Independent Auditors' Report

To the Plan Administrator
Korth Transfer 401(k) Plan
Reedsburg, Wisconsin

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit Of The 2021 Financial Statements

We have performed an audit of the financial statements of the Korth Transfer 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion On The 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion On The 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The 2021 Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit Of The 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required By ERISA

The supplemental schedule of Schedule H, Line 4i Schedule of Assets Held as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Auditors' Report On The 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

KORTH TRANSFER 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

1. Description Of The Plan

The following description of the Korth Transfer 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan covering substantially all employees of LLB Investments, LLC d/b/a Korth Transfer (the Employer) who have attained age 18 and completed one month of service, other than nonresident aliens and part time, temporary or seasonal employees who work less than 1,000 hours of service in the eligibility computation period. In addition, employees of Hagen Johnson Group, Hagen Trucking and Hagen Logistics, LLC d/b/a Liquid Freight (through August 3, 2021), controlled group members, are not eligible to participate. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Employer acquired Lowell C. Hagen Trucking Inc. and the employees of Lowell C. Hagen Trucking Inc. became immediately eligible to participate in the Plan upon their first workday, effective January 1, 2021. As a result, the 401(k) plan of Lowell C. Hagen, Trucking Inc. was merged into the Plan and assets of \$252,052 were transferred to the Plan on March 1, 2021.

Effective August 4, 2021, the Plan added Hagen Logistics, LLC d/b/a Liquid Freight as a participating employer to the Plan. The plan document was amended to remove the exclusion of these employees for eligibility purposes and prior service with Hagen Logistics, LLC d/b/a Liquid Freight was credited as service under the Plan. As a result, the 401(k) plan of Hagen Logistics, LLC d/b/a Liquid Freight was merged into the Plan and assets of \$140,650 were transferred to the Plan on August 4, 2021.

Contributions

Participants may contribute up to 100% of eligible compensation in the form of pre-tax or after-tax (ROTH) contributions not to exceed Internal Revenue Code (IRC) limits. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Under the provisions of the Plan, the Employer has the option to make discretionary matching contributions equal to a percentage of eligible participants' elective deferral contributions. Participants, other than employees eligible covered by a collective bargaining agreement, are eligible for the discretionary matching contributions upon becoming eligible to make elective deferral contributions. The Employer elected to make matching contributions equal to 35% of 1% of the first 8% of compensation deferred by each participant for the year ended December 31, 2021.

KORTH TRANSFER 401(K) PLAN

Notes To Financial Statements (*Continued*)

Under the provisions of the Plan, the Employer makes a profit-sharing contribution to collective bargaining employees in the amount required by the collective bargaining agreement. For the year ended December 31, 2021, the weekly employer profit-sharing contribution was \$69 for the period from January 1, 2021 through June 12, 2021 and \$52.50 for the period June 13, 2021 through December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions and employer discretionary matching and profit-sharing contributions as well as allocations of the Plan's earnings and expenses. Allocations are based on the participant's eligible compensation, the value of the account balances or specific participant transactions, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their rollover, voluntary and employer discretionary matching and profit-sharing contributions, plus actual earnings thereon.

Hardship Withdrawals

Participants may elect to withdraw all or a portion of their vested account balance if they incur a financial hardship. Hardship withdrawals are subject to the terms of the plan agreement and provisions of the IRC.

Payments Of Benefits

Upon termination of service due to death, disability or retirement, participants with an account balance greater than \$1,000 may elect to receive either a lump-sum amount equal to the value of their account, receive installments over a period of time or may elect to leave their balance in the Plan subject to minimum distribution requirements. Participants with a vested balance of \$1,000 or less will receive a lump-sum payment upon termination.

In-Service Withdrawals

Active participants who reach age 59½ may withdraw all or part of their vested accounts.

Forfeited Accounts

At December 31, 2021, forfeited accounts totaled \$1,730. These accounts may be used to reduce future employer contributions or offset administrative expenses. During the year ended December 31, 2021, there were no forfeitures used.

KORTH TRANSFER 401(K) PLAN

Notes To Financial Statements (*Continued*)

2. Summary Of Accounting Policies

Basis Of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use Of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan's valuation policies utilizing information provided by the investment advisor and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Payment Of Benefits

Benefit payments to participants are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued.

KORTH TRANSFER 401(K) PLAN

Notes To Financial Statements (*Continued*)

3. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020 and net appreciation in fair value of investments for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (U.S.A.) (John Hancock), the custodian of the Plan.

4. Fair Value Measurements

The Plan's investments are reported at fair value in the financial statements. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset or liability, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset or liability based on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset or liability based on the best information available.

A three-tier hierarchy categorizes the inputs as follows:

Level 1 – Quoted prices unadjusted in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in markets that are not active, inputs other than quoted prices that are observable for the asset or liability and market-corroborated inputs.

Level 3 – Unobservable inputs for the asset or liability. In these situations, inputs are developed using the best information available in the circumstances.

In some cases, the inputs used to measure the fair value of an asset or a liability might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to the entire measurement requires judgment, taking into account factors specific to the asset or liability. The categorization within the hierarchy is based upon the pricing transparency of the asset or liability and does not necessarily correspond to our assessment of the quality, risk or liquidity profile of the asset or liability.

KORTH TRANSFER 401(K) PLAN

Notes To Financial Statements (*Continued*)

Pooled separate accounts are valued at the net asset value (NAV) per unit based on either the observable NAV of the underlying investment or the NAV of the underlying pool of securities. NAV is based on the value of the underlying assets owned by the fund, minus its liabilities and then divided by the number of shares outstanding. Each pooled separate account's underlying asset is composed of an individual mutual fund or collective investment trust and is deemed to be actively traded.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

The fair value of pooled separate accounts at December 31, 2021 and 2020 was \$4,703,073 and \$3,839,711, respectively, and are Level 1 assets within the fair value hierarchy.

The method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain investments could result in a different fair value measurement at the reporting date.

5. Related-Party And Party-In-Interest Transactions

Certain plan investments are shares of pooled separate accounts under a group annuity contract managed by John Hancock, the custodian, as defined by the Plan. Therefore, these transactions qualify as party-in-interest transactions.

6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

7. Tax Status

The Employer has adopted a volume submitter profit-sharing plan sponsored by Northwestern Wisconsin Associates. The volume submitter plan received a favorable opinion letter effective March 31, 2014 from the Internal Revenue Service regarding the volume submitter plan's qualified status. The Plan has been amended since receiving the opinion letter; however, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

KORTH TRANSFER 401(K) PLAN

Notes To Financial Statements (*Continued*)

Management has determined that the Plan does not have any uncertain tax positions and associated unrecognized benefits that materially impact the financial statements and related disclosures.

8. Risks And Uncertainties

The Plan invests in a variety of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

9. Subsequent Events

Effective January 1, 2022, the Employer amended and restated its plan document. As part of the restatement, the provisions for measuring services were changed from an hours equivalency to the elapsed time method, whereby eligibility service will be measured using the exact date in months.

Effective June 1, 2022, Lowell C. Hagen, Inc. d/b/a Hagen Johnson Trucking was added as a participating employer.
