INDEPENDENT AUDITOR'S REPORT

To the Advisory Committee of the
Deep South Equipment Company 401(k) Savings Plan
Shreveport, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Deep South Equipment Company 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Deep South Equipment Company (Company) 401(k) Savings Plan (Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a profit sharing and salary deferral 401(k) defined contribution plan whereby eligible employees of the Company are permitted to make contributions that are tax deferred under Section 401(k) of the Internal Revenue Code. The Plan covers substantially all employees of the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants may enter the Plan on their date of hire. Deep South Equipment Company is the Plan Sponsor.

CONTRIBUTIONS

A participant may elect to defer a percentage or dollar amount of his or her compensation subject to certain maximum limitations imposed by the Internal Revenue Code (IRC). Employees who are eligible to make elective deferrals under the Plan and who have attained age 50 before the close of the Plan year are eligible to make catch-up contributions in accordance with, and subject to the limitations of, Section 414(v) of the IRC. Participants may also make eligible rollover contributions.

On behalf of each non-highly compensated participant, the Company may make a discretionary Qualified Non-Elective Contribution or "QNEC" contribution equal to a uniform percentage of the participant's compensation, which will be determined by the Company each year.

The Company has an option to provide a discretionary matching contribution equal to a matching percentage which the Company, from time to time, deems advisable. Participants will always share in the matching contribution regardless of the amount of service completed during the Plan year.

In addition, the Company may make a discretionary profit sharing contribution. The contribution will be in the same dollar amount to all participants and will be in an amount determined by the Company. Participants must be employed on the last day of the quarter to receive allocation for the quarter. As of December 31, 2021, the Company declared a discretionary profit sharing contribution of \$150,000.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and an allocation of (1) the Company's matching and profit sharing contribution and (2) plan earnings and expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are 100% vested in their voluntary contributions, rollover contributions, and qualified non-elective contributions. Vesting in the discretionary matching contributions and profit sharing contributions is based upon years of continuous service (1,000 hours during a Plan year) as below. Full vesting also occurs at normal retirement age (normal retirement age is 62 years), disability or death.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their vested interest in the Plan, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payments to be made not less frequently than quarterly. Generally, loan payments are made via payroll deductions.

INVESTMENT OPTIONS

Participants must direct their salary deferral contributions and employer contributions to selected investments as made available and determined by the Plan Administrator. Investment options include a group variable funding agreement and various pooled separate accounts. Modifications to participants' deferral amounts are effective at the beginning of the next quarter.

FORFEITED ACCOUNTS

Forfeited non-vested amounts may be used by the Plan to pay administrative expenses and reduce employer contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$67,136 and \$50,601, respectively. In 2021, \$15,000 was used to pay administrative expenses of the plan.

PAYMENT OF BENEFITS

On termination of service due to employment, retirement, death or disability, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If a participant's vested benefit in the Plan exceeds \$1,000, the participant must consent to the distribution before it may be made. In-service withdrawals and hardship withdrawals are permitted by participants if they satisfy certain conditions.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants shall become 100% vested in their respective accounts.

PLAN ADMINISTRATION

The managers of the Plan Sponsor appoint the Plan Administrator and Plan Trustee. The Plan Administrator and Plan Trustee are employees of the Company.

Certain Plan administrative duties, such as 5500 preparation, participant recordkeeping, compliance testing, enrollment and transaction processing, are performed by Heard, McElroy, & Vestal, LLP. Employees of the Company perform certain other administrative functions; however, such employees receive no compensation from the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are presented on the accrual basis of accounting.

ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles (U.S. GAAP) requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Participant loans are classified as notes receivable and are measured at their unpaid principal balance. Interest on notes is recognized when paid. All notes are secured by the participant's account balance. If a participant does not make loan repayments and the Plan Administrator considers the loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

ADMINISTRATIVE EXPENSES

Plan fees and expenses, including fees and expenses connected with the providing of administrative services by external service providers, are paid from Plan assets or allocated among the accounts of all participants in the Plan.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses the appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

NOTE 3 - FAIR VALUE MEASUREMENTS - CONTINUED

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2021 and 2020. In reviewing the fair value of assets, the Plan sponsor determined the various mutual funds included in the pooled separate accounts had readily determinable market values in 2021; therefore, the investments were included in the following fair value table.

Pooled separate accounts: Pooled separate accounts consist of mutual funds valued at the daily closing price as reported by the fund. These mutual funds held by the plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

	Assets at fair value as of	
	December 31, 2021	
	Total	Level 1
Pooled separate accounts	\$ 5,353,815	\$ 5,353,815
Total	<u>\$ 5,353,815</u>	<u>\$ 5,353,815</u>

	Assets at fair value as of	
	December 31, 2020	
	Total	Level 1
Pooled separate accounts	\$ 4,615,966	\$ 4,615,966
Total	<u>\$ 4,615,966</u>	<u>\$ 4,615,966</u>

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a fully benefit-responsive investment contract with Great-West Life & Annuity Insurance Company (formerly Talcott Resolution Life Insurance Company). The insurance company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The insurance company is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the investment contract. The investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower Retirement, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 3%. Such interest rates are reviewed on a quarterly basis for resetting. The declared interest rate earned by the group annuity contract was 3% for the years ending December 31, 2021 and 2020.

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY- CONTINUED

Certain events limit the Plan's ability to transact at contract value with Empower Retirement. Such events include the following: all group variable funding agreements in this class of business are amended, changed, or altered due to changes in any applicable laws and it is determined that obligations under this Agreement or ability to maintain this class of business are thereby materially affects. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) the Plan or Plan trust fails to maintain its special tax qualified or exempt status under 401(a) of the Code, (b) Plan sponsor fails to provide information necessary to perform the agreement and fails to remedy the failure within 31 days from the date of notification, (c) the Plan trust is amended in a way that adversely affects our obligations under this Agreement, (d) the assets held or the Participants covered under the Agreement are less than the amount required for the Agreement to be a group funding agreement under any applicable insurance law, (e) the Plan sponsor changes in a manner that causes the Plan sponsor to no longer be considered an entity which is authorized or eligible to sponsor this Agreement, (f) no contributions are made to Empower Retirement during any consecutive 12 month period, or (g) at any time the contributions or balances are less than the amount required for this class of business under the underwriting standards in effect as of the Agreement Effective Date.

The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring. The investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 5 - INFORMATION CERTIFIED BY THE PLAN'S CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedule as of December 31, 2021 and 2020, and for the year ended December 31, 2021, was obtained from data that has been prepared and certified to as complete and accurate by the custodian, Empower Retirement (formerly MassMutual).

	<u>2021</u>	<u>2020</u>
Investments at fair value:

NOTE 6 - TAX STATUS

The Plan has adopted a prototype non-standardized profit sharing plan which received an opinion letter from the Internal Revenue Service dated June 30, 2020, stating that the Plan was designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan continues to qualify under Section 401(a), and the related trust continues to be tax-exempt as of December 31, 2021.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are units of pooled separate accounts managed by Empower Retirement (formerly Mass Mutual). Empower Retirement is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. In addition, Great-West Life & Annuity Insurance Company (formerly Talcott Resolution Life Insurance Company (previously named Hartford Life Insurance Company)) is contracted as the insurance carrier and manages the investments at contract value; therefore, these assets are considered party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$19,997 for the year ended December 31, 2021.

NOTE 9 - DELINQUENT PARTICIPANT CONTRIBUTIONS

During the plan year, \$271,355 in participant contributions were deposited late into the Plan. The Plan Sponsor is currently determining the corrective action and will deposit the lost earnings as soon as they have been determined.

During the 2020 plan year, \$79,896 in participant contributions were deposited late into the Plan. During the 2019 and 2018 plan years, \$171,653 and \$215,346 in participant contributions, respectively, were deposited late into the Plan. In 2021, the Plan Sponsor has made corrections to the Plan for the 2020, 2019 and 2018 late remittances.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued.
