Independent Auditor's Report

To the Administrative Committee of
the HDH Instruments, LP 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of HDH Instruments, LP 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with the ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with the auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of HDH Instruments, LP 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about HDH Instruments, LP 401(k) Plan's ability to continue as a going concern for one year after the date of the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that that an audit conducted in accordance with accounting principles generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of HDH Instruments, LP 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about HDH Instruments, LP 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged in governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of “Form 5500, Schedule H, Line 4i - Schedule of Assets (Held at End of Year)” and “Form 5500, Schedule H, Line 4a – Schedule of Delinquent Contributions” as of the year ended December 31, 2021 are presented for purposes of additional analysis and are not required as part of the financial statements but are supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from certified investment information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of HDH Instruments, LP 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform and auditing procedures with respect to the information certified by a qualified institution. In our report dated July 27, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HDH INSTRUMENTS, LP 401(k) PLAN
ACCOMPANYING NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN

The following description of the HDH Instruments, LP (“Company”) 401(k) Plan (“Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all full-time employees of the Company who have ninety days of service and are age eighteen or older. Anyone employed at HDH Instruments, LP at January 1, 2008 was able to participate in the Plan without satisfying age and service requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator and Employer / Plan Sponsor oversees governance of the Plan. The Plan’s Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance, and reports to the Plan’s Board of Trustees.

Contributions

Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers thirty-three mutual funds and an insurance investment contract (fixed income fund) as investment options for participants. The Company has a Safe Harbor Match, which equals 100% of the first 4% of a participant’s contribution to the Plan. Participants direct the investment of the employer match into various investment options offered by the Plan. Additional discretionary contributions may be contributed at the option of the Company’s board of directors. No such contribution has been made since the Plan’s inception. Contributions are subject to certain limitations. For the year ended December 31, 2021, participants were able to contribute up to \$19,500 of pretax annual compensation, as defined in the Plan.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution and, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s Safe Harbor employer match is immediate. Vesting in the Company’s discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100% vested in the discretionary contributions after six years of credited service.

Investment Options

The Plan allows the participants to direct their investment within available investment options under the Plan. If a participant elects not to direct the investments, such amounts will automatically be invested in the Plan’s default investment fund.

Withdrawals and Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant’s vested interest in his or her account, or annual installments over a ten-year period. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

HDH INSTRUMENTS, LP 401(k) PLAN
ACCOMPANYING NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF PLAN (continued)

Withdrawals and Payment of Benefits (continued)

If the total vested benefit under the Plan is \$1,000 or less when employment is terminated, the vested benefit is distributed in a lump sum, even if consent to a distribution of the vested account balance is not provided. In-service distributions are only allowed from funds rolled over from a different plan or if the participant has reached the age of fifty-nine and a half.

Notes Receivable from Participants

Participants are not allowed to borrow from their fund accounts under the Plan.

Forfeited Accounts

When they occur, forfeitures can be utilized to pay future Plan expenses or reduce future employer contributions. At December 31, 2021 and 2020, there was a balance of \$7 and \$0, respectively, in forfeited, nonvested accounts.

Recently Adopted Accounting Standard

In July 2019, the American Institute of CPAs' ("AICPA") Auditing Standards Board ("ASB") issued a new Statement on Auditing Standards (SAS 136), *Forming an Opinion and Reporting on Financial Statements of Employee Benefit Plans Subject to ERISA*, which will apply to audits of single-employer, multiple-employer and multiemployer plans subject to the Employee Retirement Income Security Act of 1974 (ERISA). The goal is to improve the consistency and relevancy of the auditor's report by updating the audit report and requiring the auditor to more clearly articulate its responsibilities and those of management. The standard introduces a new form of opinion when there is an ERISA-allowed audit scope limitation and includes the form and content of the auditor's report for an unmodified opinion. The standard also addresses required procedures relating to the Form 5500. SAS 136 was originally effective for audits of ERISA plan financial statements for periods ending on or after December 15, 2020 and early implementation was not permitted. However, in Spring of 2020, the AICPA's ASB delayed the effective date by one-year to December 15, 2021. The prohibition on the early implementation was also removed.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through October 5, 2022, which is the date the financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the Plan Administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan.

HDH INSTRUMENTS, LP 401(k) PLAN
ACCOMPANYING NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Expenses

All operating expenses of the Plan are paid by the Company and are therefore excluded from these financial statements.

NOTE 3 – FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investment(s) in which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded. The fair values of common stocks, corporate bonds, and U.S. Government securities are based on the closing price reported on the active market where the individual securities are traded.

HDH INSTRUMENTS, LP 401(k) PLAN
ACCOMPANYING NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 3 – FAIR VALUE MEASUREMENTS (continued)

Level 1 Fair Value Measurements (continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021, and 2020.

	Fair Value Measurements Using:		
	<u>Fair Value</u>	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Unobservable Inputs (Level 3)
<u>December 31, 2021</u>			
Mutual funds (Pooled Separate Accounts)	\$ 4,653,067	\$ 4,653,067	\$ —
Total	<u>\$ 4,653,067</u>	<u>\$ 4,653,067</u>	<u>\$ —</u>
<u>December 31, 2020</u>			
Mutual funds (Pooled Separate Accounts)	\$ 4,356,760	\$ 4,356,760	\$ —
Total	<u>\$ 4,356,760</u>	<u>\$ 4,356,760</u>	<u>\$ —</u>

Gains and losses (realized and unrealized) are included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020 are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2021, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS

In 2008, the Plan entered into a fully benefit-responsive investment contract with Hartford Life Insurance Company ("Hartford"). The Hartford's Retirement Plans Group ("RPG") business was acquired by Massachusetts Mutual Life Insurance Company ("MassMutual"), effective January 1, 2013. MassMutual has been appointed by Hartford to provide all administrative services necessary to support the insurance contracts issued by Hartford in connection with the RPG business. MassMutual's retirement business was acquired by Empower Retirement, LLC ("Empower Retirement"), on December 31, 2020, effective January 4, 2021. Following an initial transition period, Empower Retirement became the sole administrator of this business, meaning they maintain the contributions in a general account. The account is credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

HDH INSTRUMENTS, LP 401(k) PLAN
ACCOMPANYING NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4 – FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACTS (continued)

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value. Contract value, as reported to the Plan by Empower Retirement, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020, was \$4,653,951 and \$4,683,200, respectively. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than 3%. Such interest rates are reviewed on an annual basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Empower Retirement. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at the contract value with Plan participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 5 – RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Empower Retirement. Empower Retirement is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. No fees were paid by the Plan for the investment management services for the year ended December 31, 2021.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer discretionary contributions.

NOTE 7 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500, SCHEDULE H

There are no reconciling items between the financial statements and Form 5500, Schedule H.

DECEMBER 31, 2021 AND 2020

NOTE 8 – TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS or other applicable taxing authorities. The Company has analyzed the tax positions taken by the Plan, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10 – INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	<u>2021</u>	<u>2020</u>
Investments, at fair value:		
Mutual funds (Pooled Separate Accounts)	\$ 4,653,067	\$ 4,356,760
Investments, at contract value:		
Fixed income fund	4,653,951	4,683,200

NOTE 11 – DELINQUENT CONTRIBUTIONS

As required by ERISA Section 2510.3-102, the Plan Sponsor is required to segregate employee contributions to the plan from its general assets as soon as practicable but in no event more than 15-business days following the end of the month in which amounts are withheld from wages. On December 4, 2020, the Company implemented a change to their payment processing procedures with their bank to a "positive pay system". The implementation date of the new system coincided with the submission and payment processing of an employee contribution file. Subsequently, the contribution file was deleted by the trustee and was never processed. The Company became aware of the deleted contribution file (and unfunded contribution) in January 2021; the missed contribution was funded on January 25, 2021, which was the 15th day of the 15-business day limitation. The Company, in general, has shown the ability to segregate and remit contributions prior to 15-business days; hence, the contribution is considered delinquent by the Plan.

NOTE 11 – DELINQUENT CONTRIBUTIONS (continued)

Contributions for the December 4, 2020 pay period totaled \$1,521 and represented employee contributions in exclusivity. Contributions for this pay period are considered a prohibited transaction. The Company made a payment of \$3 to compensate the Plan for lost investment earnings relating to the prohibited transaction. There were no prohibited transactions during the year ended December 31, 2021; however, this information is required to be disclosed through the year the correction was made.

NOTE 12 – PARTY IN INTEREST TRANSACTION

As discussed in Note 11, during 2020, the Plan Sponsor did not remit certain participant contributions to the Plan in a timely manner, as defined by ERISA. The sole instance was corrected during 2021. These contributions are considered nonexempt party-in-interest transactions, which may result in an imposition of a 15 percent excise tax on the amount of the transactions. The Plan Sponsor compensated participants for lost earnings resulting from the delay in contributions. Management estimates that lost income associated with the delay in contribution amounted to \$3, computed at a 3.0 percent interest rate. These nonexempt transactions do not affect the tax status of the plan, and the company has already paid all fines imposed.
