INDEPENDENT AUDITOR'S REPORT

October 10, 2022

To the Plan Administrator and Trustees
Fuccillo Automotive Group, Inc.
401(k) Retirement Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Fuccillo Automotive Group, Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Fuccillo Automotive Group, Inc. 401(k) Retirement Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITOR'S REPORT

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Fuccillo Automotive Group, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Fuccillo Automotive Group, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Fuccillo Automotive Group, Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Fuccillo Automotive Group, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Fuccillo Automotive Group, Inc. 401(k) Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the financial statements other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

401(k) RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following brief description of the Fuccillo Automotive Group, Inc. 401(k) Retirement Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan for employees of Fuccillo Automotive Group, Inc. (the Company) who meet certain eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Changes

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that was signed into law on March 27, 2020 and provided relief options for retirement plan sponsors and participants who met certain eligibility requirements. The optional features that the Plan has implemented include, among others, allowing Coronavirus related distributions, increased loan limits, loan repayment deferrals, and suspending required minimum distributions. Most of the provisions of the CARES Act expired on December 31, 2020. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and Internal Revenue Service ("IRS") guidance.

Administration

For the year ended December 31, 2021 and from December 18, 2020 to December 31, 2020, Reliance Trust Company served as the custodian of the Plan's assets and certified balances. From January 1, 2020 to December 17, 2020, Transamerica Financial Life Insurance Company (Transamerica) served as the Plan recordkeeper and custodian of the Plan's assets. For both the year ended December 31, 2021 and 2020, Transamerica was the Plan recordkeeper.

Eligibility

The Plan covers substantially all employees who have attained the age of 21 and have completed at least 1,000 hours of service during the year. Employees are eligible to participate in the Plan on the first day of the quarter following satisfaction of the Plan's eligibility requirements.

Contributions

Each year, participants may contribute a percentage of their pre-tax annual compensation, as defined by the Plan, subject to certain limits established by the Internal Revenue Code. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company matches each participant's elective deferrals by contributing 10% of the first 5% of compensation deferred. Additional matching contributions may be made at the option of the Company's management, subject to certain limitations. There were no additional matching contributions for the years ended December 31, 2021 and 2020.

1. DESCRIPTION OF PLAN (Continued)

Contributions (continued)

Discretionary contributions may be made at the option of the Company's Board of Directors. In order to receive an allocation of a discretionary contribution, participants must be employed on the last day of the Plan year. Contributions are subject to certain limitations. There were no discretionary contributions for the years ended December 31, 2021 and 2020.

Participants' Accounts

Participants direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. Each participant's account is credited with the participant's contributions, the Company's contributions, and an allocation of both the Plan's actual earnings (losses) and the Plan's administrative expenses. Discretionary contributions are allocated to each participant's account based on their compensation as a percentage of the compensation of all participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their contributions plus actual earnings (losses) thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus earnings (losses) thereon is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 1	0%
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of the participant's vested account balance, subject to certain conditions as defined in the Plan agreement. Following the enactment of the CARES Act, qualifying participants were allowed to borrow up to \$100,000 or 100% of the participants vested accounts for those loans established from March 27, 2020 through September 22, 2020. The loan and interest thereon shall be repaid over a period not to exceed five years (except for certain residential loans which can extend up to ten years). Outstanding loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined annually by the Plan administrator. The interest rate on all outstanding loans ranged from 4.25% - 6.50% at December 31, 2021. Principal and interest are paid ratably through weekly payroll deductions.

Benefit Payments

On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, partial withdrawals, or rolled over to another qualified investment. The normal retirement age for participants is 65, at which time, participants are entitled to 100% of their account balance. Actively-employed participants that have reached the age of 59 ½ may elect to receive in-service distributions.

Hardship withdrawals are permitted in the event of immediate and heavy financial need. Participants may elect to receive a hardship withdrawal in an amount equal to the value of their elective deferral contributions.

1. DESCRIPTION OF PLAN (Continued)

Forfeited Accounts

Forfeited non-vested accounts may be used to reduce Company matching contributions or Plan administrative expenses. Forfeited non-vested accounts totaled \$0 and \$19,380 at December 31, 2021 and 2020, respectively. The Company used \$20,956 of forfeitures to pay for Plan administrative expenses for the year ended December 31, 2021. The Company used \$3,638 of forfeitures to reduce Company contributions and \$3,185 to pay for Plan administrative expenses for the year ended December 31, 2020.

Investment Options

Investments are held in various mutual funds and a common collective trust. The common collective trust is maintained by Goldman Sachs.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value.

Investment Valuation and Income Recognition

The Plan's mutual funds are stated at fair value and the Plan's common collective trust is stated at fair value using the net asset value per share practical expedient. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit loss has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded based upon the terms of the plan document.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

The United States is presently in the midst of a pandemic related to a virus, commonly known as Novel Coronavirus (COVID-19). As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the financial statements. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Benefit Payments

Benefit payments are recorded when paid.

Excess Contributions Payable

Amounts payable to participants totaling \$17,265 and \$34,134 at December 31, 2021 and 2020, respectively, for contributions in excess of amounts allowed by the IRS are recorded as a liability and are net with participant contributions in the statements of changes in net assets available for benefits. The Plan distributed the excess contributions to the applicable participants in following year.

Administrative Expenses

Expenses incurred in connection with the purchase or sale of securities are charged against the investment funds whose assets are involved in such transactions. Certain administrative costs of the Plan are paid by the Company. In the current year, additional expenses were incurred and paid by the Plan related to administrative and recordkeeping fees under a new Transamerica contract. All other expenses relating to participant transactions are deducted from those participant accounts as transactions occur.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

3. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standard Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

3. FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- *Mutual funds*: valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following is a description of the valuation methodologies used for assets for which fair values are estimated using the net asset value (NAV) practical expedient:

- *Common collective trust funds*: valued at the NAV provided by the manager of the funds. The NAV is calculated as the underlying net assets owned by the funds, divided by the number of units outstanding. The NAV is based on the fair value of the underlying securities within the funds.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$19,191,506	\$ -	\$ -	\$19,191,506
Investments using NAV as practical expedient (a)				<u>1,502,312</u>
Total Investments				<u>\$20,693,818</u>

The following tables set forth by level, within the fair value hierarchy, the Plan's fair value measurements as of December 31, 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$20,746,112	\$ -	\$ -	\$20,746,112
Investments using NAV as practical expedient (a)				<u>1,908,691</u>
Total Investments				<u>\$22,654,803</u>

- (a) In accordance with Subtopic 820-10 certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

3. FAIR VALUE MEASUREMENTS (Continued)

Investments Measured Using the Net Asset Value Per Share

The following table summarizes investments measured at fair value based on net asset value (NAVs) per share as of December 31, 2021 and 2020.

<u>Investment</u>	<u>2021 Fair Value</u>	<u>2020 Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Goldman Sachs Stable Value CIT Instl	\$1,502,312	\$1,908,691	\$-	Daily	None

The Plan is partially invested in the common collective trust fund of Goldman Sachs Stable Value Fund. The investment philosophy of the Fund is to seek to earn current income and preserve capital and stability of the investor's principal. The Fund will also seek to maintain a stable net asset value of \$1.00. To achieve its objective, the Fund invests in stable value investment contracts, fixed income instruments, and money market instruments.

4. CERTIFIED INVESTMENTS

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodians of the Plan, Reliance Trust Company (as of and for the year ended December 31, 2021 and for December 18, 2020 to December 31, 2020 and as of December 31, 2020) and Transamerica (for January 1, 2020 to December 17, 2020), have certified that the following data included in the accompanying financial statements and supplemental schedule (except notes receivable from participants) is complete and accurate as of and for the years ended December 31, 2021 and 2020.

	<u>2021</u>	<u>2020</u>
Mutual funds	\$ 19,191,506	\$ 20,746,112
Common collective trust fund	\$ 1,502,312	\$ 1,908,691
Net appreciation in fair value of investments	\$ 2,119,853	\$ 2,717,625
Investment income	\$ 377,318	\$ 164,018

Schedule of Assets (Held at End of Year) Schedule I (except notes receivable from participants)

5. PARTY-IN-INTEREST TRANSACTIONS

Plan investments were managed by Reliance Trust for the year ended December 31, 2021 and from December 18, 2020 to December 31, 2020. Plan investments were managed by Transamerica from January 1, 2020 to December 17, 2020. The Plan also utilized Bank of America as an investment advisor. Therefore, these transactions qualify as party-in-interest. Additionally, transactions involving notes receivable from participants qualify as party-in interest transactions.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent vested in their accounts.

On January 1, 2021, the Plan had a partial plan termination event due to the closure of dealerships which resulted in those participants who were terminated on that date to become one hundred percent vested in their accounts.

7. INCOME TAX STATUS

The Plan adopted the *Volume Submitter Profit Sharing Plan with CODA* developed by Transamerica. The Internal Revenue Service has determined and informed Transamerica by a letter dated March 31, 2014, that the amendments and the Plan document relative to the *Volume Submitter Profit Sharing Plan with CODA* developed by Transamerica are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since the letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC, and therefore, believes that the Plan, as amended, is qualified and the related plan is tax-exempt.

8. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	<u>2021</u>	<u>2020</u>
Net assets available for benefits per the financial statements	\$ 21,143,585	\$ 23,479,567
Add: Excess contributions payable	<u>17,265</u>	<u>34,134</u>
Net assets available for benefits per Form 5500	<u>\$ 21,160,850</u>	<u>\$ 23,513,701</u>

9. SUBSEQUENT EVENTS

On both April 25, 2022 and May 27, 2022, the Plan sponsor sold multiple dealerships. These transactions resulted in the Plan having a partial plan termination event in 2022. The participants who were terminated related to those transactions are one hundred percent vested in their accounts.

Effective June 1, 2022, the Plan adopted a new non-standardized pre-approved profit sharing plan with CODA basic plan document and received a new IRS response letter dated June 30, 2020 stating that the IRS does not have a ruling or determination on whether the employer's plan qualifies under Code Section 401(a) but an employer who adopts the Transamerica Retirement Solutions, LLC Plan qualifies under Section 401(a) of the Internal Revenue Code (the IRC), and therefore, the related trust is exempt from taxation. There were no significant changes to the Plan with the new adoption.

Subsequent events have been evaluated through October 10, 2022, the date the financial statements were available to be issued.
