INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee and Participants of the
National Account Service Company 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the National Account Service Company 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the 2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from the qualified institutions as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of the report,

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by the qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, which raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by the qualified institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institutions. Our audit report, dated September 24, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

National Account Service Company 401(k) Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

1. Description of the Plan

The following description of the National Account Service Company 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document, copies of which are available from the plan administrator, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of National Account Service Company, LLC (the Company). Employees of the Company become eligible to join the Plan on their hire date and generally enter the Plan on the first day of the first payroll period of the month following their hire date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan was amended and restated effective July 28, 2021.

Contributions

Participants may make pre-tax and after-tax contributions up to 30% of eligible compensation, as defined by the Plan document, a maximum of \$19,500 in 2021, plus an additional \$6,500 for participants over age 50. All eligible employees will be automatically enrolled in the Plan within 30 days of employment, at a contribution rate of 3% of eligible compensation unless they elect otherwise. Beginning on the third anniversary date of joining the Plan, this will be increased annually by 1% of eligible compensation not to exceed 6%, unless they elect otherwise. The contributions will be invested in a retirement date fund based on the participant's age, unless directed otherwise. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company makes a safe harbor matching contribution equal to 100% of participant contributions up to 1% of eligible compensation, plus an additional 50% of the next 5% of participant contributions. The matching contribution is invested in the participant's directed investments. During 2021, the Company contributed \$2,268,320 as a safe harbor matching contribution.

The Company may make a discretionary non-elective contribution to the Plan for certain eligible employees, as defined by the Plan document. The discretionary non-elective contribution is allocated to participants based on years of service, as defined by the Plan document. Participants with less than three years of service as of December 31 will receive an allocation of 4.5% of their eligible compensation, participants with three or more years of service but less than eight years of service will receive an allocation of 6.5% of their eligible compensation, and participants with more than eight years of service will receive an allocation of 8.5% of their eligible compensation. During 2021, the Company contributed \$3,556,029 as a discretionary non-elective contribution.

National Account Service Company 401(k) Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, the Employer's contributions, earnings and losses on the investments in their account, and is charged with transaction fees for services received by the participant and certain administrative expenses. Upon enrollment in the Plan, a participant may direct any contributions to any of the investment options offered by the Plan. Participants may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and rollovers plus actual earnings and losses thereon. Employer safe harbor matching contributions are fully vested after two years of service. Employer discretionary non-elective contributions are fully vested after three years of service.

A participant's entire account balance becomes fully vested in cases of death, total and permanent disability, retirement at or after the age of 65, termination or partial termination of the Plan, or certain specified changes in the operations or structure of the Company.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the vested balance of their account. A participant may have 2 notes outstanding at any time. The notes are secured by the balance in the participant's account and must bear a fixed rate of interest equal to the prime rate plus 1% at the time the note is made. During 2021, notes outstanding had fixed rates between 4.25% to 6.50% for the term of the note, not to exceed 5 years or 15 years if used for the purchase of a residence. Principal and interest are paid through payroll deductions.

Payment of Benefits

At the time of death, disability, termination of service or retirement, the participant or their beneficiary may receive payment of the vested interest in their account in a lump-sum distribution. The participant's contributions may also be withdrawn for certain hardship situations.

Forfeited Accounts

There were no forfeited non-vested accounts at December 31, 2021 or 2020. These accounts are used to reduce future Employer contributions or pay administrative expenses. The Plan used \$114,336 of forfeitures in 2021 to reduce Company contributions. The non-vested portion of a participant's account balance is forfeited upon the participant's fifth consecutive one-year break in service.

National Account Service Company 401(k) Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

Administrative Expenses

The Plan established an ERISA account where the certifying entities deposit revenue sharing payments that can be used to pay plan administrative expenses or reallocated to participants. During 2021, \$342,851 was deposited into the account, \$1,988 in interest and dividends were earned, \$0 was reallocated to participant accounts as revenue sharing, and expenses totaling \$271,391 were paid from the account. These expenses are paid to service providers of the Plan and, therefore, qualify as party-in-interest transactions. The net increase of \$73,448 is included in net change in fair value of investments in the accompanying statement of changes in net assets available for benefits. The account balance at December 31, 2021 and 2020 was \$161,737 and \$88,289, respectively, and is included in the Guaranteed Interest Fund on the statements of net assets available for benefits.

Transaction fees related to loans and distributions are charged directly to the participant that initiated the transaction.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Contributions

Participant contributions are considered payable to the Plan upon the withholding of contributions from the participant's paycheck. The employer safe harbor matching contributions are considered payable to the Plan when the related participant's contributions are payable to the Plan. The employer discretionary non-elective contributions are payable to the Plan once approved by the Company. Any unfunded participant or employer contributions are included in participant or employer contributions receivable on the statements of net assets available for benefits as of December 31, 2021 and 2020.

National Account Service Company 401(k) Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

Investment Valuation

The Plan's investments are stated at fair value, except for the guaranteed interest fund, which is stated at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion on fair value measurements.

The net change in fair value of mutual funds includes interest, dividends, certain administrative expenses, and realized and unrealized gains and losses on those investments. Interest income is recorded when received.

Notes Receivable from Participants

Notes receivable from participants are carried at their outstanding balance. Interest income is recognized when received by the Plan. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded as a deemed distribution. Notes receivable from participants also qualify as party-in-interest transactions.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 13, 2022, which is the date the financial statements were available to be issued.

3. Information Certified by the Qualified Institutions

All information in the accompanying financial statements and supplemental schedule, regarding investments held and notes receivable from participants at December 31, 2021 and 2020, and the net change in fair value of mutual funds, contract value of the guaranteed interest fund, and interest income for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company (collectively Great-West), the Plan's qualified institutions.

National Account Service Company 401(k) Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

4. Investments

Certain Plan investments, including the guaranteed interest fund and certain mutual funds, are managed directly by Great-West. Great-West is a service provider to the Plan; therefore, transactions in these securities qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net change in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment.

Investment securities are exposed to various risks, such as market, currency, interest rate and credit risks. Market risks include U.S. and global events which could impact the value of Plan investments. Such events would include healthcare crises, such as a pandemic, international conflicts, supply chain disruptions, global monetary policy decisions, significant exogenous economic influences, and significant cybersecurity attacks, among others. It is at least reasonably possible that changes in their fair values will occur in the near term and that such changes could materially affect participants' account balances.

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 – other observable data, including quoted prices for identical assets in inactive markets

Level 3 – unobservable inputs

Observable inputs are those based on market data obtained from sources independent of the Plan, and unobservable inputs reflect the Plan's own assumptions based on the best information available. The input levels are not necessarily an indication of the risk or liquidity associated with financial instruments at that level but rather the degree of judgment used in determining those values.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Investments in mutual funds are valued at quoted market prices for the identical security in an active market (Level 1).

National Account Service Company 401(k) Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

The guaranteed interest fund is a fully-benefit responsive investment contract and is a general obligation of Great-West. Great-West maintains the contributions in a general account and is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The contract value of the guaranteed interest fund represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The investments at December 31, 2021 and 2020, are comprised of the following:

	2021	
	Level 1	Total
Investments at fair value:		
Mutual funds	\$ 193,640,121	\$ 193,640,121
Investments at contract value:		
Guaranteed interest fund	-	11,159,351
Total		\$ 204,799,472

	2020	
	Level 1	Total
Investments at fair value:		
Mutual funds	\$ 174,959,269	\$ 174,959,269
Investments at contract value:		
Guaranteed interest fund	-	12,459,038
Total		\$ 187,418,307

There has been significant volatility in the investment markets both nationally and globally since December 31, 2021, which has resulted in a substantial decline in the value of the Plan's investment portfolio. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has a right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their employer contributions.

National Account Service Company 401(k) Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

6. Income Tax Status

The Plan uses a non-standardized prototype plan document sponsored by Great-West. Great-West received an opinion letter from the IRS, dated June 30, 2020, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan has not received an individual determination letter and has been amended since Great-West received the opinion letter. However, the Plan's management believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020, to the Form 5500:

	2021	2020
Net assets available for benefits per the financial statements	\$ 210,033,866	\$ 194,352,560
Contributions receivable	(3,574,834)	(4,651,465)
Net assets available for benefits per the Form 5500	\$ 206,459,032	\$ 189,701,095

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements to the net increase in net assets available for benefits per the Form 5500 for the year ended December 31, 2021:

Net increase in net assets available for benefits per the financial statements	\$ 15,681,306
Contribution receivable at December 31, 2020	4,651,465
Contribution receivable at December 31, 2021	(3,574,834)
Net increase in net assets available for benefits per the Form 5500	\$ 16,757,937

Contributions are recorded when received on the Form 5500 and when earned on the financial statements.
