SCOPE AND NATURE OF THE ERISA SECTION 103(A)(3)(C) AUDIT FOR THE 2021 FINANCIAL STATEMENTS

We have performed an audit of the financial statements of the 401(k) Plan for Hourly Employees of TIGHITCO, Inc. (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

OPINION ON THE 2021 FINANCIAL STATEMENTS

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BASIS FOR OPINION ON THE 2021 FINANCIAL STATEMENTS

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

EMPHASIS OF A MATTER – PARTIAL PLAN TERMINATION

As further discussed in Notes A and H to the financial statements, due to the closing of the Atlanta TIGHITCO facility subsequent to year end, the plan has been considered to have a partial termination. Our ERISA Section 103(a)(3)(C) audit opinion is not modified with respect to this matter.

RESPONSIBILITIES OF MANAGEMENT FOR THE 2021 FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a year from the date of the audit report.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE 2021 FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, in-

tentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

OTHER MATTERS

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, Line 4i – Schedule of Assets (Acquired and Disposed of Within Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For infor-

mation included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 18, 2021, we indicated that (*a*) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (*b*) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO THE FINANCIAL STATEMENTS
401(k) PLAN FOR HOURLY EMPLOYEES OF TIGHITCO, INC.
December 31, 2021

NOTE A -- GENERAL DESCRIPTION OF THE PLAN

The following description of the 401(k) Plan for Hourly Employees of TIGHITCO, Inc. (the "*Plan*") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all hourly employees of TIGHITCO, Inc. (the "*Employer*" or "*Company*") employed at the Atlanta, Georgia facility who have at least six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("*ERISA*"), as amended. The Board of Directors is responsible for oversight of the Plan. The Pension Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Board of Directors. The Atlanta, Georgia facility officially shut down on March 31, 2022, with all employees covered by this plan being effectively terminated December 31, 2021.

Contributions: Each year, participants may contribute between 1% and 50% of their annual compensation, as defined in the Plan, subject to the limitations as defined in the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation, and automatically increased by 1% annually up to 10% unless elected otherwise, and their contributions invested in a designated default investment fund identified in the Plan's summary plan description. The Employer will match 50% of the first 6% of compensation that the participant contributes to the Plan.

Participant Accounts: Each participant's account is credited with the participant's contributions and the Company's contributions, as well as an allocation of Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: All contributions and the earnings thereon are 100% vested and nonforfeitable.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum amount equal to either (1) $50,000 less the highest loan amount the participant has outstanding from the Plan at any time during the previous twelve months less the participant's current outstanding balance of loans from the Plan or (2) one half of the participant's account balance. Participants must repay a loan within five years unless it is used to buy a principal residence. The loans are secured by the balance in the participant's account. The loan interest rate is set at 1% above the prime rate. Principal and interest payments must be made at least quarterly and in equal amounts through direct, after-tax payroll deductions.

NOTE A -- GENERAL DESCRIPTION OF THE PLAN – Continued

Plan Termination: The facility were employees covered by this plan work, was formally shut down in March 2022, with all hourly employees being effectively terminated in December 2021. Due to these circumstances, the plan is considered to have a partial termination. Due to this partial termination, participants become 100% vested in their account balances at year end, but the provisions of this plan do not have a vesting schedule and participants have always been 100% vested in their account balances.

Payment of Benefits: On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's account, or installments until the balance is depleted. For termination of service for other reasons, a participant may receive the value of his or her account as a lump sum distribution. The Plan provides for mandatory distributions following severance from employment for any participant who has an account balance less than $5,000. A hardship distribution may be made to eligible participants to satisfy certain immediate and heavy financial needs in connection with qualifying expenses, as defined by the Plan.

Forfeited Accounts: At December 31, 2021 and 2020, forfeited accounts totaled $0. This account can be used to reduce future employer contributions. In both 2021 and 2020, employer contributions were reduced by $0. The Plan's forfeited accounts consist of participant account balances that were subject to distribution from the Plan; however, the plan administrator was unable to locate the participant or beneficiary. The terms of the Plan permit these balances to be forfeited and applied to reduce employer contributions. The balances, when forfeited, shall be reinstated by the employer if a claim is filed by the participant or beneficiary with the plan administrator.

NOTE B -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Pension Committee determines the Plan's valuation policies. See Note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Cash and Cash Equivalents: Cash and cash equivalents consist of monies held in bank deposit/sweep accounts.

Payment of Benefits: Benefits are recorded when paid.

NOTE B -- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Administrative Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Certain investment related expenses are included in net appreciation (depreciation) of fair value of investments.

New Accounting Pronouncement: In July 2019, the Statement on Auditing Standards Board (SAS) issued SAS No. 136, *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans (EBP) Subject to ERISA*. This standard prescribes certain new performance requirements for an audit of financial statements of EBPs and changes the format and content of the related audit report. SAS 136 was effective for periods ending on or after December 15, 2021.

NOTE C -- INFORMATION PREPARED AND CERTIFIED BY THE PLAN TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2021 and 2020;
- Net investment activity and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020;
- Investment information included in the footnotes for the years ended December 31, 2021 and 2020, and supplemental schedules of assets (held at end of year and acquired and disposed of within year) as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE D -- RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE E -- FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE E -- FAIR VALUE MEASUREMENTS – Continued

Pooled, common and collective trust funds: The fair value of the investments in common/collective trusts (pooled) funds is determined by each fund's trustee based on the fair value of the underlying securities within the fund, which represent the NAV of shares held by the Plan at year end. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective investment trust, the issue reserves the right to require 1 business day notification in order to ensure that the securities will be carried out in an orderly business manner. There are no unfunded commitments as of December 31, 2021 and 2020.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 666,630			$ 666,630
	666,630	$ 0	$ 0	666,630
Investments measured at NAV				2,109,528
TOTAL INVESTMENTS AT FAIR VALUE	$ 666,630	$ 0	$ 0	$ 2,776,158

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 855,690			$ 855,690
	855,690	$ 0	$ 0	855,690
Investments measured at NAV				2,073,127
TOTAL INVESTMENTS AT FAIR VALUE	$ 855,690	$ 0	$ 0	$ 2,928,817

Transfers Between Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the years ended December 31, 2021 and 2020, there were no significant transfers between levels.

NOTE E -- FAIR VALUE MEASUREMENTS – Continued

Fair Value of Investments in Entities that Use NAV Practical Expedient

The following table summarize investments measured at fair value based on NAV per share as of December 31, 2021 and 2020, respectively:

Investment	Fair Value as of December 31, 2021	2020	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled, Common, Collective Trust Fund	$ 2,109,528	$ 2,073,127	N/A	Daily	1 Business Day

NOTE F -- RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are interests in pooled, common, and collective funds managed by Wells Fargo (the former trustee of the Plan). As described in Note B, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party in interest transactions under ERISA.

The Plan covers only hourly employees of the Company. In the event that an employee is promoted from hourly to salary, the employee is no longer eligible to participate in accordance with the Plan's provisions. Salaried employees of the Company are covered under an affiliated retirement plan, The InterTech Group, Inc. Retirement Savings Plan (ITT). When an employee is promoted from hourly to salary, his or her account balance may be transferred into the ITT plan. An aggregate of $0 and $60,520 was transferred from the Plan into the ITT plan during the years ended December 31, 2021 and 2020, respectively, for this activity.

NOTE G -- TAX STATUS

The Company adopted a non-standardized 401(k) plan sponsored by the trustee. The Internal Revenue Service (IRS) has determined and informed the Company by a favorable opinion letter dated April 17, 2012, that the plan is designed in accordance with the applicable sections of the Internal Revenue Code (the Code). The Company's opinion letter is being relied on by the Plan. Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE H – SUBSEQUENT EVENTS

As disclosed in Note A, subsequent to year end, on March 31, 2022, the Atlanta, Georgia plant was officially closed, with all participants of this plan being terminated effective December 31, 2021. As of the date of this audit report, no formal decision has been made to terminate the Plan, and the Plan has approximately $367,000 in net assets available for benefits.

The Plan has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued.
