INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Gallagher Sharp 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit for 2021 Financial Statements

We have performed an audit of the financial statements of Gallagher Sharp 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agree to, or are derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Gallagher Sharp 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gallagher Sharp 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gallagher Sharp 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gallagher Sharp 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, line 4i, Schedule of Assets (held at end of year) as of December 31, 2021 is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Gallagher Sharp 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GALLAGHER SHARP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Gallagher Sharp 401(k) Plan (“the Plan”) provides only general information. The Plan covers eligible employees of Gallagher Sharp (“the Company”). Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a defined contribution plan covering all employees of the Company who have obtained age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Plan’s Board of Trustees.

CONTRIBUTIONS

Each year eligible participants may elect to have up to 50% of their compensation contributed to the Plan through payroll reductions on a pre-tax basis, plus catch up contributions as defined in the Plan document. The Plan provides for an Automatic Contribution Arrangement (ACA). Under the ACA provisions of the Plan, the Company will automatically withhold a deferral amount of 6% of compensation for each pay period for eligible participants unless participants elect different deferral rates or elect not to participate in the Plan. Rollover contributions are permitted as described in the Plan document. Participants are able to direct contributions into a variety of investment options offered by the Plan and through self-directed brokerage accounts.

The Company may make discretionary contributions as determined by the Company’s finance committee. The Plan also includes a provision whereby the Company’s finance committee will determine whether to make a safe harbor contribution of at least 3% of employee compensation to all employees who meet eligibility requirements. Eligibility for Company contributions is completion of one year of service defined as a minimum of 1,000 hours in a 12-month period following date of hire. Entry dates to the Plan for Company contributions are the first and seventh month of the Plan year and employees must be employed on the last day of the Plan Year in order to receive Company contributions. Aggregate discretionary contributions totaled \$433,621 and \$455,362 for the years ended December 31, 2021 and 2020, respectively, and \$433,621 and \$478,309 have been recorded as Company’s contributions receivable to the Plan as of those respective dates.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

In addition, included in the aggregate discretionary contributions were corrections of \$140,360 and \$175,223 for the years ended December 31, 2021 and 2020, respectively, see Note 10. These corrections were included in contributions receivable and Company's contributions to the Plan. Total annual contributions made to the Plan on behalf of any participant are subject to limitations imposed under the Internal Revenue Code ("IRC").

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, their respective Company's discretionary or safe harbor contributions, and Plan earnings and charged with an allocation of administrative expenses. Allocations of earnings and expenses are based on the participants' account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

FORFEITURES

Forfeitures are created when participants terminate employment prior to becoming entitled to full benefits. At December 31, 2021 and 2020, forfeited, nonvested accounts totaled \$14,703 and \$1,738, respectively. During the years ended December 31, 2021 and 2020, \$18 and \$32, respectively, of forfeited, nonvested accounts were used for administrative expenses. During the years ended December 31, 2021 and 2020, \$608 and \$22,535, respectively, of forfeitures were used to reduce employer contributions.

VESTING

Participants are immediately vested in their elective deferrals, rollover contributions, and Company safe harbor contributions. Vesting in the discretionary Company contribution portion of their accounts is based on years of continuous service according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
At least 2 years, but less than 3	20%
At least 3 years, but less than 4	40%
At least 4 years, but less than 5	60%
At least 5 years, but less than 6	80%
6 years or more	100%

GALLAGHER SHARP 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

VESTING (CONTINUED)

Participants who are still employed by the Company become 100% vested upon attainment of early retirement age (55), normal retirement age (65), or termination due to death or disability.

PAYMENT OF BENEFITS

Upon termination of service due to death, disability, retirement, or separation of service from the Company, a participant is entitled to receive a distribution of his or her vested account balance in the form of a lump-sum payment, installment payments, or an annuity. A participant may receive an in-service distribution if he or she experiences undue financial hardship or upon attainment of age 59 ½. Hardship distributions are limited to actual participant contributions not previously withdrawn. Due to changes in legislation, beginning January 1, 2020 the minimum six-month suspension of employee pre-tax contributions previously imposed following a hardship withdrawal was lifted. However, any remaining portion of the six-month suspension period for a prior hardship distribution would still apply the suspension until its expiration date, even if the expiration date is in 2020.

In December 2019, the Setting Every Community Up for Retirement Enhancement Act (SECURE Act) was signed into law. The SECURE Act increased the age for required minimum distributions from 70 ½ to 72. This change was effective for participants who turned 70 ½ after December 31, 2019, and does not apply to participants already receiving required minimum distributions.

In March 2020, the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") was signed into law. The CARES Act was designed to provide fast and direct economic assistance for workers in the midst of the COVID-19 pandemic. The CARES Act suspended required minimum distribution provisions for the year ending December 31, 2020 and allowed qualified participants impacted by the COVID-19 pandemic to withdraw up to \$100,000 of their vested account balance without being subject to the 10% early withdrawal penalty from January 1, 2020 to December 31, 2020. In addition, the required minimum distribution requirement was waived for participants who turned 70 ½ in 2019 and postponed their first required minimum distribution until April 1, 2020.

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes receivable are secured by the balance in the participant's account and bear interest at rates based on the prime interest rate at the time of loan issuance. Note receivable terms may not exceed 5 years. Principal and interest are paid ratably through monthly payroll deductions.

The CARES Act allowed participants to borrow from their accounts up to 100% of their vested account balance between the period of March 27, 2020 and September 27, 2020, up to a maximum of \$100,000. The first payment date on a new loan was deferred up to one year. Participants with outstanding loans (meaning loans taken before the CARES Act was enacted) for which a repayment was due between March 27, 2020 and December 31, 2020, could delay their loan repayments up to one year. Interest continued to accrue on these deferred payments. The term of the loan was extended by the length of the deferment period.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting (GAAP).

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the trustee and custodian. See Note 4 for a discussion of fair value measurements.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION (CONTINUED)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains on investments purchased and sold, as well as held, during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. No allowance for credit losses was recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, delinquent participant notes receivable are reclassified as distributions based upon the terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Administrative expenses are paid by the Company at the Company's discretion. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

SUBSEQUENT EVENTS

The Company evaluated subsequent events through October 13, 2022, the date these financial statements were available to be issued. There were no other events identified that required recognition or disclosure in these financial statements.

NOTE 3 - INFORMATION CERTIFIED BY THE CUSTODIAN AND TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2021 and 2020, was obtained by management and agreed to information certified as complete and accurate by Great-West Life & Annuity Insurance Company as attorney-in-fact for contracts issued by Massachusetts Mutual Life Insurance Company, custodian of the Plan, and Reliance Trust Company, trustee of the Plan. This information has not been audited by the Plan's independent auditors.

NOTE 4 - FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs used in valuation models (Level 3 measurements).

The three levels of the fair value hierarchy under GAAP are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets. Level 2 inputs include those other than quoted prices that are observable for the asset or liability. Level 2 inputs are derived principally from, or are corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies – Investments in registered investment companies are stated at the respective fund's net asset value (NAV), which is determined based on quoted market prices on the last business day of the plan year. The NAV is a quoted price on an active market.

Pooled separate accounts – Valued at the NAV of the units held by the Plan at year-end. The NAV, as provided by the custodian and trustee, is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Assets valued using the net asset value practical expedient are not required to be reported within the hierarchy.

Self-directed brokerage accounts – Included within the self-directed brokerage accounts are cash and cash equivalents, common stocks and registered investment companies. Common stocks and registered investment companies are valued at the closing price reported on the active market in which the individual investments are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	Level 1	Total
Registered investment companies	\$ 22,443,966	\$ 22,443,966

^(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 5 - INVESTMENT IN INSURANCE CONTRACTS

The Plan has entered into a benefit-responsive investment contract with Empower totaling \$7,458,782 for 2021 and \$7,068,968 for 2020. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by Empower. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or the Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (5) premature termination of the contract. The Plan Administrator believes that no events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation of the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

NOTE 6 – INCOME TAX STATUS

The Company adopted a Volume Submitter Profit Sharing Plan. The Volume Submitter Profit Sharing Plan received an opinion letter from the Internal Revenue Service (IRS) on March 31, 2014, which stated that the Plan was designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code (IRC). Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS

NOTE 6 – INCOME TAX STATUS (CONTINUED)

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax year pending or in progress.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their Company contributions.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments at December 31, 2021 and 2020 are invested in funds managed by Great-West Life & Annuity Insurance Company and Reliance Trust Company. Great-West Life & Annuity Insurance Company and Reliance Trust Company are the custodian and trustee, respectively, as defined by the Plan document and, therefore, these transactions are considered party-in-interest transactions. The Plan also makes loans to Plan participants, who are also considered to be parties-in-interest.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 10 – TOP HEAVY MINIMUM CONTRIBUTIONS PAYABLE

In order to retain tax qualified status, a minimum top-heavy contribution of \$140,360 and \$175,223 was made to the Plan in August 2022 and May 2021, respectively, for all eligible non-key employees for the Plan years ended December 31, 2021 and 2020, respectively. Non-key employees who satisfy the Plan's eligibility requirements before the end of the plan year and who remain employed at the end of the year received the minimum top heavy contribution. Employees who met the eligibility requirements for the Plan but were not currently making salary reduction contributions were included in this allocation. A non-key employee is entitled to a minimum contribution even if such employee fails to complete the number of hours of service required by the plan for an allocation of other employer contributions.

For plans investing directly or indirectly in the MassMutual Premier or Select Funds, MassMutual provided the required written disclosure regarding soft dollar compensation on the Schedule C Formula Description and/or EIC Statement Description Attachment. For all other mutual funds, MassMutual provided the required written disclosure in the Statement of Additional Information (“SAI”).

For additional information on soft dollar compensation, refer to the section of the mutual fund’s SAI that discusses brokerage allocation and other practices.
