INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Corporate Mailings, Inc. 401(k) Profit Sharing Plan
West Caldwell, New Jersey

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Corporate Mailings, Inc. 401(k) Profit Sharing Plan ("Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to, or derived from, the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due, to such participants.

Auditors’ Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to, or derived from, the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

For information included in the supplemental schedule that agreed to, or is derived from, the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to, or derived from, the certified investment information, including its form and content, is presented in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to, or is derived from, the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.
- The information in the supplemental schedule related to assets held by, and certified to by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA, the Plan Administrator instructed us not to perform and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN:

The Corporate Mailings, Inc. 401(k) Profit Sharing Plan ("Plan") is administered by Corporate Mailings, Inc. ("Company," "Plan Sponsor"). The Plan was established on March 1, 1977. The following summary provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General:

The Plan is a defined-contribution plan containing a cash or deferred arrangement pursuant to Section 401(k) of the Internal Revenue Code. The Plan is subject to, and complies with, the requirements of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility:

Employees are eligible to participate in the Plan when they are 21 years of age and have completed six months of service. Employees who are covered by a collective bargaining agreement are excluded from participation. An employee becomes a participant in the Plan when they have satisfied the age and service requirements.

Employee Contributions:

Eligible employees may elect to reduce their compensation by a specific percentage or dollar amount as salary deferrals up to the applicable limit by law. Employees may elect to make either pretax 401(k) deferrals or Roth 401(k) deferrals. If an employee is at least 50 years of age, they are eligible to make catch-up contributions in accordance with, and subject to, certain statutory limitations.

Employees are permitted to roll over, into the Plan, distributions they have received from other retirement plans and certain IRAs at the Plan Administrator's discretion. Participants are 100% vested in their rollovers and may withdraw amounts from their rollover account at any time.

Employer Contributions:

The Company may make a discretionary matching contribution equal to a percentage of the participants' salary deferrals. The Company will determine the amount of this discretionary percentage annually. Effective April 6, 2020, employer discretionary matching contributions were suspended. Employer contributions were resumed the week of June 29, 2020. Total match contributions for the Plan years ended December 31, 2021 and 2020 were \$130,489 and \$107,045, respectively.

The Company may also make a discretionary profit-sharing contribution to the Plan. In order for any employee to receive the profit-sharing contribution, they must be employed on the last day of the year and have completed one year of service. The profit-sharing contribution will be allocated among eligible participants based on their employee compensation compared to the total compensation of all eligible participants. There was no discretionary profit-sharing contribution made during the Plan years ended December 31, 2021 and 2020.

NOTE 1 - DESCRIPTION OF PLAN: (Continued)

Participant Accounts:

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit-sharing contributions and Plan earnings. Participants direct the investment of their contributions and discretionary contributions into various investment options offered by the Plan. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan.

Vesting:

Participants are immediately vested in their own elective deferrals plus earnings thereon. Vesting in the matching and profit-sharing contributions is based on years of continuous service, subject to the vesting schedule. Participants become 100% vested in matching and profit-sharing contributions upon reaching normal retirement age, death or disability. A year of service is earned when the participant works at least 1,000 hours of service.

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Normal Retirement Age:

A participant reaches normal retirement age upon the attainment of age 60 or completion of five years of Plan participation, if later.

Payment of Benefits:

On termination of service, death, disability, or reaching normal retirement, a participant receives a lump-sum amount equal to the value of the participant's vested interest in their account; partial withdrawals or installments are only permitted for participants or beneficiaries who must receive required minimum distributions. If a participant's vested balance is greater than \$5,000, receipt of distribution can be postponed until the time it is required by law to receive minimum required distributions. The mandatory distribution date, is defined as the later of April 1st following the calendar year of attaining age 72 or April 1st following the termination of employment.

Participants may request in-service withdrawals under the following conditions:

- Attainment of age 59½
- Minimum required distributions for those who have reached age 72
- Hardship withdrawals

These withdrawals are subject to all conditions set forth in the Plan.

NOTE 1 - DESCRIPTION OF PLAN: (Continued)

CARES Act Distributions:

For the period April 6, 2020 to December 31, 2020, a new distribution option was added to the Plan. The Coronavirus Aid, Relief, and Economic Security ("CARES") Act distribution allowed qualified individuals to withdrawal up to \$100,000 of Plan funds without a 10% early withdrawal penalty. CARES Act distributions were subject to regular income taxes, but such taxes may be spread over three years. The \$100,000 limit was in aggregate across all of a qualified individual's retirement plans, and amounts withdrawn from the Plan may be eligible for repayment. Qualified individuals included those who were diagnosed with COVID-19; whose spouse or dependent was diagnosed with COVID-19, or experienced adverse financial consequences as a result of being quarantined, furloughed, laid off, hours reduced, or other factors as determined by the Secretary of Treasury during the COVID-19 pandemic. Qualification for a CARES Act distribution was self-certified by the individual requesting the distribution. In 2020, there were seven participants who took a CARES Act distribution. During the year ended December 31, 2020, the Plan had participant withdrawals of \$241,700 under the CARES Act. These withdrawals are included in benefits paid to participants on the accompanying statements of changes in net assets available for benefits.

Forfeited Accounts:

Upon a participant's termination of employment, except upon reaching normal retirement age, death or disability, the nonvested portion of their account shall be forfeited. Forfeitures may first be used to pay administrative expenses and then may be used to reduce any employer contributions. During the years ended December 31, 2021 and 2020, \$0 and \$474 of forfeitures, respectively, were used to offset the employer-match contributions. At December 31, 2021 and 2020, forfeited, nonvested accounts totaled \$5,114 and \$2,801 respectively.

Notes Receivable from Participants:

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of the vested balance of their account, whichever is less, reduced by the highest outstanding principal balance of loans outstanding in the Plan over the past twelve months. No more than one loan can be taken out at a time. Loans bear a rate of interest, as determined by the Plan Administrator, based on the prevailing interest rates charged by persons in the business of lending money for notes, which would be made under similar circumstances. Participants pay a one-time loan application fee upon receipt of the loan.

Generally, loans must be repaid through payroll deductions over a maximum period of five years; however, if the loan is for the purchase of a principal residence, the Plan Administrator may permit a longer repayment term. Loans are secured by the balances in the participants' accounts.

NOTE 1 - DESCRIPTION OF PLAN: (Continued)

Investments:

Upon enrollment in the Plan, participants may direct their contributions by percentages into any of the investment options available. A separate account is maintained for each participant, and interest and dividends earned by each fund are reinvested in that fund. Participants may change their investment options daily.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting:

The financial statements of the Plan are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Excess Contributions Payable:

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 and 2020 excess contributions to the applicable participants prior to March 15, 2022 and 2021, respectively.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Mutual Fund Fees:

Investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. Allowable fees under Section 12b-1 of the Investment Company Act of 1940 are annual fees deducted to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity and thus not separately identifiable as an expense.

Payments of Benefits:

Benefits are recorded when paid.

Administrative Expenses:

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expense. Investment-related expenses are included in net appreciation of fair value of investments.

Subsequent Events:

The Plan has evaluated its subsequent events and transactions occurring after December 31, 2021 through October 11, 2022, the date that the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to, or derived from information certified as complete and accurate by Reliance Trust Company, the Trustee of the Plan.

CORPORATE MAILINGS, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS:

Fair value measurements establish a framework for measuring fair value, that provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

CORPORATE MAILINGS, INC. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS: (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Cash Equivalents and Mutual Funds:

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded (Level 1 inputs).

Common Trust Fund:

Valued at the daily NAV of units of a bank common trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the common trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidation will be carried out in an orderly business manner (Other input).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

⁽¹⁾ This class represents investments in the T. Rowe Price Stable Value Common Trust Fund ("Stable Value Fund") that invests primarily in guaranteed investment contracts, separate account contracts, fixed income securities, wrapper contracts, and short-term investments. Stable Value Fund units may be redeemed on a daily basis to meet benefit payments and other participant-initiated withdrawals permitted by the Plan. Under the terms of the Stable Value Fund's agreement, the Plan is required to provide advance written notice to T. Rowe Price Trust Company prior to full redemption of the Stable Value Fund.

NOTE 5 - RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS:

Certain Plan investments are managed by T. Rowe Price Trust Company, the custodian and record-keeper for the Plan; therefore, these transactions qualify as party-in-interest transactions. Notes receivable from Plan participants qualify as party-in-interest transactions.

NOTE 6 - PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan is terminated, participants would become 100% vested in their employer contributions and earnings thereon.

NOTE 7 - INCOME TAX STATUS:

The Plan Sponsor adopted a non-standardized prototype plan, which received an IRS opinion letter dated June 1, 2015, in which the IRS stated that the prototype plan document was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). The Plan has since been amended and restated effective January 1, 2018. However, the Plan Administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 7 - INCOME TAX STATUS: (Continued)

Accounting principles generally accepted in the United States of America require Plan management to evaluate the tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the IRS.

The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are no audits for any periods in progress.

NOTE 8 - RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Subsequent to December 31, 2021, the Plan's investments decreased in value by approximately 22% through October 11, 2022, the date that the financial statements were available to be issued.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020, to Form 5500:
