# INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
**ACR Electronics Inc. Employee Savings Plan**

## *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements*

We have performed an audit of the financial statements of ACR Electronics Inc. Employee Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## *Opinion on the 2021 Financial Statements*

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of ACR Electronics Inc. Employee Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about ACR Electronics Inc. Employee Savings Plan's ability to continue as a going concern for within one year after the date the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of ACR Electronics Inc. Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matters***

***2021 Supplemental Schedules Required by ERISA***

The Supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 and the Supplemental Schedule of Delinquent Participant Contributions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Auditors' Report on the 2020 Financial Statements***

We were engaged to audit the 2020 financial statements of ACR Electronics Inc. Employee Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (*a*) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (*b*) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the ACR Electronics, Inc. Employee Savings Plan (the "Plan") provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

### *GENERAL*

The Plan is a defined contribution profit sharing plan, established on September 1, 2009, covering all full-time employees of ACR Electronics, Inc. and certain related companies (collectively, the "Company", "Plan Sponsor" or "Employer") who are not employed exclusively by a foreign subsidiary or who are not identified as leased employees as per the Plan Document. There is no age or service requirement to participate in the plan, where participants are eligible on the date they are hired and enrolled on the first of the month subsequent the hire date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

On May 11, 2021, the Plan Sponsor adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA (the "Pre-Approved Plan" or "Plan Document"). This adoption did not substantially change the Plan provisions as disclosed in the notes to these financial statements.

Custody of the Plan's investments are entrusted to Fidelity Management Trust Company ("Fidelity") (the "Trustee"). The Trustee holds the Plan's assets and also performs certain administrative services including the maintenance of certain participant records.

The plan administrator is responsible for the oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

### *CONTRIBUTIONS*

Each year, participants may contribute up to 90% of their eligible annual compensation, as defined in the Plan Document, subject to the maximum deferral amount allowed by the Internal Revenue Code ("IRC") on a pre-tax or post-tax basis. Under the IRC, the maximum deferral allowed was $19,500 for 2021. Additionally, participants fifty years of age or older as of December 31, 2021 are eligible to make catch-up contributions ($6,500 in 2021). Participants may also contribute amounts representing distributions from other qualified plans ("Rollovers").

## NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

### *CONTRIBUTIONS (CONTINUED)*

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Participants that do not elect otherwise are automatically enrolled with a deferral rate set at 3% of eligible compensation and their contributions are invested in a designated lifecycle fund until changed by the participant. Pursuant to the Plan Document, the base contribution rate of 3% is annually increased 1% on April 1st of every year, unless otherwise specified by the Plan participant. The auto increase Plan feature is capped at 6% of eligible annual employee compensation.

The Plan Document allows the Company to make discretionary matching contributions and/or discretionary non-elective contributions (profit-sharing). In addition, the Plan Document allows the Company to make discretionary contributions to all eligible participants of the Plan and/or to a designated group of eligible participants as long as the eligible participants in a group receive a rate or amount that is identical to the rate or amount received by all other eligible participants in that designated group. During the year ended December 31, 2021, employees of Drew Marine Inc., a prior employer in the Plan (considered a designated group), that were hired prior to January 1, 2016, received discretionary matching contributions at the rate of 110% of the first 5% of the participant's eligible compensation contributed to the Plan. All other employees received discretionary matching contributions at the rate of 50% of the first 6% of the participant's eligible compensation contributed to the Plan. No discretionary non-elective contributions were made to the Plan for the year ended December 31, 2021.

### *INVESTMENT OPTIONS*

Upon enrollment in the Plan, a participant may direct their contributions plus actual earnings thereon to be invested in any of the investment options offered by the Plan. Participants may change their investment options daily. If the participant decides not to direct their contributions, they are automatically directed into a Qualified Default Investment Alternative ("QDIA").

### *PARTICIPANT ACCOUNTS*

Each participant's account is credited with the participant's contributions (including Rollovers), allocations of the Company's discretionary matching contributions and discretionary non-elective contributions, if any, and Plan earnings or losses, net of administrative expenses incurred by the participant. Each participant's account is reduced by any withdrawals or distributions directly associated with the participant. Allocations are based on participant earnings (losses), account balances, or specific participant transactions, as defined by the Plan Document.

## NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

### *PARTICIPANT ACCOUNTS (CONTINUED)*

The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account balance.

### *VESTING*

Effective January 2, 2019, participants are immediately vested in their individual contributions including Rollovers, Company discretionary matching contributions and Company discretionary non-elective contributions, if any, and plus actual earnings thereon.

### *NOTES RECEIVABLE FROM PARTICIPANTS*

Participants may borrow from their Plan accounts, for any purpose, an amount from a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Participants are limited to a maximum of one loan outstanding at any time. Loan terms range from one to five years, except for the purchase of a primary residence for which the term may be up to ten years. The loans are secured by the participant's account balance and bear a reasonable rate of interest commensurate with the prevailing rates charged by individuals in the business of originating loans under similar circumstances. As of December 31, 2021, interest rates on outstanding notes receivable from participants range from 4.25% to 6.50%. Principal and interest is paid by the participants ratably through payroll deductions.

During 2020, the Plan adopted the Coronavirus Aid, Re1ief. and Economic Security Act ("CARES Act"), which was signed into law on March 27, 2020. Pursuant to the CARES Act, Plan participants could request a delay of note repayments that occurred between March 27, 2020 and December 31, 2020 for one year. Such participant notes are re-amortized and included any interest accrued during the period of delay. The ability to request a delay in note repayments under the CARES Act ceased as of December 31, 2020. Additionally, the CARES Act temporarily permitted Plan participants to take loans during the 180 day period starting on the date of enactment, up to the lessor of either $100,000 or 100% of the participant' s vested account balance.

### *PAYMENT OF BENEFITS*

Upon termination of service due to death, disability or retirement at normal retirement age as stipulated in the Plan Document, a participant may elect to receive an amount equal to the value of the participant's interest in his or her account in either a lump-sum amount or installment payments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

## NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

### *PAYMENT OF BENEFITS (CONTINUED)*

During 2020, the Plan adopted the Setting Every Community Up for Retirement Enhancement Act ("SECURE Act"), which was signed into law on January 1, 2020. The SECURE Act changes the minimum distributions age from when distributions must begin from 70 ½ to 72.

Pursuant to the CARES Act, participants who were currently receiving required minimum distributions were offered the option to waive their 2020 distribution and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. The ability to request special waivers with respect to required minimum distributions under the CARES Act ceased as of December 31, 2020. Additionally, the CARES Act permitted Plan participants to request up to $100,000 in coronavirus-related distributions, with repayment terms of up to three years. The ability to request coronavirus-related distributions under the CARES Act ceased as of December 31, 2020.

### *HARDSHIP WITHDRAWALS*

A participant who is experiencing a financial hardship, as defined in the Plan Document, may request a withdrawal of all or any portion of such participant's salary deferral contributions or Rollovers, including earnings, if any. For the year ended December 31, 2021, hardship withdrawals amounted to approximately $47,000, which is included in benefits paid to participants in the accompanying Statement of Changes in Net Assets Available for Benefits.

### *FORFEITURES*

Forfeitures, prior to participants becoming fully vested on January 2, 2019, are created when participants terminate participation in the Plan before becoming fully vested in the Company discretionary matching and non-elective (i.e. profit sharing) contributions under the Plan. Forfeitures are retained in the Plan and may first be used to pay administrative expenses. Any remaining amounts may be used to reduce future Company discretionary matching and non-elective (i.e. profit sharing) contributions under the Plan. As of December 31, 2021 and 2020, forfeited non-vested accounts held in the Plan amounted to approximately $108,000 and $91,000, respectively. The Plan did not utilize forfeitures during the year ended December 31, 2021.

## NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

### *EXCESS CONTRIBUTIONS PAYABLE*

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022, in addition to the lost earnings. The Plan did not distribute the 2020 excess contributions to the applicable participants prior to March 15, 2021. In June 2021, the Plan remitted these excess contributions, in addition to the applicable excise taxes and lost earnings, to the applicable participants.

## NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### *BASIS OF ACCOUNTING*

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

### *USE OF ESTIMATES*

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### *INVESTMENT VALUATION AND INCOME RECOGNITION*

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the Plan's trustee. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's net gains and losses on investments bought and sold as well as held during the year. All gains and losses are reported in the accompanying Statement of Changes in Net Assets Available for Benefits.

## NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### *NOTES RECEIVABLE FROM PARTICIPANTS*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2021 and 2020.

### *PAYMENT OF BENEFITS*

Benefits are recorded when paid.

### *ADMINISTRATIVE EXPENSES*

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

### *RECENTLY ADOPTED ACCOUNTING PRONOUNCEMENT*

In August 2018, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2018-13, *Fair Value Measurement* (Topic 820) *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurement,* which modifies the disclosure requirements on fair value measurements under Accounting Standards Codification ("ASC") Topic No. 820, *Fair Value Measurements and Disclosures*, as amended. For nonpublic companies, ASU 2018-13 removes (a) the prior requirement to disclose the amount and reason for transfers between Level 1 and Level 2 of the fair value hierarchy, (b) the policy for timing of transfers between levels, (c) the valuation process used for Level 3 fair value measurements, and (d) the requirement to disclose changes in unrealized gains and losses for the period included in earnings for recurring Level 3 fair value measurements. For nonpublic companies, ASU 2018-13 also adds, among other things, a requirement to disclose transfers into and out of Level 3 of the fair value hierarchy, and purchases and issuances of Level 3 assets and liabilities, rather than reconcile the opening balances to the closing balances of recurring Level 3 fair value measurements. This amendment is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. Early adoption was permitted upon issuance of ASU 2018-13. The Plan adopted ASU 2018-13 effective January 1, 2020; however, it did not have a significant impact on the Plan's financial statements.

## NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### *SUBSEQUENT EVENTS*

The Plan has evaluated subsequent events through October 5, 2022, the date the financial statements were available to be issued.

## NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule of assets (held at end of year) as of December 31, 2021, including investments and notes receivables from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity Management Trust Company (the trustee of the Plan). This information has not been audited by the Plan's independent auditors.

## NOTE 4 – RISKS AND UNCERTAINTIES

The Plan has investments in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonable possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. The plan administrator, through its investment advisor, monitors the Plan's investments and the risks associated therewith on a regular basis, which the plan administrator believes minimizes these risks.

## NOTE 5 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurements and Disclosures*, are described as follows:

**NOTE 5 – FAIR VALUE MEASUREMENTS (CONTINUED)**

***Level 1***
Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

***Level 2***
Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

***Level 3***
Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

***Mutual Funds***
Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

***Collective Trust Fund***
Valued on the basis of the relative interest of each participating investor in the fair value of the underlying assets of the collective trust fund. The underlying assets are valued based on the NAV as provided by the investment account manager. The NAV is used as a practical expedient to estimate fair value.

**NOTE 5 – FAIR VALUE MEASUREMENTS (CONTINUED)**

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

| | As of December 31, 2021 | | | |
|---|---|---|---|---|

***FAIR VALUE OF INVESTMENTS THAT CALCULATE NAV (PRACTICAL EXPEDIENT)***

The following table summarizes investments for which fair value is measured using NAV per share practical expedient as of December 31, 2021 and 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

| December 31, 2021 | Fair Value | Unfunded Commitment | Redemption Frequency (if Currently Eligible) | Redemption Notice Period |
|---|---|---|---|---|
| Fidelity Managed Income Portfolio II Class I | $1,524,762 | None | Daily | 12 months |

## NOTE 5 – FAIR VALUE MEASUREMENTS (CONTINUED)

***FAIR VALUE OF INVESTMENTS THAT CALCULATE NAV (PRACTICAL EXPEDIENT) (CONTINUED)***

| December 31, 2020 | Fair Value | Unfunded Commitment | Redemption Frequency (if Currently Eligible) | Redemption Notice Period |
|---|---|---|---|---|
| Fidelity Managed Income Portfolio II Class I | $1,907,934 | None | Daily | 12 months |

## NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments include mutual funds and a collective trust fund that are managed by Fidelity, the trustee of the Plan. Therefore, all activities related to these investments are considered to be party-in-interest transactions. For the year ended December 31, 2021, fees charged to the Plan by Fidelity for administrative services, participant loan setup and maintenance totaled approximately $24,000. These transactions qualify as party-in-interest transactions, which are exempt from prohibited transaction rules.

## NOTE 7 – TAX STATUS

On May 11, 2021, the Plan Sponsor adopted a Pre-Approved Plan which received a favorable opinion letter from the Internal Revenue Service ("IRS") dated June 30, 2020, which stated that the Pre-Approved Plan and related trust, as then designed, are in accordance with applicable sections of the IRC. The Plan has been amended and certain provisions have been adopted since receiving the opinion letter. The Plan Administrator believes that the Plan is designed and is currently being operating in compliance with the applicable requirements of the IRS and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

## NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA.

## NOTE 9 – PROHIBITED TRANSACTIONS

During 2021, 2020 and 2019, participant contributions totaling approximately $201,000, $366,000, and $338,000, respectively, were not remitted timely to the Plan. The DOL requires that participant contributions be remitted to the Plan on the earliest date on which they can be reasonably segregated from the Company's general assets. Failure to remit such contributions to the Plan in a timely manner results in a prohibited transaction which must be separately reported to the DOL and may result in penalties to the Company. During January 2022, the Plan corrected the participant contributions and respective lost interest earnings related to the 2020 untimely remittances. During April 2021, the Plan corrected the participant contributions and respective lost interest earnings related to the 2019 untimely remittances. The accompanying Supplemental Schedule H, Line 4a - Schedule of Delinquent Participant Contributions presents the prohibited transactions of the Plan.

## NOTE 10 – SUBSEQUENT EVENT

On February 1, 2022, the Plan Sponsor amended the Plan Document to include FreeFlight Acquisition Corporation d/b/a FreeFlight Systems as a participating employer, as a result of the merger of the FreeFlight Systems 401(k) Plan into the Plan effective February 1, 2022.

Additionally, on June 1, 2022, the Plan Document was amended in order to incorporate allowable usages for received service provider credits.
