Report of Independent Auditors

The Plan Administrator and Participants
GEP Entertainment Services Savings and Profit Sharing 401K Plan

Report on the Audit of the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of GEP Entertainment Services Savings and Profit Sharing 401K Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of GEP Entertainment Services Savings and Profit Sharing 401K Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about GEP Entertainment Services Savings and Profit Sharing 401K Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of GEP Entertainment Services Savings and Profit Sharing 401K Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about GEP Entertainment Services Savings and Profit Sharing 401K Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of GEP Entertainment Services Savings and Profit Sharing 401K Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

GEP Administrative Services Savings and Profit Sharing 401(k) Plan

Notes to Financial Statements

Note 1 – Description of Plan

The following description of the GEP Administrative Services Savings and Profit Sharing 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan Agreement, as amended, for a more complete description of plan provisions.

General – The Plan is a defined contribution plan covering substantially all employees of GEP Administrative Services, Inc. (“GEP” or “Company”) and is subject to provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Company is the Plan’s sponsor and serves as plan administrator.

Effective January 1, 2020, the Plan was amended as mandated by the Bipartisan Budget Act of 2018 to terminate the suspension of deferrals after a participant takes a hardship distribution.

Change in trustee and recordkeeper – On May 21, 2021, the Plan changed trustee and recordkeeper from Wells Fargo Bank, N.A. and its Institutional Retirement and Trust system to Principal Trust Company and Principal Life Insurance Company’s Retirement Plan Processing Services system, respectively. Assets totaling \$211,809,831 was transferred in kind on May 20, 2021.

Eligibility – Employees of the Company are eligible to participate in the Plan upon completing three months of service.

Contributions

Participant contributions – Each year, participants may contribute between 1%–50% of pretax annual compensation, as defined in the Plan. Participants may also elect to make Roth contributions utilizing after-tax contributions. Participants are permitted to transfer part or all of a non-Roth account to a Roth account in the Plan. In-Plan Roth transfers are subject to tax provisions, and participants are fully vested in the portion of their in-Plan Roth transfers. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans, including distributions from the GEP Employee Stock Ownership Plan (ESOP), and allocate them to the Plan’s ESOP segregation account.

GEP Administrative Services Savings and Profit Sharing 401(k) Plan

Notes to Financial Statements

Note 1 – Description of Plan (continued)

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated fund until elected otherwise by the participant. This is automatically increased for non-highly compensated employees (NHCEs) with deferral percentages less than 10%. Highly compensated employees are not subject to the scheduled increases. The automatic increase occurs on August 1 of each plan year, unless the participant opts out, and will not be less than the percentage in the table below:

<u>Year of Participation</u>	<u>Deferral Percentage</u>
1	6%
2	7%
3	8%
4	9%
5 and thereafter	10%

NHCEs contributing less than 10% to the Plan who were automatically enrolled or who entered into a salary reduction agreement on or before December 31 are subject to the first increase on August 1 of the following plan year. NHCEs contributing less than 10% to the Plan who were automatically enrolled or who entered into a salary reduction agreement on or after January 1 of the plan year are subject to the first increase on August 1 of the following plan year.

Employer match and profit sharing contributions – The Company may make contributions in the form of profit sharing, matching, or a qualified non-elective contribution (QNEC).

The profit sharing contribution is discretionary and is determined by the Board of Directors each year. Such discretionary contributions, if any, are included as employer contributions in the accompanying statement of changes in net assets available for benefits and are based on a percentage of the participant's annual income, subject to certain limitations of the Internal Revenue Code (IRC). There were no Company discretionary profit sharing contributions for the year ended December 31, 2021.

The Company's matching contribution is based on each participant's contribution and is determined at the discretion of the Board of Directors. The Company did not make any discretionary matching contributions for the year ended December 31, 2021.

There were no QNEC contributions during the year ended December 31, 2021.

Contributions are subject to regulatory limitations.

Notes to Financial Statements

Note 1 – Description of Plan (continued)

Participant accounts – Each participant's account is credited with the participant's contributions, employer contributions, and an allocation of plan earnings and forfeitures of terminated participants' non-vested accounts. These amounts are invested as directed by the participant in any of the investment options made available under the Plan. Plan earnings are allocated to participants based upon participants' account balances.

ESOP segregation account – The ESOP segregation account holds amounts transferred from the Company's ESOP and is a separate participant subaccount under the Plan. Amounts under the ESOP segregation account are 100% vested and participants may invest the assets among any investment alternatives available under the Plan.

Vesting – Participants are vested immediately in their contributions, QNEC, and the earnings thereon. Prior to reaching normal retirement age, as defined in the Plan Agreement, vesting in the Company's contribution portion of participant accounts is based on years of continuous service. Participants vest in the Company's contributions based on the following schedule:

<u>Years of Service</u>	<u>Vesting Percentage</u>
1	34%
2	67%
3	100%

Notes receivable from participants – Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. All loans must be repaid within a period of five years, unless the loan is used to purchase a principal residence, in which case, the loan must be repaid within a reasonable period of time not to exceed 10 years. Under the terms of the Plan Agreement, plan loans will bear a reasonable rate of interest determined by the plan administrator. Principal and interest are paid ratably through payroll deductions. As of December 31, 2021, the rates of interest on outstanding loans ranged from 3.25%–6.25%, with various maturities through October 2031.

Payment of benefits – Upon termination of service, participants with a vested value in the Plan of more than \$5,000 may elect to receive either a lump-sum amount in cash equal to the value of their account or a partial lump sum, with the remainder in periodic installments over a specified period of time, not exceeding the participant's life expectancy or the joint life expectancy of the participant and the participant's beneficiary. If the participant's vested value in the Plan upon termination of service is more than \$1,000 but less than \$5,000, the Plan will automatically roll the vested value of the account into an individual retirement account. If the participant's vested value in the Plan upon termination of service is less than \$1,000, the distribution will be paid in a lump-sum amount in cash.

GEP Administrative Services Savings and Profit Sharing 401(k) Plan Notes to Financial Statements

Note 1 – Description of Plan (continued)

Vested account balances less than \$5,000 under the ESOP eligible for distribution upon severance attributable to death, disability, or attainment of early or normal retirement age, as defined by the Plan, may be distributed immediately following the transfer of such vested account balance from the ESOP to the Plan. ESOP distributions may be made immediately in the form of a lump sum or periodic installments over a specified period of time.

Forfeitures – Forfeitures are the nonvested portion of a participant's account that are lost upon termination of employment. Forfeitures of profit sharing contributions are allocated to participants' accounts based on compensation and are treated as additional non-elective contributions by the Company for the plan year in which the forfeitures occur. Forfeitures of matching contributions are used to reduce future Company matching contributions. There were no forfeiture balances at December 31, 2021 and 2020, and none used during the year ended December 31, 2021.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), using the accrual method of accounting.

Use of estimates – The preparation of financial statements in conformity with U.S. GAAP requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition – The Plan's investments are stated at fair value as certified by the trustee, Wells Fargo. Fair value is the price that would be received to sell an asset or paid to transfer a liability (i.e. the "exit price") in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Other income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation in fair value of investments consists of both realized and unrealized gains and losses of those investments.

Notes receivable from participants – Notes receivable from participants are measured at amortized cost, which represents unpaid principal balance plus accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions upon the occurrence of a distributable event, based on the terms of the Plan Agreement. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of benefits – Benefits are recorded when paid.

GEP Administrative Services Savings and Profit Sharing 401(k) Plan

Notes to Financial Statements

Note 2 – Summary of Significant Accounting Policies (continued)

Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Administrative expenses paid by the Plan may include notes receivable and distribution fees charged to participants' accounts and administrative plan fees. Investment-related expenses are included in net appreciation in fair value of investments.

Risks and uncertainties – The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities, that changes in the values of the investments in the near term could materially affect a participant's account balance and the amounts reported in the statements of net assets available for benefits.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

GEP Administrative Services Savings and Profit Sharing 401(k) Plan

Notes to Financial Statements

Note 3 – Fair Value Measurements (continued)

Following is a description of the valuation techniques used for assets measured at fair value. There have been no changes in the techniques used at December 31, 2021 and 2020.

Registered investment companies (mutual funds) and money market fund – Valued at the daily closing price as reported by the fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission.

Exchange-traded funds – Shares of exchange-traded funds are valued at quoted market prices.

Common collective trust – The Wells Fargo Stable Value Fund D is a collective trust (CT) valued using the net asset value practical expedient (NAV practical expedient) of the CT as reported by the CT manager. The NAV practical expedient is based on the fair value of the underlying assets owned by the CT, minus its liabilities, and then divided by the number of units outstanding. There are no unfunded commitments or redemption restrictions.

Brokerage account – The Charles Schwab brokerage account is a self-directed account that primarily invests in mutual funds, common stocks, and cash equivalents that are valued on the basis of readily determinable market prices and categorized as Level 1 in the fair value hierarchy table.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4 – Tax Status

The Plan uses a prototype Plan Document sponsored by Wells Fargo. The prototype plan received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

In accordance with guidance on accounting for uncertainty in income taxes, management has evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5 – Information Certified by the Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Principal Trust Company as of December 31, 2021 and for the period from May 21, 2021 through December 31, 2021, and Wells Fargo Bank, N.A. as of December 31, 2020 and for the period from January 1, 2021 through May 20, 2021, the trustees of the Plan, have certified to the completeness and accuracy of the following:

- Investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net appreciation in fair value of investments, dividends, other income, and interest income on notes receivable from participants reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Investments reflected on the schedule of assets (held at end of year).

Note 6 – Party-in-Interest Transactions

Certain plan investments were managed by Wells Fargo Bank, N.A. prior to May 21, 2021. Wells Fargo Bank, N.A. was the trustee of the Plan and, therefore, transactions with the entity qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services to Wells Fargo Bank, N.A. amounted to \$46,982 for the period from January 1, 2021 through May 20, 2021.

Principal Trust Company, for the period from May 21, 2021 through December 31, 2021, and Wells Fargo Bank, N.A. for the period from January 1, 2021 through May 20, 2021, receive revenue from mutual fund service providers for services they provide to the funds. If the revenue received from such mutual fund service providers exceeds the amount due to the trustees, the excess is allocated to participant accounts. Revenue sharing income received amounted to \$147,709 and \$20,912 under Principal Trust Company and Wells Fargo Bank, N.A., respectively.

Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan and discontinue its contributions at any time, subject to the provisions of ERISA. If the Plan is terminated, amounts allocated to a participant's account become fully vested.

GEP Administrative Services Savings and Profit Sharing 401(k) Plan

Notes to Financial Statements

Note 8 – Subsequent Events

Subsequent events are events or transactions that occur after the statements of net assets available for benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statements of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statements of net assets available for benefits but arose after the statements of net assets available for benefits date and before the financial statements are available to be issued.

Effective July 31, 2022, the Plan was amended and restated to adopt the Principal Financial Group Pre-Approved Basic Savings Plan – Plus as well as incorporate regulatory required updates.

Effective September 1, 2022, the Plan announced a discretionary employer match at a rate of 50% of the first 4% of employee deferrals.

The Plan has evaluated subsequent events through October 11, 2022, which is the date the financial statements were available to be issued.
