Independent Auditor's Report

RSM US LLP

Retirement Plan Committee and Plan Participants of
Eastern Research Group, Inc. Cash or Deferred Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Eastern Research Group, Inc. Cash or Deferred Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4(i)—Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Eastern Research Group, Inc. Cash or Deferred Profit Sharing Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of the Eastern Research Group, Inc. Cash or Deferred Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees of Eastern Research Group, Inc. and PG Environmental, LLC (collectively, the Company) who are age 21 or older and have performed four months of service with the Company. The Plan was last amended effective January 1, 2020, to allow partial distributions for terminated participants up to a maximum of four per year for a minimum amount of \$5,000. The deferral rate for newly eligible participants enrolled in the Plan is 6% on eligible compensation, as defined in the Plan documents. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Participants may elect to defer and contribute to the Plan an amount from 1% to 100% of their pretax and post-tax gross compensation for 401(k) deferrals and Roth 401(k) deferrals, respectively, not to exceed statutory limits. Each year, a profit sharing contribution is made at the discretion of the Company. Participants are eligible to receive the profit sharing contribution if they are employed by the Company on the last day of the Plan year, worked a minimum of 200 hours during the Plan year and have met the eligibility requirements of the Plan to defer. A participant does not have to be deferring into the Plan to receive the profit sharing contribution. For the year ended December 31, 2021, the amount allocated to participant accounts was 6% of the employee's eligible compensation for employees of Eastern Research Group, Inc. and employees of PG Environmental, LLC.

Rollovers: With the approval of the Plan Administrator, the Plan may receive any amounts received by an employee as a distribution from another qualified plan provided that the receipt of such amounts does not adversely affect the qualified tax status of the Plan. Participants are fully vested in these amounts.

Participant accounts: Each participant's account is credited with the participant's contribution, the Company's profit sharing contribution and an allocation of plan earnings. Plan earnings are allocated based on the underlying investments in a participant's account. In addition, each participant's account is charged with investment management fees on a pro rata ratio based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting: Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Participants vest in the Company's profit sharing contributions based on the years of continuous service (with at least 200 hours of service each year) and become fully vested after five years of credited service.

Investment elections: Participants may direct the investments of their account. Participants may choose from a selection of mutual funds, a money market fund and a common/collective trust. Each participant has the ability to change his or her investment allocation at any time.

Notes receivable from participants: In accordance with the terms of the Plan, the Plan Administrator may authorize interest-bearing loans to participants in the amounts of \$1,000 or more. Loan amounts are limited to the lesser of 50% of the participant's vested account balance, or \$50,000 reduced by the participant's highest outstanding loan balance during the one-year period prior to the date on which the loan is made. A participant may have a maximum of up to five loans outstanding at one time. Loans are secured by the participant's account balance and are repaid through payroll withholdings. Interest is charged on these loans at the prime lending rate as published in the Wall Street Journal at the time of the loan, plus 1%, and is credited directly into the participant's accounts.

Notes to Financial Statements

Note 1. Description of Plan (Continued)

Loans may not exceed five years; however, if the loan is for the purchase of a principal residence, the Plan administrator may permit longer repayment terms that are within statutory limits.

Benefit payments: Upon death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of his or her account or a distribution in the form of an annuity. Upon any other type of termination, a participant shall be entitled to a lump-sum benefit equal to his or her vested interest in the Plan. Participants may withdraw, at any time, upon substantial financial hardship as defined in the Plan documents, any portion of the balance in their account, which is attributable to their voluntary tax-deferred contributions and earnings. Participants are prohibited from making contributions to the Plan for six months following receipt of a hardship withdrawal. All distributions are subject to the applicable provisions of the Plan agreement.

Forfeitures: If a participant terminates employment with the Company, the participant shall be entitled to the full value of his or her pretax 401(k) and post-tax Roth 401(k) contributions and the value of the vested portion of his or her Company profit sharing contributions. If the employee is rehired following a break in service, as defined in the Plan document, any forfeited amount is restored to his or her account if the employee has less than five consecutive one-year breaks in service. Any profit sharing contributions that are forfeited due to participant withdrawal prior to vesting are used to reduce the Company's future profit sharing contributions. For the year ended December 31, 2021, forfeitures generated were \$66,469. At December 31, 2021, forfeitures available were \$66,469 and were used to reduce the final 2021 employer profit sharing contribution paid in 2022. There were no unallocated forfeitures as of December 31, 2021 or 2020.

Administrative expenses: Certain administrative expenses, such as audit and bookkeeping fees, are paid for by the Company and subsequently reimbursed by the Plan while other fees, such as investment fees, are charged to and paid by the Plan directly. Any settlor expenses, which are fees that relate to the design, establishment or termination of the Plan, are paid by the Company. Administrative expenses paid by the Plan were \$308,932 for the year ended December 31, 2021.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements have been prepared in accordance with accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets accounting principles generally accepted in the United States of America (U.S. GAAP) to ensure that net assets available for benefits and changes in net assets available for benefits are consistently reported. References to U.S. GAAP issued by the FASB in these footnotes are to the FASB Accounting Standards Codification (ASC). The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition: The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date. In the statement of changes in net assets available for benefits, the Plan presents the net appreciation (depreciation) in the fair value of investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Eastern Research Group, Inc. Cash or Deferred Profit Sharing Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Payment of benefits: Benefits are recorded when paid.

Revenue credits: Revenue credits are credits received from Sentinel Benefits & Financial Group (Sentinel), which represent revenue generated by the Plan that is returned to the Plan by Sentinel. These funds may be used to pay reasonable and necessary expenses for the Plan. If they should exceed Plan expenses they can be allocated to participants as an investment gain. During the year ended December 31, 2021, the Plan received \$182,012, which was used to pay Plan expenses.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Fair value measurements: The Plan follows guidance within FASB ASC 820, Fair Value Measurements and Disclosures, which defines fair value, and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy are described below:

- Level 1:** Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.
- Level 2:** Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, either directly or indirectly.
- Level 3:** Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised by the Plan in determining fair value is greatest for instruments categorized in Level 3. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Fair value is a market-based measure considered from the perspective of a market participant rather than an entity-specific measure. Therefore, even when market assumptions are not readily available, the Plan's own assumptions are set to reflect those that market participants would use in pricing the asset or liability at the measurement date. The Plan uses prices and inputs that are current as of the measurement date, including during periods of market dislocation. In periods of market dislocation, the observability of prices and inputs may be reduced for many instruments. This condition could cause an instrument to be reclassified from Level 1 to Level 2 or Level 2 to Level 3.

As of December 31, 2021 and 2020, the Plan does not have any nonfinancial assets or liabilities.

Valuation techniques: There have been no changes in the valuation techniques used during the current period.

Mutual funds and money market fund: Mutual funds and money market fund are valued at quoted market prices. These securities are categorized as Level 1 as they are actively traded and no valuation adjustments have been applied.

Eastern Research Group, Inc. Cash or Deferred Profit Sharing Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Common/collective trust: The fair value of the common/collective trust is estimated using the net asset value (NAV) per unit based on the underlying investments and audited financial statements.

Accounting for uncertainty in income taxes: U.S. GAAP require Plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state or local tax authorities for years before 2018.

Note 3. Investments

The following table presents for each hierarchy level, the Plan's assets that are measured at fair value as of December 31:

Description	Assets at Fair Value as of December 31, 2021

Note 3. Investments (Continued)

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using net asset value per share (or its equivalent) as of December 31:

Investment	Fair Value December 31		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2021	2020			
Common/collective trust:

- (b) The fund permits participant directed withdrawals on a daily basis provided that they satisfy benefit payments to individual participants or their beneficiaries. Nonparticipant-directed withdrawals that affect the partial or complete withdrawal of the Plan from the fund may be delayed by the fund at its sole discretion for up to 12 months.

Note 4. Information Prepared and Certified by Plan's Trustee

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that were prepared by or derived from information provided by Reliance Trust Company, the trustee, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information related to the following assets:

	December 31	
	2021	2020
Investments at fair value:		
Mutual funds	\$ 164,692,373	\$ 142,465,712
Common/collective trust	11,779,891	11,218,249
Money market accounts	69,913	40,712
	<u>\$ 176,542,177</u>	<u>\$ 153,724,673</u>

Reliance Trust Company also certified to the completeness and accuracy of \$14,631,180 of net appreciation in fair value of investments and \$9,174,591 of interest and dividends related to the aforementioned investments for the year ended December 31, 2021.

Note 5. Notes Receivables From Participants

The Plan permits its participants to obtain loans against their respective account balances. As of December 31, 2021 and 2020, total loans outstanding were \$629,177 and \$839,203, respectively. During the year ended December 31, 2021, interest earned on such loans was \$37,963. Loans to participants are collateralized by the respective participant's remaining account balance. Also, certain restrictions apply to participant loans, as defined in the Plan document.

Eastern Research Group, Inc. Cash or Deferred Profit Sharing Plan

Notes to Financial Statements

Note 6. Tax Status

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of plan termination, participants will become fully vested in their accounts.

Note 8. Party-in-Interest Transactions

Certain Plan investments are shares of a money market funds managed by Fidelity Investments, the custodian of the Plan. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. These transactions qualify as party-in-interest transactions as that term is defined in Section 3(14) of ERISA.

Note 9. Risks and Uncertainties

The Plan provides for various investment options in any combination of fixed-income securities, mutual funds and other investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Note 10. Subsequent Events

The Plan has evaluated all subsequent events through October 12, 2022, the date the financial statements were available to be issued.
