Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Los Angeles Philharmonic Association Voluntary 403(B) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplementary Schedules Required by ERISA

The supplementary Schedule Line 4i Schedule of Assets Held (End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

LOS ANGELES PHILHARMONIC ASSOCIATION VOLUNTARY 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2021 and 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Los Angeles Philharmonic Association Voluntary 403(B) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) GENERAL

The Plan is a defined-contribution 403(b) plan established for the benefit of and covering all eligible employees of the Los Angeles Philharmonic Association (the Association or the Plan Sponsor). The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Los Angeles Philharmonic Association Plan Committee (the Committee) is responsible for the general administration of the Plan. Fidelity Investments Institutional Operations Company, Inc. serves as the recordkeeper of the Plan. Fidelity Management Trust Company serves as the custodian of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

The Plan was initially effective on January 1, 2011 and was most recently amended in March 2021 to make administrative changes to the plan document.

(b) CONTRIBUTIONS

Each year, participants may contribute a specific dollar amount or specific percentage of their annual compensation up to the deferral limits imposed by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Participants may also rollover amounts representing distributions from other qualified defined-benefit or contribution plans. Contributions are subject to certain limitations, as defined in the Plan.

Contributions to the Plan are made by the Sponsor in an amount equal to 50% of any such contributing participant's elective deferral, as determined at the sole discretion of the Sponsor. However, in applying this matching percentage, only elective deferrals up to 6% of the participant's compensation will be considered. The Sponsor also makes non-elective transition contributions to the Plan for all non-union employees who were also eligible participants in the frozen defined-benefit plan as of June 30, 2013 and up through January 1, 2014. The amount of the non-elective transition contribution varies from participant to participant as the formula used to calculate it is based on the participant's qualified compensation, age, and years of service as of June 30, 2013.

**NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020**

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

(c) PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, the Company's matching contributions, if any, and Plan earnings. Allocations are based on participant compensation. The benefit to which a participant is entitled is the participant's vested account balance.

(d) VESTING

Participants are immediately vested in their salary deferral contributions, plus actual earnings thereon. The portion of the participant's account attributable to the Association's matching contributions plus actual earnings, becomes 20% vested every year following a full year of service as defined, and continues to vest at the rate of 20% for each successive year of service until 100% vested after five (5) years of service.

(e) NOTES RECEIVABLE FROM PARTICIPANTS

A participant may borrow up to 50% of their account balance subject to a minimum amount of \$1,000 and a maximum amount of \$50,000. These notes receivable bear interest at a reasonable rate commensurate with local prevailing rates as determined by the Plan Administrator. Notes receivable are secured by the participant's vested interest in the Plan. Notes receivable must be paid back within five years unless the note receivable is for the purchase of a principal residence. At December 31, 2021, interest rates on notes receivable ranged from 3.75% to 6.0% per annum. Principal and interest are paid through payroll deductions.

(f) PAYMENT OF BENEFITS

On termination of service, a participant may elect to receive a single lump-sum payment of the value of his or her account. Benefits are recorded when paid. As of December 31, 2021, there were no benefit claims for participants separated from service that have not yet been paid.

(g) ADMINISTRATIVE EXPENSES

The Company incurs certain expenses in administering the Plan, which are not passed on as expenses of the Plan.

**NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020**

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

(h) FORFEITED ACCOUNTS

During the year ended December 31, 2021, forfeitures of \$25,441 were used to offset employer matching contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$110,052 and \$64,353, respectively. These accounts will be used to reduce future employer contributions or reduce administrative expenses of the Plan.

(i) RECLASSIFICATIONS

For comparability, the December 31, 2020 amounts have been reclassified, where appropriate, to conform with the financial statement presentation used at December 31, 2021.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting.

(b) USE OF ESTIMATES

The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan Administrator to use certain estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported revenues and expenses during the reporting period. Although the Plan Administrator believes its estimates are appropriate, changes in assumptions utilized in preparing such estimates could cause these estimates to change sometime in the future.

(c) RISKS AND UNCERTAINTIES

The Plan utilizes various investment instruments, including interest bearing cash, mutual funds and a guaranteed interest contract. Investment instruments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment instruments, it is reasonably possible that changes in the values of investment instruments will occur in the near term and that such changes could materially affect amounts reported in the financial statements.

VOLUNTARY 403(B) PLAN**

**NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(d) INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(e) NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

(f) SUBSEQUENT EVENTS

The Plan has evaluated events and transactions occurring subsequent to the statement of net assets available for benefits date of December 31, 2021 for items that should potentially be recognized or disclosed in these financial statements. There are no subsequent events that have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements, other than what is already disclosed. The evaluation was conducted through October 5, 2022, the date these financial statements were available to be issued. No such material events or transactions were noted to have occurred.

NOTE 3 - INVESTMENTS

The Plan's funds are maintained by Fidelity Management Trust Company (FMTCT). The funds are credited with contributions and actual earnings on the underlying investment and charged for Plan withdrawals. The Plan's funds in the financial statements as of December 31, 2021 and 2020 are the valued as reported to the Plan by FMTCT.

**NOTES TO FINANCIAL STATEMENTS

NOTE 3 - INVESTMENTS (continued)

The following was certified as to being complete and accurate by FMTC:

- Investments and notes receivable from participants as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Interest and dividend income, net appreciation in fair value of investments, and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Supplementary schedule of assets (held at end of year).

The Plan's independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the statements of net assets available for benefits and changes in net assets available for benefits and the supplementary schedule of assets (held at end of year).

Participants may change their investment options at their discretion.

NOTE 4 - FAIR VALUE MEASUREMENT

The Plan adopted a fair value measurement accounting standard for those assets that are re-measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. This standard applies to fair value measurements already required or permitted by existing standards.

The three levels of the fair value hierarchy under the standard are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis at December 31, 2021 and 2020, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

	Year Ended December 31	Fair Value Measurements Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
2021:				
Interest-Bearing Cash	\$ 1,199,429	\$ 1,199,429	\$ -	\$ -
Mutual Funds	65,514,564	65,514,564	-	-
Self-Directed Brokerage Accounts	5,751,162	5,751,162		
Guaranteed Interest Contract	1,183,165	-	-	1,183,165
TOTAL INVESTMENTS IN FAIR VALUE HIERARCHY	\$ 73,648,320	\$ 72,465,155	\$ -	\$ 1,183,165
2020:				
Interest-Bearing Cash	\$ 2,040,717	\$ 2,040,717	\$ -	\$ -
Mutual Funds	54,116,822	54,116,822	-	-
Self-Directed Brokerage Accounts	7,250,703	7,250,703		
Guaranteed Interest Contract	1,260,325	-	-	1,260,325
TOTAL INVESTMENTS IN FAIR VALUE HIERARCHY	\$ 64,668,567	\$ 63,408,242	\$ -	\$ 1,260,325

The following is a description of the valuation methodologies used for assets measured at fair value:

- **Interest Bearing Cash:** Valued at carrying value, which approximates fair value due to the short-term nature of such investments.
- **Mutual Funds:** Valued at the closing price reported on the active market on which the funds are traded.
- **Self-Directed Brokerage Accounts:** Accounts include investments in Interest Bearing Cash and Mutual Funds.
- **Guaranteed Interest Contract:** Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit worthiness of the issuer.

LOS ANGELES PHILHARMONIC ASSOCIATION VOLUNTARY 403(B) PLAN

NOTES TO FINANCIAL STATEMENTS December 31, 2021 and 2020

NOTE 4 - FAIR VALUE MEASUREMENT (continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan recognizes transfers at the beginning of each reporting period. Transfers between Level 1 and 2 investments generally relate to whether a market becomes active or inactive. There were no transfers between Level 1 and 2 investments for the year ended December 31, 2021. Transfers between Level 2 and 3 investments relate to whether significant relevant observable inputs are available for the fair value measurement in their entirety and when redemption rules become more or less restrictive. There were no transfers between Level 2 and 3 investments for the year ended December 31, 2021.

Changes in Level 3 measurements for the year ended December 31, 2021 are as follows:

	Guaranteed Interest Contract
Beginning Balance	\$ 1,260,325
Purchases	55,716
Withdrawals	(160,638)
Fees	2,702
Loan Repayment	10,008
Interest on Loan	857
Interest	14,195
ENDING BALANCE	\$ 1,183,165

NOTE 5 - TAX STATUS

The Plan is intended to comply with the applicable requirements of Section 403(b) of the IRC, as amended. A tax determination letter is not yet available for IRC Section 403(b) plans through the IRS. The Association believes the Plan is currently designed and operated in compliance with applicable requirements of the IRC, and as such, is exempt from federal income taxes.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain investment instruments are managed by FMTC. FMTC is a custodian as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

In the event the Plan is terminated, the assets will be allocated to each participant in the proportion each account balance bears to the total of all account balances.
