INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
L2 Brands 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of L2 Brands 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT - continued

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

INDEPENDENT AUDITORS' REPORT - continued

Auditors' Responsibilities for the Audit of the 2021 Financial Statements - continued

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

INDEPENDENT AUDITORS' REPORT - continued

Other Matters - continued

2021 Supplemental Schedules Required by ERISA - continued

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. In our audit report, dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

L2 BRANDS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF PLAN

The following description of the L2 Brands 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan of L2 Brands, LLC (the Company) that covers all non-union employees of the Company who have completed 60 days of service and reached the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of their compensation, not to exceed the annual maximum deferral amount as defined by law. Catch-up contributions are permitted for eligible participants age 50 or older by the end of a calendar year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

In March 2020, the Company amended the Plan to eliminate the safe harbor employer match, effective as of May 1, 2020, due to the COVID-19 pandemic as permitted by the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The Qualified Automatic Contribution Arrangement (QACA) arrangement was eliminated, and a traditional auto enrollment arrangement was implemented at a deferral rate of 6%. Effective January 1, 2021, the QACA safe harbor provisions were reinstated.

As discussed above, for the period January 1, 2020 through April 30, 2020, and for the year ended December 31, 2021, the Plan includes a QACA provision. All newly eligible employees were automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants had their deferral rate set at 6% of eligible compensation. From May 1, 2020 to December 31, 2020 until QACA safe harbor was reinstated January 1, 2021, the Plan included an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elected not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

Based on the reinstatement as discussed above, the Company made QACA safe harbor matching contributions equal to 100% of participant deferrals up to 2% of eligible compensation and 50% of participant deferrals above 2%, not to exceed 6% of eligible compensation for an eligible participant. To be eligible to receive the safe harbor matching contributions, an employee must have completed one year of service with the Company.

L2 BRANDS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF PLAN - continued

Contributions - continued

The Company may make discretionary matching and profit-sharing contributions. There were no discretionary contributions for 2021 and 2020.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and the participant's share of (a) the employer contributions, (b) an allocation of investment earnings or losses based on the participant's directed investment accounts and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investments for their account.

Vesting and Forfeitures

A participant is 100% vested at all times in the participant's salary deferral amounts, rollover contributions, and any earnings thereon regardless of the number of years of service. If a participant ceases participation except by retirement, death or permanent disability, the vested interest in employer contributions and earnings thereon is dependent upon the years of credited service.

Each participant is vested in the QACA safe harbor matching contribution, discretionary matching, and discretionary profit-sharing contributions according to the following schedule based upon years of service:

Years of Vesting Services	
Less than 2 years	0%
2 years	100%

Forfeitures shall be used for payment of plan expenses or used towards employer matching or profit-sharing contributions. Forfeited non-vested accounts at December 31, 2021 and 2020 were immaterial.

L2 BRANDS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE A - DESCRIPTION OF PLAN - continued

Payment of Benefits

Upon termination of employment, if a participant's vested interest in their account exceeds \$5,000, no distribution shall be made to the participant before they reach the age of normal retirement or receipt of consent to pay out by the participant and their spouse, if applicable.

If the participant's vested account is less than \$5,000, the vested account balance is paid out in the form of a lump sum distribution. In the event of a mandatory distribution greater than \$1,000, the Plan Administrator will pay the distribution in a direct rollover to an individual retirement arrangement designated by the Plan Administrator if the participant does not elect a direct rollover or lump sum distribution.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for the fully benefit responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in Note E. Purchases and sales are recorded on a trade date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities of the Plan are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near-term would materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. As of December 31, 2021 and 2020, four investment funds represented approximately 53% and 53% of the total investments, respectively.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

The Company considered the impact of the COVID-19 pandemic on the assumptions and estimates used and determined that there were no material adverse impacts on the financial statements as of December 31, 2021 and 2020 and for the year ended December 31, 2021.

NOTE C - IMPACT OF LEGISLATIVE CHANGES AND COVID-19 ON THE FINANCIAL STATEMENTS

On December 20, 2019, President Trump signed into law the Setting Every Community Up for Retirement Enhancement (SECURE) Act. The SECURE Act provisions are aimed at increasing access to tax-advantaged accounts and preventing older Americans from outliving their assets. Plan management has evaluated the provisions available to plan participants under the SECURE Act and has implemented the following provisions:

- Allowing in-service withdrawals for childbirth and adoption expenses.
- Delay required minimum distributions from age 70½ to age 72.
- Provide special relief for those impacted by California wildfires and other major disasters from 1/1/18 - 2/18/20.

On March 11, 2020, the World Health Organization ("WHO") recognized COVID-19 as a global pandemic, prompting many national, regional, and local governments to implement preventative or protective measures, such as travel and business restrictions, temporary store closures, and wide-sweeping quarantines and stay-at-home orders.

On March 27, 2020, President Trump signed into law the CARES Act. The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000 for 2020.
- Increase the available loan amount as described in Note K to the lesser of \$100,000 or 100% of the participant's vested account balance for 2020.
- Extend the period for loan repayments, if applicable, up to one year, for loans taken in 2020.
- Suspended required minimum distributions for 2020.

NOTE D - INVESTMENTS

The Plan's investments are held in trust and administered by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee, Principal Life Insurance Company, the custodian, as of December 31, 2021 and 2020. The investments, investment income, notes receivable from participants, and interest income on notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule (schedule of assets) were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the trustee and custodian.

NOTE E - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs for identical assets and have the lowest priority. The Plan uses valuation techniques based on the available inputs to measure the fair value of its investment. When available, the Plan measures fair value using Level 1 inputs because they provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 and Level 2 inputs are not available.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	Investments at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,090,878	\$ -	\$ -	\$ 1,090,878

Total investments at fair value	<u>\$ 2,308,889</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,124,798</u>

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value (NAV) per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statement of net assets available for benefits.

Gains and losses (realized and unrealized) are reported in net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes to the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts: These accounts consist of publicly traded securities that are valued at the daily closing price on the active market on which the individual securities are traded.

Pooled Separate Accounts: The NAV is based on the market value of its underlying investments which are derived principally from or corroborated by observable market data. The NAV serves as a practical expedient to estimate the fair value. Due to the nature of this investment, there are no unfunded commitments or redemption restrictions.

NOTE E - FAIR VALUE MEASUREMENTS - continued

Common Collective Trust Funds (CCT): The CCT's are valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee and custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure the securities liquidations will be carried out in an orderly business manner.

The following table summarizes investments for which fair value is measured using NAV per share practical expedient. There are no participant redemption restrictions for these investments; the redemption notice is only applicable to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE F - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan invests in the Principal Fixed Income Guaranteed Option issued by the Principal Life Insurance Company. This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The methodology for calculating the interest rate is determined by the composite crediting rate. The composite crediting rate is determined by solving for that rate that when used to accrue interest from the first day of the deposit period to the end of the deposit period, including expected net cash flows, will equal to the sum of (a) the aggregate of the values of each guaranteed interest fund for which the deposit periods have closed, (b) the expected value of any guaranteed interest fund for which the deposit period has not closed and, (c) the expected value of any guaranteed interest fund for the deposit period of the composite crediting rate is being determined. The sum of the rates is rounded to the nearest five basis points. In the event that there is no deposit period in effect at any time, the composite crediting rate is determined based on the net cash flow of each guaranteed interest fund. The composite rate is reset semi-annually.

Certain events may limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Company or other Company events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any event that would limit the Plan's ability to transact at contract value with participants is probable of occurring.

If the Company wishes to terminate the Plan's interest in the contract, Principal will pay out the value of the Plan's interest in the fund. Payment will be made at full contract value if notification is received by Principal 12 months prior to the date that payment is made. In lieu of the 12-month delay for such payment, the payment will be subject to a 5% surrender fee. At December 31, 2021, the probability that the Company will terminate their interest is remote.

By terms of its contract, Principal has the right to no longer receive deposits if they have announced that no new deposit arrangements will be made. Such announcement would not be less than 60 days in advance of the date that Principal will no longer enter into new deposit arrangements.

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Should the Plan terminate at some future time, participants would become fully vested in their employer contributions.

NOTE H - PLAN TAX STATUS

The Plan's prototype non-standardized document obtained its latest opinion letter on September 30, 2014, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC). The prototype has been amended since receiving the opinion letter for various amendments. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable sections of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

NOTE I - TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain plan investments are managed by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee of the Plan, and the Principal Life Insurance Company, the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Transactions resulting in plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption exists. Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company and the Principal Life Insurance Company are parties-in-interest as defined by ERISA as a result of investing plan assets in its funds and accounts and providing investment management services. However, these transactions are exempt under Section 408(b)(8) and are not prohibited by ERISA.

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and investment related expenses are included in administrative expenses.

L2 BRANDS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE J - PROHIBITED TRANSACTIONS

During 2020, the Company failed to transmit certain employee contributions within the period prescribed by the Department of Labor (DOL) regulations totaling \$33,466. The interest due to those participants was paid during 2021. The Company has implemented control procedures to ensure all future employee remittances are within the DOL regulations.

NOTE K - NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are reported at unpaid balances plus any unpaid accrued interest. Participants may borrow a minimum of \$1,000 up to a maximum of \$50,000 under the Plan's loan provision. The loans may not exceed one-half of the employee's vested account balance and are generally limited to 5 years. In conjunction with the CARES Act as discussed in Note C and provided the loan qualifies under the Act, the maximum amount may have been increased to the lesser of \$100,000 or 100% of the employee's vested balance during the year ended December 31, 2020. In addition, the repayment term may extend to 6 years with no payments required for up to twelve months with any accrued interest during the period of non-repayment re-amortized over the remaining term of the loan. Interest rates are determined by the Plan Administrator in accordance with the Plan's loan provisions. Loan repayments are made through payroll deductions. There is no credit risk involved with these loans as any defaults are then deemed taxable distributions to the participant. Loans are considered in default when they are not paid within the terms stated on the agreement, typically within 90 days. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. These loans satisfy the statutory exemption from the prohibited transaction rules.

NOTE L - CONCENTRATION OF CASH AND SECURITIES RISK

The Plan maintains its balances in a brokerage institution, which at times may exceed the Securities Investor Protection Corporation limits up to \$500,000 for balances (with a limit of \$250,000 for cash). The Plan has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and securities.

NOTE M - SUBSEQUENT EVENTS

Management has evaluated subsequent events through the date of the independent auditors' report, the date the financial statements were available to be issued.

Subsequent to year end, the Plan was restated onto the most recent prototype non-standardized document, which received its latest opinion letter on June 30, 2020.
