INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of
1A Auto, Inc. 401(k) Profit Sharing Plan & Trust
Nashua, New Hampshire

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of **1A Auto, Inc. 401(k) Profit Sharing Plan & Trust**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits - modified cash basis as of December 31, 2021, and the related statement of changes in net assets available for benefits - modified cash basis for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of **1A Auto, Inc. 401(k) Profit Sharing Plan & Trust** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respects to that matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **1A Auto, Inc. 401(k) Profit Sharing Plan & Trust's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **1A Auto, Inc. 401(k) Profit Sharing Plan & Trust's** internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **1A Auto, Inc. 401(k) Profit Sharing Plan & Trust's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of modified basis of accounting as described in Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with modified basis of accounting as described in Note 2.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - 2021 Supplemental Schedules Required by ERISA

The supplemental schedule of Form 5500 – Schedule H, Line 4i – Schedule of Assets (Held at End of Year) and Schedule H, line 4a - Schedule of Delinquent Participant Contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matters - Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of **1A Auto, Inc. 401(k) Profit Sharing Plan & Trust**. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1A AUTO, INC. 401(K) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements
For the Years Ended December 31, 2021 and 2020

1. Description of the Plan

The following description of 1A Auto, Inc. 401(k) Profit Sharing Plan & Trust (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan, covering all employees of 1A Auto, Inc. (the “Company”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Company has appointed an executive as trustee of the Plan. He is responsible for oversight of the Plan, determine the appropriateness of the Plan’s investment offerings, and monitor investment performance.

In January 2020, Congress passed the Setting Every Community Up for Retirement Enhancement Act of 2020 (“SECURE”) that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act became effective on January 1, 2020 and require significant changes to plan administration and recordkeeping.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act (the “CARES Act”) was signed into law and has been adopted by the Company. The following changes have been made to the Plan:

- For new loans between March 27, 2020 and September 23, 2020, the maximum loan amount was increased to the lesser of 100% of participant’s vested balance or \$100,000 and repayment can be deferred for up to one year.
- For existing loans between March 27, 2020 and December 31, 2020, repayment can be deferred for up to one year, interest on the balance will continue to accrue and the maximum 5-year loan term is disregarded for the one-year deferral.
- Between January 1, 2020 and December 31, 2020, eligible participants may take a Coronavirus related distribution, penalty free up to the lesser of 100% of their vested account balance or \$100,000.
- Required minimum distributions from the Plan have been waived for 2020.

The Consolidated Appropriations Act of 2021 was signed into law on December 27, 2020 which includes a temporary rule that prevents partial plan terminations for qualified retirement plans in certain circumstances.

Eligibility

All employees of the Company who have reached the age of eighteen (18) years old and have completed two consecutive months of service or one year of service, if earlier, are eligible to participate in the Plan. Entry dates are the first day of the month coinciding with or following satisfaction of eligibility requirements.

1. Description of the Plan (Continued)

Participant Contributions

Participants may contribute to the Plan an amount up to 86% of their annual pre or post tax compensation, as defined by the Plan document and limited by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their deferral contributions and any Company matching contributions in various mutual funds or a guaranteed interest account offered by The Standard Insurance Company.

Employer Contributions

The Company will match 1% dollar for dollar and \$.50 for every dollar up to 6% (effectively 3.5%) of eligible participants' compensation for the plan year. The Company may also contribute from net income such amounts as its Board of Directors may determine annually as a profit-sharing contribution. There were no profit-sharing contributions in 2021 and 2020.

Total employer safe harbor contributions paid into the Plan amounted to \$529,052 and \$464,383 in 2021 and 2020, respectively.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contribution, the employer's contribution, and an allocation of plan earnings. Participant accounts are charged with an allocation of the administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting and Forfeitures

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are vested in any Company safe harbor contributions under the following vesting schedule.

Years of Service	Vesting
Less than 1	0%
1	20%
2 or more	100%

Participants vest in the Company's discretionary profit-sharing contribution plus actual earnings in accordance with his or her years of service, after age eighteen (18), as follows:

Years of Service	Vesting
Less than 1	0%
1	20%
2	40%
3	60%
4	80%
5	100%

1. Description of the Plan (Continued)

Vesting and Forfeitures (Continued)

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$2,852 and \$30,670, respectively. The Plan recorded forfeitures of \$16,912 and \$41,943 in plan years 2021 and 2020, respectively. These accounts will be used to reduce future employer contributions or used to offset plan expenses. In 2021 and 2020, \$44,730 and \$24,746 were used to reduce employer contributions and plan expenses, respectively.

Notes Receivable from Participants

Except as noted in the General disclosure related to the CARES Act, the Plan allows participants to borrow from their account a minimum of \$1,000 up to a maximum equal to \$50,000 or 50 percent of their vested account balance, whichever is less. Loan terms range from 1 to 5 years or longer to be determined by the plan administrator if for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates at the time of issuance, as determined by the plan administrator. Principal and interest are repaid ratably through payroll deductions.

Benefit Payments

Withdrawals may be made from a participant's account at retirement, age 59½, death, disability or termination of employment. A participant or beneficiary may elect to receive either a lump-sum or installment amounts equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Withdrawals may be made under certain other circumstances in accordance with the Plan document.

Death and Disability Benefits

When a participating employee dies, his or her beneficiary shall be entitled to benefits amounting to the entire amount in the participant's account (including non-vested amounts). If a participating employee becomes totally disabled prior to his retirement, they shall be entitled to benefits amounting to the entire amount in their account (including non-vested amounts).

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are allocated to all participants based on their account balances. Administrative and investment expenses paid by the Plan amounted to \$91,850 and \$85,592 in 2021 and 2020, respectively.

Estimates

The preparation of financial statements in accordance with the modified cash basis of accounting as described above requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

2. Summary of Significant Accounting Policies

Termination

The Company expects to continue the Plan indefinitely. However, the Company reserves the right to amend the Plan, or contributions thereto, at any time and in any manner that it deems advisable, provided that no amendment shall have the effect of diverting Plan assets for purposes other than for the exclusive benefit of the Plan participants and any Plan termination would be subject to the provisions of ERISA. If the Plan is terminated, the participants would become fully vested and be entitled to receive all amounts credited to their accounts.

Method of Accounting

The Plan's financial statements have been prepared on the cash basis of accounting modified to allow for investments to be valued at fair value and unrealized gains and losses to be recorded. Under this basis, contributions are recognized when received rather than when withheld or determined, interest and dividends are recognized when received rather than when earned and expenses are recognized when paid rather than when the obligation is incurred. This basis differs from the accounting principles generally accepted in the United States of America and is an acceptable method of reporting under Department of Labor regulations.

Payment of Benefits

Benefits are recognized when paid to participants or their designated beneficiaries.

Valuation of Investments and Income Recognition

Investments are reported at fair value, except for fully-benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine valuation policies using information provided by the investment advisors, The Standard Insurance Company and John Hancock Life Insurance Company. See Note 5 for a discussion of fair value measurements.

Contract value for the fully benefit-responsive investment contracts represents contributions made under the contract, plus investment income credited to the contract based on contract rates, less funds used to make benefit payments to participants and to pay administrative expenses.

Purchases and sales of securities are recorded on a trade date basis. Interest and dividends are recorded when received. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Subsequent Events

The Plan Administrator has evaluated subsequent events through October 13, 2022, the date which the financial statements were available to be issued.

1A AUTO, INC. 401(K) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements For the Years Ended December 31, 2021 and 2020

3. Income Tax Status

The Plan has adopted a volume submitter plan. The volume submitter plan sponsor has received an advisory letter dated June 30, 2020, in which the IRS stated that the volume submitter profit sharing plan was in compliance with applicable requirements of the IRC. The Plan has not received a determination letter specific to the restated plan itself; however, the Plan Administrator believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC.

Modified cash basis of accounting requires Plan management to evaluate tax positions taken by the Plan and disclose a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

4. Investment Contract with Insurance Company

Through August 5, 2021, the Plan had a fully benefit-responsive investment contract (the "Contract") with The Standard Insurance Company ("Standard"). Standard maintained the contributions in a general account. The account was credited with earnings on the underlying investments and was charged for participant withdrawals and administrative expenses. The Contract was included in the financial statements at contract value, as reported to the Plan by Standard. Contract value represented contributions made under the Contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer for all or a portion of their investments at contract value. The guaranteed investment contract issuer was contractually obligated to repay the principal and a specific interest rate that was guaranteed to the Plan. The guaranteed minimum rate was 1%.

There were no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract was \$0 and \$787,556 at December 31, 2021 and 2020, respectively. The crediting interest rate is based on a formula agreed upon with the issuer and is reviewed on a quarterly basis for resetting. The crediting interest rate was 2.42% at December 31, 2020.

Certain events, such as the premature termination of contracts by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with Standard. The Plan administrator believed the occurrence of such events which would limit the Plan's ability to transact at contract value with Plan participants was not probable.

5. Fair Value Measurement

When more than one level of input is used to determine fair value, the financial instrument is classified as level 1, 2 or 3 accordingly to the lowest level input that has a significant impact on the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Continued--

1A AUTO, INC. 401(K) PROFIT SHARING PLAN & TRUST

Notes to Financial Statements For the Years Ended December 31, 2021 and 2020

5. Fair Value Measurement (Continued)

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate accounts (PSA) are valued at the unit value of participation units of the PSA as estimated by the insurance company based on the underlying assets owned by the PSA less the PSA's liabilities divided by the number of participation units outstanding, commonly referred to as NAV. The pooled separate account NAV is not a publicly quoted price in an active market and is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the PSA will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur without redemption or withdrawal restrictions.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2021 and 2020.

	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
December 31, 2021		
Cash	\$ 6,026	\$ 6,026
Investments measured at NAV	12,675,865	-
	<u>12,681,891</u>	<u>6,026</u>
December 31, 2020		
Mutual funds	<u>\$ 9,331,425</u>	<u>\$ 9,331,425</u>

Gains and losses included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2021 and 2020, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

6. Information Prepared and Certified by the Plan's Custodian (Unaudited)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and net appreciation in fair value of investments, dividend income, and interest income from August 5, 2021 through December 31, 2021 was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance Company (the trustee of the Plan).

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2020 and net appreciation in fair value of investments, dividend income, and interest income from January 1, 2021 through August 17, 2021 was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the trustee of the Plan).

7. Party in Interest Transactions

Certain Plan investments are managed by Reliance Trust Co., the custodian of the Plan and, therefore, these investments qualify as exempt party-in-interest transactions. The Plan also issues loans to participants, which are secured by the balances in the participants accounts. Certain employees and officers of the Company, who are also participants in the Plan, perform administrative services to the Plan at no cost to the Plan. Therefore, these transactions qualify as party-in-interest transactions.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest risks, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits – Modified Cash Basis.

On March 11, 2020, the World Health Organization declared the novel strain of coronavirus (COVID-19) a global pandemic and recommended containment and mitigation measures worldwide. As a result of the spread of COVID-19, economic uncertainties have arisen which are likely to negatively impact investment income and other plan transactions. Other financial impact could occur though such potential impact is unknown at this time

9. Prohibited Transactions

In July 2021, the Plan Sponsor did not remit, for one payroll period, the participant contributions to the Plan in a timely manner, as defined by ERISA. In October 2021 the Plan Sponsor remitted those late contributions to the Plan. The Plan Sponsor will calculate lost earnings and intends to remit the lost earnings to the plan in 2022.
