## INDEPENDENT AUDITORS' REPORT

Pension Plan Committee  
Lyngblomsten Care Center, Inc.  
Employees' Pension Plan and Tax Deferred Annuity Plan  
St. Paul, Minnesota

### **Report on the Audit of the Combining Financial Statements**

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Combining Financial Statements***

We have performed an audit of the accompanying combining financial statements of Lyngblomsten Care Center, Inc. Employees' Pension Plan and Tax Deferred Annuity Plan (Plans), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The combining financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 combining financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the combining financial statements, is complete and accurate.

#### ***Opinion on the 2021 Combining Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2021 Combining Financial Statements* section:

- the amounts and disclosures in the 2021 combining financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 combining financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the 2021 Combining Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2021 Combining Financial Statements* section of our report. We are required to be independent of Lyngblomsten Care Center, Inc. Employees' Pension Plan and Lyngblomsten Care Center, Inc. Tax Deferred Annuity Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2021 Combining Financial Statements***

Management is responsible for the preparation and fair presentation of the combining financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the combining financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt Lyngblomsten Care Center, Inc. Employees' Pension Plan and Lyngblomsten Care Center, Inc. Tax Deferred Annuity Plan's ability to continue as a going concern for one year after the date that the combining financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the combining financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the 2021 Combining Financial Statements***

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Combining Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the combining financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Pension Plan Committee  
Lyngblomsten Care Center, Inc.  
Employees' Pension Plan and Tax Deferred Annuity Plan

- Identify and assess the risks of material misstatement of the combining financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Lyngblomsten Care Center, Inc. Employees' Pension Plan and Lyngblomsten Care Center, Inc. Tax Deferred Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the combining financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Lyngblomsten Care Center, Inc. Employees' Pension Plan and Lyngblomsten Care Center, Inc. Tax Deferred Annuity Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the combining financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matters***

***2021 Supplemental Schedules Required by ERISA***

The supplemental schedules of assets (held at end of year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the combining financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the combining financial statements or to the combining financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditors' Report on the 2020 Combining Financial Statements***

We were engaged to audit the 2020 combining financial statements of Lyngblomsten Care Center, Inc. Employees' Pension Plan and Tax Deferred Annuity Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 combining financial statements, and (b) the form and content of the information included in the 2020 combining financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LYNGBLOMSTEN CARE CENTER, INC. TAX DEFERRED ANNUITY PLAN  
NOTES TO COMBINING FINANCIAL STATEMENTS  
DECEMBER 31, 2021 AND 2020**

**NOTE 1 DESCRIPTION OF PLAN**

The following description of the Lyngblomsten Care Center, Inc. Employees' Pension Plan (Pension Plan) and Lyngblomsten Care Center, Inc. Tax Deferred Annuity Plan (TDA Plan) provides only general information. Participants should refer to the Plan documents for a more complete description of the Plans' provisions.

**Pension Plan**

The Pension Plan is a defined contribution money purchase plan established on July 1, 1981, and has been amended and restated throughout the years. The Pension Plan was last restated effective January 1, 2012, and most recently amended September 11, 2021. The Pension Plan covers all employees of Lyngblomsten Care Center, Inc. (Employer) who have completed 12 months of service and are age 18 or older. Participation begins on January 1 or July 1 following completion of the eligibility requirements. It is subject to the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Pension Plan Committee is responsible for the oversight of the Pension Plan and determines the appropriateness of the Pension Plan's investment offerings and monitors investment performance.

Each year, the Employer contributes to the Pension Plan 4% of the current eligible compensation for each participant. Participants must contribute 2% of compensation under the TDA Plan to be eligible for the Employer contribution to the Pension Plan. In order to share in the Employer contributions, a participant must complete 12 months of service. Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans. Contributions are subject to certain limitations. The contributions for 2021 and 2020 met the minimum funding requirements of ERISA. The minimum funding requirement relates only to the Employer contributions.

**Tax Deferred Annuity Plan**

The TDA Plan is a defined contribution plan established on January 1, 1987, and has been amended throughout the years. The TDA Plan was last restated in March 2020. The TDA Plan is intended to qualify under Section 403(b) of the Internal Revenue Code (IRC). The TDA Plan covers all employees of the Employer immediately upon employment. To the extent participants elect to defer salary reduction contributions into the TDA, their mandatory contributions are matched by an allocation of Employer contributions in the Pension Plan.

Pursuant to Revenue Ruling 80-47, participation in the Pension Plan is limited to those employees who elect to defer contributions into the TDA Plan. Participants with 15 years of service are allowed to make qualified employee catch-up deferrals. Participants age 50 and older are allowed to make catch-up contributions. It is also subject to the ERISA, as amended. The TDA Plan Committee is responsible for the oversight of the TDA Plan and determines the appropriateness of the TDA Plan's investment offerings and monitors investment performance.

Subsequent to year-end, effective January 1, 2022, the TDA Plan was amended to add a Roth contribution provision.

**NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**

**Vesting**

Participants are immediately vested in their contributions plus actual earnings thereon. Employer contributions, plus actual earnings thereon, vest at a rate of 20% per year. A participant is fully vested following the completion of five years of credited service. Notwithstanding the above, participants shall become 100% vested in their account upon attaining normal retirement (age 62), death, or disability.

**Participant Accounts**

Each participant's account is credited with the participant's contributions, an allocation of the Employer's contribution, and Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. Income is allocated daily based on the shares in the participant's account. Participants direct the investment of contributions into the various investment options offered under the Plans. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

**Notes Receivable from Participants**

Participants may only borrow from their TDA Plan fund accounts a maximum of \$50,000 or 50% of their TDA account balance, whichever is less. The notes are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

**Benefit Payments**

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Unless an optional form of benefit is selected, a married participant's vested account balance will be paid in the form of a qualified joint and survivor annuity, or an unmarried participant's vested account balance will be paid in the form of a life annuity payable on the participant's retirement or termination date, or early retirement if certain conditions are met as stated in the Plans. Optional forms of benefit payments include installments, a lump-sum payment, or partial withdrawals. If a participant terminates employment and the participant's account balance is not greater than \$5,000, the Plan administrator will authorize the benefit payment without the participant's consent. The TDA Plan allows in-service distributions at age 59½ and for financial hardship (as defined by the Plan).

**Forfeitures**

Forfeitures are used to reduce Employer contributions. During 2021 and 2020, forfeitures of \$8,197 and \$24,163, respectively, were used to reduce Employer contributions in the Pension Plan. The forfeited nonvested account balance at December 31, 2021 and 2020 was \$-0- and \$1, respectively.

**LYNGBLOMSTEN CARE CENTER, INC. EMPLOYEES' PENSION PLAN AND  
LYNGBLOMSTEN CARE CENTER, INC. TAX DEFERRED ANNUITY PLAN  
NOTES TO COMBINING FINANCIAL STATEMENTS  
DECEMBER 31, 2021 AND 2020**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The combining financial statements of the Plan are prepared under the accrual basis of accounting.

Because of the close symmetry of the Pension Plan and TDA Plan, the financial statements are presented with combining and combined columnar information. These statements are presented in this format to conform to the certified statements from the insurance company. The supplemental schedules of assets (held at end of year) are presented separately to conform with each Form 5500 filing.

**Use of Estimates**

The preparation of combining financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the combining financial statements. Estimates also affect the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plans' investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plans' Pension Plan Committee determines the Plans' valuation policies utilizing information provided by the insurance company. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plans' gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent notes receivable are recorded as distributions on the basis of the terms of the TDA Plan document.

**Benefit Payments**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of maintaining the Plans are paid directly by the Employer and are excluded from these combining financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTES TO COMBINING FINANCIAL STATEMENTS  
DECEMBER 31, 2021 AND 2020**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Subsequent Events**

The Plans have evaluated subsequent events through October 11, 2022, the date the combining financial statements were available to be issued.

**NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION**

American United Life Insurance Company, the insurance company, has supplied the Plan administrator with certifications as to the completeness and accuracy of the notes receivable from participants and all the investment information reflected on the accompanying combining statements of net assets available for benefits as of December 31, 2021 and 2020, the combining statements of changes in net assets available for benefits for the years then ended, and the supplemental schedules of assets (held at end of year) as of December 31, 2021.

**NOTE 4 FAIR VALUE OF INVESTMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

**NOTE 4 FAIR VALUE OF INVESTMENTS (CONTINUED)**

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2021 and 2020.

*Pooled Separate Account* – Valued daily at the net asset value (NAV) of units as determined by the insurance company. NAV is a readily determinable fair value and is the basis for current transactions.

*Insurance Company General Accounts* – Valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

| 2021                               |             |                      |             |                      |

**LYNGBLOMSTEN CARE CENTER, INC. EMPLOYEES' PENSION PLAN AND  
LYNGBLOMSTEN CARE CENTER, INC. TAX DEFERRED ANNUITY PLAN  
NOTES TO COMBINING FINANCIAL STATEMENTS  
DECEMBER 31, 2021 AND 2020**

**NOTE 5 GROUP ANNUITY CONTRACT WITH INSURANCE COMPANY**

The Plans have entered into deposit contracts with AUL that are not fully benefit-responsive. AUL maintains the contributions in a general account and a pooled separate account. The general account is credited with interest at a rate of 4% per year, compounded annually, and charged for Plan withdrawals, any applicable premium taxes, any unpaid net loan interest, and administration expenses charged by AUL. The general account contract is included in the financial statements at fair value because it is nonbenefit responsive. The crediting interest rate is based on an agreed-upon formula with the issuer but cannot be less than zero.

**NOTE 6 RISKS AND UNCERTAINTIES**

The Plans provide for investment in a variety of investment funds. In general, investments are exposed to various risks, such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the combining statements of net assets available for benefits.

**NOTE 7 PLAN TERMINATION**

Although the Employer has not expressed an intent to do so, the Employer has the right under the Plans to discontinue contributions at any time and to terminate the Plans subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

**NOTE 8 PLAN TAX STATUS**

The Pension Plan obtained its latest determination letter on September 30, 2013, in which the Internal Revenue Service (IRS) stated that the Pension Plan was in compliance with the applicable requirements of the IRC. The Pension Plan has been amended since receiving this letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC.

The TDA Plan is placing reliance on an opinion letter dated November 22, 2017 received from the IRS on the volume submitter plan indicating that the Plan is qualified under Section 403(b) of the IRC and is therefore not subject to tax under current income tax law. The Plan has been amended since receiving the opinion letter. However, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

NOTES TO COMBINING FINANCIAL STATEMENTS  
DECEMBER 31, 2021 AND 2020**

**NOTE 8 PLAN TAX STATUS (CONTINUED)**

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plans and recognize a tax liability (or asset) if the Plans have taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plans are subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 9 PARTY-IN-INTEREST TRANSACTIONS**

The investments are held and managed by American United Life Insurance Company, the insurance company. Therefore, these transactions qualify as party-in-interest.

**NOTE 10 RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

Certain Plan assets are invested in the Variable Account. This fund is a Pooled Separate Account (PSA) for which AUL serves as the insurance company. The Variable Account, as a PSA, invests in mutual funds of large mutual fund companies. As the sponsor of this PSA, AUL has chosen not to complete and submit an Annual Report (Form 5500) with the Department of Labor as its Sponsor, reporting the investment activity of the PSA as a "direct filing entity" (DFE) for the Plan year. Therefore, the Plans' interest in the Variable Account will not be reported as an interest in a PSA in the Plans' Annual Return/Reports (Form 5500) prepared and submitted for the subject audit years. Accordingly, the combining financial statements for the Plans reflect its representative value in the PSA.

LYNGBLOMSTEN CARE CENTER INC. TAX DEFERRED ANNUITY PLAN

002

04-1131087

December 31, 2021

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
