The following communication was prepared as part of our audit, has consequential limitations, and is intended solely for the information and use of those charged with governance (e.g., Board of Directors and Audit Committee) and, if appropriate, management of the Company and is not intended and should not be used by anyone other than these specified parties.

SOMERSET
CPAs AND ADVISORS

Welcome

October 7, 2022

To the Retirement Plan Committee
Fishbeck Retirement Plan

Professional standards require us to communicate with you regarding matters related to the plan audit that are, in our professional judgment, significant and relevant to your responsibilities in overseeing the financial reporting process. On May 9, 2022, we presented an overview of our plan for the audit of the financial statements of the Fishbeck Retirement Plan (the "Plan") as of and for the year ended December 31, 2021, including a summary of our overall objectives for the audit, and the nature, scope, and timing of the planned audit work.

This communication is intended to elaborate on the significant findings from our audit, including our views on the qualitative aspects of the Plan's accounting practices and policies, Plan management's judgments and estimates, financial statement disclosures, and other required matters.

We are pleased to be of service to the Plan and are available to meet with you to discuss our audit findings, as well as other matters that may be of interest to you, and to answer any questions you might have.

Sincerely,

Somerset CPAs, P.C.

Status of Our Audit

We have completed our audit of the financial statements, including procedures applied to the supplemental schedule, of the Plan as of and for the year ended December 31, 2021. Our audit was conducted in accordance with auditing standards generally accepted in the United States of America ("GAAS"). This audit of the financial statements does not relieve Plan management or those charged with governance of their responsibilities. The term "those charged with governance" encompasses the term Board of Directors or Audit Committee or other formally designated body that has financial oversight responsibilities.

- The objective of our financial statement audit was to obtain reasonable - not absolute - assurance about whether the financial statements are free from material misstatements.
- The scope of the work performed was substantially the same as that described to you in our earlier Audit Planning communications.
- As permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA and as instructed by you, we have conducted our audit in accordance with GAAS and have obtained sufficient and appropriate audit evidence to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion. The audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America ("GAAP"). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.
- In accordance with professional standards, we have obtained a substantially complete Form 5500 and considered whether such information, or the manner of its presentation, was materially inconsistent with its presentation in the financial statements. Our responsibility also includes calling to management's attention any information that we believe is a material misstatement of fact. We have not identified any material inconsistencies or concluded there are any material misstatements of facts in the other information.
- All records and information requested were freely available for our inspection.
- Plan management's cooperation was excellent. We received full access to all information that we requested while performing our audit, and we acknowledge the full cooperation extended to us by all levels of Plan personnel throughout the course of our work.

Results of Our Audit

ACCOUNTING PRACTICES, POLICIES, ESTIMATES

The following summarizes the more significant required communications related to our audit concerning the Plan's accounting practices, policies, and estimates:

The Plan's significant accounting practices and policies are those included in the notes to the financial statements. These accounting practices and policies are appropriate, comply with generally accepted accounting principles and industry practice, were consistently applied, and are adequately described within the notes to the financial statements.

- There were no changes in significant accounting policies and practices during 2021.

Significant estimates are those that require management's most difficult, subjective, or complex judgments, often as a result of the need to make estimates about the effects of matters that are inherently uncertain. The Plan's significant accounting estimates, including a description of management's processes and significant assumptions used in development of the estimates, are disclosed in Note 2 of the financial statements.

- Plan management did not make any significant changes to the processes or significant assumptions used to develop the critical accounting estimates in 2021.

Results of Our Audit

CORRECTED AND UNCORRECTED MISSTATEMENTS

There were no corrected misstatements, other than those that were clearly trivial, related to accounts and/or disclosures that we brought to the attention of Plan management.

There were no uncorrected misstatements, other than those that were clearly trivial, related to accounts and/or disclosures that we presented to Plan management.

QUALITY OF THE PLAN'S FINANCIAL REPORTING

A discussion was held regarding the quality of the Plan's financial reporting, which included the following:

- Qualitative aspects of significant accounting policies and practices
- Our conclusions regarding significant accounting estimates
- Financial statement presentation

Reportable Findings and Internal Control Over Financial Reporting

We are required to communicate, in writing and in a timely manner, to those charged with governance all reportable findings and all material weaknesses and significant deficiencies that have been identified in the Plan's internal control over financial reporting. The definitions of a reportable finding, control deficiency, significant deficiency and material weakness are as follows:

Category	Definition
Reportable Finding	Matters that are one or more of the following: a. An identified instance of noncompliance or suspected noncompliance with laws or regulations b. A finding arising from the audit that is, in the auditor's professional judgment, significant and relevant to those charged with governance regarding their responsibility to oversee the financial reporting process c. An indication of deficiencies in internal control identified during the audit that have not been communicated to management by other parties and that, in the auditor's professional judgment, are of sufficient importance to merit management's attention
Deficiency in Internal Control	A deficiency in internal control over financial reporting exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis.
Significant Deficiency	A deficiency or a combination of deficiencies in internal control over financial reporting that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.
Material Weakness	A deficiency or a combination of deficiencies in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the financial statements will not be prevented or detected on a timely basis.

A reportable finding may also be considered a deficiency in internal control, a significant deficiency or a material weakness.

Reportable Findings and Internal Control Over Financial Reporting

We considered the Plan's internal control over financial reporting ("internal control") as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration was for the limited purpose described above and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and/or all reportable findings.

In conjunction with our audit of the Plan financial statements, we noted no material weaknesses.

Additional Required Communications

Following is a summary of those required items, along with specific discussion points as they pertain to the Plan.

Requirement	Discussion Point
Independence	Our engagement letter to you dated May 9, 2022, describes our responsibilities in accordance with professional standards and certain regulatory authorities with regard to independence and the performance of our services. This letter also stipulates the responsibilities of the Plan Sponsor with respect to independence as agreed to by the Plan Sponsor. Please refer to that letter for further information.
Significant changes to planned audit strategy or significant risks initially identified	There were no significant changes to the planned audit strategy or significant risks initially identified and previously communicated to those charged with governance as part of our Audit Planning communications.
Obtain information from those charged with governance relevant to the audit	There were no matters noted relevant to the audit, including, but not limited to: violations or possible violations of laws or regulations; risk of material misstatements, including fraud risks; or tips or complaints regarding the Plan's financial reporting that we were made aware of as a result of our inquiry of those charged with governance.
If applicable, nature and extent of specialized skills or knowledge needed related to significant risks	There were no specialized skills or knowledge needed, outside of the core engagement team, to perform the planned audit procedures or evaluate audit results related to significant risks.
Consultations with other accountants	We are not aware of any consultations about accounting or auditing matters between management and other independent public accountants. Nor are we aware of opinions obtained by management from other independent public accountants on the application of generally accepted accounting principles.

Additional Required Communications

Following is a summary of those required items, along with specific discussion points as they pertain to the Plan.

Requirement	Discussion Point
Significant findings and issues arising during the audit in connection with the Plan's related parties	We have evaluated whether the identified related party relationships and transactions have been appropriately identified, accounted for, and disclosed and whether the effects of the related party relationships and transactions, based on the audit evidence obtained, prevent the financial statements from achieving fair presentation.
Disagreements with Plan management	There were no disagreements with Plan management about matters, whether or not satisfactorily resolved, that individually or in aggregate could be significant to the Plan's financial statements or to our auditor's report.
Significant difficulties encountered during the audit	There were no significant difficulties encountered during the audit.
If applicable, other matters significant to the oversight of the Plan's financial reporting process, including complaints or concerns regarding accounting or auditing matters	There are no other matters that we consider significant to the oversight of the Plan's financial reporting process that have not been previously communicated.
Representations requested from management	Please refer to the management representation letter.

Independent Auditor's Report

To the Retirement Plan Committee
Fishbeck Retirement Plan
Grand Rapids, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Fishbeck Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan by a qualified institution, provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP"); and
- The certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Fishbeck Retirement Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Fishbeck, Inc., who are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Amendment

Effective August 31, 2021, the Plan was restated in its entirety.

Entrance Date

An employee is eligible to enter the Plan immediately upon satisfying the eligibility requirements.

Contributions

Each year, participants may contribute amounts up to 60% of annual compensation, as defined by the Plan. Upon satisfying eligibility requirements, participants are automatically enrolled at 3% and increased by 1% each year thereafter up to a maximum of 6%, unless electing otherwise. Participants may also contribute rollover amounts from other qualified plans. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Company contributions consist of a discretionary profit-sharing contribution. Any profit-sharing contribution is at the discretion of the Company's Board of Directors.

Forfeitures

Forfeited balances from terminated participants' accounts are used to first reduce Plan expenses and, if amounts remain, can be used to reduce employer contributions. For 2021, $332 of forfeitures were used to reduce plan expenses. At December 31, 2021 and 2020, forfeited nonvested accounts totaled $343 and $65, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions and (b) Plan earnings. Allocations are based upon participant compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Participant Notes Receivable

Participants may borrow from their accounts a minimum of $1,000 up to an amount that is equal to the lesser of $50,000 or 50% of the present value of the participant's non-forfeitable accrued benefit. All loans are to be repaid over a period not to exceed five years, although an extension of the repayment period may be granted if the loan proceeds are used to purchase a participant's principal residence. Interest is charged at a rate commensurate with prevailing market rates as determined by the Plan administrator. Any loans shall reduce the participant's balance in the individual's account and will be restored as the principal balance when such loan is repaid. All interest paid by the participant shall be credited to his own individual account. Loans are valued at the unpaid principal balance plus accrued but unpaid interest.

Vesting

Participants are immediately vested in their voluntary contributions and employer contributions, plus actual earnings thereon.

Benefit Payments

Upon termination of service, normal retirement date, disability or age 59 1/2, whichever occurs first, a participant may elect to receive vested benefits in a single lump sum or periodic installments. Withdrawals other than for termination, such as a hardship, are permitted under certain circumstances provided by the Plan. Benefit payments are recorded when paid.

Fair Value Measurements

Accounting Standards Codification (ASC) 820 defines fair value, establishes a framework for measuring fair value and enhances disclosures about fair value measurements. Fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability (or exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. Observable inputs are inputs that market participants would use in pricing the asset or liability based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's assumptions about the inputs that market participants would use in pricing the asset or liability and are developed based on the best information available in the circumstances.

The fair value hierarchy input levels are as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Fair Value Measurements (Continued)

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Plan Termination

Although they have not expressed any intent to do so, the Company reserves the right to terminate the Plan at any time. In the event of Plan termination, participants will become 100% vested in their account balances.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's policy is to prepare its financial statements on the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Management Evaluation of Subsequent Events

The Plan has evaluated subsequent events through October 7, 2022, the date on which the financial statements were available to be issued.

NOTE 3 - PARTICIPANT-DIRECTED INVESTMENTS

Participant contributions held in the Plan are participant-directed accounts. That is, individual participants decide how funds held in trust for them are allocated among various investment options.

NOTE 4 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the Plan's trustee.

	2021	2020
Investments, at fair value	$ 93,671,936	$ 82,017,696
Notes receivable - participants	201,651	380,842
Investment gains	14,044,976	
Loan interest income	16,284	

NOTE 5 - TAX STATUS

The Plan has adopted a non-standardized prototype plan and received a determination letter dated June 30, 2020, stating the prototype plan, as then designed, was acceptable under Section 401 of the Internal Revenue Code. The Fishbeck Retirement Plan has not requested a separate determination letter. The Plan has been amended since receiving the determination letter, however, the Plan administrator believes the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Authoritative accounting standards require the Plan to examine its tax positions for uncertain positions. Management is not aware of any tax positions that are more likely than not to change in the next 12 months or that would not sustain an examination by applicable taxing authorities.

The Plan's policy is to recognize penalties and interest as incurred in its statement of changes in net assets available for benefits, which totaled $0 for the year ended December 31, 2021.

NOTE 6 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of registered investment companies and cash reserves managed by Fidelity Management Trust Company ("Fidelity"). Fidelity is the custodian and trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest.

NOTE 7 - ADMINISTRATIVE EXPENSES

Administrative expenses paid from the Plan represent recordkeeping and professional fees which amounted to $31,816 for the year ended December 31, 2021.

NOTE 8 - FAIR VALUE MEASUREMENTS

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021, compared to December 31, 2020. The Plan's policy is to recognize transfers between levels at the end of each reporting period, if applicable. There were no transfers between Level 1, 2 or 3 assets or liabilities during the year ended December 31, 2021.

Money market funds: Valued at the daily closing price reported by the underlying fund, which is traded on a national exchange.

Registered investment companies: Valued at the daily closing price reported by the underlying fund, which is traded on a national exchange.

Common stocks: Valued at the net asset value of shares held by the Plan at year-end.

Common / collective trust: Valued at fair value, using the practical expedient as provided by the Financial Accounting Standard Board's (FASB) ASC 820. The Plan's investments in common and collective trusts, which invest in fixed income securities, guaranteed investment contracts, and a money market fund, calculate the net asset value (NAV) per unit. Investments in common and collective trusts are marked to market and priced daily. The funds provide for daily redemptions by the Plan at reported net asset value per share, with no notification requirements. The fund managers may limit withdrawals in order to maintain sufficient liquidity. The practical expedient would not be used if it is determined to be probable that the funds will sell the investment for an amount different from the reported NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 8 - FAIR VALUE MEASUREMENTS (CONTINUED)

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

NOTE 10 - RECLASSIFICATION

Certain amounts in the prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

NOTE 11 - SUBSEQUENT EVENT

Effective July 1, 2022, the Plan was restated in its entirety and amended to increase the cash out limit to $5,000.
