Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of FCCI Services, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021 and 2020, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i-Schedule of Assets (Held at End of Year) - December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report

To the Plan Administrator
FCCI Services, Inc. 401(k) Profit Sharing Plan
Sarasota, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of FCCI Services, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the years ended December 31, 2021 and 2020, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021 and 2020, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i-Schedule of Assets (Held at End of Year) - December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FCCI Services, Inc. 401(k) Profit Sharing Plan

Notes

1. Description of the Plan

The following description of the FCCI Services, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan with an Internal Revenue Code 401(k) provision covering employees of FCCI Services, Inc.'s operating and administrative subsidiaries, and their divisions and affiliates (collectively, the Company or Employer). The Plan is administered by the Company and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Coronavirus Aid, Relief and Economic Security Act (CARES Act) was signed into law on March 27, 2020. Effective April 3, 2020, the Plan adopted the applicable provisions of the CARES Act, specifically, allowing CARES Act related distributions and loan deferments throughout the remainder of 2020. The CARES Act allowed Plan participants to withdraw up to \$100,000 due to adverse financial consequences from the coronavirus (COVID-19) pandemic. CARES Act loan deferments allowed impacted participants to freeze their 401(k) loan repayments through the remainder of 2020, with loans being re-amortized, and loan repayments restarting in 2021.

Eligibility

All employees of the Employer shall be eligible to become participants in the Plan with respect to elective, non-elective and matching contributions upon the completion of one hour of service regardless of age. Interns employed by the Company are excluded from the automatic contribution election provision. Participants must be employed by the Employer on the last day of the Plan year in order to receive non-elective contributions.

Administration of Plan Assets

Employer and participant contributions are held and managed by the trustee, Vanguard Fiduciary Trust Company (Vanguard), which invests cash received, interest and dividend income, and makes distributions to participants. The 401(k) Administration Committee is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance. Certain administrative functions are performed by officers and employees of the Company. No such officer or employee receives compensation from the Plan.

Contributions

The Plan permits voluntary participant contributions through salary reductions. Participants' maximum elective deferrals cannot exceed limits as set forth by the Internal Revenue Service (IRS). Other IRS limits exist for certain highly compensated employees participating in the Plan. Participants are fully vested in their voluntary contributions and related investment income. The Plan permits participants to make rollover contributions from other qualified retirement plans and permits participants to make Roth elective contributions. In conjunction with the automatic enrollment program, the Plan also provides for automatic increase of deferrals by 1% every anniversary of a participant's initial date of eligibility until a participant reaches 10%.

The Plan also allows for participants, age 50 and older to contribute additional tax-deferred contributions. The catch-up contributions are subject to limits set forth by the IRS.

FCCI Services, Inc. 401(k) Profit Sharing Plan

Notes

The Plan permits the Company to make both discretionary matching contributions and discretionary profit-sharing contributions. The discretionary matching contribution during the years ended December 31, 2021 and 2020 equaled 50% of the participant's voluntary contribution, up to the first 4% of the participant's compensation, as defined. The amount of discretionary profit-sharing contributions, if any, is allocated proportionately among participants based upon compensation. All contributions made by the Company are determined annually by the Board of Directors.

Participant Accounts

Each participant's account is credited with the participant's contribution (including rollover contributions) and allocations of (a) the Company's contribution, (b) Plan earnings, and (c) interest income on the participant's outstanding loan balance, if any. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Discretionary profit-sharing contributions, discretionary matching contributions, and investment earnings or losses are allocated proportionately among participants based upon compensation, voluntary participant contributions, and individual account balances, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of the lesser of \$50,000 or 50% of their vested balance. The loans are secured by the balance in the participants' account and bear interest of rates that range from 4.25% to 9.25%. Loans must be repaid within five years, except principal residence loans which may not exceed fifteen years, to the participant's account with interest. Repayments are made through bi-weekly payroll deductions. Upon termination of employment, the unpaid principal and accrued interest on a participant loan is due within 60 days of termination.

Payment of Benefits

Benefit payments are made based upon a participant's vested account balance. Benefit payments are payable upon reaching 59½ years of age, termination, retirement, death, disability, or serious financial hardship. Retirement is defined as reaching the later of age 65 and 5 years of service (normal retirement) or the later of age 55 and 10 years of service (early retirement). Benefit payments are made in the form of a lump-sum payment. The Plan also permits participants receiving distributions to make direct rollover contributions to another qualified retirement plan. Vested account balances of \$5,000 or less at the time of termination will automatically be paid out as a lump sum.

Forfeitures and Vesting

Participants do not vest in the Company's contributions and earnings thereon until completing three years of service with the Company. After three years of service, participants become fully vested. Amounts forfeited by participants whose employment terminates prior to full vesting are utilized to reduce the Company's contributions for the Plan year. During the 2021 and 2020 Plan years, forfeitures of \$309,648 and \$143,091, respectively, were used to reduce Company contributions to the Plan. Forfeiture balances available to offset Company contributions were \$187,712 and \$245,464 at December 31, 2021 and 2020, respectively.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

FCCI Services, Inc. 401(k) Profit Sharing Plan

Notes

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee.

The Plan's investments include mutual funds, which invest in various types of investment securities and in various companies within various markets. The Plan's investments in mutual funds are stated at fair value and are valued daily at quoted market prices which represent the net asset value of shares held by the Plan at year end.

The Vanguard Retirement Savings Trust stable value fund (common/collective trust or CCT) invests primarily in guaranteed investment contracts and synthetic investment contracts with insurance companies. The Plan's interest in the CCT is valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investment held by the fund less its liabilities. There is no restriction in place with respect to the daily redemption of the CCT and there are no unfunded commitments as of December 31, 2021 and 2020. The Plan invests in investment contracts through a CCT. There are no restrictions on withdrawals from the CCT for authorized distributions, withdrawal, or loan disbursements to a plan participant or beneficiary. This investment is a direct filing entity.

Self-directed brokerage accounts hold investments in securities that have publicly quoted pricing inputs. These accounts have mutual funds and corporate stocks as the underlying assets. Corporate stocks are valued on the basis of the closing price per unit on each business day as reported on the New York Stock Exchange.

Investment purchases and sales are accounted for on the date securities are purchased or sold. Gains and losses on investments sold are recorded at the difference between proceeds received and average cost of the investment on the trade date.

The Plan presents, in the Statements of Changes in Net Assets Available for Benefits, the net appreciation in fair value of investments, which consists of the realized gains or losses and the unrealized appreciation on those investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected. Consequently, these management fees and operating expenses are reflected as a reduction of investment return for such investments.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Administrative Expenses

Certain administrative expenses are paid by the Plan or the Company, as allowed by the Plan document. Investment advisory fees for portfolio management are deducted from fund earnings. Investment related expenses are included in net appreciation of fair value of investments. Purchase and redemption fees, if applicable, are paid by the participants investing in those funds that are subject to such fees. Participant requested services such as loan origination and distribution fees are paid by the participants.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles in the United States of America (GAAP) requires management to make estimates and assumptions that

FCCI Services, Inc. 401(k) Profit Sharing Plan

Notes

affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual GAAP results could differ from those estimates.

Notes Receivable from Participants

Notes receivables from participants are measured at the unpaid principal balance plus unpaid accrued interest. Interest income is recorded on the accrual basis. The Plan classifies all notes receivable from participants with no payments received for 90 days as in default. Defaulted notes receivable from participants are deemed distributed and recorded as benefits paid to participants in the Statements of Changes in Net Assets Available for Benefits. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of Benefits

Benefits are recorded when paid.

3. Fair Value Measurements

Accounting Standard Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

Plan management periodically evaluates the significance of transfers between levels, based upon the nature of the financial instruments and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2021 and 2020, there were no transfers between level 1 or level 2. The Plan has no level 3 assets or liabilities measured at fair value.

FCCI Services, Inc. 401(k) Profit Sharing Plan

Notes

The following tables set forth by level within the fair value hierarchy, the Plan's assets at fair value:

<i>December 31, 2021</i>	Level 1	Total
Investments in the fair value hierarchy table		
Mutual funds	\$ 213,731,324	\$ 213,731,324
Self-directed brokerage accounts	4,144,324	4,144,324

4. Information Certified by Vanguard Fiduciary Trust Company

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Vanguard, a qualified institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate.

Notes

5. Related-Party Transactions and Party-in-Interest Transactions

Certain plan investments are shares of mutual funds and units of a common/collective trust fund managed by Vanguard Fiduciary Trust Company (Vanguard). Vanguard is the trustee as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants qualify as party-in-interest transactions.

6. Tax Status

The Plan document, restated in March 2019, is a volume submitter document approved by the Internal Revenue Service, which approval can be relied upon by the Plan. The standardized plan received a favorable opinion letter from the IRS on March 31, 2014, stating that the written form of the underlying standardized plan document is qualified under Section 401(a) of the Internal Revenue Code (Code) and that any employer adopting the standardized plan is considered to have a qualified plan under the Code and qualify as exempt from taxation. The Plan administrator believes that the Plan is designed and being operated in accordance with, and continues to qualify under, the applicable requirements of the Code.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions and earnings thereon.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

9. Subsequent Events

The Plan has evaluated subsequent events through October 12, 2022, the date the financial statements were available to be issued. There were no events that merited recognition or disclosure in this statement except as follows:

Effective January 1, 2022, the Plan was amended and restated to increase the automatic deferral maximum from 10% to 15%.
