Independent Auditors' Report

**To the Administrative Committee and Participants of
Merryman-Farr, LLC 401(k) Profit Sharing Plan and Trust**

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Merryman-Farr, LLC 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Merryman-Farr, LLC 401(k) Profit Sharing Plan and Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material

respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Merryman-Farr, LLC 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Merryman-Farr, LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Merryman-Farr, LLC 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Merryman-Farr, LLC 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) at December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note A – Description of Plan

The following description of the Merryman-Farr, LLC 401(k) Profit Sharing Plan and Trust (“the Plan”) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan’s provisions.

1. **General:** The Plan is a participant-directed defined contribution safe harbor plan covering all full-time employees of Merryman-Farr, LLC (“the Company”) who are at least eighteen years of age and have one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. **Plan Administration:** The Administrative Committee of the Plan is responsible for oversight of the Plan and determines the appropriateness of the Plan’s investment offerings, and monitors investment performance. The plan administrator is responsible for carrying out the duties imposed under ERISA. The Plan’s custodian, John Hancock Life Insurance Company (U.S.A.), is responsible for the custody and management of the Plan’s assets.
3. **Contributions:** Upon meeting the eligibility requirements, participants may make voluntary pre-tax or Roth contributions to the Plan by means of payroll deductions, subject to certain annual limits as established by law and other limitations specified in the Plan. Participants are allowed to transfer or rollover funds into the Plan from other qualified plans. The Company makes safe harbor matching contributions to the Plan equal to 100% of elective deferrals, up to 4% of participant’s compensation. The Company may also make discretionary additional matching contributions and non-elective contributions to the Plan, subject to limitations as described in the Plan.
4. **Participant Accounts:** Each participant’s account is credited with the participant’s contributions, including rollovers, allocations of the Company’s contributions, plan earnings or losses, and charged for any withdrawals and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the vested benefit that can be provided from the participant’s accounts.
5. **Investment Options:** Participants direct the investment of their contributions and Company contributions into investment options offered by the Plan that provide a range of investment objectives and degrees of financial risk.
6. **Vesting:** Participants are immediately vested in their elective deferrals including Roth 401(k) deferrals, catch-up contributions, rollover contributions and safe harbor matching contributions plus earnings thereon. Vesting in the Company’s additional matching and nonelective contributions is based on years of continuous service, as defined in the Plan. A participant is 100% vested after five years of credited service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	20%
2	40%
3	60%
4	80%
5 or more	100%

7. **Forfeited Accounts:** Upon termination of employment, participants forfeit their nonvested balances. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$982 and \$953, respectively. Forfeitures may be used to reduce future employer contributions or to pay administrative expenses of the Plan.
8. **Payment of Benefits:** On termination of service with the Company, a participant may elect to receive a full or partial lump-sum distribution of up to the value of the participant's vested interest in his or her account. Terminated participants whose vested accounts total \$5,000 or less are subject to a mandatory distribution of their entire account balance.

Active employees may make withdrawals of all or a portion of their vested account balances subject to certain withdrawal and contribution rules of the Plan. Withdrawals are not allowed for participants who are less than 59½ years of age, except under certain disability or hardship provisions.

9. **Participant Loans:** Participant loans are not allowed under the Plan.
10. **Amendments:** The Plan was originally effective February 1, 2004, and has been amended at various times to keep it in compliance with changes in Federal pension laws as well as to make changes deemed appropriate by the Company. The most recent restatement of the Plan was effective January 1, 2018.

Note B – Summary of Significant Accounting Policies

1. **Basis of Accounting:** The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America, except that plan benefits paid to plan participants are recorded on the cash basis.
2. **Estimates:** The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of certain assets and liabilities, and changes therein, and disclosures. Accordingly, actual results may differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year in which such adjustments are determined.
3. **Investment Valuation and Income Recognition:** The Plan's investments are reported at fair value as reported by John Hancock Life Insurance Company (U.S.A.), the custodian. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on the investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in mutual funds are deducted from income earned on a daily basis and are not separately reflected.

4. **Contributions:** Contributions from employees are recorded in the period the Company makes the payroll deductions from participant earnings.
5. **Corrective Distributions Payable:** Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. At December 31, 2021 and 2020, there were no excess contribution amounts refundable to participants.
6. **Payments of Benefits:** Benefit payments to participants are recorded when paid.
7. **Administrative Expenses:** Certain expenses incurred in connection with the general administration of the Plan are paid by the Plan and are recorded in the accompanying statement of changes in net assets available for benefits as administrative expenses. Expenses that are paid by the Company are excluded from these financial statements.

Note C – Information Certified by the Plan's Custodian (Unaudited)

The plan sponsor has elected an audit under ERISA section 103(a)(3)(c) having determined it is permissible because information provided by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan, is prepared by a qualifying institution that is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, and that prepares and certifies the information in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021, and net appreciation in fair value of investments, and dividends and interest for the year ended December 31, 2021, was agreed to or derived from information certified as complete and accurate by the custodian.

For information related to investments and notes receivable from participants disclosed in the accompanying statement of net assets available for benefits at December 31, 2020, the plan sponsor has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the plan sponsor instructed the Plan's independent auditors not to perform, and they did not perform, such auditing procedures with respect to the information certified as complete and accurate by the custodian at December 31, 2020, except for comparing the information certified by the custodian to information included in the Plan's financial statement.

Note D – Fair Value Measurements

Fair value measurements in accordance with current accounting standards, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the

MERRYMAN-FARR, LLC 401(k)
PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note D – Continued

highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value Fund: The stable value fund is invested primarily in benefit responsive contracts issued by state regulated insurance companies and banks, including but not limited to John Hancock Life & Health Insurance Company. In addition, each insurance company either contractually guarantees or obtains contractual guarantees from third parties insuring against the loss of principal deposited into the fund. The stable value fund is valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

	<u>\$6,423,084</u>	<u>\$212,196</u>	<u>\$ -</u>	<u>\$6,635,280</u>

Note E – Tax Status

The Plan has received a favorable determination letter from the Internal Revenue Service dated March 31, 2014 stating that the form of the Plan is qualified under Section 401(a) of the Internal Revenue Code and therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualification. Although the Plan has been amended since receiving the determination letter, plan management believes the Plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The plan administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain tax positions that would require recognition in the financial statements. If it is probable that an uncertain tax position will result in a material liability and the amount of the liability can be estimated, then the estimated liability is accrued. If the Plan were to incur an income tax liability in the future, interest on any income tax liability would be reported as interest expense and penalties on any income tax would be reported as income taxes. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note F – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right. In the event of Plan termination, participants would become 100% vested in their accounts.

Note G – Party-in-Interest Transactions

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Plan management believes that the Plan has not engaged in any non-exempt party-in-interest transactions during the Plan years ended December 31, 2021 and 2020. The Plan has engaged in permitted exempt party-in-interest transactions for the years ended December 31, 2021 and 2020. Certain Plan investments are managed by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan, or its affiliates. Fees paid by the Plan for investment management services were included as reduction of the return earned on each fund. Certain administrative fees related to the administration of the Plan are paid by the Plan or by the Company.

MERRYMAN-FARR, LLC 401(k)
PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note H – Risks and Uncertainties

The Plan's investments, in general, are subject to various risks, such as interest rate, credit, and overall market volatility risk. Additionally, the value, liquidity, and related income of the investment securities are sensitive to changes in economic conditions and may be affected by shifts in the market's perception of issuers and changes in interest rates. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect the participants' account balances and amounts reported in the statements of net assets available for benefits.

Note I – Pandemic and the CARES Act

COVID-19 Coronavirus

In December 2019, a novel strain of coronavirus was reported in Wuhan, China. The World Health Organization declared the outbreak to constitute a "Public Health Emergency of International Concern." The COVID-19 outbreak disrupted supply chains and affected production and sales across a range of industries. As of the date the financial statements were available to be issued, there was considerable uncertainty around the continuing effects of the pandemic. Accordingly, the eventual financial impact to the Plan, participants, and the plan sponsor cannot be reasonably estimated at this time.

CARES Act

The Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was passed by Congress on March 27th, 2020. The Act permits changes in the provisions of 401(k) plans that, among other things, expands loan and withdrawal options to participants, changes the Required Minimum Distributions rules, allows additional time for plan sponsors to make certain minimum required contributions, and lets the Plan make necessary amendments related to the implementation of the provisions of the CARES Act retroactively. With the exception of the changes relating to Required Minimum Distributions, plan management has indicated that the expansive provisions of the CARES Act have not been widely utilized by plan participants and that no significant increase in withdrawal requests has been experienced.

Note J – Subsequent Events

For the year ended December 31, 2021, the Plan has evaluated subsequent events for potential recognition and disclosure through the date of the auditors' report, which is the date the financial statements were available to be issued.
