Report of Independent Auditor

To,
The Participants and the Plan Administrator,
Bharat Forge America, Inc. 401(k) Plan.

Scope and nature of the ERISA Section 103(a)(3)(c) audit of financial statements for the year ended December 31, 2021

We have performed an audit of the financial statements of Bharat Forge America, Inc. 401(k) Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (“2021 financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the auditor’s responsibilities for the audit of the 2021 financial statements section —

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the auditor’s responsibilities for the audit of the 2021 financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section

103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of 2021 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit of financial statements for the year ended December 31, 2021, section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2021 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 financial statements.

2022-248-US

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

Supplemental schedules required by ERISA for the year ended December 31, 2021

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2021, and Schedule H, Part IV, Line 4a – Schedule of delinquent participant contributions for the year ended December 31, 2021 (under supplemental information), are presented for purposes of additional analysis and not a required part of the 2021 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' report on the financial statements for the year ended December 31, 2020

We were engaged to audit the financial statements of the Plan for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 04, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements for the year ended December 31, 2020, and (b) the form and content of the information included in the financial statements for the year ended December 31, 2020, other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1: DESCRIPTION OF PLAN

The following description of the Bharat Forge America, Inc. 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan effective April 01, 2017, as defined in the Employee Retirement Income Security Act of 1974 and is sponsored by Bharat Forge America, Inc. (“the Company/ Plan sponsor”). The Plan is funded by employee and employer contributions and covers substantially all employees of the Company in all age groups. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The plan covers all eligible employees of the adopting employer, Bharat Forge America, Inc. (“the Company”) and participating employers, Bharat Forge PMT Technologies, LLC and Bharat Forge Tennessee, Inc.

Contributions

The plan permits the Pre-tax deferrals, Roth Elective deferrals, Employer matching contribution and Rollover contributions. Union employees, leased employees and nonresident aliens are not eligible for all above contribution types. The Plan includes a provision under Internal Revenue Code (“IRC”) Section 401(k) whereby participants may make pre-tax contributions and Roth Elective deferrals (“deferral contributions”) to the Plan up to 100% of their annual compensation. Annual participant contribution amounts are limited to \$19,500 of salary deferrals for the year ended December 31, 2021 (\$26,000 for participants aged 50 years and over). Participant contributions received during the years ended December 31, 2021, and December 31, 2020, amounted to \$543,249 and \$404,637, respectively.

The participants become eligible for employer matching contributions only if they make deferral contributions. For purposes of determining matching contributions under the Plan, participant contributions will not include age 50 and over catch-up contributions. Employer matching contributions will be allocated to participants’ account in the Plan within prescribed legal time limits.

The employer may make discretionary matching contributions. Discretionary matching contributions, if made, will be computed by the employer based on eligible compensation deferred into the Plan each payroll period. The employer will communicate the amount of any annual discretionary matching contributions to the participants.

The employer may also make discretionary nonelective contributions and qualified nonelective contributions to the Plan. A participant must complete at least 1,000 hours of service during the Plan year and be employed as of the last day of the Plan year to be eligible to receive any nonelective contributions that may be made for that Plan year. A participant need not satisfy this requirement on termination of employment due to death (including death while performing qualified military service), disability or retirement during the Plan year.

At the Plan administrator’s discretion, a participant may deposit rollover contributions from another qualified plan. Rollover contributions are placed in the participant’s account and are subject to the rules for investment established by the Plan administrator.

Bharat Forge America, Inc. 401(k) Plan
Financial Statements
December 31, 2021, and December 31, 2020

Administration

Bharat Forge America, Inc., serves as the Plan administrator. The Plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions, which may affect eligibility for benefits. For the year ended December 31, 2021, and December 31, 2020, the Plan has engaged ERISA Services Inc as third-party plan administrator.

American United Life Insurance Company, a OneAmerica company (“AUL” or “trustee”), served as the trustee of the Plan for the years ended December 31, 2021, and December 31, 2020.

Expenses

The administrative expenses comprise:

	Year ended	
	December 31, 2021	December 31, 2020
Contract administrator fees	3,306	4,712
Total	3,306	4,712

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Also, participant vesting with respect to contribution made by the Plan sponsor to their 401(k) account balances are 100% vested after one year of period of service. Participant will become fully vested upon death and total and permanent disability. For purposes of matching contributions, years of service prior to the time a participant reached eighteen years of age will not be counted for vesting.

Investment options

Participants are required to make participant-directed allocations of their accounts among various investment options offered by the Plan.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 5.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions. A Participant may only have one loan outstanding at any time.

Benefit payments

In-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant on incurring a hardship or after reaching age fifty-nine and a half. Upon normal retirement at age sixty-two, disability or death, the participant or beneficiary may receive the value of the account through a lump sum distribution or under a systematic withdrawal plan.

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, disability, or death, may receive the value of their vested account by transfer to another qualified plan or individual retirement account or through a lump sum distribution.

Bharat Forge America, Inc. 401(k) Plan

Financial Statements

December 31, 2021, and December 31, 2020

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to Internal Revenue Service ("IRS") penalties unless the distribution is transferred to another qualified plan or individual retirement account.

Forfeitures

Non-vested account balances of terminated employees are forfeited after five consecutive one-year breaks in service, as defined in the plan agreement or the distribution of the entire vested portion of the participant's account whichever is earlier. The employer may use forfeitures to pay Plan expenses or to reduce employer contributions, in a non-discriminatory manner at the discretion of the Plan Administrator, as defined in the plan agreement. As of December 31, 2021, and December 31, 2020, forfeited non-vested accounts totaled \$NIL and \$NIL, respectively. Forfeitures of terminated employees' non-vested accounts totaled \$2,134 during the year 2021 and \$284 during the year 2020. During the year ended December 31, 2021, and December 31, 2020, \$2,134 and \$4,427, respectively, were utilized to reduce employer matching contributions.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting. Investments held by the Plan are reported at fair value.

Use of estimates in financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risks and uncertainties

The Plan provided for various investment options in pooled separate accounts and fixed income guaranteed fund. The Plan's exposure to credit losses in the event of nonperformance of investments is limited to the carrying value of such investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. During the year ended December 31, 2021, and December 31, 2020, net appreciation in the values of investments totaled \$626,686 and \$585,704, respectively. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, participant account balances and the statement of changes in net assets available for benefits.

Notes receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, and December 31, 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. During the year ended December 31, 2021, and December 31, 2020, Plan considered \$6,379 and \$9,594 respectively as deemed distributions.

Investment valuation and income recognition

Investments in pooled separate accounts are valued at fair value as provided by the trustee. Net appreciation in the fair value of investments represent the change in fair value during the year, including realized and unrealized

Bharat Forge America, Inc. 401(k) Plan
Financial Statements
December 31, 2021, and December 31, 2020

gains and losses. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for discussion of fair value measurements.

Investments in fully benefit-responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Basis of fair value measurements

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable. Either directly or indirectly;

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurements, and unobservable.

A financial instrument's level within fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements.

The Company evaluates its financial assets and liabilities subject to fair value measurements on a recurring basis to determine the appropriate level of classification as of each reporting period.

The following is a description of the valuation methods used for Plan assets measured at fair value at December 31, 2021. There were no changes in the methods used at December 31, 2021.

1. *Pooled separate accounts:* Valued at the net asset value (NAV) of units of shares held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled separate accounts, the investment adviser reserves the right to temporarily delay withdrawal from the Plan in order to ensure that securities liquidations will be carried out in an orderly business manner.
2. *Fixed income guaranteed fund:* The fair value of participation units held "AUL Stable Value Fund", are based on contract value, which is obtained on audited information reported by the issuer of the trustee at year-end and is used as a practical expedient.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Contributions

Participant and employer contributions are recorded in the period the employer makes the payroll deduction.

Payment of benefits

Benefits are recorded when paid. Excess participant contributions payable generally represent the distribution of certain assets to employees for the Plan to comply with ERISA nondiscrimination rules.

NOTE 3: INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by AUL, except for comparing such information certified by AUL to information included in the Plan's financial statements for the years ended December 31, 2021, and December 31, 2020, and supplemental information as of and for the year ended December 31, 2021.

NOTE 6: COMPOSITION AND VALUATION OF PLAN INVESTMENT

The Plan entered into a fully benefit-responsive guaranteed investment contract with American United Life Insurance Company. AUL maintains the contributions in a general account and is invested in accordance with AUL's general account investment policy. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statement of net assets available for benefits at contract value, which the Plan Sponsor has determined approximates fair value. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant

withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021, and December 31, 2020 was \$276,866 and \$462,989 respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on an annual basis for resetting.

NOTE 8: INCOME TAX STATUS

The Plan sponsor entered into a non-standardized adoption agreement of American United Life Insurance Company, a OneAmerica Company's *Prototype Volume Submitter Profit Sharing Plan with CODA* ("the prototype plan"). The prototype plan received a favorable opinion letter from the Internal Revenue Service ("IRS") on *March 31, 2014*, which stated that the prototype plan and related trust were designed in accordance with applicable sections of the IRC. It is the opinion of the Plan trustees and the Plan's attorney that the Plan is in compliance with all applicable laws and regulations.

United States generally accepted accounting principles require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, and December 31, 2020, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9: PARTY-IN-INTEREST TRANSACTIONS

AUL performed trustee services for and sold products to and managed and maintained certain investments of the Plan for which fees are paid by the Company. ERISA Services Inc. provides services to the Plan as a third-party Plan administrator for which administration fees are charged to the Plan. Apart from this the Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. Party-in-interest transactions also include loans made to participants.

Such transactions, while considered party-in-interest transactions under ERISA, are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 10: DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2021, due to unintentional delays the Company deposited payroll withholdings (including loan repayments) amounting to \$NIL (December 2020: \$14,068), after the time frame deemed to be within Department of Labor (“DOL”) regulations for timely remittances. During the Plan year 2021, the Company has made contributions to the affected participant accounts to compensate those participants for lost earnings due to delays using the DOL guidelines for late deposits.

NOTE 11: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 12: IMPACT OF COVID-19

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. Global financial markets have experienced significant volatility resulting from the spread of COVID-19. The extent of the impact of COVID-19 on the Plan's net assets available for benefits, contributions and benefit obligations will depend on future developments, including the duration and continued spread of the outbreak.

NOTE 13: CARES ACT PROVISIONS

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document.

Plan management has adopted certain relief provisions included in the CARES Act; however, its future effects on the Plan's net assets available for benefits and changes in net assets available for benefits are uncertain. The Plan will formally be amended by the end of the 2022 plan year.

NOTE 14: RECLASSIFICATION

Previous year's figures have been restated, regrouped, reworked, or reclassified wherever required, however this has no impact on net assets available for benefits.

NOTE 15: SUBSEQUENT EVENTS

The Plan evaluated all events and transactions that occurred after December 31, 2021, through the date the financial statements were available to be issued. Based on the evaluation, the Plan is not aware of any events or transactions that would require recognition or disclosure in the financial statements.

Report of Independent Auditor

To,
The Participants and the Plan Administrator,
Bharat Forge America, Inc. 401(k) Plan.

Scope and nature of the ERISA Section 103(a)(3)(c) audit of financial statements for the year ended December 31, 2021

We have performed an audit of the financial statements of Bharat Forge America, Inc. 401(k) Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (“2021 financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the auditor’s responsibilities for the audit of the 2021 financial statements section —

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the auditor’s responsibilities for the audit of the 2021 financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section

103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of 2021 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit of financial statements for the year ended December 31, 2021, section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2021 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 financial statements.

KNAV P.A.

Certified Public Accountants

One Lakeside Commons, Suite 850, 990 Hammond Drive NE, Atlanta, GA 30328 T 1 678 584 1200 F 1 770 676 6082 E admin@knavcpa.com
2022-248-US

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

Supplemental schedules required by ERISA for the year ended December 31, 2021

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2021, and Schedule H, Part IV, Line 4a – Schedule of delinquent participant contributions for the year ended December 31, 2021 (under supplemental information), are presented for purposes of additional analysis and not a required part of the 2021 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Auditors' report on the financial statements for the year ended December 31, 2020

We were engaged to audit the financial statements of the Plan for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 04, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements for the year ended December 31, 2020, and (b) the form and content of the information included in the financial statements for the year ended December 31, 2020, other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1: DESCRIPTION OF PLAN

The following description of the Bharat Forge America, Inc. 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan effective April 01, 2017, as defined in the Employee Retirement Income Security Act of 1974 and is sponsored by Bharat Forge America, Inc. (“the Company/ Plan sponsor”). The Plan is funded by employee and employer contributions and covers substantially all employees of the Company in all age groups. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The plan covers all eligible employees of the adopting employer, Bharat Forge America, Inc. (“the Company”) and participating employers, Bharat Forge PMT Technologies, LLC and Bharat Forge Tennessee, Inc.

Contributions

The plan permits the Pre-tax deferrals, Roth Elective deferrals, Employer matching contribution and Rollover contributions. Union employees, leased employees and nonresident aliens are not eligible for all above contribution types. The Plan includes a provision under Internal Revenue Code (“IRC”) Section 401(k) whereby participants may make pre-tax contributions and Roth Elective deferrals (“deferral contributions”) to the Plan up to 100% of their annual compensation. Annual participant contribution amounts are limited to \$19,500 of salary deferrals for the year ended December 31, 2021 (\$26,000 for participants aged 50 years and over). Participant contributions received during the years ended December 31, 2021, and December 31, 2020, amounted to \$543,249 and \$404,637, respectively.

The participants become eligible for employer matching contributions only if they make deferral contributions. For purposes of determining matching contributions under the Plan, participant contributions will not include age 50 and over catch-up contributions. Employer matching contributions will be allocated to participants’ account in the Plan within prescribed legal time limits.

The employer may make discretionary matching contributions. Discretionary matching contributions, if made, will be computed by the employer based on eligible compensation deferred into the Plan each payroll period. The employer will communicate the amount of any annual discretionary matching contributions to the participants.

The employer may also make discretionary nonelective contributions and qualified nonelective contributions to the Plan. A participant must complete at least 1,000 hours of service during the Plan year and be employed as of the last day of the Plan year to be eligible to receive any nonelective contributions that may be made for that Plan year. A participant need not satisfy this requirement on termination of employment due to death (including death while performing qualified military service), disability or retirement during the Plan year.

At the Plan administrator’s discretion, a participant may deposit rollover contributions from another qualified plan. Rollover contributions are placed in the participant’s account and are subject to the rules for investment established by the Plan administrator.

Bharat Forge America, Inc. 401(k) Plan
Financial Statements
December 31, 2021, and December 31, 2020

Administration

Bharat Forge America, Inc., serves as the Plan administrator. The Plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions, which may affect eligibility for benefits. For the year ended December 31, 2021, and December 31, 2020, the Plan has engaged ERISA Services Inc as third-party plan administrator.

American United Life Insurance Company, a OneAmerica company (“AUL” or “trustee”), served as the trustee of the Plan for the years ended December 31, 2021, and December 31, 2020.

Expenses

The administrative expenses comprise:

	Year ended	
	December 31, 2021	December 31, 2020
Contract administrator fees	3,306	4,712
Total	3,306	4,712

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Also, participant vesting with respect to contribution made by the Plan sponsor to their 401(k) account balances are 100% vested after one year of period of service. Participant will become fully vested upon death and total and permanent disability. For purposes of matching contributions, years of service prior to the time a participant reached eighteen years of age will not be counted for vesting.

Investment options

Participants are required to make participant-directed allocations of their accounts among various investment options offered by the Plan.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 5.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions. A Participant may only have one loan outstanding at any time.

Benefit payments

In-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant on incurring a hardship or after reaching age fifty-nine and a half. Upon normal retirement at age sixty-two, disability or death, the participant or beneficiary may receive the value of the account through a lump sum distribution or under a systematic withdrawal plan.

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, disability, or death, may receive the value of their vested account by transfer to another qualified plan or individual retirement account or through a lump sum distribution.

Financial Statements

December 31, 2021, and December 31, 2020

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to Internal Revenue Service ("IRS") penalties unless the distribution is transferred to another qualified plan or individual retirement account.

Forfeitures

Non-vested account balances of terminated employees are forfeited after five consecutive one-year breaks in service, as defined in the plan agreement or the distribution of the entire vested portion of the participant's account whichever is earlier. The employer may use forfeitures to pay Plan expenses or to reduce employer contributions, in a non-discriminatory manner at the discretion of the Plan Administrator, as defined in the plan agreement. As of December 31, 2021, and December 31, 2020, forfeited non-vested accounts totaled \$NIL and \$NIL, respectively. Forfeitures of terminated employees' non-vested accounts totaled \$2,134 during the year 2021 and \$284 during the year 2020. During the year ended December 31, 2021, and December 31, 2020, \$2,134 and \$4,427, respectively, were utilized to reduce employer matching contributions.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting. Investments held by the Plan are reported at fair value.

Use of estimates in financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risks and uncertainties

The Plan provided for various investment options in pooled separate accounts and fixed income guaranteed fund. The Plan's exposure to credit losses in the event of nonperformance of investments is limited to the carrying value of such investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. During the year ended December 31, 2021, and December 31, 2020, net appreciation in the values of investments totaled \$626,686 and \$585,704, respectively. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, participant account balances and the statement of changes in net assets available for benefits.

Notes receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, and December 31, 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. During the year ended December 31, 2021, and December 31, 2020, Plan considered \$6,379 and \$9,594 respectively as deemed distributions.

Investment valuation and income recognition

Investments in pooled separate accounts are valued at fair value as provided by the trustee. Net appreciation in the fair value of investments represent the change in fair value during the year, including realized and unrealized

Bharat Forge America, Inc. 401(k) Plan
Financial Statements
December 31, 2021, and December 31, 2020

gains and losses. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for discussion of fair value measurements.

Investments in fully benefit-responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Basis of fair value measurements

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable. Either directly or indirectly;

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurements, and unobservable.

A financial instrument's level within fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements.

The Company evaluates its financial assets and liabilities subject to fair value measurements on a recurring basis to determine the appropriate level of classification as of each reporting period.

The following is a description of the valuation methods used for Plan assets measured at fair value at December 31, 2021. There were no changes in the methods used at December 31, 2021.

1. *Pooled separate accounts:* Valued at the net asset value (NAV) of units of shares held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled separate accounts, the investment adviser reserves the right to temporarily delay withdrawal from the Plan in order to ensure that securities liquidations will be carried out in an orderly business manner.
2. *Fixed income guaranteed fund:* The fair value of participation units held "AUL Stable Value Fund", are based on contract value, which is obtained on audited information reported by the issuer of the trustee at year-end and is used as a practical expedient.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Contributions

Participant and employer contributions are recorded in the period the employer makes the payroll deduction.

Payment of benefits

Benefits are recorded when paid. Excess participant contributions payable generally represent the distribution of certain assets to employees for the Plan to comply with ERISA nondiscrimination rules.

NOTE 3: INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by AUL, except for comparing such information certified by AUL to information included in the Plan's financial statements for the years ended December 31, 2021, and December 31, 2020, and supplemental information as of and for the year ended December 31, 2021.

NOTE 6: COMPOSITION AND VALUATION OF PLAN INVESTMENT

The Plan entered into a fully benefit-responsive guaranteed investment contract with American United Life Insurance Company. AUL maintains the contributions in a general account and is invested in accordance with AUL's general account investment policy. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statement of net assets available for benefits at contract value, which the Plan Sponsor has determined approximates fair value. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant

Bharat Forge America, Inc. 401(k) Plan
Financial Statements
December 31, 2021, and December 31, 2020

withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021, and December 31, 2020 was \$276,866 and \$462,989 respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on an annual basis for resetting.

NOTE 8: INCOME TAX STATUS

The Plan sponsor entered into a non-standardized adoption agreement of American United Life Insurance Company, a OneAmerica Company's *Prototype Volume Submitter Profit Sharing Plan with CODA* ("the prototype plan"). The prototype plan received a favorable opinion letter from the Internal Revenue Service ("IRS") on *March 31, 2014*, which stated that the prototype plan and related trust were designed in accordance with applicable sections of the IRC. It is the opinion of the Plan trustees and the Plan's attorney that the Plan is in compliance with all applicable laws and regulations.

United States generally accepted accounting principles require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, and December 31, 2020, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9: PARTY-IN-INTEREST TRANSACTIONS

AUL performed trustee services for and sold products to and managed and maintained certain investments of the Plan for which fees are paid by the Company. ERISA Services Inc. provides services to the Plan as a third-party Plan administrator for which administration fees are charged to the Plan. Apart from this the Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. Party-in-interest transactions also include loans made to participants.

Such transactions, while considered party-in-interest transactions under ERISA, are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 10: DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2021, due to unintentional delays the Company deposited payroll withholdings (including loan repayments) amounting to \$NIL (December 2020: \$14,068), after the time frame deemed to be within Department of Labor (“DOL”) regulations for timely remittances. During the Plan year 2021, the Company has made contributions to the affected participant accounts to compensate those participants for lost earnings due to delays using the DOL guidelines for late deposits.

NOTE 11: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 12: IMPACT OF COVID-19

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. Global financial markets have experienced significant volatility resulting from the spread of COVID-19. The extent of the impact of COVID-19 on the Plan's net assets available for benefits, contributions and benefit obligations will depend on future developments, including the duration and continued spread of the outbreak.

NOTE 13: CARES ACT PROVISIONS

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document.

Plan management has adopted certain relief provisions included in the CARES Act; however, its future effects on the Plan's net assets available for benefits and changes in net assets available for benefits are uncertain. The Plan will formally be amended by the end of the 2022 plan year.

NOTE 14: RECLASSIFICATION

Previous year's figures have been restated, regrouped, reworked, or reclassified wherever required, however this has no impact on net assets available for benefits.

NOTE 15: SUBSEQUENT EVENTS

The Plan evaluated all events and transactions that occurred after December 31, 2021, through the date the financial statements were available to be issued. Based on the evaluation, the Plan is not aware of any events or transactions that would require recognition or disclosure in the financial statements.

Report of Independent Auditor

To,
The Participants and the Plan Administrator,
Bharat Forge America, Inc. 401(k) Plan.

Scope and nature of the ERISA Section 103(a)(3)(c) audit of financial statements for the year ended December 31, 2021

We have performed an audit of the financial statements of Bharat Forge America, Inc. 401(k) Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (“2021 financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the auditor’s responsibilities for the audit of the 2021 financial statements section —

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the auditor’s responsibilities for the audit of the 2021 financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section

103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of 2021 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit of financial statements for the year ended December 31, 2021, section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2021 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 financial statements.

2022-248-US

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

Supplemental schedules required by ERISA for the year ended December 31, 2021

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2021, and Schedule H, Part IV, Line 4a – Schedule of delinquent participant contributions for the year ended December 31, 2021 (under supplemental information), are presented for purposes of additional analysis and not a required part of the 2021 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' report on the financial statements for the year ended December 31, 2020

We were engaged to audit the financial statements of the Plan for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 04, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements for the year ended December 31, 2020, and (b) the form and content of the information included in the financial statements for the year ended December 31, 2020, other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1: DESCRIPTION OF PLAN

The following description of the Bharat Forge America, Inc. 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan effective April 01, 2017, as defined in the Employee Retirement Income Security Act of 1974 and is sponsored by Bharat Forge America, Inc. (“the Company/ Plan sponsor”). The Plan is funded by employee and employer contributions and covers substantially all employees of the Company in all age groups. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The plan covers all eligible employees of the adopting employer, Bharat Forge America, Inc. (“the Company”) and participating employers, Bharat Forge PMT Technologies, LLC and Bharat Forge Tennessee, Inc.

Contributions

The plan permits the Pre-tax deferrals, Roth Elective deferrals, Employer matching contribution and Rollover contributions. Union employees, leased employees and nonresident aliens are not eligible for all above contribution types. The Plan includes a provision under Internal Revenue Code (“IRC”) Section 401(k) whereby participants may make pre-tax contributions and Roth Elective deferrals (“deferral contributions”) to the Plan up to 100% of their annual compensation. Annual participant contribution amounts are limited to \$19,500 of salary deferrals for the year ended December 31, 2021 (\$26,000 for participants aged 50 years and over). Participant contributions received during the years ended December 31, 2021, and December 31, 2020, amounted to \$543,249 and \$404,637, respectively.

The participants become eligible for employer matching contributions only if they make deferral contributions. For purposes of determining matching contributions under the Plan, participant contributions will not include age 50 and over catch-up contributions. Employer matching contributions will be allocated to participants’ account in the Plan within prescribed legal time limits.

The employer may make discretionary matching contributions. Discretionary matching contributions, if made, will be computed by the employer based on eligible compensation deferred into the Plan each payroll period. The employer will communicate the amount of any annual discretionary matching contributions to the participants.

The employer may also make discretionary nonelective contributions and qualified nonelective contributions to the Plan. A participant must complete at least 1,000 hours of service during the Plan year and be employed as of the last day of the Plan year to be eligible to receive any nonelective contributions that may be made for that Plan year. A participant need not satisfy this requirement on termination of employment due to death (including death while performing qualified military service), disability or retirement during the Plan year.

At the Plan administrator’s discretion, a participant may deposit rollover contributions from another qualified plan. Rollover contributions are placed in the participant’s account and are subject to the rules for investment established by the Plan administrator.

Bharat Forge America, Inc. 401(k) Plan
Financial Statements
December 31, 2021, and December 31, 2020

Administration

Bharat Forge America, Inc., serves as the Plan administrator. The Plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions, which may affect eligibility for benefits. For the year ended December 31, 2021, and December 31, 2020, the Plan has engaged ERISA Services Inc as third-party plan administrator.

American United Life Insurance Company, a OneAmerica company (“AUL” or “trustee”), served as the trustee of the Plan for the years ended December 31, 2021, and December 31, 2020.

Expenses

The administrative expenses comprise:

	Year ended	
	December 31, 2021	December 31, 2020
Contract administrator fees	3,306	4,712
Total	3,306	4,712

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Also, participant vesting with respect to contribution made by the Plan sponsor to their 401(k) account balances are 100% vested after one year of period of service. Participant will become fully vested upon death and total and permanent disability. For purposes of matching contributions, years of service prior to the time a participant reached eighteen years of age will not be counted for vesting.

Investment options

Participants are required to make participant-directed allocations of their accounts among various investment options offered by the Plan.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 5.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions. A Participant may only have one loan outstanding at any time.

Benefit payments

In-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant on incurring a hardship or after reaching age fifty-nine and a half. Upon normal retirement at age sixty-two, disability or death, the participant or beneficiary may receive the value of the account through a lump sum distribution or under a systematic withdrawal plan.

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, disability, or death, may receive the value of their vested account by transfer to another qualified plan or individual retirement account or through a lump sum distribution.

Bharat Forge America, Inc. 401(k) Plan

Financial Statements

December 31, 2021, and December 31, 2020

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to Internal Revenue Service ("IRS") penalties unless the distribution is transferred to another qualified plan or individual retirement account.

Forfeitures

Non-vested account balances of terminated employees are forfeited after five consecutive one-year breaks in service, as defined in the plan agreement or the distribution of the entire vested portion of the participant's account whichever is earlier. The employer may use forfeitures to pay Plan expenses or to reduce employer contributions, in a non-discriminatory manner at the discretion of the Plan Administrator, as defined in the plan agreement. As of December 31, 2021, and December 31, 2020, forfeited non-vested accounts totaled \$NIL and \$NIL, respectively. Forfeitures of terminated employees' non-vested accounts totaled \$2,134 during the year 2021 and \$284 during the year 2020. During the year ended December 31, 2021, and December 31, 2020, \$2,134 and \$4,427, respectively, were utilized to reduce employer matching contributions.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting. Investments held by the Plan are reported at fair value.

Use of estimates in financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risks and uncertainties

The Plan provided for various investment options in pooled separate accounts and fixed income guaranteed fund. The Plan's exposure to credit losses in the event of nonperformance of investments is limited to the carrying value of such investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. During the year ended December 31, 2021, and December 31, 2020, net appreciation in the values of investments totaled \$626,686 and \$585,704, respectively. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, participant account balances and the statement of changes in net assets available for benefits.

Notes receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, and December 31, 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. During the year ended December 31, 2021, and December 31, 2020, Plan considered \$6,379 and \$9,594 respectively as deemed distributions.

Investment valuation and income recognition

Investments in pooled separate accounts are valued at fair value as provided by the trustee. Net appreciation in the fair value of investments represent the change in fair value during the year, including realized and unrealized

Bharat Forge America, Inc. 401(k) Plan
Financial Statements
December 31, 2021, and December 31, 2020

gains and losses. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for discussion of fair value measurements.

Investments in fully benefit-responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Basis of fair value measurements

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable. Either directly or indirectly;

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurements, and unobservable.

A financial instrument's level within fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements.

The Company evaluates its financial assets and liabilities subject to fair value measurements on a recurring basis to determine the appropriate level of classification as of each reporting period.

The following is a description of the valuation methods used for Plan assets measured at fair value at December 31, 2021. There were no changes in the methods used at December 31, 2021.

1. *Pooled separate accounts:* Valued at the net asset value (NAV) of units of shares held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled separate accounts, the investment adviser reserves the right to temporarily delay withdrawal from the Plan in order to ensure that securities liquidations will be carried out in an orderly business manner.
2. *Fixed income guaranteed fund:* The fair value of participation units held "AUL Stable Value Fund", are based on contract value, which is obtained on audited information reported by the issuer of the trustee at year-end and is used as a practical expedient.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Contributions

Participant and employer contributions are recorded in the period the employer makes the payroll deduction.

Payment of benefits

Benefits are recorded when paid. Excess participant contributions payable generally represent the distribution of certain assets to employees for the Plan to comply with ERISA nondiscrimination rules.

NOTE 3: INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by AUL, except for comparing such information certified by AUL to information included in the Plan's financial statements for the years ended December 31, 2021, and December 31, 2020, and supplemental information as of and for the year ended December 31, 2021.

NOTE 6: COMPOSITION AND VALUATION OF PLAN INVESTMENT

The Plan entered into a fully benefit-responsive guaranteed investment contract with American United Life Insurance Company. AUL maintains the contributions in a general account and is invested in accordance with AUL's general account investment policy. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statement of net assets available for benefits at contract value, which the Plan Sponsor has determined approximates fair value. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant

withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021, and December 31, 2020 was \$276,866 and \$462,989 respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on an annual basis for resetting.

NOTE 8: INCOME TAX STATUS

The Plan sponsor entered into a non-standardized adoption agreement of American United Life Insurance Company, a OneAmerica Company's *Prototype Volume Submitter Profit Sharing Plan with CODA* ("the prototype plan"). The prototype plan received a favorable opinion letter from the Internal Revenue Service ("IRS") on *March 31, 2014*, which stated that the prototype plan and related trust were designed in accordance with applicable sections of the IRC. It is the opinion of the Plan trustees and the Plan's attorney that the Plan is in compliance with all applicable laws and regulations.

United States generally accepted accounting principles require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, and December 31, 2020, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9: PARTY-IN-INTEREST TRANSACTIONS

AUL performed trustee services for and sold products to and managed and maintained certain investments of the Plan for which fees are paid by the Company. ERISA Services Inc. provides services to the Plan as a third-party Plan administrator for which administration fees are charged to the Plan. Apart from this the Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. Party-in-interest transactions also include loans made to participants.

Such transactions, while considered party-in-interest transactions under ERISA, are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 10: DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2021, due to unintentional delays the Company deposited payroll withholdings (including loan repayments) amounting to \$NIL (December 2020: \$14,068), after the time frame deemed to be within Department of Labor (“DOL”) regulations for timely remittances. During the Plan year 2021, the Company has made contributions to the affected participant accounts to compensate those participants for lost earnings due to delays using the DOL guidelines for late deposits.

NOTE 11: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 12: IMPACT OF COVID-19

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. Global financial markets have experienced significant volatility resulting from the spread of COVID-19. The extent of the impact of COVID-19 on the Plan's net assets available for benefits, contributions and benefit obligations will depend on future developments, including the duration and continued spread of the outbreak.

NOTE 13: CARES ACT PROVISIONS

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document.

Plan management has adopted certain relief provisions included in the CARES Act; however, its future effects on the Plan's net assets available for benefits and changes in net assets available for benefits are uncertain. The Plan will formally be amended by the end of the 2022 plan year.

NOTE 14: RECLASSIFICATION

Previous year's figures have been restated, regrouped, reworked, or reclassified wherever required, however this has no impact on net assets available for benefits.

NOTE 15: SUBSEQUENT EVENTS

The Plan evaluated all events and transactions that occurred after December 31, 2021, through the date the financial statements were available to be issued. Based on the evaluation, the Plan is not aware of any events or transactions that would require recognition or disclosure in the financial statements.

Report of Independent Auditor

To,
The Participants and the Plan Administrator,
Bharat Forge America, Inc. 401(k) Plan.

Scope and nature of the ERISA Section 103(a)(3)(c) audit of financial statements for the year ended December 31, 2021

We have performed an audit of the financial statements of Bharat Forge America, Inc. 401(k) Plan (“the Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (“2021 financial statements”).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan’s 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 financial statements

In our opinion, based on our audit and on the procedures performed as described in the auditor’s responsibilities for the audit of the 2021 financial statements section —

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2021 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the auditor’s responsibilities for the audit of the 2021 financial statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section

103(a)(3)(C) audit opinion.

Responsibilities of management for the 2021 financial statements

Management is responsible for the preparation and fair presentation of 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of 2021 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2021 financial statements

Except as described in the scope and nature of the ERISA Section 103(a)(3)(C) audit of financial statements for the year ended December 31, 2021, section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2021 financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 financial statements.

KNAV P.A.

2022-248-US

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

Supplemental schedules required by ERISA for the year ended December 31, 2021

The supplemental schedules of Schedule H, Part IV, Line 4i – Schedule of assets held as of December 31, 2021, and Schedule H, Part IV, Line 4a – Schedule of delinquent participant contributions for the year ended December 31, 2021 (under supplemental information), are presented for purposes of additional analysis and not a required part of the 2021 financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' report on the financial statements for the year ended December 31, 2020

We were engaged to audit the financial statements of the Plan for the year ended December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 04, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements for the year ended December 31, 2020, and (b) the form and content of the information included in the financial statements for the year ended December 31, 2020, other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1: DESCRIPTION OF PLAN

The following description of the Bharat Forge America, Inc. 401(k) Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan effective April 01, 2017, as defined in the Employee Retirement Income Security Act of 1974 and is sponsored by Bharat Forge America, Inc. (“the Company/ Plan sponsor”). The Plan is funded by employee and employer contributions and covers substantially all employees of the Company in all age groups. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The plan covers all eligible employees of the adopting employer, Bharat Forge America, Inc. (“the Company”) and participating employers, Bharat Forge PMT Technologies, LLC and Bharat Forge Tennessee, Inc.

Contributions

The plan permits the Pre-tax deferrals, Roth Elective deferrals, Employer matching contribution and Rollover contributions. Union employees, leased employees and nonresident aliens are not eligible for all above contribution types. The Plan includes a provision under Internal Revenue Code (“IRC”) Section 401(k) whereby participants may make pre-tax contributions and Roth Elective deferrals (“deferral contributions”) to the Plan up to 100% of their annual compensation. Annual participant contribution amounts are limited to \$19,500 of salary deferrals for the year ended December 31, 2021 (\$26,000 for participants aged 50 years and over). Participant contributions received during the years ended December 31, 2021, and December 31, 2020, amounted to \$543,249 and \$404,637, respectively.

The participants become eligible for employer matching contributions only if they make deferral contributions. For purposes of determining matching contributions under the Plan, participant contributions will not include age 50 and over catch-up contributions. Employer matching contributions will be allocated to participants’ account in the Plan within prescribed legal time limits.

The employer may make discretionary matching contributions. Discretionary matching contributions, if made, will be computed by the employer based on eligible compensation deferred into the Plan each payroll period. The employer will communicate the amount of any annual discretionary matching contributions to the participants.

The employer may also make discretionary nonelective contributions and qualified nonelective contributions to the Plan. A participant must complete at least 1,000 hours of service during the Plan year and be employed as of the last day of the Plan year to be eligible to receive any nonelective contributions that may be made for that Plan year. A participant need not satisfy this requirement on termination of employment due to death (including death while performing qualified military service), disability or retirement during the Plan year.

At the Plan administrator’s discretion, a participant may deposit rollover contributions from another qualified plan. Rollover contributions are placed in the participant’s account and are subject to the rules for investment established by the Plan administrator.

Bharat Forge America, Inc. 401(k) Plan
Financial Statements
December 31, 2021, and December 31, 2020

Administration

Bharat Forge America, Inc., serves as the Plan administrator. The Plan administrator has the responsibility to administer the Plan for the exclusive benefit of the participants and their beneficiaries. These duties include, but are not limited to, establishing procedures, maintaining records, interpreting provisions of the Plan, and making determinations regarding questions, which may affect eligibility for benefits. For the year ended December 31, 2021, and December 31, 2020, the Plan has engaged ERISA Services Inc as third-party plan administrator.

American United Life Insurance Company, a OneAmerica company (“AUL” or “trustee”), served as the trustee of the Plan for the years ended December 31, 2021, and December 31, 2020.

Expenses

The administrative expenses comprise:

	Year ended	
	December 31, 2021	December 31, 2020
Contract administrator fees	3,306	4,712
Total	3,306	4,712

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings, and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Also, participant vesting with respect to contribution made by the Plan sponsor to their 401(k) account balances are 100% vested after one year of period of service. Participant will become fully vested upon death and total and permanent disability. For purposes of matching contributions, years of service prior to the time a participant reached eighteen years of age will not be counted for vesting.

Investment options

Participants are required to make participant-directed allocations of their accounts among various investment options offered by the Plan.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 5.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through monthly payroll deductions. A Participant may only have one loan outstanding at any time.

Benefit payments

In-service withdrawals of all or a portion of a participant's vested account balance may be made by a participant on incurring a hardship or after reaching age fifty-nine and a half. Upon normal retirement at age sixty-two, disability or death, the participant or beneficiary may receive the value of the account through a lump sum distribution or under a systematic withdrawal plan.

Participants withdrawing from the Plan due to termination of employment, other than due to retirement, disability, or death, may receive the value of their vested account by transfer to another qualified plan or individual retirement account or through a lump sum distribution.

Distributions from the Plan will normally be subject to income taxes and in certain circumstances may also be subject to Internal Revenue Service ("IRS") penalties unless the distribution is transferred to another qualified plan or individual retirement account.

Forfeitures

Non-vested account balances of terminated employees are forfeited after five consecutive one-year breaks in service, as defined in the plan agreement or the distribution of the entire vested portion of the participant's account whichever is earlier. The employer may use forfeitures to pay Plan expenses or to reduce employer contributions, in a non-discriminatory manner at the discretion of the Plan Administrator, as defined in the plan agreement. As of December 31, 2021, and December 31, 2020, forfeited non-vested accounts totaled \$NIL and \$NIL, respectively. Forfeitures of terminated employees' non-vested accounts totaled \$2,134 during the year 2021 and \$284 during the year 2020. During the year ended December 31, 2021, and December 31, 2020, \$2,134 and \$4,427, respectively, were utilized to reduce employer matching contributions.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting. Investments held by the Plan are reported at fair value.

Use of estimates in financial statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Risks and uncertainties

The Plan provided for various investment options in pooled separate accounts and fixed income guaranteed fund. The Plan's exposure to credit losses in the event of nonperformance of investments is limited to the carrying value of such investments. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risk. During the year ended December 31, 2021, and December 31, 2020, net appreciation in the values of investments totaled \$626,686 and \$585,704, respectively. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits, participant account balances and the statement of changes in net assets available for benefits.

Notes receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021, and December 31, 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document. During the year ended December 31, 2021, and December 31, 2020, Plan considered \$6,379 and \$9,594 respectively as deemed distributions.

Investment valuation and income recognition

Investments in pooled separate accounts are valued at fair value as provided by the trustee. Net appreciation in the fair value of investments represent the change in fair value during the year, including realized and unrealized

Bharat Forge America, Inc. 401(k) Plan
Financial Statements
December 31, 2021, and December 31, 2020

gains and losses. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for discussion of fair value measurements.

Investments in fully benefit-responsive investment contracts are reported at contract value. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Basis of fair value measurements

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable. Either directly or indirectly;

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurements, and unobservable.

A financial instrument's level within fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurements.

The Company evaluates its financial assets and liabilities subject to fair value measurements on a recurring basis to determine the appropriate level of classification as of each reporting period.

The following is a description of the valuation methods used for Plan assets measured at fair value at December 31, 2021. There were no changes in the methods used at December 31, 2021.

1. *Pooled separate accounts:* Valued at the net asset value (NAV) of units of shares held by the Plan. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled separate accounts, the investment adviser reserves the right to temporarily delay withdrawal from the Plan in order to ensure that securities liquidations will be carried out in an orderly business manner.
2. *Fixed income guaranteed fund:* The fair value of participation units held "AUL Stable Value Fund", are based on contract value, which is obtained on audited information reported by the issuer of the trustee at year-end and is used as a practical expedient.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Contributions

Participant and employer contributions are recorded in the period the employer makes the payroll deduction.

Payment of benefits

Benefits are recorded when paid. Excess participant contributions payable generally represent the distribution of certain assets to employees for the Plan to comply with ERISA nondiscrimination rules.

NOTE 3: INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by AUL, except for comparing such information certified by AUL to information included in the Plan's financial statements for the years ended December 31, 2021, and December 31, 2020, and supplemental information as of and for the year ended December 31, 2021.

NOTE 4: INVESTMENTS

A schedule of the fair value of individual investments that comprised 5% or more of the Plan's net assets available for benefits at December 31, 2021 and December 31, 2020 is as follows:

Fund Name	2021		2020	
	Amount in \$	Percentage	Amount in \$	Percentage
Blackrock Life Path Index 2025 Fund	1,209,142	18%	715,642	13%

NOTE 6: COMPOSITION AND VALUATION OF PLAN INVESTMENT

The Plan entered into a fully benefit-responsive guaranteed investment contract with American United Life Insurance Company. AUL maintains the contributions in a general account and is invested in accordance with AUL's general account investment policy. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the group annuity contract. The group annuity contract is presented on the face of the statement of net assets available for benefits at contract value, which the Plan Sponsor has determined approximates fair value. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant

withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021, and December 31, 2020 was \$276,866 and \$462,989 respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on an annual basis for resetting.

NOTE 8: INCOME TAX STATUS

The Plan sponsor entered into a non-standardized adoption agreement of American United Life Insurance Company, a OneAmerica Company's *Prototype Volume Submitter Profit Sharing Plan with CODA* ("the prototype plan"). The prototype plan received a favorable opinion letter from the Internal Revenue Service ("IRS") on *March 31, 2014*, which stated that the prototype plan and related trust were designed in accordance with applicable sections of the IRC. It is the opinion of the Plan trustees and the Plan's attorney that the Plan is in compliance with all applicable laws and regulations.

United States generally accepted accounting principles require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, and December 31, 2020, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9: PARTY-IN-INTEREST TRANSACTIONS

AUL performed trustee services for and sold products to and managed and maintained certain investments of the Plan for which fees are paid by the Company. ERISA Services Inc. provides services to the Plan as a third-party Plan administrator for which administration fees are charged to the Plan. Apart from this the Company provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged. Party-in-interest transactions also include loans made to participants.

Such transactions, while considered party-in-interest transactions under ERISA, are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 10: DELINQUENT PARTICIPANT CONTRIBUTIONS

During the year ended December 31, 2021, due to unintentional delays the Company deposited payroll withholdings (including loan repayments) amounting to \$NIL (December 2020: \$14,068), after the time frame deemed to be within Department of Labor (“DOL”) regulations for timely remittances. During the Plan year 2021, the Company has made contributions to the affected participant accounts to compensate those participants for lost earnings due to delays using the DOL guidelines for late deposits.

NOTE 11: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 12: IMPACT OF COVID-19

In December 2019, an outbreak of a novel strain of coronavirus (COVID-19) emerged globally. Global financial markets have experienced significant volatility resulting from the spread of COVID-19. The extent of the impact of COVID-19 on the Plan's net assets available for benefits, contributions and benefit obligations will depend on future developments, including the duration and continued spread of the outbreak.

NOTE 13: CARES ACT PROVISIONS

On March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to employer contributions, distributions, and participant loans. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document.

Plan management has adopted certain relief provisions included in the CARES Act; however, its future effects on the Plan's net assets available for benefits and changes in net assets available for benefits are uncertain. The Plan will formally be amended by the end of the 2022 plan year.

NOTE 14: RECLASSIFICATION

Previous year's figures have been restated, regrouped, reworked, or reclassified wherever required, however this has no impact on net assets available for benefits.

NOTE 15: SUBSEQUENT EVENTS

The Plan evaluated all events and transactions that occurred after December 31, 2021, through the date the financial statements were available to be issued. Based on the evaluation, the Plan is not aware of any events or transactions that would require recognition or disclosure in the financial statements.
