Plan Administrator
SitelogIQ, Inc. 401(K) Retirement Plan
Minneapolis, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of SitelogIQ, Inc. 401(K) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of, and for the year then ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the SitelogIQ, Inc. 401(K) Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the SitelogIQ, Inc. 401(K) Retirement Plan ability to continue as a going concern for one year from issuance.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the SitelogIQ, Inc. 401(K) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the SitelogIQ, Inc. 401(K) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matter

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions and schedule of assets held at end of year are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to, or is derived from, the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the SitelogIQ, Inc. 401(K) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SITELOGIQ, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

1. General description of Plan and summary of significant accounting policies:

The following description of the SitelogIQ, Inc. (the Company) 401(K) Retirement Plan (the Plan) provides only general information. The Plan agreement provides a more complete description of the Plan's provisions.

During 2021 and 2020, the 2019 novel (COVID-19) pandemic sparked a global health and economic crisis. The impact resulting from the COVID-19 pandemic on the Plan is uncertain and will depend on future developments. In response to the COVID-19 pandemic, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was signed into law in March 2020. The CARES Act contains several provisions that temporarily impact retirement savings plans.

General:

Effective April 2021, Famand, Inc. (dba Indoor Environmental Services or IES), a subsidiary of SitelogIQ, Inc., was sold to an unrelated third party. IES employees who were participants in the Plan have the option to leave their balances in the Plan or withdraw subject to the Plan's distribution rules. The total withdraws are presented as a \$59,256 transfer out of the Plan on the statement of changes in net assets available for benefits.

Effective September 2020, Reynolds Restoration Services, Inc., a subsidiary of SitelogIQ, Inc. was sold to an unrelated third party. The Plan assets of the participants employed by Reynolds Restoration Services, Inc. were transferred to the Reynolds Restoration Services Co 401(k) Plan effective October 2020. The total participant account balances transferred out of the plan was \$1,207,717.

The Plan is a defined contribution plan covering all eligible employees of a controlled group of corporations. The controlled group of corporations includes SitelogIQ, Inc. and its subsidiaries: MarketingPower, Inc. (dba Energy Retrofit Co.); American Development Institute, LCC; Foxol, Inc.; Famand, Inc. through April 2021 (dba Indoor Environmental Services); Monterey Energy, Inc.; UNESCO, Inc.; EcoVox, Inc.; Tenzing Energy Solutions, LLC and Reynolds Enterprises, Inc.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and is intended to comply with Section 401(a) of the Internal Revenue Code of 1986.

Eligibility:

All employees of the Company who are age 18 or older, are eligible to participate in the Plan immediately upon employment and effective on the first day of the month following the date requirements are met. The Plan recognizes service with all merged companies for eligibility and vesting.

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

1. General description of Plan and summary of significant accounting policies (continued):

Participant accounts:

Each participant's account is credited with the participant's contribution and the Company's matching contribution and Plan earnings and is charged with an allocation of Plan losses and certain administrative expenses. Allocations are based on the participant's compensation or account balances as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are vested immediately in their contributions, safe harbor matching contributions, plus actual earnings thereon. Vesting in the Company's discretionary matching and non-elective contribution portion of their accounts, plus earnings thereon, is based on years of credited service according to the following schedule:

<u>Years of service</u>	<u>Vested percentage</u>
1	0 %
2	20
3	40
4	60
5	80
6	100

Contributions:

Each year, participants may contribute up to 100% of pre-tax and after-tax annual compensation, as defined by the Plan, limited to the maximum amount permitted under the Internal Revenue Code (IRC). Participants who have attained the age of 50 before the end of the Plan year are eligible to make additional ("catch-up") contributions. Participants may also contribute amounts representing distributions from other qualified plans. The Company, at its discretion, may make profit sharing and or matching contributions to the Plan. Effective June 1, 2020, the Plan was amended to discontinue the safe harbor employer matching contributions. Effective January 1, 2021, the Plan was amended to reinstate the safe harbor matching contributions equal to 100% of elective deferrals that do not exceed 3% compensation, plus 50% of elective deferrals above 3% of compensation, but not exceeding 5% of compensation.

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

1. General description of Plan and summary of significant accounting policies (continued):

Contributions:

Participants direct the investment of all contributions into various investment options offered by the Plan. Investment options consist of mutual funds with various investment objectives and a guaranteed investment contract. Participants may change the allocation of their contributions among investment options at any time via the internet. Market valuations of the Plan's investments are generally made daily.

Notes receivable from participants:

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum of 50% of their vested account balance or \$50,000, whichever is less. Note terms are not permitted to exceed five years unless certain conditions apply. The notes are secured by the balance in the participant's account and bear a reasonable rate of interest as determined by the Plan Administrator at the time of the note. Principal and interest are paid ratably through payroll deductions. A participant may only have one outstanding note at any time.

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Benefits:

Upon termination of service, death, disability or retirement, a participant is eligible to receive a distribution of their vested account balance. A participant or beneficiary may elect to receive distribution of their account in a lump sum or a direct rollover to an Individual Retirement Account or another qualified employer plan.

Forfeited accounts:

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represents forfeiture. Forfeitures are used to pay for Plan expenses and reduce the Company's matching contributions. Forfeitures are allocated immediately following the Plan year in which the forfeiture is accrued. At December 31, 2021 and 2020, forfeited amounts totaled \$27,955 and \$34,686, respectively. Forfeitures used to offset administrative expenses totaled \$10,768 and \$20,000 in 2021 and 2020, respectively. Forfeitures used to offset employer contributions totaled \$18,315 in 2021. No forfeitures were used to offset employer contributions in 2020.

SITELOGIQ, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

1. General description of Plan and summary of significant accounting policies (continued):

Basis of presentation:

The accompanying financial statements have been prepared on an accrual basis and present the net assets available for benefits and changes in those net assets.

Investment valuation:

The Plan's investments in mutual funds are valued at quoted market price, which is available on the active market.

The Plan invests in an unallocated contract with Voya Retirement Insurance and Annuity Company, the Voya Fixed Account. Voya Retirement Insurance and Annuity Company maintains the contributions in a general account. The contract meets the fully benefit-responsive contract criteria and, therefore, is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts because this is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions plus earnings, less participant withdrawals and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The unallocated contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. Additionally, certain events may limit the ability of the Plan to transact at contract value with the issuer. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

Use of estimates:

The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Benefits to participants:

Benefits are charged to expense during the period when participants receive payment.

SITELOGIQ, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

1. General description of Plan and summary of significant accounting policies (continued):

Administrative expenses:

Administrative costs of the Plan may be paid by the Plan or by the Company. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value in investments. The Plan's revenue sharing earned is applied as a reduction of Plan expenses.

2. Information certified by the custodian:

The Plan's investments are held by Voya Retirement Insurance and Annuity Company. Information disclosed in the accompanying financial statements and schedule of assets held, specifically investments held at December 31, 2021 and 2020, net appreciation of fair value in mutual funds and interest on the unallocated contract for the year ended December 31, 2021, was obtained or derived from the information supplied to the Plan Administrator and certified as complete and accurate by the custodian.

3. Fair value measurements:

The Plan ranks investments required to be reported at fair value in a three-level hierarchy for fair value measurements based upon the transparency of inputs to the valuation of an asset. Inputs may be observable or unobservable and refer broadly to the assumptions that market participants would use in pricing the asset. Observable inputs reflect the assumptions market participants would use in pricing the asset based on market data obtained from sources independent of the reporting entity. Unobservable inputs reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset developed based on the best information available in the circumstances. The three levels of the fair value hierarchy are described below:

Level 1 – Quoted prices in active markets for identical investment.

Level 2 – Other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credit risk, etc.). The Plan does not hold any Level 2 investments.

Level 3 – Significant unobservable inputs (including the Plan's own assumptions in determining the fair value of investments). The Plan does not hold any Level 3 investments.

See Note 1 for a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

SITELOGIQ, INC. 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS YEAR ENDED DECEMBER 31, 2021 (with comparative information at December 31, 2020)

3. Fair value measurements (continued):

The fair values of assets measured on a recurring basis at December 31, 2021 and 2020 are as follows:

		Fair value measurements using Level 1
2021	Fair value	
Mutual funds	\$ 32,480,002	\$ 32,480,002
2020		
Mutual funds	\$ 30,580,589	\$ 30,580,589

4. Plan termination:

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth by ERISA.

In the event the Plan is terminated, all amounts credited to participants' accounts will become 100% vested. The Company will direct that either benefits be distributed to participants, or the trust created by the Plan be continued and benefits be distributed to participants and beneficiaries as if the Plan had not been terminated.

5. Income tax status:

Effective January 1, 2019, the SiteLogIQ, Inc. 401(k) Plan adopted a volume submitter profit sharing plan sponsored by QBI LLC, which received an opinion letter on May 7, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan Administrator believes the Plan is designed, and currently being operated, in compliance with the applicable requirements of the IRC.

6. Concentrations:

Two investments accounted for approximately 21% of total investments at December 31, 2021. One investment accounted for approximately 11% of total investments at December 31, 2020.

NOTES TO FINANCIAL STATEMENTS

YEAR ENDED DECEMBER 31, 2021

(with comparative information at December 31, 2020)

7. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities could occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Related party and party-in-interest transactions:

Certain Plan investments are managed by Voya Retirement Insurance and Annuity Company. Voya Retirement Insurance and Annuity Company is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments. See Note 1 for notes receivable from participants. Voya Retirement Insurance and Annuity Company applies the Plan's revenue-sharing earned as a reduction of the Plan's expenses.

9. Delinquent participant contributions:

During 2021, the Plan Sponsor is reporting that participant contributions for four separate payrolls for one division of the Company were remitted past the normal time period. The participant contributions were remitted in full to the participants accounts within the applicable month. The Plan Sponsor is in the process of determining lost earnings to participants. The lost earnings will be remitted as soon as administratively possible.

10. Reconciliation of financial statements to Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 for December 31, 2020:

Net assets available for benefits per the financial statements	\$ 33,591,612
Receivables, participant contributions	<u>(59,104)</u>
