Teva PR LLC Savings Plan

Financial Statements

As of December 31, 2021

Together with Independent Auditors' Report

Independent Auditors' Report

To the Plan Administrator of Teva PR LLC Savings Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of **Teva PR LLC Savings Plan**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of **Teva PR LLC Savings Plan** and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **Teva PR LLC Savings Plan's** ability to continue as a going concern for within one year after the date the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the **Teva PR LLC Savings Plan's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **Teva PR LLC Savings Plan's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes for December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held for investment purposes assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Teva PR LLC Savings Plan

Notes to Financial Statements December 31, 2021

1. Plan Description:

The following description of the Teva PR LLC Savings Plan (formerly, Warner Chilcott Puerto Rico Savings Plan) (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a qualified defined contribution plan covering substantially all employees of Teva PR LLC (formerly, Warner Chilcott Company, LLC) and Forest Laboratories, Inc. (the Companies and Plan Sponsors). The Companies are indirectly wholly owned by Teva Pharmaceutical Industries Ltd., which acquired their direct parent companies during August 2016.

The Plan became effective January 1, 2004. The Plan was established for the purpose of providing retirement benefits to employees and to encourage and assist employees in adopting a regular savings program by means of payroll deductions through a plan that qualifies under the applicable laws of the Commonwealth of Puerto Rico. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan was amended and restated effective January 1, 2011 to conform it to the requirements of the 2011 Internal Revenue Code for a New Puerto Rico (PR Code).

Effective on January 1, 2020, the Savings Plan Committee authorized an entire restatement of the Plan adopting the BPAS Master Trust Defined Contribution Cash or Deferred Arrangement Profit Sharing Plan. The Plan name was changed to Teva Puerto Rico LLC Savings Plan (formerly, Warner Chilcott Puerto Rico Savings Plan) and the plan sponsor to Teva PR LLC (formerly, Warner Chilcott Company, LLC). On such date, the Savings Plan Committee appointed BPAS Trust Company of Puerto Rico as successor trustee to replace UBS Trust Company of Puerto Rico, and as recordkeeper of the Plan.

In January 2020, Puerto Rico was struck by several earthquakes for which an emergency declaration was issued by the Governor of Puerto Rico (Earthquakes). On January 16, 2020, the President of the United States issued a disaster declaration for several municipalities of Puerto Rico because of the destruction resulting from the Earthquakes. The Savings Plan Committee authorized declared disaster distributions, whether as an in-service withdrawal or total distribution in cash, from the Plan, known as "Special Disaster Distributions" to participants, beneficiaries or alternative payees, as applicable, affected by a disaster for which the Governor of Puerto Rico has issued a disaster declaration, including the Earthquakes, in accordance with Section 1081.01(b)(1)(D) of the PR Code, as described by guidance issued by the Puerto Rico Treasury Department Internal Revenue Circular Letter No. 20-09 of February 19, 2020, and subject to the rules and procedures established by the Plan's Administrator.

In late 2019, a novel strain of coronavirus (COVID-19) was first identified, and in March 2020, the World Health Organization declared the outbreak of COVID-19 to be a pandemic. As part of efforts to control and mitigate the spread of COVID-19, governmental authorities around the world have imposed a variety of restrictions such as travel bans, stay-at-home orders, quarantines, social distancing measures, and temporary business closures. In conformity with the Puerto Rico Internal Revenue Circular Letter No. 20-23 of March 29, 2020, as amended, the Committee allowed Special Disaster Distributions from the Plan, whether as an in-service withdrawal or total distribution in cash, effective from April 6, 2020 through December 31, 2020, to participants, beneficiaries or alternate payees, as applicable, affected by the COVID-19 emergency, subject to the rules and procedures established by the Plan's Administrator.

Eligibility

An employee becomes a member of the Plan on the first pay period of the month immediately following the date of employment.

Contributions

The participants of the Plan may authorize the Companies to make contributions to the Plan from pre-tax and after-tax payroll deductions of their monthly compensation before amounts paid for insurance or other welfare benefits, if any. The Companies match 100% of participants' contributions up to 8% of eligible compensation and does not make supplemental discretionary contributions to the Plan. At no time may participant pre-tax contributions exceed the \$15,000 limit imposed as per Section 1081.01(d) of the PR Code. Participants may also contribute amounts representing rollovers from other qualified defined benefit or contribution plans. Additionally, the Companies may make supplemental discretionary contributions to the Plan in such amount as it is determined by the Board of Directors. No supplemental discretionary contributions were made during plan year 2021.

Participants' Accounts

Individual accounts are maintained for each Plan's participant. Each participant's account is credited with the participant's applicable pre-tax, after-tax, and/or rollover contributions and allocations of (a) the Companies' matching and supplemental contributions, and (b) plan earnings. Allocations are based on participant's share of the Plan's income (losses) and any related expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The change in the value of the Plan's invested assets is posted to the participant's account on a daily basis.

Investment Alternatives

Upon enrollment in the Plan, a participant may direct its contributions, along with the Companies' matching contribution, in (a) entirely in any one of the available funds; or (b) divided between any two or more of such investment funds in increments of 1%.

Vesting

Participant's contributions and the Companies' matching, and supplemental contributions are vested at all times and shall not be subject to forfeitures for any reason.

Payment of Benefits and Withdrawals

Payment shall be made as soon as practicable after the date of termination of employment as and not later than sixty days after the end of the plan year in which:

- the participant attains age 65, or if later;
- employment terminates.

Distribution of participant accounts may be made in: (a) one lump-sum cash payment, or (b) cash installments over a predetermined period. In the case of a participant termination because of death or disability, the entire account balance amount is paid to the person or persons legally entitled thereto regardless of the years of service.

If, at the time of distribution, the value of a participant's vested benefit is \$5,000 or less, the Plan administrator will immediately distribute such benefit without the participant's consent. However, a participant's vested benefit may not be paid without written consent if the value exceeds \$5,000.

A participant shall be entitled to withdraw at any time up to the full value of his account, except for pre-tax contributions, and supplemental Companies' contributions and earnings thereon.

Notes Receivable from Participants

Notes receivable from participants should not exceed 50% of the participant's vested account balance. In no event will the amount of any loan granted to a participant should exceed \$50,000 or be less than \$1,000.

Loans to participants under the Plan may be repaid within five years of the date on which the loan is made, except loans used to acquire a principal residence of the participant which may be repaid within 25 years. The notes are secured by the balance in the participant's account and will bear an interest rate as determined by the Plan administrator. Principal and interest are repaid to the Plan ratably through payroll deductions or manual loan repayments.

Plan Termination

Although it has not expressed any intent to do so, the Companies have the right under the Plan provisions to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Participants shall be fully vested and nonforfeitable in their accrued benefits as of the date of termination or discontinuance.

2. Summary of Significant Accounting Policies:

Basis of Accounting

The financial statements of the Plan have been prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

Investment and Notes Receivable from Participants' Valuation

The Plan's investments are stated at fair market value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments, which represent the net asset value of units held by the Plan at year-end. Notes receivable from participants are valued at their outstanding principal amount, plus accrued but unpaid interest. Refer to Note 3 for fair value measurements.

Purchases and sales of investment units are reflected on a trade date basis. Income is recorded as earned on an accrual basis.

In accordance with the policy of stating investments at fair market value, net unrealized appreciation (depreciation) on investments for the year is reflected in the statement of changes in net assets available for benefits. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, these management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred.

As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make repayments and the Plan administrator considers the participant to be in default, the balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. Notes are considered in default if any scheduled payment remains unpaid beyond the last day of the calendar quarter following the calendar quarter in which the participant missed the schedule payment.

Outstanding notes receivable at December 31, 2021 have final maturities ranging from February 2022 to December 2026, for general purpose loans, and from June 2040 to January 2045 for principal residence acquisition loans, and carry an interest rate ranging from 3.25% to 6.50%.

Contributions

Participant contributions and employer matching contributions are recorded in the period in which the Companies makes the payroll deductions from the participant's compensation. Discretionary contributions are posted to Participant accounts annually.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses for the administration of the Plan are paid by the Companies and amounted to approximately \$67,000 during plan year 2021.

New Accounting Pronouncements

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standard Update (ASU) 2018-09, Codification Improvements, which amends an illustrative example of a fair value hierarchy disclosure to indicate that a certain type of investment should not always be considered to be eligible to use the net asset value (NAV) per share practical expedient. Also, it further clarifies that an entity should evaluate whether a readily determinable value exists or whether its investments qualify for the NAV per share practical expedient in accordance with Accounting Standards Codification (ASC) 820, Fair Value Measurement (ASC 820). The guidance is effective for fiscal years beginning after December 15, 2019, with early adoption allowed. The guidance was applied retrospectively and had no effect on the Statements of Net Assets Available for Benefits or the changes therein.

In August 2018, the FASB issued ASU 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement*, which amends certain disclosure requirements of ASC 820. The ASU removes the requirement to disclose the amount of and reasons for transfers between Level 1 and Level 2 of the fair value hierarchy as well as the policy for timing of transfers between levels. The ASU also modifies the disclosure for investments in certain entities that calculate NAV to disclose the timing of liquidation of an investee's assets and the date when restrictions from redemption might lapse only if the investee has communicated the timing to the Plan or announced the timing publicly. It also clarifies the measurement uncertainty disclosure to communicate information about the uncertainty in measurement as of the reporting date. The guidance is effective for fiscal years beginning after December 15, 2019, with early adoption allowed. The guidance was applied retrospectively and had no effect on the Statements of Net Assets Available for Benefits or the changes therein.

Subsequent Events

The Plan administrator has evaluated subsequent events occurring between December 31, 2021 and October 13, 2022.

3. Fair Value Measurements:

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability (an exit price) in an orderly transaction between market participants at the measurement date. Valuation techniques used by the Plan are based upon observable and unobservable inputs.

Observable or market inputs reflect market data obtained from independent sources, while unobservable inputs reflect the Plan's assumptions about market participant assumptions based on the best information available.

Assets and liabilities are classified in the fair value hierarchy based on the lowest level of input that is significant to the fair value measurement:

- Level 1 – Quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 – Quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the asset or liabilities.
- Level 3 – Unobservable inputs for the asset or liability.

The fair value hierarchy gives the highest priority to observable inputs and lowest priority to unobservable inputs.

The following is a description of the valuation methodologies used for assets and liabilities:

Registered Investment Companies

- Collective investment/common collective trusts: Valued at the net asset value (NAV), established by the fund's sponsor on the last business day of the plan year, based on the fair value of the assets underlying the funds. There are no redemption restrictions or future commitments on these investments. Because the Plan owns and transacts at units of these collective trust funds, not the mutual fund underlying assets, the unit of account is at the fund level, not at the underlying investments level therefore are valued at net asset value per share (NAV), as a practical expedient, consequently no longer included within the fair value hierarchy.
- Mutual funds: Valued at quoted market prices, which represent the net asset value (NAV) of shares held by the Plan at year-end.

The following are the major categories of assets measured at fair value on a recurring basis:

2021

4. Tax Status:

The Plan has obtained its latest favorable determination letter on November 16, 2020, wherein the Puerto Rico Department of Treasury stated that the Plan, as designed, continues to meet the qualifications requirements under Section 1081.01(d) of the PR Code, and that the trust established thereunder continues to be exempt from Puerto Rico income tax. Under Section 1022(i)(1) of ERISA, the trust funding the Plan is intended to be exempt from federal income tax under Section 501(a) of the United States Internal Revenue Code of 1986, as amended. The Plan has not been amended since receiving the November 16, 2020 determination letter. Based on the best of knowledge and belief, the Plan Administrator understands that the Plan, as currently being designed and operated, meets the applicable requirements of the PR Code, ERISA, and the regulations issued thereunder.

US GAAP requires the Plan to evaluate uncertain tax positions. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the tax authorities. The Plan has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions and regulators; however, there are currently no audits for any tax periods in progress.
