INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Oregon Community Credit Union 401(k) Plan & Trust
Eugene, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Oregon Community Credit Union 401(k) Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Oregon Community Credit Union 401(k) Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Oregon Community Credit Union 401(k) Plan & Trust's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Oregon Community Credit Union 401(k) Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Oregon Community Credit Union 401(k) Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the table of contents as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Oregon Community Credit Union 401(k) Plan & Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements; and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Oregon Community Credit Union 401(k) Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Oregon Community Credit Union 401(k) Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Oregon Community Credit Union 401(k) Plan & Trust's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Oregon Community Credit Union 401(k) Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Oregon Community Credit Union 401(k) Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the table of contents as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Oregon Community Credit Union 401(k) Plan & Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements; and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

OREGON COMMUNITY CREDIT UNION 401(k) PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

1. Plan Description

The following description of Oregon Community Credit Union 401(k) Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions. The Plan's most recent restatement was effective January 1, 2015.

General

The Plan is a defined-contribution plan covering employees of Oregon Community Credit Union (the Company). Employees are eligible to participate in the salary-deferral feature of the Plan the first day of the month following their date of hire and if they have attained 18 years of age. The Company has adopted a Safe Harbor plan. Under the Plan, employees are eligible for Company Safe Harbor contributions and other matching contributions on the first day of the month following six consecutive months of employment and have attained 18 years of age. Temporary-basis and leased employees are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute pre-tax and/or after-tax (Roth) compensation, up to the limits provided by the Internal Revenue Code (IRC). Individuals who have attained the age of 50 may make additional "catch-up" contributions. Employees may also contribute amounts representing distributions from other qualified plans or IRAs (rollovers). These contributions shall be fully vested at all times.

The Company matches the participants' elective contributions up to 150 percent of the elective contributions not to exceed 6 percent of the participant's eligible compensation, a maximum total match of 9 percent of a participant's eligible compensation. The first 4.5 percent of Company contributions is considered a Safe Harbor matching contribution and the next 4.5 percent is considered an other fixed matching contribution.

Participants' Accounts

Each participant's account is credited with the participant's contribution, an allocation of any Company contributions, and an allocation of the Plan earnings and expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the investment of their accounts between several investment alternatives available within the Plan.

Vesting

Participants are immediately vested in their participant contributions and Safe Harbor matching contributions plus the actual earnings thereon.

OREGON COMMUNITY CREDIT UNION 401(k) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Vesting, continued

All other Company contributions, other than Safe Harbor matching contributions are vested as follows:

<u>Plan Years of Service</u>	<u>Vested Interest</u>
1	0%
2	25%
3	50%
4	100%

Forfeitures

Amounts that are not fully vested when participants terminate from the Plan are forfeited and used to offset Company contributions and pay Plan expenses. Non-vested balances totaling \$44,644 and \$74,194 were forfeited for the Plan years ended December 31, 2021 and 2020, respectively. For the years ended December 31, 2021 and 2020, \$66,069 and \$59,763, respectively, of forfeited amounts were used to offset Company contributions and pay Plan expenses, net of earnings on forfeitures and other adjustments. Forfeited accounts totaling \$25,195 and \$46,620 at December 31, 2021 and 2020, respectively, were available to pay Plan expenses and offset Company contributions.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 or up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance, whichever is less. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant's loan fund. Loan terms range up to 5 years or up to 30 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and will bear a rate of interest of prime at the time of the loan plus 1 percent. Principal and interest will be repaid ratably through semi-monthly or monthly payroll deductions. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

As a result of the Coronavirus Aid, Relief and Economic Security Act (the CARES Act) signed into law on March 27, 2020, the maximum loan amount increased to the lesser of \$100,000 or 100 percent of a participant's vested balance. This temporary relief only applies to loans initiated through September 22, 2020.

Payments of Benefits

Upon retirement, disability, death, or termination of employment, a participant may elect to receive the vested value of his or her account by either a single, lump-sum payment or a single or joint and survivor annuity. Effective for distributions beginning May 1, 2020, the annuity payment option was eliminated for participants without funds transferred to the Plan from the former pension plan.

Under the CARES Act, signed into law on March 27, 2020, qualifying participants affected by the COVID-19 coronavirus pandemic were eligible to take early withdrawals up to \$100,000, subject to special rules under the CARES Act.

OREGON COMMUNITY CREDIT UNION 401(k) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Administrative Expenses and Fees

Certain administrative expenses of maintaining the Plan are paid from the Plan assets. Certain other administrative expenses, other than investment administration, are paid by the Company and are therefore excluded from these financial statements. Investment related expenses are included in net change in fair value of investments.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 8 for additional information on fair value measurements.

Interest and dividend income are recorded on the accrual basis. Purchases and sales of securities are recorded on a trade-date basis. Net change in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan's investments in guaranteed interest contracts, which are not fully benefit-responsive, are reported at fair value (see Note 3).

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid, principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

OREGON COMMUNITY CREDIT UNION 401(k) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

3. Guaranteed Interest Accounts

The Plan had two guaranteed interest contracts with terms of three and five years with John Hancock Life Insurance Company. The accounts were credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contracts are included in the financial statements at fair value, as reported to the Plan by John Hancock Life Insurance Company.

The guaranteed investment contracts are not considered to be fully benefit-responsive and should accordingly be recorded at fair value. There are no reserves against fair value for credit risk of the contract issuer or otherwise. There is no minimum interest crediting rate stipulated in the contract. Interest rates are reviewed on a monthly basis for resetting.

These contracts were liquidated on December 31, 2021 as a result of the transfer to Empower Retirement, further discussed in Note 9.

4. Information Prepared and Certified by Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Life Insurance Company, acting as the custodian of the Plan, has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate as of and for the years ended December 31:

	2021	2020
Investments, at fair value:		
Registered investment companies	\$ -	\$ 43,942,197
Guaranteed interest accounts	-	302,624
Notes receivable from participants	904,371	943,671
Net change in fair value of investments	6,208,759	6,389,579
Interest income	3,485	4,379
Interest on notes receivable from participants	44,136	43,511

5. Plan Termination

Although the Company has not expressed any intent to discontinue its contributions and terminate the Plan, it may do so at any time subject to the provisions set forth in ERISA. In the event of full or partial Plan termination, affected participants will become 100 percent vested in their accounts.

6. Tax Status

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated September 15, 2015, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended, the Plan Administrator and the Plan's tax counsel believe the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore believe the Plan is qualified and is exempt from income taxes.

OREGON COMMUNITY CREDIT UNION 401(k) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

6. Tax Status, continued

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the relevant taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

7. Party in Interest Transactions

Certain Plan investments are registered investment companies and guaranteed interest accounts managed by John Hancock Life Insurance Company. John Hancock Life Insurance Company is the custodian of the Plan and therefore these transactions qualify as party in interest transactions and are exempt from the prohibited transaction rules of ERISA. Administration fees paid to John Hancock Life Insurance Company totaled \$65,549 and \$55,975 for the years ended December 31, 2021 and 2020, respectively.

8. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

OREGON COMMUNITY CREDIT UNION 401(k) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

8. Fair Value Measurements, continued

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies: The Plan's investments are units of mutual funds held within a group annuity contract. These funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and considered to have a readily determinable fair value.

Guaranteed interest accounts: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair value. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no assets valued in the fair value hierarchy as of December 31, 2021 as all investments previously held at fair value were in transit as of year end and included in uninvested cash.

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 43,942,197	\$ -	\$ -	\$ 43,942,197
Guaranteed interest accounts	-	302,624	-	302,624
Total assets at fair value	<u>\$ 43,942,197</u>	<u>\$ 302,624</u>	<u>\$ -</u>	<u>\$ 44,244,821</u>

9. Transfer of Assets

During the year ended December 31, 2021, the Plan elected to change record-keepers, which resulted in the transfer of Plan assets from John Hancock Life Insurance Company (John Hancock) to Empower Retirement Financial Services Company (Empower Retirement). On December 31, 2021, the Plan's assets were liquidated and transferred from John Hancock to Empower Retirement, and at December 31, 2021 the Plan's assets were held in a non-interest-bearing cash account. On January 3, 2022, the assets were received by Empower Retirement and re-invested and allocated to the participants' accounts. The amounts transferred totaled \$50,017,629, which included notes receivable from participants of \$904,371 and cash and investment assets of \$49,113,258 which have been reported as uninvested cash on the statement of net assets available for benefits at December 31, 2021.

OREGON COMMUNITY CREDIT UNION 401(k) PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS

10. Risk and Uncertainties

The Plan provides for various investment options that have different investment strategies. These investments are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

11. Reclassifications

Certain amounts in the 2020 financial statements have been reclassified to conform to the current year presentation. Such reclassifications had no effect on previously stated net assets available for benefits or changes in net assets available for benefits.

12. Subsequent Events

Management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.
