impacted Participants will self-certify that they meet one of the above requirements.

Coronavirus-Related Distributions – (COVID-19 withdrawals):

- Impacted Participants may receive up to \$100,000 in aggregate (of all plans maintained by your organization and any member of any controlled group which includes your organization) for withdrawals before December 31, 2020.
- 10% penalty tax for early withdrawal is waived.
- Not treated as eligible rollover distributions, so a 402(f) notice is not required, and mandatory 20% withholding will not apply. However, 10% federal withholding applies unless the Impacted Participant elects to opt out.
- Will be included in the Impacted Participant's taxable income over a three-year period, unless the Impacted Participant elects to have it taxed in the year of distribution.
- No limit to the number of such withdrawals each Impacted Participant can make.
- Withdrawals available from an Impacted Participant's entire vested account (subject to any trading restrictions¹ and excluding accounts subject to spousal consent, such as money purchase assets).
- Repayment of withdrawal amount permitted if repayment occurs within three years of distribution.

NOTE 10 – CARES ACT (Continued)

Coronavirus-Related Loans:

- Impacted Participants may borrow up to the lesser of \$100,000 or 100% of their vested balance (subject to any trading restrictions¹ and limitations to specific contributions sources as currently in the Plan) for 180 days beginning March 27, 2022.
- Impacted Participant loan payments due from March 27, 2020 through December 31, 2020, including those due following a severance from employment, may be delayed for one year. This period is disregarded in determining the loan term, including the 5-year maximum. Subsequent loan payments will be adjusted appropriately to reflect the payment delay, any interest accruing during that delay, and the revised loan term.

Required Minimum Distribution (RMD):

- RMD rules for distributions required for the 2020 calendar year are temporarily waived. Plan participants and beneficiaries may still request to receive a distribution equal to the RMD in 2020 if they would prefer.
