INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of **Regence Health Network 401(k) Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Ascensus Trust Company as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by Ascensus Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Part IV 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to Ascensus Trust Company agrees to, or is derived from, in all material respects, the information prepared and certified by a institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by Ascensus Trust Company. In our report dated August 25, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020**

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Regence Health Network 401(k) Plan (the Plan) is provided for general information purposes only. For more complete information, participants should refer to the current Plan documents.

General

The Plan is a defined contribution retirement plan which provides for the participation of the employees of Regence Health Network (the Company), who have completed three months of service and attained the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and is intended to qualify under Section 401(k) of the Internal Revenue Code (IRC). Under the Plan, each participant has an account for his/her salary deferral contributions, any rollover contributions and for Company matching contributions.

Ascensus Trust Company serves as the Plan's custodian and is responsible for executing all transactions.

Contributions

Participants may make salary deferral contributions through payroll deductions of up to 100% of their compensation, as defined in the Plan documents (limited to certain amounts under the IRC). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Additionally, the Company makes matching contributions, which are applied to active participants who made salary deferral contributions to the Plan. The Plan has elected Safe Harbor and the Company matches 100% of each employee's contribution up to a maximum of 5% of compensation earned. The Company may also make additional discretionary contributions. There were no discretionary contributions made during 2021. Participant and Company contributions are subject to the provisions of the IRC and related regulations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) Company contributions and (b) Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on account balances or compensation, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$199. Forfeited balances of terminated participants' non-vested accounts may be used to reduce employer match contributions and pay plan expenses. Forfeitures of \$-0- were utilized during 2021.

Vesting

Participants are immediately vested in their salary deferral and safe-harbor match contributions plus actual earnings thereon.

Payment of Benefits

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her account or partial withdrawals. In-service and hardship withdrawals are allowed subject to Plan restrictions.

**NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and disclosures of contingent assets and liabilities at the date of the financial statements and the changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Administrative Fees

Third party investment advisory fees are paid directly by the Plan and allocated to participant accounts. All other costs of the Plan are paid by the Plan's sponsor and are not reflected in these financial statements.

Subsequent Events

The Plan Administrator has evaluated subsequent events through October 7, 2022 the date the financial statements were available to be issued.

Investment Valuation and Income Recognition

Investments are stated at fair value, as determined by the investment custodian. Investments in registered investment companies are valued based on quoted market prices. In accordance with stating investments at fair value, net unrealized appreciation or depreciation is reflected for the year on the Statement of Changes in Net Assets Available for Benefits.

Gains or losses on security transactions are recorded as the difference between proceeds received and the carrying value of the investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Investment dividends and interest received are reinvested in the corresponding accounts.

Notes Receivable from Participants

The Plan allows participants to obtain loans from their vested balances, which may not exceed the lesser of one half of the participant's vested interest in their account balances or \$50,000. Participant loans are maintained and serviced by the Plan's custodian. Participants should refer to the separate loan policy of the Plan for further information. Principal and interest is paid ratably through payroll deductions. Interest rates are based on the Prime rate, which ranged from 3.25% to 5.50% as of December 31, 2021.

Payment of Benefits

Benefit payments are recorded when paid.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 3 - INFORMATION CERTIFIED BY INVESTMENT CUSTODIAN

The following is a summary of the investment information as of December 31, 2021 and 2020, included in the Plan's financial statements and supplemental schedule that was prepared by or derived from information provided by the custodian and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that the information provided to the Plan Administrator by the custodian related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following assets:

	<u>2021</u>	<u>2020</u>
Investments at fair value:		
Mutual funds	\$ 10,529,182	\$ 8,541,297
Notes receivable from participants	\$ 290,674	\$ 298,965

The investment custodians also certified to the completeness and accuracy of \$918,505 of net appreciation in fair value of investments, \$248,945 of interest and dividends and \$11,349 of interest on notes receivable from participants for the year ended December 31, 2021.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, participants will become 100% vested in their accounts and the Plan assets will be distributed in a manner approved by the Internal Revenue Service.

NOTE 5 - TAX STATUS

The Plan has not received a determination letter on their adoption of the Prototype plan. In accordance with Revenue Procedure 2003-6, the Plan administrator has chosen to rely on the opinion letter, dated March 31, 2014, that has been issued to the Prototype plan. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code (the Code) to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and has taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years before 2018.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

In December 2019, a novel strain of coronavirus (COVID-19) was reported in China. In January 2020, the World Health Organization declared COVID-19 to constitute a "Public Health Emergency of International Concern", which continues on as of the date of this report. The extent of the impact of COVID-19 on the Plan's operational and financial performance will depend on future developments, including the duration and spread of the outbreak and related travel advisories and restrictions and the impact of COVID-19 on overall demand for services and products, all of which are highly uncertain and cannot be predicted.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by The Vanguard Group (Vanguard). Vanguard has entered into an agreement with Ascensus to provide certain plan recordkeeping and administrative services and, therefore, these transactions and expenses paid by the plan to Vanguard qualify as party-in-interest transactions.

NOTE 8 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**REGENCE HEALTH NETWORK
401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020**

NOTE 8 - FAIR VALUE MEASUREMENTS (continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

In determining the appropriate levels, the Plan performs a detailed analysis of the assets and liabilities that are subject to fair value measurement. The following table summarizes the financial assets and liabilities measured at fair value on a recurring basis at December 31:

	Assets at Fair Value 2021			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 10,529,182	\$ -	\$ -	\$ 10,529,182
Total Investments at Fair Value	<u>\$ 10,529,182</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 10,529,182</u>

	Assets at Fair Value 2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 8,541,297	\$ -	\$ -	\$ 8,541,297
Total Investments at Fair Value	<u>\$ 8,541,297</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,541,297</u>

Changes in Fair Value and Related Gains and Losses

During 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year and dividends and interest) appreciated in value by \$1,167,450.
