REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Trustees and Plan Administrator
Claridge Products and Equipment, LLC Employees 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of Claridge Products and Equipment, LLC Employees 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedules required by ERISA

The supplemental schedule of assets (held at end of year) and the schedule of delinquent participant contributions as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US

GAAS. For information included in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedules, we evaluated whether the 2021 supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN

The following description of the Claridge Products and Equipment, LLC Employees 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions, which are available from the Plan administrator.

General

The Plan is a defined contribution plan sponsored and administered by Claridge Products and Equipment, LLC (the "Company" or "Employer") for the benefit of its employees who have at least six months of service and are not covered by a collective bargaining agreement. The Company is responsible for oversight of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. John Hancock Trust Company LLC (the "Trustee") serves as the trustee and record keeper of the Plan.

Contributions

The Plan permits eligible employees through a salary deferral election to make annual contributions of up to 50% of eligible compensation. Salary deferrals consist of pre-tax and/or Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Employee rollover contributions are also permitted.

The Company may make discretionary matching and profit-sharing contributions to the Plan. The Company made no profit-sharing contributions for the year ended December 31, 2021. For the year ended December 31, 2021, the Company elected to make discretionary matching contributions equal to 100% of the first 3% and 50% of the next 2% of participants' contributions per pay period. The Company made discretionary matching contributions of \$304,196 for the year ended December 31, 2021.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing their contributions into any of the separate investment accounts and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contributions and Plan earnings (losses), and is charged with an allocation of administrative expenses. Allocations are based on particular earnings (losses) or account balances, as defined in the Plan document. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures

Forfeitures are used to reduce the employer's matching contribution for the year in which the forfeitures occur or are used to pay expenses incurred to maintain the Plan. During the year ended 2021 and 2020, there were \$21,359 and \$0 in forfeitures, respectively, that were used to reduce employer contributions. As of the year ended 12/31/2021 and 12/31/2020 there were no remaining unused forfeitures.

Vesting

Participants are immediately vested in their voluntary contributions and any discretionary matching contributions plus earnings thereon. Vesting in the Company's profit-sharing contribution portion of their accounts plus earnings thereon is based on years of service. A participant is fully vested after six years of service. The non-vested balance is forfeited upon termination of service.

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Payment of Benefits

Participants may request to make a withdrawal of their contributions to the Plan due to financial hardship as defined by the Internal Revenue Code ("IRC"). Upon termination of service, participants' vested account balances are distributed in a single lump-sum payment. If a participant ceases to be an employee of the Company and their account balance is greater than \$1,000 and less than \$5,000, the entire vested account balance will be rolled over to an individual retirement account as designated by the Plan, absent an election by the participant.

Participant Loans

The Plan document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant demonstrating a qualifying need. The minimum loan amount allowable is \$1,000. The maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholding unless the participant is paying the loan in full. Interest on the loans is fixed at the Prime Rate as published in the Wall Street Journal on the day the loan is initiated plus 1%. Each participant is permissible to have two loans outstanding at one time.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of a plan termination, participants will become 100% vested in their accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note E for discussion of fair value measurements.

Quoted market prices, if available, were used to value the Plan's mutual fund investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**Claridge Products and Equipment, LLC
Employees 401(k) Plan**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Notes receivable from participants are secured by their account balance. Delinquent participant loans are reclassified as distributions. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Plan Tax Status

The Plan obtained its latest determination letter on September 23, 2015, in which the Internal Revenue Service ("IRS") stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter, but the Plan's sponsor believes the Plan is designed and is currently operating in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Payments of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE C - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee of the Plan has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Total investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020;
- Net investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021; and
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021.

**Claridge Products and Equipment, LLC
Employees 401(k) Plan**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

The Plan's independent certified public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE D - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain investments held by the Plan are managed by the Trustee and, therefore, these transactions qualify as party-in-interest transactions. The Plan also permits notes receivable from participants. These transactions are exempt from the prohibited transaction rules.

During the Plan year ended December 31, 2021, the Company inadvertently failed to deposit \$940 of participant deferrals within the required timeframe as stated by the United States Department of Labor (DOL) regulations. There were no late deposits in 2020. The DOL considers late deposits to be non-exempt prohibited transactions. Lost earnings for the 2021 late deposits were remitted to the Plan in 2022. The lost earnings and excise tax payments were made from the Company's assets and not from assets of the Plan.

NOTE E - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

**Claridge Products and Equipment, LLC
Employees 401(k) Plan**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

There have been no changes in the methodologies used at December 31, 2021 and 2020. The following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: Valued at quoted market prices, which represent the net asset value ("NAV") of shares held by the Plan at year end.

Pooled separate accounts: Shares of pooled separate account investments in bond funds are unitized and the fair value is based on the closing market price of the assets held by the fund adjusted for accumulated dividends, capital gains, fees and rebates.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 7,601,073	\$ -	\$ -	\$ 7,601,073
Pooled separate accounts	-	3,427,268	-	3,427,268
Total net assets at fair value	<u>\$ 7,601,073</u>	<u>\$ 3,427,268</u>	<u>\$ -</u>	<u>\$ 11,028,341</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,392,368	\$ -	\$ -	\$ 9,392,368
Pooled separate accounts	-	3,907,802	-	3,907,802
Total net assets at fair value	<u>\$ 9,392,368</u>	<u>\$ 3,907,802</u>	<u>\$ -</u>	<u>\$ 13,300,170</u>

NOTE F - RISKS AND UNCERTAINTIES

The Plan provides for investments in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

NOTE G - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued. No subsequent events were identified requiring additional recognition or disclosure in the accompanying financial statements.

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Trustees and Plan Administrator
Claridge Products and Equipment, LLC Employees 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements

We have performed an audit of the financial statements of Claridge Products and Equipment, LLC Employees 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2021 supplemental schedules required by ERISA

The supplemental schedule of assets (held at end of year) and the schedule of delinquent participant contributions as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US

GAAS. For information included in the 2021 supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedules, we evaluated whether the 2021 supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2020 financial statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

NOTE A - DESCRIPTION OF PLAN

The following description of the Claridge Products and Equipment, LLC Employees 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions, which are available from the Plan administrator.

General

The Plan is a defined contribution plan sponsored and administered by Claridge Products and Equipment, LLC (the "Company" or "Employer") for the benefit of its employees who have at least six months of service and are not covered by a collective bargaining agreement. The Company is responsible for oversight of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended. John Hancock Trust Company LLC (the "Trustee") serves as the trustee and record keeper of the Plan.

Contributions

The Plan permits eligible employees through a salary deferral election to make annual contributions of up to 50% of eligible compensation. Salary deferrals consist of pre-tax and/or Roth 401(k) contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Employee rollover contributions are also permitted.

The Company may make discretionary matching and profit-sharing contributions to the Plan. The Company made no profit-sharing contributions for the year ended December 31, 2021. For the year ended December 31, 2021, the Company elected to make discretionary matching contributions equal to 100% of the first 3% and 50% of the next 2% of participants' contributions per pay period. The Company made discretionary matching contributions of \$304,196 for the year ended December 31, 2021.

Participant Investment Account Options

Investment account options available include various funds. Each participant has the option of directing their contributions into any of the separate investment accounts and may change the allocation daily.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's contributions and Plan earnings (losses), and is charged with an allocation of administrative expenses. Allocations are based on particular earnings (losses) or account balances, as defined in the Plan document. The benefits to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures

Forfeitures are used to reduce the employer's matching contribution for the year in which the forfeitures occur or are used to pay expenses incurred to maintain the Plan. During the year ended 2021 and 2020, there were \$21,359 and \$0 in forfeitures, respectively, that were used to reduce employer contributions. As of the year ended 12/31/2021 and 12/31/2020 there were no remaining unused forfeitures.

Vesting

Participants are immediately vested in their voluntary contributions and any discretionary matching contributions plus earnings thereon. Vesting in the Company's profit-sharing contribution portion of their accounts plus earnings thereon is based on years of service. A participant is fully vested after six years of service. The non-vested balance is forfeited upon termination of service.

**Claridge Products and Equipment, LLC
Employees 401(k) Plan**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Payment of Benefits

Participants may request to make a withdrawal of their contributions to the Plan due to financial hardship as defined by the Internal Revenue Code ("IRC"). Upon termination of service, participants' vested account balances are distributed in a single lump-sum payment. If a participant ceases to be an employee of the Company and their account balance is greater than \$1,000 and less than \$5,000, the entire vested account balance will be rolled over to an individual retirement account as designated by the Plan, absent an election by the participant.

Participant Loans

The Plan document includes provisions authorizing loans from the Plan to active eligible participants. Loans are made to any eligible participant demonstrating a qualifying need. The minimum loan amount allowable is \$1,000. The maximum amount of a participant's loan is determined by the available loan balance restricted to the lesser of \$50,000 or 50% of the participant's vested account balance. All loans are covered by demand notes and are repayable over a period not to exceed five years (except for loans for the purchase of a principal residence) through payroll withholding unless the participant is paying the loan in full. Interest on the loans is fixed at the Prime Rate as published in the Wall Street Journal on the day the loan is initiated plus 1%. Each participant is permissible to have two loans outstanding at one time.

Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of a plan termination, participants will become 100% vested in their accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note E for discussion of fair value measurements.

Quoted market prices, if available, were used to value the Plan's mutual fund investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

**Claridge Products and Equipment, LLC
Employees 401(k) Plan**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Notes receivable from participants are secured by their account balance. Delinquent participant loans are reclassified as distributions. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Plan Tax Status

The Plan obtained its latest determination letter on September 23, 2015, in which the Internal Revenue Service ("IRS") stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter, but the Plan's sponsor believes the Plan is designed and is currently operating in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Payments of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE C - INFORMATION CERTIFIED BY THE TRUSTEE

The Plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee of the Plan has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Total investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020;
- Net investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021; and
- Schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2021.

**Claridge Products and Equipment, LLC
Employees 401(k) Plan**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

The Plan's independent certified public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

NOTE D - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain investments held by the Plan are managed by the Trustee and, therefore, these transactions qualify as party-in-interest transactions. The Plan also permits notes receivable from participants. These transactions are exempt from the prohibited transaction rules.

During the Plan year ended December 31, 2021, the Company inadvertently failed to deposit \$940 of participant deferrals within the required timeframe as stated by the United States Department of Labor (DOL) regulations. There were no late deposits in 2020. The DOL considers late deposits to be non-exempt prohibited transactions. Lost earnings for the 2021 late deposits were remitted to the Plan in 2022. The lost earnings and excise tax payments were made from the Company's assets and not from assets of the Plan.

NOTE E - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

**Claridge Products and Equipment, LLC
Employees 401(k) Plan**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

December 31, 2021 and 2020

There have been no changes in the methodologies used at December 31, 2021 and 2020. The following is a description of the valuation methodology used for assets measured at fair value:

Mutual funds: Valued at quoted market prices, which represent the net asset value ("NAV") of shares held by the Plan at year end.

Pooled separate accounts: Shares of pooled separate account investments in bond funds are unitized and the fair value is based on the closing market price of the assets held by the fund adjusted for accumulated dividends, capital gains, fees and rebates.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total

Total net assets at fair value	<u>\$ 7,601,073</u>	<u>\$ 3,427,268</u>	<u>\$ -</u>	<u>\$ 11,028,341</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 9,392,368	\$ -	\$ -	\$ 9,392,368
Pooled separate accounts	-	3,907,802	-	3,907,802
Total net assets at fair value	<u>\$ 9,392,368</u>	<u>\$ 3,907,802</u>	<u>\$ -</u>	<u>\$ 13,300,170</u>

NOTE F - RISKS AND UNCERTAINTIES

The Plan provides for investments in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

NOTE G - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued. No subsequent events were identified requiring additional recognition or disclosure in the accompanying financial statements.
