Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of **SELIG SEALING PRODUCTS, INC. PROFIT SHARING/401K PLAN**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statements of changes in net assets available for benefits for the years ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Selig Sealing Products, Inc. Profit Sharing/401k Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **SELIG SEALING PRODUCTS, INC. PROFIT SHARING/401K PLAN** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **SELIG SEALING PRODUCTS, INC. PROFIT SHARING/401K PLAN'S** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **SELIG SEALING PRODUCTS, INC. PROFIT SHARING/401K PLAN's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **SELIG SEALING PRODUCTS, INC. PROFIT SHARING/401K PLAN's** ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Schedules Required by ERISA

The supplementary schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Schedule H, Line 4i – Schedule of Assets (Held at Year End) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SELIG SEALING PRODUCTS, INC. PROFIT SHARING/401K PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1. DESCRIPTION OF THE PLAN

The following description provides only general information on the provisions of the **SELIG SEALING PRODUCTS, INC. PROFIT SHARING/401K PLAN** (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution plan established by **Selig Sealing Products, Inc.** (the "Company") under the provisions of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

B. Eligibility and Participation

All employees except for employees covered by a collective bargaining agreement and nonresident aliens are eligible to participate 90 days after hire date and after attaining the age of 18.

C. Contributions

Participants may elect to contribute up to a maximum of 100% of their pre-tax compensation subject to certain overall limitations. Upon meeting eligibility requirements, employees are automatically enrolled at a 6% deferral rate. Each subsequent year employees' deferrals are automatically increased by 1% until they reach a 15% deferral rate subject to certain overall limitations. The employee may change, stop or resume deferring at any time. The Company, in turn, will make a matching contribution equal to 50% of the elective deferrals subject to certain overall limitations. The Company also contributed a discretionary amount equal to 2.5% of compensation subject to certain overall limitations as a profit-sharing contribution for each participant for the years ended December 31, 2021 and 2020.

D. Participant Accounts

Individual accounts are maintained for each participant to reflect the participant's contributions and related employer matching contributions, as well as the participant's share of the Plan's income and any related administrative expenses. Allocations are based on the proportion that each participant's account balance has to the total of all participants' account balances.

SELIG SEALING PRODUCTS, INC. PROFIT SHARING/401K PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1. DESCRIPTION OF THE PLAN – Continued

E. Vesting

Participants are fully vested in their contributions. Participants who leave the Plan because of death, normal retirement, or disability retirement, as defined in the Plan, are considered 100% vested.

Company matching contributions and discretionary profit sharing contributions are vested in accordance with the following schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Vesting under the Plan is based upon the 'hours of service' method. The participant will receive a year of service upon completion of 1,000 hours of service during a Plan year.

F. Payment of Benefits

Upon termination of service, death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. The form of payment is a lump-sum distribution. Participants experiencing financial hardship may withdraw a portion of their account balance as defined in the Plan.

G. Notes Receivable from Participants

A participant may borrow the lesser of \$50,000 or 50% of his or her vested account balance with a minimum loan amount of \$1,000. Loans are required to provide for level amortization with payments to be made not less frequently than quarterly, over a period not to exceed five years. The total participant loan balance outstanding as of December 31, 2021 and 2020 was \$228,296 and \$268,891, respectively. Interest rates are determined by the Plan Administrator based on prevailing market conditions and are fixed over the life of the loan.

H. Forfeitures

Participant forfeitures are used to reduce the Plan's expenses and employer's contributions. In the years ended December 31, 2021 and 2020, \$0 and \$3,826 in forfeitures were used, respectively, to offset the employer's contribution. At December 31, 2021 and 2020, the Plan had \$24,868 and \$6,889 in unapplied forfeitures, respectively.

SELIG SEALING PRODUCTS, INC. PROFIT SHARING/401K PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 1. DESCRIPTION OF THE PLAN – Continued

I. Excess Contributions Payable

Participant contributions of \$1,459,267 and \$1,185,293 for the plan years ended December 31, 2021 and 2020 are net of reductions of \$0 and \$6,757, respectively, for payments payable to the participants to return excess contributions. Employer contributions of \$1,107,554 and \$924,580 for the plan years ended December 31, 2021 and 2020 are net of reductions of \$0 and \$3,379, respectively, for payments payable to the employer to return excess employer matching contributions. These amounts are included on the Plan's Statement of Net Assets Available for Benefits as excess contributions payable at December 31, 2021 and 2020, respectively.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Presentation

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

D. Payments of Benefits

Benefits are recorded when paid.

E. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

F. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

NOTE 3. FAIR VALUE MEASUREMENTS

VALUATION OF INVESTMENTS – FASB ASC 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

LEVEL 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

LEVEL 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in active markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

LEVEL 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Collective Trust Funds: Valued at the daily closing prices as reported by the collective trust fund. Collective trust funds invest in separate accounts and mutual funds. The fair value of the separate accounts and mutual funds are publicly quoted pricing units. The fair values of these investments are used in determining the net asset value of the collective trust fund, which is not publicly available.

Fixed Annuity: Valued at the daily closing prices, based on the valuation method disclosed in the annuity contract, as calculated by the annuity provider.

SELIG SEALING PRODUCTS, INC. PROFIT SHARING/401K PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 3. FAIR VALUE MEASUREMENTS – Continued

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020, respectively.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total

NOTE 4. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included on the accompanying financial statements and supplementary schedules are complete and accurate:

- Total investments as shown on the accompanying Statements of Net Assets Available for Benefits of \$32,637,305 and \$30,191,135 as of December 31, 2021 and 2020, respectively.
- Total investment income as shown on the accompanying Statements of Changes in Net Assets Available for Benefits of \$3,703,748 and \$3,445,320 for the years ended December 31, 2021 and 2020.

Additionally, the Trustee certified all information on the Schedule H, Line 4i - Schedule of Assets (Held at Year End) at December 31, 2021, which may be found on the supplementary schedule.

SELIG SEALING PRODUCTS, INC. PROFIT SHARING/401K PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE 4. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED) – Continued

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included on the related financial statements and supplementary schedules.

NOTE 5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Great-West Trust Company, LLC and Principal Trust Company. Great-West Trust Company, LLC and Principal Trust Company are the Trustees as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 7. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014 that the Plan and related trust established under the Plan is tax-exempt under the appropriate sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

The Plan adopted accounting principles related to uncertain tax positions. Currently, the 2018, 2019 and 2020 tax years are open and subject to examination by the Internal Revenue Service and the Department of Labor. However, the Plan is not currently under audit nor has the Plan been contacted by either of these jurisdictions.

The Plan has evaluated its tax position taken for all open tax years. Based on the evaluation of the Plan's tax positions, management believes all positions taken would be upheld under an examination. Therefore, no liability for the effects of uncertain tax positions was recorded at December 31, 2021 and 2020. Any interest and penalties recognized and associated with a tax position would be classified as other expenses on the Plan's financial statements. No such amounts were recognized in the years ended December 31, 2021 and 2020.
