INDEPENDENT AUDITORS' REPORT

**To the Trustees of
Ace Disposal, Inc. Profit Sharing Plan
Salt Lake City, Utah**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Ace Disposal, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Ace Disposal, Inc. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the years ended December 31, 2021 and 2020, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ace Disposal, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ace Disposal, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ace Disposal, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ace Disposal, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets Held for Investment is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

ACE DISPOSAL, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - PLAN DESCRIPTION

The following description of the Ace Disposal, Inc. (Company) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan document and any amendments for a more complete description of the Plan's provisions:

General

The Company established the Plan for the benefit of its employees effective January 1, 1990. Effective January 1, 2000, the Plan was amended to provide for 401(k) and 401(m) Safe Harbor provisions. The Plan, as amended, is a defined contribution plan covering all full-time employees of the Company who have at least three months of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and related Department of Labor regulations.

Participation

Employees may elect not to participate in the 401(k) portion of the Plan, but the profit sharing portion of the Plan does not permit an eligible employee or participant to elect not to participate.

Contributions

Each year, participants may contribute to the 401(k) portion of the Plan, on a pretax basis, and post-tax basis if choosing a Roth 401(k), amounts up to 75% of compensation for the Plan Year, subject to the annual additions limitation imposed under IRC 402(g). Participants may also contribute amounts representing distribution from other qualified defined benefit or defined contribution plans (rollover). The Company's matching contribution will equal 100% of each Participant's deferral contributions not exceeding 3% of the Participants Compensation for the Plan Year plus 50% of Participant's deferral contributions in excess of 3% but not in excess of 5% of the Participant's Compensation for the Plan Year. With respect to the non-401(k) provision of the Plan, the Company, in its sole discretion, may contribute an amount which it designates as a qualified non-elective contribution. The contribution will be an amount the Company may from time to time deem advisable. The Company need not have Net Profits to make its annual contribution under the Plan. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions, forfeitures and Plan earnings, and can be charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their contributions and allocations into various investment options offered by the Plan.

ACE DISPOSAL, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Vesting

Plan participants are immediately vested in their contributions and rollovers, and the Company's matching contributions, plus actual earnings thereon. Vesting in the company's profit sharing contributions portion of the participants' accounts plus actual earnings thereon is based on years of continuous service. Participants' interest in employer profit sharing contributions when made will vest as follows:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than two	0%
At least two	20%
At least three	40%
At least four	60%
At least five	80%
At least six	100%

Notes Receivable from Participants

Participants may borrow from their salary deferral contributions up to a maximum of 50 percent of their vested balance or \$50,000, whichever is less. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate that is determined when the loan is made. The loan plus interest, which is credited to the participant's account, must be repaid within a five-year period, or 15 years if the loan is used to acquire a principal residence. Principal and interest is paid ratably through payroll deduction.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, or monthly installments over an established period of time or the participant's life. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution or, if the participant's vested account balance exceeds \$5,000, the participant may elect to leave the account in the Plan. Participants may also receive hardship distributions from the Plan based upon certain criteria established by the Plan.

During the years ended December 31, 2021 and 2020, the Plan paid benefits to withdrawing participants totaling \$1,316,322 and \$1,029,360, respectively. There were no amounts allocated to withdrawing participants for claims that were processed and approved for payment prior to December 31, 2021 and 2020, but not yet paid as of that date.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - PLAN DESCRIPTION (CONTINUED)

Forfeited Accounts

At December 31, 2021 and 2020, the forfeited accounts totaled \$0 and \$0, respectively. Forfeitures may be used to reduce the Company's profit sharing contribution. Forfeiture amounts will be allocated to remaining plan participant accounts in the same manner as employer contributions.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investments held by a defined contribution plan are required to be reported at fair values, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contract because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Date of Management's Review

Subsequent events were evaluated through September 29, 2022, which is the date the financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 4 for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

ACE DISPOSAL, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. As of December 31, 2021 and 2020, no allowance for loan losses had been recorded. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

All expenses of maintaining the Plan are paid by the Company.

Plan Expenses

Administrative expenses paid by the Plan were \$66,339 and \$53,041 for the years ended December 31, 2021 and 2020, respectively.

NOTE 3 - FINANCIAL INFORMATION CERTIFIED BY TRUSTEE

In accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Report and Disclosure under the Employee Retirement Income Security Act of 1975 (ERISA), all of the investment information including investment income, shown in the accompanying financial statement and supplemental schedule has been certified as complete and accurate by the Trustees of the Plan.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under Topic 820 are described as follows:

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair values of common stocks, corporate bonds, and U.S. Government securities are based on the quoted price (unadjusted) in the active markets where the individual securities are traded.

ACE DISPOSAL, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 Fair Value Measurements

Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as: (a) quoted for similar assets or liabilities in active markets; (b) quoted prices for identical or similar assets or liabilities in inactive markets; (c) inputs other than quoted prices that are observable for the asset or liability; and (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement. The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to be the fair value measurement.

		Fair Value Measurements Using:

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured using Level 3 inputs at fair value. There have been no changes in the methodologies used as of and for the years ended December 31, 2021 and 2020.

Participant loans: Valued at amortized costs, which approximates fair value.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair Value Measurement using Significant Unobservable Inputs (Level 3)

<u>December 31, 2021</u>	<u>Participant Loans</u>
Beginning balance	\$ 867,465
Total gains or losses (realized and unrealized) included in changes in net assets available for benefits	(39,978)

Ending balance	<u><u>\$ 867,465</u></u>

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2021 and 2020 are reported in net appreciation in fair value of investments.

ACE DISPOSAL, INC. PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 5 - INVESTMENTS

During 2021 and 2020, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value as follows:

	<u>2021</u>	<u>2020</u>
Registered investment companies	<u>\$ 1,432,163</u>	<u>\$ 2,765,480</u>
	<u><u>\$ 1,432,163</u></u>	<u><u>\$ 2,765,480</u></u>

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risk such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are unit accounts managed by Great-West Trust Company, LLC, who has partnered with Empower Retirement Services to provide retirement services to the Company. Great-West Trust Company, LLC is the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services were included as a reduction of the return on each fund.

NOTE 8 - TAX STATUS

The Company has adopted a prototype plan sponsored by the Digital Retirement Solutions, Inc. The Internal Revenue Service has determined and informed the service company by a letter dated March 31, 2014 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue code. No federal income taxes are required. Similar exemptions are available for state income tax purposes.

NOTE 9 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.
