Independent Auditor's Report

To the Plan Participants and Beneficiaries of
Western Plastics, Inc. 401(k) PSP

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Western Plastics, Inc. 401(k) PSP, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103 (a)(3)(C) (ERISA Section 103 (a)(3)(C) audit. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit if the 2021 financial statements performed in accordance with ERISA Section 103 (a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103 (a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from Ascensus Trust company as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Western Plastics, Inc. 401(k) PSP and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error. Management's election of the ERISA Section 103 (a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ABC (401)k Plan's ability to continue as a going concern for a period of one year.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Western Plastics, Inc. 401(k) PSP Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Western Plastics, Inc. 401(k) PSP Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103 (a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Assets as of December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived

from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103 (a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Western Plastics, Inc. 401(k) PSP Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than the derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
For the Years ended December 31, 2021 and 2020

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Western Plastics, Inc. 401(K) PSP (the "Plan" or the "Sponsor") is provided for general information purposes only. Participants should refer to the official plan document for complete information.

General:

The Plan is a defined contribution plan covering all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility:

All employees of the Company are eligible to participate in the Plan following date on which the employee has completed one year of service (with at least 1000 hours) provided they are at least 21 years of age. Entry dates are the first and seventh month of each year.

Contributions:

Participants may contribute an amount up to 100% of their compensation, as defined by the Plan, subject to certain limitations under the Internal Revenue Code. Participants who have attained age of 50 before the end of the Plan year are eligible to make catch-up contributions. The employer may make discretionary matching and profit sharing contributions to the Plan. These matching contributions are subject to certain limitations.

Payment of Benefits:

Participations become eligible for benefits on their normal or deferred retirement dates, separation, death, or the Plan Trustees' determination of disability. Payments commence as soon as administratively feasible, following the close of the valuation period during which a distribution is requested, or otherwise payable. A participant with a vested balance of \$1,000 or more may elect either a lump-sum distribution or a direct rollover into a qualified retirement plan or individual retirement account. Terminated participants with a vested balance of less than \$1,000 will be distributed in a lump sum after termination.

Participant Accounts:

Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related Company contributions, as well as the participant's share of the Plan's income (loss). Allocations of income (loss) are based on the proportion that each participant's account balance has to the total of the participant's account balances. Allocations of the discretionary contributions are based on the proportion that each participant's compensation has to the total of all participants' compensation.

WESTERN PLASTICS, INC.
401(K) PSP

NOTES TO FINANCIAL STATEMENTS
For the Years Ended December 31, 2021 and 2020

NOTE 1. DESCRIPTION OF THE PLAN – CONTINUED

Investing Options:

Participants may direct the investment of their entire account balance, including all Company and participant contributions, among mutual funds managed by the trustee. Participants may change their investment elections at any time.

Plan Termination:

Although the Company intends for the Plan to continue, the Company reserves the right to discontinue annual contributions or to terminate the Plan. In the event of the Plan's termination, the account of each participant will be fully vested and non-forfeitable as of the effective date of termination of the Plan.

Tax Status:

The Plan obtained its determination letter on March 31, 2008 from the Internal Revenue Service which stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Vesting:

Participants are fully vested at all times in their own contributions. Vesting in Sponsor contributions and related earnings occurs based on the years of service as described in the plan document.

Forfeitures:

Separated participants who are not 100% vested forfeit the non-vested portion of their accounts arising from Sponsor contributions at the end of the year in which the termination of employment occurs. Forfeitures may be used to reduce employer contributions. There were no forfeitures during 2021 .

Notes Receivable from Participants:

The Plan does not permit participant loans.

Administrative Expenses:

Administrative expenses for the administrator fees paid by the Plan. Audit fees are paid by the Plan Sponsor.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The accompanying financial statements have been prepared on the accrual method of accounting, as prescribed by accounting principles generally accepted in the United States of America.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's trustees to make estimates and assumptions that affect the reported amounts of certain assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits:

Benefits are recorded when paid.

Investment Risk:

Investment securities, in general, are exposed to various risks, including interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of the investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits. The duration of these uncertainties and the ultimate effects cannot be reasonably estimated at this time.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Events Occurring After Report Date:

The Sponsor has evaluated events and transactions that occurred between December 31, 2021 and October 10, 2022, which is the date that the financial statements were available to be issued, for possible recognition of disclosure in the financial statements.

NOTE 3. FAIR VALUE MEASUREMENT:

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

- **Level 1:** Quoted prices for identical instruments in active markets at the measurement date. Investments that are listed on a United States securities exchange are valued at their last sales price on the largest United States securities exchange on which such securities have traded.
- **Level 2:** Quoted prices for similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active and model-derived valuation in which all significant inputs and significant value drivers are observable in active markets at the date and for the anticipated term of the instrument.
- **Level 3:** Valuation derived from valuation techniques in which one or more significant inputs or significant value drivers are unobservable inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

NOTE 3. FAIR VALUE MEASUREMENT: (Continued)

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Realized gains and losses from sale of investments in investment accounts and changes in unrealized appreciation and depreciation of investments are recorded in the accompanying statement of changes in net assets available for benefits as net appreciation or depreciation in fair value of investments.

All of the Plan investments are considered Level 1 investments. The following tables present the Plan's investments reported at fair value as of December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Cash equivalents	\$ 829,085	756,385

NOTE 4. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, held at December 31, 2021 and 2020, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Branch Banking and Trust Company (the trustee of the Plan) in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974

NOTE 5. ERISA Bond Requirements

The Employee Retirement Income Security Act of 1974 (ERISA) requires that every person who handles funds or other property of the Plan to be bonded. The bond coverage is to be determined by the balance of the Plan assets, and is required to be at least equal to 10% of the Plan's assets at the beginning of the Plan year or \$500,000. At December 31, 2021 the Plan's sponsor maintained coverage in the amount of \$500,000.

NOTE 6. Related Party and Party-in-Interest

Certain Plan investments are shares of mutual funds and are managed by Ascensus Trust Company. Ascensus Trust Company were custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$32,982 and \$41,416 for the years ended December 31, 2021 and 2020 respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8. Recently Issued Accounting Standards

The requirement to disclose individual investments that represent 5 percent or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type was eliminated. The Plan will continue to disaggregate investments that are measured using fair value by general type; however, the Plan is no longer required to disaggregate investments by nature, characteristics, and risks. The relevant sections of the standard were applied retrospectively.

During 2019 the Financial Accounting Standards Board issued updates to the Accounting Standards Codification which have been incorporated into the accounting records and financial statements of the Plan.

NOTE 9. Plan Amendments

There were no plan amendments in 2020. The Plan's Sponsor, Plan Administrator, Trustee, and Custodian believe all amendments to date are in compliance with current Internal Revenue Code.

NOTE 10. Reclassifications

Certain 2020 items may have been reclassified in order to conform to the 2021 financial statement presentation.
