Report of Independent Auditors

To the Administrator of DuPont Puerto Rico Savings and Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying 2021 financial statements of DuPont Puerto Rico Savings and Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The 2021 financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, including the related notes (collectively referred to as the "2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors'

Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Other Matter – 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan, which comprise the statement of net assets available for benefits as of December 31, 2020, and the related statement of changes in net assets available for benefits for the year then ended (not presented herein, other than the statement of net assets available for benefits). As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 9, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DUPONT PUERTO RICO SAVINGS AND INVESTMENT PLAN

NOTES TO THE FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2021 AND 2020, AND FOR YEAR ENDED DECEMBER 31, 2021

NOTE 1 — DESCRIPTION OF THE PLAN

The following description of the DuPont Puerto Rico Savings and Investment Plan (the “Plan”) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established by DuPont Electronic Microcircuits Industries, Ltd. (“DEMI”, the “Company” or the “Plan Sponsor”) on June 1, 2019. The Plan is available to the Puerto Rico based employees of DEMI. The purpose of the Plan is to encourage and assist employees in following a systematic savings program suited to their individual objectives, and to provide an opportunity for employees to invest in the alternatives described in the Plan. The Plan is a tax qualified defined contribution plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Administration

A local plan administrator has been named by the Company and participates in DuPont Benefit Plans Administrative Committee meetings, but is not a member of the committee, whose members are appointed by the Company. The DuPont Savings Plan Investment Committee, whose members are appointed by the Company, has responsibility for selecting and overseeing the Plan investments and determining the Plan’s valuation policies utilizing information provided by the investment advisers, custodians and insurance companies. The Company holds authority to appoint Trustees and has designated Banco Popular de Puerto Rico as Trustee and paying agent for the plan. Bank of America, N.A (“Bank of America”) is the custodian of the Plan and provides record keeping and participant services.

Contributions

An eligible employee may contribute as pre-tax contributions up to an amount not to exceed the maximum deferral amount specified by Section 1081.01 (d)(7)(A) of the Internal Revenue Code for a New Puerto Rico of January 31, 2011, as amended (“PR Code”). For the tax year ended December 31, 2021, the maximum deferral amount was \$15,000. Also, the participant may make voluntary contributions to the Plan on an after-tax basis up to 10% of compensation. The Plan allows for rollover contributions from other Puerto Rico qualified plans. The Company makes a matching contribution equal to 100% of a participant’s contribution, up to 6% of eligible compensation. In addition, the Company makes a contribution (“Retirement Savings Contribution”) to each eligible employee account, currently equal to 3% of eligible pay, regardless of the employee’s contribution election. The Retirement Savings Contribution is made by the Company regardless of whether the employee voluntarily contributes to the Plan. Participants are automatically enrolled in the plan at a 6% before-tax savings rate and increased 1% annually, up to a maximum of 15% of pay, if no action is taken by the employee within 60 days from the date of hire. Under automatic enrollment the participant assets are invested in accordance with a managed account feature offered by Bank of America. In addition, participants who have attained age 50 before the end of the Plan year may elect to make additional before-tax contributions of up to \$1,500 per Plan year.

Investment Options

The Plan currently offers various investment options for participants to direct their investments. Participants may allocate their before and after-tax savings deductions and Company contributions among the various mutual fund investment options at their discretion such as passively managed index funds, actively managed funds, and target retirement funds.

Participant Accounts

Each participant account is credited with the participant’s contributions, Retirement Savings Contributions, Company contributions, and Plan earnings. Participant accounts are charged with an allocation of Plan fees. Allocations are based on participant earnings, account balances, or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Note Receivable from Participants

Participants may borrow up to 50% of their vested account balances, excluding the Retirement Savings Contribution, subject to a minimum of \$1,000 and a maximum of \$50,000. The maximum amount is reduced by the highest outstanding loan balance of a previous loan, whether repaid or not, in the preceding 12 months. The loans are secured by the balance in the participant's account. The loans are executed by promissory notes and have a maximum term of 60 months for general purpose or 120 months if for residential mortgage purposes. The interest rate for all loans is fixed for the life of the loan. The interest rate is 1% above the prime rate. Interest on notes receivables from participants ranged from 4.25% to 6.50% with maturity dates from 2022 to 2027. Each loan is subject to a \$75 fee paid by the participant. For residential loans there is an additional \$45 qualification fee. Principal and interest is paid ratably through payroll deductions. If the loan falls in arrears, the payments that are behind need to be sent directly to Bank of America by the participant.

Vesting

Participants are fully vested at all times in their contributions plus actual earnings thereon and in the Company matching contributions. Employees become fully vested on the Retirement Savings Contribution after three years of service. Retirement Savings Contributions are fully and immediately vested when the participant reaches age 65 while working for the Company. In the event of a participant's death, disability, or retirement, all amounts in the participant's account become fully vested. If the participant's job is eliminated, this will also result in their account becoming fully vested.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. If the account balance is \$1,000 or under, an immediate distribution will be made. A participant entitled to a benefit under the Plan of more than \$1,000 may elect to defer payment of that benefit until the calendar year in which the participant reaches age 70 ½.

In service withdrawals are permitted as follows:

- Withdrawals are available for any reason from after-tax amounts in the plan. There are no minimum amounts or restrictions on the number of times they can occur throughout the year.
- Hardship withdrawals are available to the employee in the event of hardship. Hardship events include the purchase of their principal residence, medical expenses for them, their spouse, or their dependents, educational expenses such as tuition, payments needed to prevent eviction from their principal residence and payments for funeral expenses.
- Withdrawals after age 59 ½ are available for any reason from the before-tax contributions including investment earnings and the vested portion of the employer matching contributions.

Forfeitures

The Plan provides that forfeitures of nonvested Retirement Savings Contributions, if any, shall be applied to reduce Plan expenses and to reduce employer contributions. There were no forfeited nonvested accounts as of December 31, 2021. In 2021 there were no forfeitures that were used to reduce employer contributions or to pay for Plan expenses.

NOTE 2 — SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared using the accrual basis of accounting. Investments held by a defined contribution plan are required to be reported at fair value in accordance with generally accepted accounting principles in the United States of America ("GAAP").

Use of Estimates in the Preparation of Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investments Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Notes 3 and 4 for further information regarding valuation of the Plan's investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Initiation fees associated with loans are deducted from the individual participant loans.

Payments of Benefits

Benefits are recorded when paid.

Plan Fees

Fees related to the administration of investments are included in "Plan Fees", including fees related to investment management of accounts, and investment advisor fees. Certain expenses of maintaining the Plan such as legal counseling, broker advisor, audit fees, etc. are paid directly by the Company or from forfeitures as available.

NOTE 3 — FAIR VALUE MEASUREMENTS

Accounting Standards Codification 820, Fair Value Measurements and Disclosures, provides a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. Fair value calculations may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Mutual Funds

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are considered to be actively traded and are classified as Level 1.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets fair value as of December 31, 2021:

Investments at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Plan investments:

The following table sets forth by level, within the fair value hierarchy, the Plan's assets fair value as of December 31, 2020:

NOTE 4 — INFORMATION CERTIFIED BY THE PLAN CUSTODIAN

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Bank of America, the custodian of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2021 is complete and accurate.

Statement of Net Assets Available for Benefits

	December 31, 2021	December 31, 2020
Investments at fair value	\$ 23,799,361	\$ 20,142,384
Notes receivable from participants	\$ 597,672	\$ 517,576

Statement of Changes in Net Assets Available for Benefits

For the Year Ended December 31, 2021

Net appreciation in fair value of investments	\$ 1,514,779
Dividend income	\$ 1,018,778
Interest from notes receivable from participants	\$ 26,826

NOTE 5 — RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

Fees paid by Plan participants to Bank of America for administrative services amounted to \$11,650 for the year ended December 31, 2021. For the year ended December 31, 2021, interest income related to notes receivable from participants amounted to \$26,826. These transactions qualify as party-in-interest transactions permitted under the provisions of ERISA.

Certain administrative functions are performed by officers or employees of the Plan Sponsor who may also be participants in the Plan. These actions qualify as permitted party-in-interest activities. No such officer or employee receives compensation from the Plan. Refer to Note 2 for a description of fees paid by the Plan Sponsor.

NOTE 6 — PLAN TERMINATION

The Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. While the Plan Sponsor has not expressed any intent to terminate the Plan, it is free to do so at any time. In the event the Plan is terminated, all participants become vested and the distribution of balances will be made based upon the valuation of the participants' accounts.

NOTE 7 — TAX STATUS

The Company has obtained a favorable determination letter from the Puerto Rico Treasury Department, dated September 20, 2019 as to the Plan's qualified status and the trust's exemption from taxes on income under the provisions of Section 1081.01 (a) and (d) of the PR Code.

No events have occurred with respect to the Plan that, in substantial likelihood, would result in the Plan being disqualified by the Puerto Rico Treasury Department. The Plan has been amended since receiving the determination letter; however the Plan administrator believes that the Plan is designed and is currently operated in accordance with the applicable requirements of the PR Code; therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by federal, state and/or local taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. There were no interest or penalties during the year ended December 31, 2021. The Plan is subject to audits by taxing jurisdictions. At December 31, 2021 the years 2020 and thereafter remain subject to examination.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan's investments are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the values of investments, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits. Individual participants' accounts bear the risk of loss resulting from fluctuations in investment values.

NOTE 9 - SUBSEQUENT EVENTS

On February 17, 2022, DuPont and certain of its subsidiaries entered into a Transaction Agreement (the "Transaction Agreement") with Celanese Corporation, a Delaware Corporation ("Celanese"), pursuant to which, subject to the satisfaction of the conditions set forth in the Transaction Agreement, DuPont has agreed to sell to Celanese a majority of DuPont's Mobility & Materials segment, including the Engineering Polymers business line and select product lines within the Performance Resins and Advanced Solutions business lines, subject to customary closing conditions and regulatory approvals (the "Transaction"). Effective as of the consummation of the Transaction, the assets and liabilities of the Plan will transfer to Celanese. The transfer to Celanese will have no financial impact to the Plan. DEMI will continue to be the Plan Sponsor. No other subsequent events were identified through September 8, 2022, the date the financial statements were available to be issued.
