INDEPENDENT AUDITOR'S REPORT

To the Trustees of
the Beyer Blinder Belle Architects and Planners, LLP 401(k) Salary Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Beyer Blinder Belle Architects and Planners, LLP 401(k) Salary Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion on the 2021 Financial Statements (Continued)

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Beyer Blinder Belle Architects and Planners, LLP 401(k) Salary Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Beyer Blinder Belle Architects and Planners, LLP 401(k) Salary Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (Continued)

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Beyer Blinder Belle Architects and Planners, LLP 401(k) Salary Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Beyer Blinder Belle Architects and Planners, LLP 401(k) Salary Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - 2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Beyer Blinder Belle Architects and Planners, LLP 401(k) Salary Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

401(k) SALARY SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of Beyer Blinder Belle Architects and Planners, LLP 401(k) Salary Savings Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Beyer Blinder Belle Architects and Planners, LLP (the “Company”) with the exception of employees who are covered under a collective bargaining agreement and non-resident aliens who do not receive any compensation from U.S. sources. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Board of Trustees determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

On March 11, 2020, the World Health Organization declared the novel strain of coronavirus (“COVID-19”) a global pandemic and recommended containment and mitigation measures worldwide. The outbreak of COVID-19 is still on-going and the extent of the impact of COVID-19 on the Plan’s net assets available for benefits and changes in net assets available is uncertain. The financial impact and duration cannot be reasonably estimated at this time.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”) was signed into law. Plans were permitted to adopt these provisions immediately provided the plan document is retroactively amended on or before December 31, 2022. Plan management elected to implement the following provisions:

- On or after April 20, 2020 and before December 31, 2020, any qualified individual, as defined in the CARES Act, was permitted to request a distribution from his or her vested account in the Plan, up to a maximum of \$100,000. Active employees who receive a coronavirus-related distribution from the Plan may repay all or any portion of the distribution to the Plan within the three-year period beginning on the day after the distribution.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

- Qualified individuals with outstanding loans on or after April 20, 2020 were permitted to request that their loan payments through December 31, 2020 be deferred. Where payments were deferred, the loan was re-amortized in January 2021 to reflect interest accrued during the delay, and payments recommenced for the remainder of the loan period, plus one year.
- The normal loan limits were increased from \$50,000 to \$100,000, and from 50% to 100% of the vested account balance, for qualified individuals taking loans on or after April 20, 2020 and before September 23, 2020.

The Setting Every Community Up for Retirement Enhancement Act (“SECURE Act”) became law in December 2019. In February 2020, the required Minimum Distributions (“RMD”) age was amended from age 70 ½ to age 72 under the provisions of the SECURE Act. In addition, following the CARES Act, the required minimum distributions that would have been due in 2020 were waived.

Contributions

Nonunion employees become eligible to participate in the Plan on the first day of employment. Union employees are not eligible to participate in the Plan as defined in the Plan agreement. Each year, participants may make pretax and Roth elective contributions up to 100% of plan compensation, and are subject to the current limits proposed by the Internal Revenue Service guidelines, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing pre-tax distributions from other qualified defined benefit or defined contributions plans (rollover). Participant contributions are subject to certain limitations.

Participants are eligible for matching contributions from the Company on the first day of employment. Matching contributions are provided based on a formula for each payroll period as defined in the Plan. The Company’s matching contribution for each payroll period was calculated at 25% of either, the participant’s deferral or up to 6% of eligible compensation for the year, whichever is less. During 2021, the Company made matching contributions of \$193,652.

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Contributions (Continued)

The Company may also make discretionary employer contributions to the Plan to be allocated among eligible participants as defined in the Plan document. There were no discretionary employer contributions for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching and employer contributions and plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully and immediately vested in their contributions, matching contributions, employer contributions and earnings.

Notes Receivable from Participants

Except for the provisions temporarily amended under the terms of the CARES Act, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested portion of their account balance. Loan terms may not exceed five years unless the loan is for the purpose of acquiring a principal residence in which case the term of the loan may not exceed 30 years. The loans are secured by the vested balance in the participant's account and bear interest at a reasonable rate of interest as determined at the time of the loan application by the Company. Loans outstanding during the year had interest rates which ranged from 4.75% to 7.00%. Principal and interest are paid ratably through semi-monthly payroll deductions or directly from the borrower and credited to the borrower's account balance.

Administrative Expenses

Certain administrative expenses are paid by the Company without charge to the Plan.

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Investment Options

The participants' accounts are invested and administered in accordance with the provisions of the Plan. Each participant may direct the investment of contributions credited to his or her accounts into one or more of the funds offered by the Plan. The assets of the Plan are held by Ascensus Trust Company, the trustee of the Plan.

Payments of Benefits

Participants will reach normal retirement age under the Plan when they turn age 65. Participants will reach early retirement age under the Plan when they attain age 55 and are a participant of the Plan for 10 years.

When a participant retires or ceases to be an employee due to disability, they are entitled to receive his or her distribution under the Plan in a lump sum or in installments as soon as administratively feasible. Upon death of the participant the distribution will be made in a lump sum to the beneficiaries. Upon termination, if the participant's vested account is (a) less than \$5,000 the distribution shall be made in the form of a lump sum payment as soon as practical, or if over \$5,000 and the participant is below the normal retirement age the participant can elect to receive the distribution directly or the balance will remain in the Plan until the attainment of normal retirement age (b) greater than \$5,000, upon attainment of normal retirement age, the participant can elect to receive a lump sum or in installments else it will be rolled over to an IRA selected by the Plan Administrator. Under certain circumstances (hardship), and with approval of the Company, a participant can elect at any time to receive a portion of his or her vested account balance subject to the provisions of the Plan. In-service withdrawals are permitted once a participant has attained age 59 ½.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared under the accrual basis of accounting.

NOTES TO THE FINANCIAL STATEMENTS

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value as described in Note 4. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income, including interest on notes receivable from participants, is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 - UNAUDITED INFORMATION

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Ascensus LLC as an agent of Ascensus Trust Company, trustee of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED)

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The Plan also utilizes the authoritative guidance under GAAP for estimating the fair value of investments in the investment funds that have calculated net asset value (NAV) per share in accordance with the specialized accounting guidance for investment companies. Accordingly, the Plan estimates the fair value of an investment in an investment fund using the NAV of the investment (or its equivalent) without further adjustment unless the Plan determines that the NAV is deemed to be not reflective of fair value.

BEYER BLINDER BELLE ARCHITECTS AND PLANNERS, LLP
401(k) SALARY SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

BEYER BLINDER BELLE ARCHITECTS AND PLANNERS, LLP
401(k) SALARY SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 4 - FAIR VALUE MEASUREMENTS (UNAUDITED) (CONTINUED)

Common collective trust: Valued based on the NAV of the collective trust's underlying investments. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Generally, there are no restrictions on a participant's ability to redeem their investment in the common collective trust. However, withdrawals prompted by certain events (e.g., termination of the managed income portfolio, changes in laws or regulations) may restrict a participant's ability to redeem the investment.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

<u>2021</u>	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

NOTE 5 - RELATED PARTY AND PARTY IN-INTEREST TRANSACTIONS

Fees paid by the Plan for investment management services are included in net appreciation in fair value of investments. Certain administrative fees of \$78,708 were paid to the record-keeper and investment advisor for the year ended December 31, 2021.

NOTE 6 - PLAN TERMINATION

Although it has not expressed an intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA and terms of the Plan. In the event of Plan termination or partial termination of the Plan, participants' accounts shall be fully vested as of the date of such termination. The Company determines the date and manner in which participants' accounts will be distributed in accordance with ERISA.

NOTE 7 - TAX STATUS

The Internal Revenue Service has determined and informed the plan administrator by a letter dated November 23, 2020, that the form of the pre-approved plan is acceptable under the applicable sections of the Internal Revenue Code (IRC). The plan has been amended since receiving the advisory letter. However, the plan administrator believes that the pre-approved plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require adjustment to or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

401(k) SALARY SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 7 - TAX STATUS (CONTINUED)

The Company believed that the Plan has always operated in accordance with the mutual understanding of the Company and the Plan participants. However, with respect to the Plan's definition of Plan compensation and limits applied in the Plan's employer matching contribution formula, the Plan's operation had been inconsistent with the Plan document. The Company and the Plan's ERISA counsel clarified the ambiguity created by this inconsistency by retroactively amending the Plan document to bring the Plan document into compliance with how the Plan has been administered. This amendment was submitted for Internal Revenue Service ("IRS") approval in accordance with the IRS Voluntary Correction Program within the IRS Employee Plans Compliance Resolution System on April 23, 2021 and was subsequently accepted on July 7, 2021.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

401(k) SALARY SAVINGS PLAN

NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of Beyer Blinder Belle Architects and Planners, LLP 401(k) Salary Savings Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Beyer Blinder Belle Architects and Planners, LLP (the “Company”) with the exception of employees who are covered under a collective bargaining agreement and non-resident aliens who do not receive any compensation from U.S. sources. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Board of Trustees determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

On March 11, 2020, the World Health Organization declared the novel strain of coronavirus (“COVID-19”) a global pandemic and recommended containment and mitigation measures worldwide. The outbreak of COVID-19 is still on-going and the extent of the impact of COVID-19 on the Plan’s net assets available for benefits and changes in net assets available is uncertain. The financial impact and duration cannot be reasonably estimated at this time.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (“CARES Act”) was signed into law. Plans were permitted to adopt these provisions immediately provided the plan document is retroactively amended on or before December 31, 2022. Plan management elected to implement the following provisions:

- On or after April 20, 2020 and before December 31, 2020, any qualified individual, as defined in the CARES Act, was permitted to request a distribution from his or her vested account in the Plan, up to a maximum of \$100,000. Active employees who receive a coronavirus-related distribution from the Plan may repay all or any portion of the distribution to the Plan within the three-year period beginning on the day after the distribution.
