Independent Auditors' Report

The Plan Administrator of
Center for Science in the Public Interest Retirement and Employee Savings Plan
Washington, DC

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Center for Science in the Public Interest Retirement and Employee Savings Plan, an employee benefit plan subject to Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the of Center for Science in the Public Interest Retirement and Employee Savings Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the accompanying 2021 financial statements of Center for Science in the Public Interest Retirement and Employee Savings Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

Center for Science in the Public Interest Retirement and Employee Savings Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Further, as described in Note 7 to the financial statements, the Center for Science in the Public Interest Retirement and Employee Savings Plan has excluded from investments in the accompanying statement of net assets available for benefits certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Center for Science in the Public Interest Retirement and Employee Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of Center for Science in the Public Interest Retirement and Employee Savings Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2021 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of Center for Science in the Public Interest Retirement and Employee Savings Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the 2021 Financial Statements section of our report, it is inappropriate to and we do not express an opinion on these supplemental schedules.

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Center for Science in the Public Interest Retirement and Employee Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. Further, Center for Science in the Public Interest Retirement and Employee Savings Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

Center for Science in the Public Interest Retirement and Employee Savings Plan has excluded from the 2020 financial statements certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded from the 2020 financial statements. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the 2020 financial statements.

In our report dated October 12, 2021 we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1. Description of Plan

General

The Center for Science in the Public Interest Retirement and Employee Savings Plan (the Plan) is a defined contribution plan pursuant to the provisions of Section 403(b) of the Internal Revenue Code (the Code) established for employees of the Center for Science in the Public Interest (the Plan Sponsor). Employees are eligible to participate in the Plan upon the date of employment. The Plan became effective on January 1, 1989 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The following provides only general information about the Plan. A complete description of the Plan is contained in the Plan Document and Adoption Agreement, which govern the operation of the Plan.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement (SECURE) Act of 2019 that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act were effective on January 1, 2020 and required significant changes to plan administration and recordkeeping.

As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act that included numerous employee benefit plan provisions to assist plan sponsors and participants. The Plan elected to allow coronavirus-related distributions and enhanced loans under the provisions of the CARES Act.

While the Plan Sponsor has not expressed any intent to terminate the Plan, it may do so, subject to the provisions of ERISA. In the event the Plan is terminated, the participants will become fully vested in their accounts. The net assets of the Plan shall be allocated among the participants in the order provided for in accordance with ERISA.

Contributions

Participants may contribute up to the maximum percentage allowable not to exceed the limits of the applicable Code Sections (\$19,500 for both 2021 and 2020). Participants who are age 50 or older may make additional catch up contributions up to the maximum amount allowed (\$6,500 for both 2021 and 2020). Each participant's account is credited with the participant's contributions and earnings on these contributions. Allocation of plan earnings is based on the individual investment returns and account balances and is allocated based on the proportion of each participant's account balance as it bears to all participant account balances in that particular investment. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

The Plan Sponsor makes a matching contribution equal to 100 percent of the amount contributed by the employee not to exceed 3 percent of the employee's eligible compensation. The Plan Sponsor may also make discretionary contributions to the Plan. Participant rollover contributions are also allowed. An employee who is eligible under the Plan must be 1) employed for one year; 2) be 18 years of age; and 3) work at least 1,000 hours during the twelve months following the date of hire or in any plan year beginning after the date of hire, in order to receive an employer contribution. Employer matching contributions were \$123,827 and \$78,837 during 2021 and 2020, respectively. Employer discretionary contributions were \$0 in both 2021 and 2020. Participant deferral contributions were \$396,251 and \$357,525 for the years ended December 31, 2021 and 2020, respectively. Participant rollover contributions were \$55,278 and \$0 for the years ended December 31, 2021 and 2020.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 1. Description of Plan (Concluded)

Vesting

Participants are immediately vested in their salary deferral and rollover contributions. At December 31, 2021 and 2020, the vesting of employer matching and discretionary contributions is as follows:

<u>Years of Service</u>	<u>% Vested</u>
1 year	25%
2 years	50%
3 years	75%
4 years	100%

Investment Elections

Participants may elect to have their contributions invested in various investment options offered by the Plan's custodians.

Benefit Payments

The Plan provides for benefit payments upon termination, death, disability, after attaining age 59 1/2 and after attaining the normal retirement age of 65 or early retirement age of 55, based on the vested balance in the participant's account. Coronavirus related distributions, hardship withdrawals, in-service distributions and participant loans are also permitted, if certain conditions are met, as outlined in the Plan Document. Benefit payments are recorded when paid. Amounts included in net assets available for plan benefits, which are allocated to accounts of terminated participants who have withdrawn from the Plan, were not significant as of December 31, 2021 or 2020.

Forfeitures

Under the provisions of the Plan, a participant who terminates employment before becoming vested in the employer's contribution forfeits these amounts when any vested amounts are distributed. Forfeited amounts are used to reduce employer contributions to the Plan. Forfeited amounts available to reduce employer contributions to the Plan were \$4,956 and \$3,798 at December 31, 2021 and 2020, respectively.

Notes Receivable from Participants

Participants may borrow up to one-half of their vested account balance up to a maximum of \$50,000, (except as modified by the CARES Act). The loans are secured by a portion of the participant's vested account balance and bear interest at a reasonable rate. Loans are generally repaid within five years.

Administrative Expenses

The Plan Sponsor pays substantially all administrative expenses of the Plan.

RETIREMENT AND EMPLOYEE SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on an accrual basis.

Investments

Investments in mutual funds are stated at fair value. The insurance company general accounts (Lincoln National Life Insurance Company Fixed Asset Account and AXA Equitable Life Insurance Company GIA Fund) are presented at contract value as determined by Lincoln National Life Insurance Company and AXA Equitable Life Insurance Company. Interest from investments is recorded as earned. Investment income consists primarily of net realized and unrealized appreciation in fair value of net assets.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued, but unpaid, interest.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Note 3. Income Tax Status

The Plan adopted a 403(b) Plan document designed by Lincoln National Life Insurance Company (Lincoln) effective January 1, 2010. The Plan was amended and restated and a new volume submitter 403(b) Plan document designed by Lincoln was adopted in 2019. The volume submitter plan obtained an IRS determination letter on March 31, 2017, in which the Internal Revenue Service stated that the volume submitter plan, as then designed, was acceptable under Section 403(b) of the Code. The Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, no provision for income taxes has been included in the Plan's financial statements. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize an adjustment to taxable income if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan sponsor has analyzed the tax positions taken by the Plan, and is not aware of any uncertain tax positions that would require an adjustment to taxable income or disclosure in the financial statements. The Plan is not currently under examination by any taxing authority.

Note 4. Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification Topic 820, "*Fair Value Measurement*" (ASC 820), establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consists of inputs other than quoted prices in an active market that are observable, and Level 3 inputs are unobservable and significant to the fair value measurement, and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

The Plan's investments in mutual funds are reported at fair value in the accompanying statements of net assets available for benefits.

		Fair Value Measurements Using:		
		Quoted Prices In Active Markets for Identical Assets (Level 1)	Other Than Quoted Prices In Active Markets that are Observable (Level 2)	Significant Unobservable Inputs (Level 3)
		Total		
December 31, 2021:				
Investments				
Mutual Funds	\$ 14,903,451	\$ 14,903,451	\$ -	\$ -
Mutual Funds-NAV (1)	606,651	-	-	-
	<u>\$ 15,510,102</u>	<u>\$ 14,903,451</u>	<u>\$ -</u>	<u>\$ -</u>
December 31, 2020:				
Investments				
Mutual Funds	\$ 12,324,942	\$ 12,324,942	\$ -	\$ -
Mutual Funds-NAV (1)	1,904,712	-	-	-
	<u>\$ 14,229,654</u>	<u>\$ 12,324,942</u>	<u>\$ -</u>	<u>\$ -</u>

Level 1 Fair Value Measurements

The fair value of mutual funds issued by Fidelity Management Trust Company is based on quoted market values of the shares held by the Plan at year-end.

- (1) The Multi-Fund contracts issued by Lincoln National Life Insurance Company are registered individual contracts and are included with mutual funds on the statements of net assets available for benefits. These investments purchase specific mutual funds at the direction of variable annuity contract owners (i.e. Unit Investment Trusts separate accounts). Assets within the Unit Investment Trusts are valued by Lincoln at the net asset value, and in accordance with ASU 2015-07 have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 5. Information Certified by Plan Custodians

Information Prepared and Certified by Plan Custodians

The following information included in the assets and income of the Plan was obtained from data that has been prepared and certified to as complete and accurate by the Lincoln National Life Insurance Company, Fidelity Management Trust Company and AXA Equitable Life Insurance Company, the Plan custodians for 2021 and 2020:

	2021	2020
Insurance company general accounts	\$ 1,006,002	\$ 1,070,042
Mutual funds	15,510,102	14,229,654
Notes receivable from participants	35,844	63,639
Interest and dividends	1,288,166	739,085
Interest on notes receivable from participants	6,837	2,080
Other Income	38,997	-
Net appreciation in fair value of investments	1,282,899	2,207,434

Note 6. Investment Contracts with Insurance Companies

The Plan has entered into benefit-responsive investment contracts with Lincoln National Life Insurance Company (Lincoln) and AXA Equitable Life Insurance Company (AXA Equitable). Lincoln and AXA Equitable maintain the contributions in general accounts (Lincoln Fixed Asset Account and AXA Equitable GIA Fund). The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuers are contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

As described in Note 2, because the investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contracts.

Contract value, as reported to the Plan by Lincoln and AXA Equitable, represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. Lincoln and AXA Equitable believe that contract value is an appropriate determination of fair value for the general accounts. The general accounts have no liquid market value because they are not tradable or assignable, and there are no defined maturities of the cash flows.

There are no reserves against contract values for credit risk of the contract issuer or otherwise. The crediting interest rates are based on a formula agreed upon with the issuer.

**CENTER FOR SCIENCE IN THE PUBLIC INTEREST
RETIREMENT AND EMPLOYEE SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

Note 6. Investment Contracts with Insurance Companies (Concluded)

Certain events limit the Plan's ability to transact at contract value with Lincoln and AXA Equitable. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan); (b) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the plan; or (c) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with Plan participants, is probable.

Note 7. Excluded Investments

The Plan has excluded from investments in the accompanying statements of net assets available for benefits certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009 as permitted by the Department of Labor's Field Assistance Bulletin No. 2009-02. The investment income and distributions related to such accounts have also been excluded from the accompanying statements of changes in net assets available for benefits. The amounts of these excluded annuity and custodial accounts, and the related income and distributions, are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying financial statements.

Note 8. Reconciliation of Financial Statements to Form 5500

2021

The following is a reconciliation of additions and deductions per the financial statements to the Form 5500 for the year ended December 31, 2021:

Note 9. Risks and Uncertainties

Investments

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Coronavirus Pandemic

In March 2020, a pandemic of the Coronavirus (COVID-19) was declared by the World Health Organization. As a result, economic uncertainties have arisen that could negatively impact the operations of many businesses. COVID-19 has also resulted in volatility in financial markets. If the financial markets continue to be impacted over an extended period, the Plan's investment performance may be materially adversely affected. The ultimate impact of the COVID-19 pandemic on the amount and likelihood of loss is unknown and depends on future developments.

Note 10. Subsequent Events

The Plan has evaluated events through October 12, 2022, the date that the financial statements were available to be issued and is not aware of any subsequent event which would require recognition or disclosure in the financial statements.
