INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
InfoCision, Inc. 401(k) Plan
Akron, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of InfoCision, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal controls. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021 we indicated that (a) because of the significance of the information we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INFOCISION, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the InfoCision, Inc. 401(k) Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that covers substantially all employees, excluding part-time and seasonal employees, of InfoCision, Inc. (f/k/a InfoCision Management, Inc.) (the "Company" or "Plan Sponsor") who have attained age 21 and have completed 90 days of employment. The Plan is subject to the provisions of the Employees Retirement Income Security Act of 1974, as amended ("ERISA").

Contributions

Subject to Internal Revenue Code ("IRC") limitations, the Plan allows covered employees to contribute up to 100% of their eligible compensation to the Plan through payroll deductions. Participant contributions may be made as pre-tax or Roth 401(k) contributions. During any calendar year in which a participant attains age 50 or older, he or she may elect to make additional pre-tax contributions and/or Roth 401(k) contributions, called "catch-up" contributions.

In addition, the Company can elect to make matching contributions to the Plan. In 2021 and 2020, the Company contributed 50% of the first 4% of an eligible participant's salary reduction contribution. The Company may also make discretionary contributions. In 2021 and 2020, no such discretionary contributions were made.

Participant Accounts

Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) Plan earnings and (c) administrative expenses. Allocations are based on participant compensation or account balance, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's matching and discretionary contributions plus actual earnings thereon is based on years of credited service. A participant becomes 100% vested after three years of credited service.

Payment of Benefits

Participants, or their beneficiaries, may elect to receive the amount as a lump-sum or designated sums from time to time. Upon the age of 59 ½, a participant may elect to receive a lump-sum amount or installment payments. All distributions are in the form of cash.

INFOCISION, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Notes Receivable from Participants

The Plan allows for loans to participants from their individual account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participants' vested available balance. The notes receivables are secured by the balance in the participant's account and bear interest at a fixed rate equal to 2% over the prime rate of a local commercial U.S. bank. The repayment periods for the notes receivable from participants that are currently held by the Plan range from one to fifteen years. Principal and interest are repaid ratably through payroll deductions.

Allocation of Forfeitures

Forfeitures are used to reduce future employer contributions or to pay administrative expenses for the Plan. Forfeitures used to offset employer contributions amounted to \$10,373 and \$8,511 for the years ended December 31, 2021 and 2020, respectively. There were no accumulated unused forfeitures as of December 31, 2021 and 2020.

Administrative Fees

The Plan pays all administrative fees and investment related expenses, unless paid by the Company.

Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in their accounts and will receive full distribution of the balances in their respective accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United State of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value).

INFOCISION, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

The change in the difference between fair value and the cost of the investments, along with gains (losses) from sales of investments, is reflected in the statements of changes in net assets available for benefits as net appreciation in the fair value of investments. Purchases and sales of investments are recorded on the trade-date basis. Dividends are recorded on the ex-dividend date. Realized gains and losses from security transactions are reported based on historical cost.

Fair Value of Financial Instruments

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Notes Receivable from Participants

Notes receivable from participants represent participant loans and are measured at their unpaid principal balance plus any accrued unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Repayments of principal and interest are recognized in the period in which payroll deductions are processed.

Payment of Benefits

Benefits are recorded when paid.

Recently Adopted Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework-Changes to the Disclosure Requirements for Fair Value Measurement*. ASU 2018-13 eliminates, adds and modifies certain disclosure requirements for fair value measurements as part of the FASB's disclosure framework project. The ASU was adopted during 2020 and had no impact on the Plan.

Subsequent Events

The Plan has evaluated subsequent events through October 12, 2021, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

NOTE 3 - TRUSTEE CERTIFICATION AND INVESTMENTS (UNAUDITED)

Great-West Life & Annuity Insurance Company ("Great-West" or "the Trustee") has certified the following information used in preparation of these financial statements is complete and accurate as of and for the years ended December 31:

	2021	2020
Investments, at fair value	\$ 45,406,132	\$ 41,443,249
Notes receivable from participants	\$ 538,058	\$ 575,683
Interest and dividends	\$ 2,215,924	\$ 1,530,353
Interest income on notes receivable from participants	\$ 36,087	\$ 44,757
Net appreciation in fair value of investments	\$ 3,388,455	\$ 5,392,671

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are participant-directed accounts that are held by the Trustee.

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 - Observable inputs such as quoted prices in active markets;
- Level 2 - Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 - Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Investments that were measured at net asset value ("NAV") per share as a practical expedient are not classified in the fair value hierarchy. The fair value amounts presented in the below tables are intended to permit reconciliation of the fair value hierarchy to total investments at fair value. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

Mutual funds: Valued at fair value as determined by quoted market prices on active markets.

Common collective trusts and stable value funds: Valued at NAV of the underlying investments held by the funds, less their liabilities. NAV is used as a practical expedient to estimate fair value.

The investment strategies for the common collective trusts are to invest in international funds, bonds, mid cap funds, and large cap funds.

INFOCISION, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Assets measured at fair value on a recurring basis are as follows as of December 31:

	2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 36,774,915	\$ -	\$ -	\$ 36,774,915

	Level 1	Level 2	Level 3	Total

Common collective trusts and stable value fund valued at

7,543,463

Total investments at fair value

\$ 41,443,249

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments in common/collective trusts may be redeemed on a daily basis and require a redemption notice of one trade day. There are no unfunded commitments related to these common/collective trusts.

NOTE 5 - TAX STATUS OF THE PLAN

The Internal Revenue Service has ruled under letter dated June 30, 2020 that the volume submitter for the Plan qualifies under Section 401(a) of the IRC and is, therefore, not subject to tax under present income tax laws. The Plan has been amended since receiving this determination. However, the Plan Sponsor believes the Plan still complies with the IRC.

INFOCISION, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.
