INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
EWTN 403(b) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of EWTN 403(b) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules (DOL) and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these 2021 financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4(i) – schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditors' Report on the 2020 Financial Statement

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform any auditing procedures with respect to the information certified by Reliance Trust Company, the trustee of the Plan. In our report dated August 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were prepared in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**EWTN 403(b) RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

1. DESCRIPTION OF THE PLAN

The following description of Eternal Word Television Network, Inc. (EWTN and the Company) 403(b) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a single employer plan covering all full-time employees of the Company (including employees of EWTN, EWTN Religious Catalogue, Inc., EWTN News, Inc. and EWTN Publishing, Inc.). Part-time employees are eligible to participate in the Plan after completing 1,000 hours of service during the relevant eligibility computation period, as defined by the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration

Empower Retirement LLC (Empower) serves as the recordkeeper for the Plan and Great-West Life & Annuity Insurance Company (Great-West), an affiliate of Empower, serves as the insurance company for the group annuity contract. Reliance Trust Company (Reliance) serves as the custodian of the mutual funds held by the Plan. Great-West and Reliance collectively are hereinafter referred to as the Certifying Entities.

The Plan is administered by the Company. The Board of Governors oversees governance of the Plan. The Plan administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Company's Board of Governors.

Contributions

Each year, participants may contribute up to 100% of annual compensation as pretax or Roth deferrals, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. The Plan also provides an elective automatic escalation clause whereby, participants may elect to have their deferral percentages automatically increased annually. The Company's match and nonelective contribution for eligible employees, as defined by the Plan, are discretionary and at an amount the Company in its sole discretion may determine. In 2021, the Company elected to make discretionary nonelective contributions equal to 3% of each eligible participant's annual compensation, as defined by the Plan. Employer discretionary nonelective contributions are allocated pro rata as a uniform percentage of annual compensation, as defined by the Plan. In 2021, the Company also made discretionary matching contributions in the amount of 100% of employee deferrals up to 3% of annual compensation, as defined. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**EWTN 403(b) RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

1. DESCRIPTION OF THE PLAN – CONTINUED

Participant Accounts

Each participant's account is credited with the participant's deferral contributions, Company discretionary nonelective and matching contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses paid by the Plan and Plan losses, if applicable. Allocations are based on participant earnings, elective deferrals to the Plan, account balances or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their deferral contributions to the Plan plus actual earnings thereon. Vesting in the Company's nonelective and matching contributions is based on years of continuous service. A participant is 100% vested after three years of credited service. Normal retirement age for the Plan is at age 65. All participants vest 100% upon death or termination of employment due to disability.

Payment of Benefits

Upon termination, the Plan provides for several payment options based on the election of the participant or beneficiary. A participant is entitled to a distribution equal to the value of the participant's vested interest in his or her account in a lump-sum amount, installments or a partial withdrawal. A financial hardship withdrawal provision is available, enabling a participant to withdraw an amount to cover an immediate and heavy financial need. All vested balances less than \$5,000 may be automatically distributed after termination of employment and moved to an individual retirement account.

Forfeited Accounts

As of December 31, 2021 and 2020, forfeited nonvested accounts totaled \$98,661 and \$25,267, respectively. Forfeited accounts are used to pay Plan expenses or reduce future Company contributions. In 2021, Company contributions were reduced by \$94 from forfeited nonvested accounts.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Certain trustee and recordkeeping fees are paid directly from Plan assets and are included as administrative expenses. Investment-related expenses are included in net appreciation in fair value of investments.

NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

The DOL issued amended regulations eliminating an exemption granted to 403(b) plans from the annual reporting and disclosure requirements under Part 1 of Subtitle B of Title 1 of ERISA. Prior to the amended regulations, the Plan (established in 1980) was not viewed as a separate reporting entity. Historically, the Plan was viewed as a collection of individual contracts with which participants could engage in a range of actions with limited involvement, if any, by the Plan sponsor. Department of Labor Field Assistance Bulletins No. 2009-02 and 2010-01 provide that a 403(b) plan need not treat a contract as part of the Plan or Plan assets for purposes of reporting requirements if four criteria are met.

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, with the exception of the fully benefit-responsive, insurance contract which is valued at contract value (Note 4). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and the Certifying Entities of the Plan.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive, investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive, investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

**EWTN 403(b) RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

2. SUMMARY OF ACCOUNTING POLICIES – CONTINUED

Subsequent Events

The Plan administrator has evaluated subsequent events through October 5, 2022, which is the date the financial statements were available to be issued, and has determined that there are no subsequent events that require disclosure under Financial Accounting Standards Board (FASB) Standards Codification (ASC) Topic 855, *Subsequent Events*.

3. INFORMATION CERTIFIED BY CERTIFYING ENTITIES

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by the Certifying Entities.

4. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 2 or 3 inputs for the years presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**EWTN 403(b) RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

4. FAIR VALUE MEASUREMENTS – CONTINUED

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021		
Quoted Prices in Active Markets		
Investments	Level 1	Total
Mutual funds	\$ 26,477,957	\$ 26,477,957
Investments at fair value	\$ 26,477,957	\$ 26,477,957
Assets at Fair Value as of December 31, 2020		
Quoted Prices in Active Markets		
Investments	Level 1	Total
Mutual funds	\$ 21,869,970	\$ 21,869,970
Investments at fair value	\$ 21,869,970	\$ 21,869,970

5. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan holds an investment in a fully benefit-responsive group annuity contract (GIA) with Great-West as of December 31, 2021 and 2020, which is a stable value investment with a guaranteed rate of return and a guarantee of principal that is backed by Great-West's general investment account. The GIA is provided through a group annuity contract issued by Great-West to the Plan.

Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Under the contract, Great-West is contractually obligated to repay the principal and a specified interest rate (the crediting rate is established for each six-month period) that is guaranteed to the Plan. Great-West assumes market, credit and interest rate risk for the assets supporting the GIA.

**EWTN 403(b) RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

5. INVESTMENT CONTRACT WITH INSURANCE COMPANY – CONTINUED

Because the GIA is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The net asset value of the fund is determined daily. Units are issued and redeemed at the latest net asset value. Contract value approximates fair value.

Certain events may limit the ability of the Plan to transact at contract value with the Insurance Companies. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or the other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption under ERISA. The Plan administrator does not believe any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The GIA does not permit Great-West to terminate the agreement prior to the scheduled maturity date.

6. PARTY-IN-INTEREST TRANSACTIONS

Plan investments include shares of a mutual fund and a guaranteed investment account managed by the Certifying Entities. The Plan paid trustee and recordkeeping fees to the Certifying Entities for the year ended December 31, 2021, and are included as administrative fees on the statement of changes in net assets available for benefits. The Plan also paid UBS, the investment advisor, indirectly through a revenue-sharing agreement. Transactions with these entities qualify as exempt party-in-interest transactions.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

**EWTN 403(b) RETIREMENT SAVINGS PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

8. TAX STATUS

The Plan Sponsor adopted a volume submitter Plan document and is relying on the volume submitter's advisory letter from the IRS dated March 31, 2017. The letter states that the Plan document as then designed was in compliance with the applicable requirements of the IRC. Plan management believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified.

Generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management believes there are no uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2021 and 2020, to Form 5500:
