To the Participants and Benefits Committee of
Maritz Holdings Inc. Employees' Investment Plan
Fenton, MO

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Maritz Holdings Inc. Employees' Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Maritz Holdings Inc. Employees' Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Maritz Holdings Inc. Employees' Investment Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Maritz Holdings Inc. Employees' Investment Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Maritz Holdings Inc. Employees' Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Maritz Holdings Inc. Employees' Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Maritz Holdings Inc. Employees' Investment Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(1) Description of the Plan

The following brief plan description of the Maritz Holdings Inc. Employees' Investment Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

(a) General

The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974, (ERISA). All regular full-time and regular part-time employees of Maritz Holdings Inc. (the Company or Employer) are eligible to participate in the Plan immediately.

The Company sold two divisions in January and March 2020. The participants of these divisions were made fully vested and their Plan balances in the amount of $4,441,652 were distributed. Participant loans of these divisions of $409,128 were transferred to the plan of the purchaser.

As a result of this sale, the Plan was partially terminated and all participants within these divisions became 100% vested in their employer match balance.

(b) Administration of the Plan

T. Rowe Price, the trustee, holds the Plan's investment assets and executes investment transactions as directed by the participants.

(c) Eligibility

Each employee of the Company becomes eligible for participation in the Plan as outlined above. Participants are permitted to enroll at any time and their deferral will be effective once eligibility requirements are met, or as soon as administratively possible following enrollment.

(d) Plan Contributions

Eligible employees who elect to participate in the Plan may contribute up to 90% before-tax and up to 6% after-tax of their current pay each pay period. However, total before-tax and after-tax contributions may not exceed 90% of pay or the federal guidelines at that time. The Company provides an employer match of 100% of the first 2% of before-tax pay contributed and 50% of the next 4% of before-tax pay contributed on a per pay period basis. The Company has elected to temporarily suspend the Plan's employer match program effective April 2020. The Plan agreement states that the employer match is discretionary and, therefore, no amendments to the Plan were needed as a result. On May 15, 2021, the Company made a nonmatching contribution totaling $3,000,000 to eligible participants of the Plan. This contribution is considered part of the 2021 plan year. Discretionary nonmatching contributions by the Company are permitted under the Plan description.

(e) Participant's Accounts

For the years ended December 31, 2021 and 2020 participants may direct contributions in 1% increments into any of the Plan's investment options or its brokerage account, as determined by the Plan Administrator. Each participant's account is credited with the participant's contributions, the Company's contributions, and an allocation of earnings. Allocations are based on account balances on a pro rata basis, as described in the Plan agreement.

(f) Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting of amounts related to employer matching contributions is based on vesting years of service. A participant is 100% vested after completion of three years of vesting service. Nonvested amounts are forfeited if an employee terminates prior to fully vesting.

(1) Description of the Plan (continued)

(g) Notes Receivable from Participants

The maximum amount a participant may borrow is the lesser of 50% of the vested portion of their account balance or $50,000 at the time of the loan application, reduced by the excess of the highest outstanding loan balance during the preceding one-year period ending on the day before the date on which the loan is made over the outstanding loan balance from the Plan on the date the loan was made.

Principal and interest are paid ratably through payroll deductions. The loans are secured by the balance in the participant's account. The interest rate charged to participants is a fixed rate equal to the prime rate on the first business day in the month in which the loan is issued. Effective September 1, 2017, the interest rate charged to participants changed to 2% plus the prime rate and remained so through December 31, 2021. Any loans outstanding shall become due and payable when a distributable event occurs under the Plan.

(h) Forfeitures

Forfeitures are used to reduce employer matching contributions for the Plan Year or pay Plan expenses. The amounts used were $80,789 and $203,828 during the years ended December 31, 2021 and 2020, respectively. The forfeited nonvested account balance was $280,241 and $213,007 at December 31, 2021 and 2020, respectively.

(i) Payment of Benefits

Under the terms of the Plan, participants, or their designated beneficiaries, are entitled to receive an amount equal to the sum of their vested accounts upon normal retirement at age 65, termination of employment, disability, or death. In addition, participants may receive distributions under circumstances of financial hardship, as defined in the Plan agreement. Distributions under the Plan are payable in a lump sum.

The Plan implemented the distribution provision of the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") that was signed into law on March 27, 2020. A CARES Act distribution allowed the Plan's participant to take a COVID-19 related distribution up to $100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020 without being subject to the normal ten percent (10%) early distribution penalty or the twenty percent (20%) mandatory tax withholding. The Plan also adopted the temporary loan repayment deferral provision of the CARES Act. The deferral provision adopted by the Plan allowed qualified Plan participants who have Plan loan repayments to defer such repayments until December 31, 2020.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements of the Plan are presented on the accrual basis of accounting.

(b) Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenses during the reporting period. While every effort is made to ensure the integrity of such estimates, including the use of third-party specialists where appropriate, actual results could differ from those estimates.

(2) Summary of Significant Accounting Policies (continued)

(c) Valuation of Investments

Investments are reported at their fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Benefits Committee determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 3 for disclosure of fair value measurements.

Net appreciation in fair value of investments includes both realized and unrealized gains/losses and is based upon comparison to beginning of the year fair values, or the value at date of purchase if acquired during the year. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

(d) Expenses

Certain administrative expenses are paid by the Plan, while others are paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net realized and unrealized appreciation of investments.

(e) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2021 and 2020.

(f) Subsequent Events

The Company has evaluated all subsequent events through September 21, 2021, the date the financial statements were available to be issued. Subsequent events not recognized in the financial statements are properly disclosed. See note 9 for further discussion.

(g) Benefit Payments

Benefit payments are recorded when paid.

(3) Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include a:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

(3) Fair Value Measurements (continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self directed brokerage account – Common stock, mutual funds and money market accounts in the self directed brokerage account are at fair value based on published market quotations from individual investments composing the self directed brokerage account. Such assets are classified as Level 1.

Collective trust funds – Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

The following tables sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:

Investments at Fair Value as of December 31, 2021

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 165,630,878	$ -	$ -	$ 165,630,878
Self directed brokerage account	1,732,482	-	-	1,732,482
Collective trust funds (a)	-	-	-	264,730,943
Investments, at fair value	$ 167,363,360	$ -	$ -	$ 432,094,303

Investments at Fair Value as of December 31, 2020

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 171,060,384	$ -	$ -	$ 171,060,384
Self directed brokerage account	1,233,188	-	-	1,233,188
Collective trust funds (a)	-	-	-	253,373,753
Investments, at fair value	$ 172,293,572	$ -	$ -	$ 425,667,325

(a) Investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

(3) Fair Value Measurements (continued)

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using net asset value per share (or its equivalent):

Investment	Fair Value at 12/31/21	Fair Value at 12/31/20	Unfunded commitment	Redemption frequency	Redemption notice period
Collective trust funds	$ 264,730,943	$ 253,373,753	$ -	Daily	30 days

(4) Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated August 3, 2017 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended and restated since its adoption, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Company has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(5) Related Party Transactions

Certain Plan investments, shares of mutual funds and units of collective trust funds, are managed by the trustee. These transactions qualify as party-in-interest transactions. Additionally, certain Plan expenses may be paid by the Company.

(6) Information Certified by Trustee

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator has obtained a certification from the trustee, T. Rowe Price, that all of the information provided by them as of December 31, 2021 and 2020 and for the years then ended is complete and accurate. Information as to investments, income from investments, notes receivable from participants, all information provided in the accompanying supplemental schedule, and in note 3 are presented in reliance solely upon the certification.

(7) Risks and Uncertainty

The Plan invests in mutual fund securities and collective trusts that, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and those such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

(8) Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In such event, participants will become 100% vested in their accounts.

(9) Subsequent Events

The Company has elected to reinstate the Plan's employer match program effective April 1, 2022. The Company will provide an employer match of 100% of the first 2% of before-tax pay contributed and 50% of the next 5% of before-tax pay contributed on a per pay period basis.
