Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We were engaged to perform an audit of the financial statements of Columbus Association for the Performing Arts 403(b) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2021 Financial Statements

We do not express an opinion on the accompanying 2021 financial statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the 2021 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2021 Financial Statements

Because certain prior year records were not available, we were unable to perform auditing procedures with respect to individual participant account balances accumulated from inception of the Plan or to satisfy ourselves as to the basis on which participants' equity is stated as of December 31, 2021, or the propriety of the distributions to participants who terminated and withdrew from the Plan during the year then ended. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by those conditions.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Our responsibility is to conduct an audit of the Plan in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matter described in the Basis for Disclaimer of Opinion section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held for investment purposes as of December 31, 2021, is presented for the purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion for the 2021 Financial Statements section of our report, it is inappropriate to and we do not express an opinion on this supplemental schedule.

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

COLUMBUS ASSOCIATION FOR THE PERFORMING ARTS 403(b) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

Note 1 - DESCRIPTION OF PLAN:

The following description of the Columbus Association for the Performing Arts 403(b) Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the Columbus Association for the Performing Arts (CAPA). Employees are eligible to participate on their date of employment with CAPA provided that they work 20 hours or more per week. Unless specifically permitted by the collective bargaining agreements (CBA) with CAPA, any employee covered under a CBA is disallowed from receiving employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may elect to contribute up to 100% of their total compensation, subject to certain limits as detailed in the plan agreement, to the Plan on a pre-tax basis through payroll deduction. Additionally, for participants who have completed six months of service, CAPA makes a matching contribution equal to 100% of employees' deferrals up to 5% of their compensation. CAPA may, in its sole discretion, make a contribution on the participant's behalf in an amount determined by CAPA.

Participants who are at least age 50 or who will reach age 50 during any calendar year will have the option to make additional pre-tax contributions. Such participants are permitted to make additional pre-tax contributions of up to \$6,500 in 2021.

Participant Accounts

Each participant's account is credited with the participant's contribution, CAPA's contribution and an allocation of plan earnings (net of administrative expenses). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting

All amounts credited to a participant's accumulation account shall be fully vested and non-forfeitable at all times.

Forfeitures

Because participants are immediately vested in their accounts, the Plan has no forfeitures.

Payment of Benefits

Benefits may be paid to the participant or beneficiary upon death, disability, retirement or termination of employment. Additionally, employees of CAPA may take an in-service distribution after attainment of age 59.5. A participant may receive the value of his or her account in either a lump sum payment or as an annuity.

Plan Termination

Although it has not expressed any intent to do so, CAPA has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

Note 1 - DESCRIPTION OF PLAN (continued):

Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. Plan investments are not insured by FDIC or similar coverage.

Participant Loans

Participants may not borrow directly from their account balance in the Plan. However, participants may borrow from Teacher's Insurance and Annuity Association (TIAA) using a portion of their TIAA account as security for the loan. The minimum loan is \$1,000 and may be up to the lesser of \$50,000 or 45 percent of their account balance. The loans bear interest at rates which are commensurate with local prevailing rates as determined periodically by TIAA. Principal and interest is paid ratably through monthly or quarterly ACH transfers by the participant to TIAA. The Plan Administrator has concluded that these loans are not plan assets and that such arrangements are exempt transactions. Participant loan balances totaled \$-0- as of December 31, 2021 and 2020, respectively. Under the borrowing terms \$-0- of plan assets serve as collateral to these loans as of December 31, 2021 and 2020, respectively. Interest paid by participants on such loans during the year ended December 31, 2021, was \$-0-. In the event of default, such loans are reportable to plan participants as taxable income but remain outstanding and continue to accrue interest until repaid by the participant or the participant becomes eligible to receive a distribution under the terms of the Plan. During the years ended December 31, 2021 and 2020, \$-0- of loans went into default. As of December 31, 2021 and 2020, loans in default amounted to \$-0-. Such amounts include the principal and accumulated interest.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The financial statements of the plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition

The Plan's fixed annuity contract investments are valued at contract value, which approximates fair value. The Plan's mutual fund and variable annuity investments are valued at fair value using quoted market prices.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

COLUMBUS ASSOCIATION FOR THE PERFORMING ARTS 403(b) Plan

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

Note 3 - FEDERAL INCOME TAX STATUS:

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code (Code). The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service (IRS) in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for plan participants under Section 403(b).

Note 4 - ACCOUNTING FOR UNCERTAINTY IN INCOME TAXES:

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by U.S. federal or state and local tax authorities. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 - PLAN EXPENSES:

The plan sponsor, Columbus Association for the Performing Arts, pays for audit fees associated with the Plan.

Note 7 - RELATED-PARTY TRANSACTIONS:

Certain plan investments are fixed annuity contracts and shares of mutual funds issued by MassMutual or held by Reliance Trust. MassMutual is the issuer of certain investments and Reliance Trust is custodian of certain other investments as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Certain plan investments are fixed and variable annuity contracts and shares of mutual funds issued by TIAA or held by JPMorgan Chase Bank, N.A. TIAA is the issuer of certain investments and agent for JPMorgan Chase Bank, N.A., a custodian for certain other investments as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services and other administration amounted to \$79,816 and \$70,754 for the years ended December 31, 2021 and 2020, respectively. These fees are netted against investment income.

NOTES TO FINANCIAL STATEMENTS

Note 8 - ASSETS AND LIABILITIES – FAIR VALUE INFORMATION:

In accordance with the Fair Value Measurements and Disclosures Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC), all financial instruments that are being measured and reported on a fair value basis must be classified and disclosed in one of the following three categories:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2: Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, inputs that are derived principally from or corroborated by observable market data by correlation or other means, and if the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value:

Fixed Annuity:

MassMutual General Investment Account – The MassMutual general investment account investment option for defined contribution plans is a Guaranteed Interest Account (the “GIA”) provided through a group annuity contract (the “Contract”). Under terms of the Contract, a crediting rate is established for amounts invested in the GIA and participants may direct permitted withdrawal and/or transfer transaction of all or a portion of their account balance at Contract Value. Contract Value represents contributions plus credited interest less participant withdrawals and fees. MassMutual considers this investment option to be fully benefit responsive notwithstanding the Contract provisions that limit the ability of the plan to transact at Contract Value when a market value event occurs.

The GIA is valued using a market value formula approach. The estimated fair value of the GIA is determined to be the calculated market value of the GIA. The market value is calculated using the following unobservable inputs: (i) the assumed interest rate obtainable by MassMutual on new investments where a proxy is a blend of multiple indices as described in the Market Value formula under the Contract, and (ii) the experience rate for the Contract, which is the weighted average of the investment year interest rates for pension account funds. The weighting reflects the distribution of Contract funds to the various investment years in which the Contract has been in effect.

The average yield earned by the plan and the average interest rate credited to participants was 1.40% and 1.85% for the plan years ended 12/31/21 and 12/31/20, respectively. The average yield earned is calculated by dividing the annual interest credited to the plan during the plan year by the average annual fair value. The average interest rate credited to participants is calculated by dividing the annual interest credited to the participants during the plan year by the average annual fair value. The average yield earned by the plan and the average interest rate credited to participants is the same, therefore, no adjustment is needed.

Note 8 - ASSETS AND LIABILITIES – FAIR VALUE INFORMATION (continued):

TIAA Traditional Annuity - The TIAA Traditional Annuity is a fixed rate annuity contract that is fully and unconditionally guaranteed by Teachers Insurance and Annuity Association of America (TIAA), a New York domiciled non-profit legal reserve life insurance company. During the accumulation phase, the TIAA Traditional Annuity provides a guarantee of principal, a guaranteed minimum rate of interest (generally 3%, but in some recent contracts between 1% and 3%), and the potential for additional interest if declared by TIAA. Additional interest, when declared, remains in effect for the “declaration year” which begins each March 1. Additional interest is not guaranteed in future years. When the accumulation in TIAA Traditional is converted to an annuity based on life expectancy, the present value of the stream of payments is equal to the accumulation.

The TIAA Traditional Annuity is reported at contract value which approximates fair value (see Note 9). The contract value of the TIAA Traditional Annuity equals the accumulated cash contributions and interest credited to the Plan’s contracts, less any withdrawals.

Variable Annuities:

TIAA Real Estate Account (REA) – The TIAA Real Estate Account is an insurance company separate account of TIAA investing mainly in real estate and real estate-related investments. This is a variable annuity. Audited financial statements are available. The REA’s value is principally derived from the market value of the underlying real estate holdings or other real estate-related investments. Real estate holdings are valued principally using external appraisals, which are estimates of property values based on a professional’s opinion. The REA sometimes holds securities as well. These are generally priced using values obtained from independent pricing sources.

CREF Accounts – College Retirement Equities Fund (CREF) is registered with the Securities and Exchange Commission under the Investment Company Act of 1940 as an open-end management investment company. It consists of eight investment portfolios: the Stock, Global Equities, Growth, Equity Index, Bond Market, Inflation-Linked Bond, Social Choice and Money Market Accounts (individually referred to as the “Account” or collectively referred to as the “Accounts”). These are variable annuities. Audited financial statements are available. The Accounts invest principally in equity securities, fixed-income instruments and short-term investments in accordance with each portfolio’s investment objectives. Account investments are primarily valued using market quotations or prices obtained from independent pricing sources who may employ various pricing methods to value the investments including matrix pricing. CREF Money Market Account holdings are generally at amortized cost. Each Account determines its unit value each day.

Mutual Funds:

TIAA-CREF Funds – TIAA-CREF Funds is a Delaware statutory trust that was organized on April 15, 1999, and is registered with the Securities and Exchange Commission under the Investment Company Act of 1940 as an open-end management investment company. Current offerings include domestic and international equities, fixed income, real estate securities, asset allocation and money market funds.

The funds invest principally in equity securities, fixed-income instruments, other mutual funds and short-term instruments in accordance with each fund’s investment objectives. Fund holdings are generally valued using market quotations or prices obtained from independent pricing services. Each fund determines its share price or net asset value (NAV) each day calculated generally as of 4 p.m. (ET).

Summary of changes in the fair value of the Plan's level 3 assets for the year ended December 31, 2021 were as follows:

Balance, beginning of year	\$ 1,072,356
Net realized and unrealized gain on investments	28,899
Purchases	499,070
Sales	(670,838)
Balance, end of year	<u>\$ 929,487</u>

Gains and losses (realized and unrealized) included in changes in net assets for the period above are reported in net appreciation in fair value of investments in the Statement of Changes in Net Assets Available for Benefits.

Note 9 - INVESTMENT CONTRACTS:

The Plan has investment contracts. Under these contracts are sub-contracts. Issuers of the contracts maintain the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Each premium allocated to the investment contract buys a guaranteed minimum amount of lifetime income based on the rate schedule in effect at the time the premium is credited.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on an annual basis for resetting.
