Independent Auditors' Report

To the Trustee of
Peerless Clothing International, Inc. 401(k) Plan
St. Albans, Vermont

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Peerless Clothing International, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Peerless Clothing International, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Peerless Clothing International, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Peerless Clothing International, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Peerless Clothing International, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed

to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for plan benefits of the Plan as of December 31, 2020 and the related statement of changes in net assets available for plan benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated September 24, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

PEERLESS CLOTHING INTERNATIONAL, INC. 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

(1) Description of Plan

The following description of the Peerless Clothing International, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan’s Adoption Agreement for a more complete description of the Plan’s provisions.

(a) General

The Plan is a defined contribution plan effective January 1, 1998, covering all employees of Peerless Clothing International, Inc. (the “Company”) who are not non-resident aliens and have completed one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Contributions

Participants may contribute up to 20% of pretax annual compensation in 2021 and 2020, as defined by the Plan. Depending upon a participant’s level of income, participant contributions may be decreased in order to comply with Internal Revenue Service (IRS) regulations. The employer match is a safe harbor contribution equal to 100% of the first 5% of an employees’ elected deferral. The employer still may make a discretionary nonelective contribution to the Plan. Employees are eligible for employee and employer contributions upon one year of service, defined as 1,000 hours of service.

(c) Participant Accounts

Each participant’s account is credited with the participant’s contribution, allocations of the Company’s contributions, and Plan earnings, and debited with the participant’s withdrawals. Forfeited balances of terminated participants’ nonvested accounts are used to reduce future Company contributions.

Forfeitures represent amounts which could not be paid to terminated participants due to failure to meet vesting requirements. During 2021 and 2020, forfeitures used to reduce employer matching contributions were \$959 and \$702, respectively. Forfeited non-vested accounts at December 31, 2021 and 2020 were \$678 and \$0, respectively.

(d) Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contribution portion of their accounts plus earnings thereon is based on years of continuous service. The vesting schedule is as follows:

<u>Years of service</u>	<u>Vesting percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Description of Plan (continued)

(e) *Payment of Benefits*

On termination of service due to death, disability, retirement, or termination of employment, a participant receives an amount equal to the value of the participant's vested interest in their account in a lump-sum amount. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution, or leave the funds in the Plan until retirement age, or transfer to a trustee of another qualified plan or individual retirement account. If the terminating employee's non-forfeitable account balance is less than the \$5,000, excluding rollovers, it is mandatory that the Plan distribute the entire account balance, less forfeitures, if any, as soon as administratively practical.

A participant may withdraw rollover contributions at any time. In-service distributions are allowable within the Plan, once a participant reached age 59 1/2 or the Plan's normal retirement age. The Plan also allows hardship distributions under Federal rules.

(f) *Notes Receivable*

Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 – 5 years or up to 15 years for the purchase of a principal residence. The loans are secured by the balance in the participant's account and bear interest at a rate equal to the Prime Rate reported in the Wall Street Journal on the first business day of each month plus 1%, as determined by the plan administrator. Principal and interest is paid through employee payroll deductions.

(2) Summary of Significant Accounting Policies

(a) *Basis of Accounting*

The financial statements of the Plan are prepared using the accrual basis of accounting.

(b) *Use of Estimates*

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

(c) *Investment Valuation and Income Recognition*

Mutual funds are reported at fair value. Fair value is based on quoted market prices which represent the net asset value of shares or units held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

December 31, 2021 and 2020

Summary of Significant Accounting Policies (continued)

(d) *Benefit Payments*

Benefits are recorded when paid.

(e) *Administrative Expenses*

Certain investment and administrative expenses regarding distributions and loans are charged to participant accounts or deducted from check proceeds. The other administrative expenses are generally paid by the Company.

(f) *Notes Receivable*

Notes receivable from participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan Document.

(g) *Subsequent Events*

The Plan evaluated subsequent events through October 12, 2022, the date the Plan's financial statements were available to be used.

(3) Information Certified by the Plan's Custodian

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Great-West Trust Company, LLC, the custodian of the Plan, has certified as being complete and accurate the investments on the statements of net assets available for plan benefits as of December 31, 2021 and 2020, the investment activity reflected in the statements of changes in net assets available for plan benefits for the years ended December 31, 2021 and 2020, and the investment information included in the supplemental schedule of assets held at December 31, 2021. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified as complete and accurate by the Plan's custodian.

(4) Fair Value Measurements

Generally accepted accounting principles in the United States of America establish a framework for measuring fair value. That framework provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

PEERLESS CLOTHING INTERNATIONAL, INC. 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Fair Value Measurements (continued)

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC).

Guaranteed investment contracts: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

Common collective trust funds: Valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Fair Value Measurements (continued)

The following tables set forth the level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021:

	<u>(Level 1)</u>	<u>(Level 2)</u>	<u>(Level 3)</u>	<u>Total</u>

Total	<u>\$ 2,657,432</u>	<u>\$ 754,078</u>	<u>\$ -</u>	<u>\$ 4,087,343</u>

(5) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Additionally, the Company may amend the Plan at any time without the consent of any participant or any beneficiary, provided that no amendment deprives any participant of the participant's non-forfeitable accrued benefit.

(6) Income Tax Status

The Company adopted a Prototype Non-Standardized Profit Sharing Plan with a cash or deferral arrangement as sponsored by Orchard Trust Company. Orchard Trust Company has obtained an opinion letter dated March 31, 2008, stating that the form of the Plan is acceptable under Section 401 of the Internal Revenue Code (IRC). Generally, the plan administrator and the Plan may rely on the opinion letter received by Orchard Trust Company as to the form of the Plan qualifying under the IRC (except as otherwise noted in the opinion letter). The Plan has been amended since the date of the opinion letter, however, the plan administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the IRC.

PEERLESS CLOTHING INTERNATIONAL, INC. 401(K) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Income Tax Status (continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax period in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior before the year ended December 31, 2018.

(7) Related Party Transactions

The Plan has a number of service providers. Such parties are considered parties-in-interest under ERISA.

(8) Withdrawing Participants

All participants who have withdrawn from the Plan and requested their benefits have been paid as of December 31, 2021.
