INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
the Edmentum, Inc. Savings and Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Edmentum, Inc. Savings and Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Edmentum, Inc. Savings and Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Edmentum, Inc. Savings and Retirement Plan and to meet our other ethical responsibilities

in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Edmentum, Inc. Savings and Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Edmentum, Inc. Savings and Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Edmentum, Inc. Savings and Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and

disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

To the Plan Administrator of
the Edmentum, Inc. Savings and Retirement Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Edmentum, Inc. Savings and Retirement Plan, as of December 31, 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by **Fidelity Management Trust Company**, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2020 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

SAVINGS AND RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Description of Plan

The following description of the Edmentum, Inc. (the Company) Savings and Retirement Plan (the Plan) is provided for general informational purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

(a) General

The Plan was established October 1, 1989 and is a defined contribution plan covering all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

(b) Eligibility Requirements

All employees of the Company are eligible to participate in the Plan upon the completion of three months of employment provided they are least 21 years of age.

(c) Contributions

Participant contributions are recorded in the period the employer makes the payroll deductions. Participants may contribute up to 60% of their pre-tax compensation, up to a maximum dollar amount, as defined, subject to certain other Internal Revenue Service (IRS) limitations. The Plan contains an automatic enrollment feature whereby employees are automatically enrolled at 4% of their pre-tax compensation. Annually, this amount is increased by 1% up to a maximum of 10% of their pre-tax compensation.

Company matching contributions are discretionary and accrued based on participant contributions. The matching contribution through May of 2020 was 50% for every dollar of each participant contribution up to a maximum of the greater of 3% of participant eligible compensation, or \$7,800. The Company may also make additional contributions to the Plan at its discretion. Any such amount must be designated by Company resolution.

Eligible participants who have attained age 50 before the close of the calendar year may also make catch-up contributions up to the dollar amount of the catch-up permitted for the year.

(d) Participant Accounts

Individual participant accounts are maintained by the Plan's recordkeeper and plan administrator, Fidelity Investments Institutional Operations Company, Inc. (Fidelity). Each participant's account is credited with the participant's contribution, applicable share of Plan investment earnings or loss, net of administrative expenses, and an allocation of employer matching contributions. Plan earnings are allocated based on account balances by fund.

SAVINGS AND RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(e) Vesting and Forfeitures

Participants are immediately vested in their contributions and actual earnings thereon. Participants vest in their Company contribution account based on the following schedule:

<u>Years of service</u>	<u>Vested percentage</u>
Less than 1 year	—
1 year but less than 2	33-1/3
2 years but less than 3	66-2/3
3 years or more	100

A participant will also become fully vested upon permanent disability or attainment of normal retirement as defined in the Plan.

Forfeitures of nonvested Company contributions are invested in a common collective trust fund and can be used to pay administrative fees of the plan and/or reduce future contributions made by the Company. During 2021, approximately \$110,670 of forfeitures were incurred, of which approximately \$26,000 was used to pay administrative fees of the Plan and \$13,000 was used to reduce employer contributions. There was approximately \$102,000 in forfeited nonvested accounts at December 31, 2021.

(f) Benefit Paid to Participants

On termination of service due to death, disability or retirement or other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installments over a specified time, or rollover the entire vested portion to a qualified plan or Individual Retirement Account (IRA). If the participant fails to notify the plan administrator of distribution options within 90 days of termination of service and the vested account balance is less than \$5,000, the vested balance is automatically rolled into a Fidelity IRA. A participant with less than \$1,000 invested benefits receives a lump sum distribution, net of tax.

(g) Loans

Participants may borrow from their fund accounts a minimum amount of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, reduced by the highest outstanding loan balance in the account during the prior twelve months. The term of a loan repayment may not be greater than five years unless the loan qualifies as a residential mortgage loan. The Plan administrator may fix the term of repayment of a residential mortgage loan considering the maturity dates quoted by representative lending institutions in the local area for a similar loan, but in no event greater than for a period of 10 years or such longer period as approved on a nondiscriminatory basis by the Plan administrator. The loans are collateralized by the balance in the participant's account and bear interest at a rate equal to prime plus 1% at the date of loan origination. Principal and interest is paid ratably through biweekly

payroll deductions. Participant notes receivable have interest rates ranging from 4.25% to 6.50% and are due at various dates through 2031. Repayments are generally made through payroll deductions and are invested among the various investment funds in the same manner as participant contributions.

(h) *Investment Options*

The Plan offers thirty investment options: twenty-nine mutual funds and one common collective trust fund. Plan participants direct the investment of their accounts among these thirty options. Company contributions are invested in the fund options in the same manner as participant contributions.

(i) *Plan Termination*

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and assets of the Plan will be distributed in accordance with the Plan document.

(2) *Summary of Significant Accounting Policies*

The following significant accounting policies were used to prepare the financial statements in accordance with accounting principles generally accepted in the United States of America.

(a) *Basis of Accounting*

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

(b) *Investment Valuation and Income Recognition*

Plan investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. The value of shares in registered investment companies (mutual funds) is stated at fair value as determined by quoted market prices, which represents the net asset value of shares held by the Plan at year-end. The net increase or decrease in market value of the investment portfolio during the year and realized gains and losses have been reported in the accompanying statement of changes in net assets available for benefits.

The Plan invests in investment contracts through a common/collective trust. Contract value for the common/collective trust is based on the net asset value of the trust as reported by the investment advisor. As required by ASU 2015-12, the statements of net assets available for benefits present the contract value of the investment in the common/collective trust. The statement of changes in net assets available for benefits is prepared on a contract value basis.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes to Financial Statements

December 31, 2021 and 2020

(c) Administrative Expenses

Administrative expenses, primarily transaction fees and professional services, are paid by the Plan. All other administration costs have been paid by the Company at its discretion.

(d) Benefits Paid to Participants

Benefit payments are recorded when paid.

(e) Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to make use of estimates and assumptions that affect the reported amounts of assets available for benefits at the date of the financial statements and the changes in assets available from plan benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

(3) Certification by the Plan Investment Manager and Trustee

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by the Trustee, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule.

The Trustee has provided the Plan administrator with certifications as to the completeness and accuracy of investment assets aggregating \$78,710,906 and \$67,546,910 as of December 31, 2021 and 2020, and the related net investment gain, including the net appreciation in fair value of such assets, of \$9,113,883 for the year ended December 31, 2021. Such amounts and all related financial data are included in the accompanying financial statements and supplemental schedule of the Plan based on such certifications from the Trustee as being complete and accurate.

(4) Fair Value Measurements

ASC Topic 820, *Fair Value Measurements and Disclosures*, defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements and related disclosures, ASC Topic 820

EDMENTUM, INC.
SAVINGS AND RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

established a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value into three broad levels, which are described below:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that are accessible at the measurement date for assets and liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly or indirectly. These include quoted prices for identical or similar assets or liabilities in markets that are not active, that is, markets in which there are few transactions for the asset or liability, the prices are not current, or price quotations vary substantially either over time or among market makers, or in which little information is released publicly and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Unobservable inputs developed using the Plan's estimates and assumptions, which reflect those that the market participants would use. Such inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.

Determining where an asset or liability falls within the hierarchy depends on the lowest level input that is significant to the fair value measurement as a whole. In determining fair value, the Plan utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible and considers counterparty credit risk in the assessment of fair value.

Assets measured at fair value for the Plan are as follows:

Mutual funds – Valued at the closing price reported on the active market on which the security is traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

EDMENTUM, INC.
SAVINGS AND RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Plan assets carried at fair value at December 31, 2021 and 2020 are classified in the tables below in one of the three categories described above.

Assets at fair value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 76,087,574	—	—	\$ 76,087,574
Other **				1,985,409
				<u>\$ 78,072,983</u>
Assets at fair value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 64,684,018	—	—	\$ 64,684,018
Other **				2,258,788
				<u>\$ 66,942,806</u>

** Per US GAAP guidance, investments which use a net asset value per share (NAV) practical expedient for fair value measurement, as defined in ASC 820, should be removed from the leveling table and shown as a reconciling item.

For the years ended December 31, 2021 and 2020, the Plan held no assets in which significant unobservable inputs (Level 3) were used in determining fair value. The Plan did not have any significant transfers between Levels 1 and 2 during the periods.

(5) Risks and Uncertainties

The Plan provides for various investment options in various combinations of investment securities. Investment securities are exposed to various risk factors including, but not limited to, interest rates, market conditions and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits in future periods.

(6) Tax Status

The Plan is a prototype plan. The IRS has determined and informed the Trustee by letter dated October 9, 2003, that the prototype plan and related trust are designed in accordance with applicable Sections of the Internal Revenue Code (IRC). Although the Plan has been amended since the date of this letter, the Plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC, and therefore, the Plan, as amended, is qualified and is tax-exempt.

EDMENTUM, INC.
SAVINGS AND RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2017.

(7) Party-In-Interest

Certain Plan investments, shares of mutual funds and the collective trust fund, are managed by Fidelity.

Fidelity is the Trustee as defined by the Plan and, therefore, these transactions qualify as related party transactions. In addition, certain administrative fees are paid by the Company.

(8) Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021 and 2020:

	2021	2020
Net assets available for benefits per the financial statements	\$ 78,918,772	67,546,910
Employer match contribution receivable	(207,867)	
Adjustment from contract value to fair value for fully benefit-responsive investment contracts	17,670	79,112
Net assets available for benefits per the Form 5500	\$ <u>78,728,575</u>	<u>67,626,022</u>

The following is a reconciliation of increase in net assets per the financial statements to net income per the Form 5500 for the year ended December 31, 2021:

Net increase in net assets per the financial statements	\$ 11,371,862
Employer match contribution receivable	(207,867)
Change in adjustment from contract value to fair value for fully benefit responsive investment contracts	<u>(61,442)</u>

(9) Subsequent Events

In accordance with SFAS No. 165 "Subsequent Events", the Organization has evaluated events occurring subsequent to the date of the balance sheet in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 11, 2022, which is the date the financial statements were available to be issued.

In January 2022, the Plan merged with the Apex Learning 401(k) Plan, EIN 91-1935905. As a result, participant balances totaling \$21,693,638 were transferred from the Apex plan to this plan
