## Independent Auditor's Report

RSM US LLP

Board of Directors  
Pattison Sand Company, LLC 401(k) Profit Sharing Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We performed an audit of the financial statements of Pattison Sand Company, LLC 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## **Other Matters**

### **2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## Pattison Sand Company, LLC 401(k) Profit Sharing Plan

### Notes to Financial Statements

---

#### Note 1. Plan Description

The following description of Pattison Sand Company, LLC 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General:** The Plan is a defined contribution plan covering all employees of Pattison Sand Company, LLC (the Company) who have completed 90 days of service and who are age 21 or older. The participants are eligible for profit-sharing contributions after completion of one year of service with 1,000 or more hours of service during the year. Employees are eligible to become participants on the first day of January or July following the date they complete the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions:** Each year, participants may elect to defer up to 50% of their eligible wages or the limit provided by law for this type of plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. In order to maintain "safe harbor" status, the Company makes a safe harbor matching contribution equal to 100% of participants' deferrals that do not exceed 3% of participants' compensation plus 50% of participants' salary deferrals between 3% and 5% of participants' compensation. The Company may also make discretionary matching (profit-sharing) contributions to the Plan. Company safe harbor contributions to the Plan were \$276,256 and \$250,181 for the years ended December 31, 2021 and 2020, respectively. No discretionary matching contributions were made during the years ended December 31, 2021 and 2020. Contributions are subject to certain limitations.

**Participant accounts:** Each participant's account is credited with the participant's contributions, the Company's matching contribution, and an allocation of (a) the Company's discretionary profit-sharing contribution, if any, and (b) investment earnings, and is charged with an allocation of administrative expenses. Allocation of the Company's discretionary profit-sharing contributions is based on participant compensation. Allocation of Plan earnings and expenses is based on participants' account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

**Vesting:** Participants are immediately vested in their salary deferral contributions and safe harbor matching contributions, plus actual earnings thereon. Vesting in any discretionary profit-sharing contributions made by the Company and any contributions in excess of safe harbor contributions is based on a six-year graded vesting schedule. Participants vest 20% for each year of employment over 1,000 hours, beginning with the second year. A participant becomes fully vested after six years of service or upon death or permanent disability.

**Forfeitures:** Forfeited balances of terminated participants' nonvested accounts are used to reduce future Company contributions, pay Plan expenses or are reallocated to participants. Forfeitures of \$5,257 and \$257 were reallocated to participants during the years ended December 31, 2021 and 2020, respectively. Unused forfeitures were \$0 and \$5,408 as of December 31, 2021 and 2020, respectively.

**Investment options:** Upon enrollment in the Plan, participants may direct the investment of their account balances into the investment options offered by the Plan. Participants may change their investment options at any time during the year.

#### Note 1. Plan Description (Continued)

**Notes receivable from participants:** Participants may borrow against their investment in the Plan, up to a maximum equal to the lesser of \$50,000 or 50% of the borrower's account balance, at a reasonable rate of interest based on financial institution rates. Interest rates ranged from 4.25% to 6.50% for loans outstanding as of December 31, 2021. The notes receivable are collateralized by the vested balance in the participant's account. Principal and interest is paid ratably through payroll deductions. During the year ended December 31, 2020, the Plan implemented certain Coronavirus Aid, Relief, and Economic Security (CARES) Act provisions to allow for special coronavirus-related loans and loan payment deferrals.

**Payment of benefits:** Upon normal retirement at age 65, disability, death or termination of service with the Company, participants are entitled to elect distribution under any one of the following methods: (a) a lump sum, (b) monthly, quarterly or annual installments subject to required minimum distributions or (c) any combination of lump-sum and installment payments. Hardship distributions are also allowed to participants in certain circumstances as defined by the Plan document. Participant accounts equal to or less than \$5,000 prior to the commencement of benefits shall be distributed in a single lump sum. During the year ended December 31, 2020, the Plan implemented certain CARES Act provisions to allow for special coronavirus-related distributions.

**Administrative expenses:** The Plan paid administrative expenses of \$43,420 and \$49,363 for the years ended December 31, 2021 and 2020, respectively. All other expenses are paid by the Company.

#### Note 2. Significant Accounting Policies

**Basis of accounting:** The financial statements of the Plan are prepared under the accrual basis of accounting.

**Accounting estimates:** The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

**Risks and uncertainties:** The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

**Valuation of investments and income recognition:** Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes receivable from participants:** Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are treated as distributions based upon the terms of the Plan document.

**Payment of benefits:** Benefit payments to participants are recorded upon distribution.

#### Note 3. Information Certified by the Trustee

The following is a summary of the Plan's asset information as of and for the years ended December 31, 2021 and 2020, included throughout the Plan's financial statements and ERISA-required supplemental schedule that was prepared or derived from information provided by Matrix Trust Company, the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that the information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures, with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule, related to the following assets:

The trustee also certified the completeness and accuracy of the net appreciation in fair value of investments, including interest and dividends, related to the aforementioned Plan assets for the years ended December 31, 2021 and 2020 as follows:

|                                               | Years Ended December 31 |                   |

|                                               | <u>\$ 797,206</u>       | <u>\$ 937,310</u> |

#### Note 4. Investments and Fair Value Measurements

Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under this guidance are described below:

**Level 1:** Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Level 2:** Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets

## Pattison Sand Company, LLC 401(k) Profit Sharing Plan

### Notes to Financial Statements

---

#### Note 4. Investments and Fair Value Measurements (Continued)

- Inputs other than quoted prices that are observable for the asset or liability and
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3:** Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

**Mutual funds:** Mutual funds are valued based on quoted market prices in the active markets in which they are traded.

**Collective trust fund:** Collective trust fund is composed primarily of benefit-responsive investment contracts valued at the net asset value (NAV) of shares held by the Plan in the collective trust fund at year-end as determined by the third-party administrator based on the market value of its underlying investments. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it were determined to be probable that the fund will sell the investment for an amount different from the reported NAV.

**Money market fund:** Money market fund is composed of a money market fund valued at the NAV of shares held by the Plan at year-end as determined by the financial institution in which they are held.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
