INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Union Home Mortgage Corporation 401(k) Plan
Strongsville, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Union Home Mortgage Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Union Home Mortgage Corporation 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Union Home Mortgage Corporation 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Union Home Mortgage Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Union Home Mortgage Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Union Home Mortgage Corporation 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

UNION HOME MORTGAGE CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Union Home Mortgage Corporation 401(k) Plan (the "Plan") (formerly known as the Union Home Mortgage Corporation 401(k) Profit Sharing Plan prior to July 27, 2020) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Union Home Mortgage Corporation and Mutual Title Agency, Inc. (collectively the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: To be eligible to participate in the Plan, an employee must be 21 years of age or older, have completed 3 months of service, and not be a non-resident alien. Employees may enter the Plan on the first day of the quarter following completion of the service requirement.

Contributions: The Plan provides for automatic enrollment upon meeting the eligibility requirements and, accordingly, employees are treated as having elected to contribute 6% of their earnings as pre-tax 401(k) contributions, unless an election is made for a different amount, or an election is made not to participate. The Plan includes an automatic 1% increase annually, up to 8%, unless otherwise changed by the participant.

Participants may make voluntary pre-tax contributions or after-tax (Roth) contributions by means of a salary deferral agreement of up to 100% of their compensation, subject to IRS limitations for the Plan year. Plan participants over the age of 50 are also permitted to make additional catch-up contributions (\$6,500 in 2021). The Plan also permits rollover contributions from other qualified retirement plans. Participants direct the investment of contributions into various investment options offered by the Plan. The Company has the option to make employer matching contributions. The amount and period of employer matching contributions is at the company's discretion and is determined annually. Discretionary employer matching contributions for 2021 were equal to 25% of the first 8% of employee deferrals and were remitted with each pay. In addition, the Company may contribute discretionary non-elective profit-sharing contributions to the Plan. During 2021, there were no discretionary non-elective profit-sharing contributions made by the Company. A participant must be employed on the last day of the year to receive his or her portion of any discretionary non-elective profit-sharing contributions for the year.

Participant accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's discretionary matching and discretionary non-elective profit-sharing contributions and (b) Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on a participant's compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: The participant's elective contributions are fully vested immediately. Participants become vested in any Company discretionary matching and discretionary non-elective profit-sharing contributions according to the following schedule:

<u>Years of Service</u>	<u>Vesting</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeited accounts: During 2021, \$303,354 was forfeited from participants' accounts. Forfeitures of Company matching contributions were used to reduce employer contributions and were allocated to the participants' accounts in the same manner as contributions. At December 31, 2021 and 2020, there were \$2,664 and \$2,253, respectively, of unused forfeited balances.

Participant notes receivable: The Plan allows participants to obtain loans from the Plan to satisfy financial hardship or for a specified financial need. These loans are subject to the following general provisions: the maximum amount of loans outstanding is equal to the lesser of \$50,000 or 50% of the participant's vested account balance with a minimum of \$1,000; the term of any loan may not exceed five years unless the purpose of the loan is to purchase the participant's primary residence. The loans are secured by the participant's entire vested account balance. The interest rate for each loan is based on the bank's prime lending rate on the loan issuance date, ranging from 3.25% to 5.50%.

If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan agreement.

The Coronavirus, Aid, Relief, and Economic Security Act (the "CARES Act"), signed into law on March 27, 2020, increased maximum loan amounts up to the lesser of \$100,000 or 100% of a participant's vested account balance for new loans through September 23, 2020. The Plan did not adopt the COVID loan provision. Additionally, the CARES Act allowed for the deferral of loan payments for the period March 27, 2020 through December 31, 2020. The Plan adopted the loan deferment provision in 2020. These provisions were available to participants who were impacted by COVID-19 through a diagnosis of COVID-19 or were financially impacted by quarantine, job loss, or reduced hours due to COVID-19.

Payment of benefits: Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or partial payments. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. In the case of a hardship, a participant may apply for a distribution described in the Plan agreement. Lump sum distributions are required if the vested balance is \$1,000 or less. Additionally, in-service distributions are permitted for participants meeting certain age and length of service requirements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation: The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Participant notes receivable: Participant notes receivable are recorded at their unpaid principal balance plus any accrued but unpaid interest.

Investment valuation and income recognition: Investments are reported at fair value using methodologies described in Note 3. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit payments: Benefit payments to participants are recorded when paid.

The CARES Act provided for distribution of benefits up to \$100,000 for participants impacted by COVID-19. Distributions were available to participants through December 31, 2020, who were impacted by COVID-19 through a diagnosis of COVID-19, a spouse or dependent diagnosed with COVID-19, or were financially impacted by quarantine, job loss, or reduced hours due to COVID-19. The CARES Act also allowed participants the option to defer required minimum distributions. The Plan adopted these provisions in 2020.

Administrative expenses: Expenses for the Plan's investment managers, administrators, attorneys, and auditors are paid by the Plan unless paid by the Company at its discretion. For 2021, substantially all such expenses were paid by the Company.

Subsequent events: In preparing these financial statements, Plan management has evaluated events and transactions for potential recognition or disclosure through October 12, 2022, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – inputs to the valuation methodology include:

- a) Quoted prices for similar assets or liabilities in active markets;
- b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- c) Inputs other than quoted prices that are observable for the asset or liability;
- d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

1. Mutual funds (registered investment companies): Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
2. Investments measured at net asset value: A stable value common/collective trust fund that is composed primarily of fully benefit-responsive investment contracts is valued at the net asset value of units of the collective trust. The net asset value, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require twelve months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments relating to this type of investment.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy:				
Mutual funds	\$ 64,831,891	\$ -	\$ -	\$ 64,831,891
Investments measured at net asset value ^(a) :				
Common/collective trust	-	-	-	1,590,223
Investments, at fair value	<u>\$ 64,831,891</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 66,422,114</u>

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy:				
Mutual funds	\$ 48,334,716	\$ -	\$ -	\$ 48,334,716
Investments measured at net asset value ^(a) :				
Common/collective trust	-	-	-	127,648
Investments, at fair value	<u>\$ 48,334,716</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 48,462,364</u>

(a) Certain investments that are measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to amounts presented in the statements of net assets available for benefits.

There were no Level 3 assets and no transfers between Levels 1 and 2 in 2021 and 2020.

NOTE 4 – INCOME TAX STATUS

The trust established under the Plan, which holds the Plan's assets, is qualified pursuant to the appropriate section of the Internal Revenue Code ("IRC"), and accordingly, the trust's net investment income is exempt from income taxes. Through April 19, 2021, the Plan was using a volume submitter document on which the Internal Revenue Service ("IRS") issued a favorable opinion letter dated March 31, 2014 that stated that the volume submitter document, as then designed, was in compliance with the applicable requirements of the IRC. Effective April 20, 2021, the Plan adopted a non-standardized pre-approved plan document on which the IRS has issued a favorable opinion letter dated June 30, 2020 that stated that the non-standardized pre-approved plan document, as currently designed, is in compliance with the applicable requirements of the IRC. The Plan has not been amended since adopting the non-standardized pre-approved plan document and is operating in compliance with the applicable requirements of the IRC, and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 5 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year) was obtained from data that has been prepared and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan, as of December 31, 2021 and 2020, and for the year ended December 31, 2021.

	2021	2020
Net assets available for benefits:		
Investments, at fair value	\$ 66,422,114	\$ 48,462,364
Participant notes receivable	<u>1,290,080</u>	<u>1,009,344</u>
Net assets available for benefits	<u>\$ 67,712,194</u>	<u>\$ 49,471,708</u>

Changes in net assets:

Dividends and interest	\$ 5,339,736
Net appreciation in fair value of investments	2,383,224
Interest income on participant notes receivable	<u>40,786</u>
	<u>\$ 7,763,746</u>

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

The Plan issues notes receivable to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

The Plan's trustee, Fidelity Management Trust Company, is also the custodian of the Plan's assets. Fidelity Investments Institutional Operations Company, Inc., an affiliate of the trustee, is the transfer agent and provides recordkeeping services to the Plan as agent for the trustee. Certain investment funds are managed by affiliates of the trustee of the Plan and, accordingly, qualify as party-in-interest transactions.

NOTE 7 – RISKS AND UNCERTAINTIES

The participants direct the Plan to invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 9 – PROHIBITED TRANSACTIONS

In 2021, the Company failed to remit certain participant contributions and loan repayments to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The 2021 delinquent contributions and loan repayments totaled \$1,171,913 and were remitted to the Plan during 2021 and 2022. The lost earnings are currently being calculated and will be remitted to the Plan in 2022.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of the
Union Home Mortgage Corporation 401(k) Plan
Strongsville, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Union Home Mortgage Corporation 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Union Home Mortgage Corporation 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Union Home Mortgage Corporation 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Union Home Mortgage Corporation 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Union Home Mortgage Corporation 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Union Home Mortgage Corporation 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

UNION HOME MORTGAGE CORPORATION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Union Home Mortgage Corporation 401(k) Plan (the "Plan") (formerly known as the Union Home Mortgage Corporation 401(k) Profit Sharing Plan prior to July 27, 2020) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering substantially all employees of Union Home Mortgage Corporation and Mutual Title Agency, Inc. (collectively the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility: To be eligible to participate in the Plan, an employee must be 21 years of age or older, have completed 3 months of service, and not be a non-resident alien. Employees may enter the Plan on the first day of the quarter following completion of the service requirement.

Contributions: The Plan provides for automatic enrollment upon meeting the eligibility requirements and, accordingly, employees are treated as having elected to contribute 6% of their earnings as pre-tax 401(k) contributions, unless an election is made for a different amount, or an election is made not to participate. The Plan includes an automatic 1% increase annually, up to 8%, unless otherwise changed by the participant.

Participants may make voluntary pre-tax contributions or after-tax (Roth) contributions by means of a salary deferral agreement of up to 100% of their compensation, subject to IRS limitations for the Plan year. Plan participants over the age of 50 are also permitted to make additional catch-up contributions (\$6,500 in 2021). The Plan also permits rollover contributions from other qualified retirement plans. Participants direct the investment of contributions into various investment options offered by the Plan. The Company has the option to make employer matching contributions. The amount and period of employer matching contributions is at the company's discretion and is determined annually. Discretionary employer matching contributions for 2021 were equal to 25% of the first 8% of employee deferrals and were remitted with each pay. In addition, the Company may contribute discretionary non-elective profit-sharing contributions to the Plan. During 2021, there were no discretionary non-elective profit-sharing contributions made by the Company. A participant must be employed on the last day of the year to receive his or her portion of any discretionary non-elective profit-sharing contributions for the year.

Participant accounts: Each participant's account is credited with the participant's contributions and an allocation of (a) the Company's discretionary matching and discretionary non-elective profit-sharing contributions and (b) Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on a participant's compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: The participant's elective contributions are fully vested immediately. Participants become vested in any Company discretionary matching and discretionary non-elective profit-sharing contributions according to the following schedule:

<u>Years of Service</u>	<u>Vesting</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeited accounts: During 2021, \$303,354 was forfeited from participants' accounts. Forfeitures of Company matching contributions were used to reduce employer contributions and were allocated to the participants' accounts in the same manner as contributions. At December 31, 2021 and 2020, there were \$2,664 and \$2,253, respectively, of unused forfeited balances.

Participant notes receivable: The Plan allows participants to obtain loans from the Plan to satisfy financial hardship or for a specified financial need. These loans are subject to the following general provisions: the maximum amount of loans outstanding is equal to the lesser of \$50,000 or 50% of the participant's vested account balance with a minimum of \$1,000; the term of any loan may not exceed five years unless the purpose of the loan is to purchase the participant's primary residence. The loans are secured by the participant's entire vested account balance. The interest rate for each loan is based on the bank's prime lending rate on the loan issuance date, ranging from 3.25% to 5.50%.

If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan agreement.

The Coronavirus, Aid, Relief, and Economic Security Act (the "CARES Act"), signed into law on March 27, 2020, increased maximum loan amounts up to the lesser of \$100,000 or 100% of a participant's vested account balance for new loans through September 23, 2020. The Plan did not adopt the COVID loan provision. Additionally, the CARES Act allowed for the deferral of loan payments for the period March 27, 2020 through December 31, 2020. The Plan adopted the loan deferment provision in 2020. These provisions were available to participants who were impacted by COVID-19 through a diagnosis of COVID-19 or were financially impacted by quarantine, job loss, or reduced hours due to COVID-19.

Payment of benefits: Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or partial payments. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution. In the case of a hardship, a participant may apply for a distribution described in the Plan agreement. Lump sum distributions are required if the vested balance is \$1,000 or less. Additionally, in-service distributions are permitted for participants meeting certain age and length of service requirements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation: The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates: The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Participant notes receivable: Participant notes receivable are recorded at their unpaid principal balance plus any accrued but unpaid interest.

Investment valuation and income recognition: Investments are reported at fair value using methodologies described in Note 3. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Capital gain distributions are included in dividend income. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit payments: Benefit payments to participants are recorded when paid.

The CARES Act provided for distribution of benefits up to \$100,000 for participants impacted by COVID-19. Distributions were available to participants through December 31, 2020, who were impacted by COVID-19 through a diagnosis of COVID-19, a spouse or dependent diagnosed with COVID-19, or were financially impacted by quarantine, job loss, or reduced hours due to COVID-19. The CARES Act also allowed participants the option to defer required minimum distributions. The Plan adopted these provisions in 2020.

Administrative expenses: Expenses for the Plan's investment managers, administrators, attorneys, and auditors are paid by the Plan unless paid by the Company at its discretion. For 2021, substantially all such expenses were paid by the Company.

Subsequent events: In preparing these financial statements, Plan management has evaluated events and transactions for potential recognition or disclosure through October 12, 2022, the date the financial statements were available to be issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – inputs to the valuation methodology include:

- a) Quoted prices for similar assets or liabilities in active markets;
- b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- c) Inputs other than quoted prices that are observable for the asset or liability;
- d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

1. Mutual funds (registered investment companies): Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
2. Investments measured at net asset value: A stable value common/collective trust fund that is composed primarily of fully benefit-responsive investment contracts is valued at the net asset value of units of the collective trust. The net asset value, as provided by the trustee, is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require twelve months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments relating to this type of investment.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy:				
Mutual funds	\$ 64,831,891	\$ -	\$ -	\$ 64,831,891
Investments measured at net asset value ^(a) :				
Common/collective trust	-	-	-	1,590,223
Investments, at fair value	<u>\$ 64,831,891</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 66,422,114</u>

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Total assets in the fair value hierarchy:				
Mutual funds	\$ 48,334,716	\$ -	\$ -	\$ 48,334,716
Investments measured at net asset value ^(a) :				
Common/collective trust	-	-	-	127,648
Investments, at fair value	<u>\$ 48,334,716</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 48,462,364</u>

- (a) Certain investments that are measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to amounts presented in the statements of net assets available for benefits.

There were no Level 3 assets and no transfers between Levels 1 and 2 in 2021 and 2020.

NOTE 4 – INCOME TAX STATUS

The trust established under the Plan, which holds the Plan's assets, is qualified pursuant to the appropriate section of the Internal Revenue Code ("IRC"), and accordingly, the trust's net investment income is exempt from income taxes. Through April 19, 2021, the Plan was using a volume submitter document on which the Internal Revenue Service ("IRS") issued a favorable opinion letter dated March 31, 2014 that stated that the volume submitter document, as then designed, was in compliance with the applicable requirements of the IRC. Effective April 20, 2021, the Plan adopted a non-standardized pre-approved plan document on which the IRS has issued a favorable opinion letter dated June 30, 2020 that stated that the non-standardized pre-approved plan document, as currently designed, is in compliance with the applicable requirements of the IRC. The Plan has not been amended since adopting the non-standardized pre-approved plan document and is operating in compliance with the applicable requirements of the IRC, and the related trust is tax exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 5 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year) was obtained from data that has been prepared and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan, as of December 31, 2021 and 2020, and for the year ended December 31, 2021.

	2021	2020
Net assets available for benefits:		
Investments, at fair value	\$ 66,422,114	\$ 48,462,364
Participant notes receivable	<u>1,290,080</u>	<u>1,009,344</u>
Net assets available for benefits	<u>\$ 67,712,194</u>	<u>\$ 49,471,708</u>

Changes in net assets:

Dividends and interest	\$ 5,339,736
Net appreciation in fair value of investments	2,383,224
Interest income on participant notes receivable	<u>40,786</u>
	<u>\$ 7,763,746</u>

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

The Plan issues notes receivable to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

The Plan's trustee, Fidelity Management Trust Company, is also the custodian of the Plan's assets. Fidelity Investments Institutional Operations Company, Inc., an affiliate of the trustee, is the transfer agent and provides recordkeeping services to the Plan as agent for the trustee. Certain investment funds are managed by affiliates of the trustee of the Plan and, accordingly, qualify as party-in-interest transactions.

NOTE 7 – RISKS AND UNCERTAINTIES

The participants direct the Plan to invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company reserves the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 9 – PROHIBITED TRANSACTIONS

In 2021, the Company failed to remit certain participant contributions and loan repayments to the Plan on a timely basis as defined by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The 2021 delinquent contributions and loan repayments totaled \$1,171,913 and were remitted to the Plan during 2021 and 2022. The lost earnings are currently being calculated and will be remitted to the Plan in 2022.

NOTE 10 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the accompanying Plan financial statements to Schedule H of Form 5500 at December 31, 2021 and 2020:

	2021	2020
Net assets available for benefits per statements of net assets available for benefits	\$ 68,117,842	\$ 49,732,017
