INDEPENDENT AUDITORS' REPORT

Hanover College 403(b) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Hanover College 403(b) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Plan Administrator
Hanover College 403(b) Retirement Plan
Hanover, Indiana

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Plan Administrator
Hanover College 403(b) Retirement Plan
Hanover, Indiana

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets Held at End of Year as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Auditor's Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the custodian. Our audit report, dated October 12, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the custodian were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

HANOVER COLLEGE 403(B) RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN:

The following brief description of the Hanover College 403(b) Retirement Plan (Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution retirement plan pursuant to Internal Revenue Code (IRC) Section 403(b), covering all employees, except student employees, of Hanover College (College). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan covers substantially all non-student employees of the College. An employee is eligible to contribute employee elective deferrals to the Plan on the first day of the month following their date of hire. Salaried employees become eligible to receive employer contributions the first day of the month following the date they attain age 21, while hourly employees become eligible to receive employer contributions the first day of the month following 90 days of employment and attainment of age 21. Employees are automatically enrolled into the Plan at 3% of compensation after 90 days of employment.

CONTRIBUTIONS

Each year, participants may contribute up to the maximum allowable contribution, as defined by the IRC. The College may, at its discretion, make a discretionary contribution on behalf of eligible participants equal to a specified percentage of the employee's compensation for the period. The total contribution to a participant's account for the Plan year cannot exceed the maximum limit determined by the IRC. The College made discretionary contributions equal to 4% of participants' compensation for eligible participants with five years or less of service, and 8% of participants' compensation for participants with more than five years of service.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution, the College's discretionary contribution, allocations of Plan earnings or losses, and charged with an allocation of Plan expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All amounts in participant accounts are participant-directed.

VESTING

Participants are vested immediately in all contributions plus actual earnings thereon.

Notes to Financial Statements

December 31, 2021 and 2020

1. DESCRIPTION OF THE PLAN, continued:

PLAN LOANS

Participants may apply for a Plan loan directly from TIAA. Plan loans from TIAA of \$26,424 and \$41,332 as of December 31, 2021 and 2020, respectively, are secured by the balance in the participant's account and bear interest at rates of 4.00-4.31%. The loans are not considered assets of the Plan and therefore are not included in notes receivable from participants on the statements of net assets available for benefits.

NOTES RECEIVABLE FROM PARTICIPANTS

Effective January 1, 2017, participants may borrow from their participant accounts. The notes are secured by the balance in the participant's account and bear interest at rates of 4.25-6.50%. The outstanding notes receivable balances totaled \$106,615 and \$63,436 as of December 31, 2021 and 2020, respectively.

The total loans that a participant has outstanding is limited to the lesser of \$50,000 or 50% of the participant's account balance. Principal and interest are paid at a frequency no less than quarterly over a maximum of five years (with certain exceptions for loans used to acquire a principal residence).

ADMINISTRATIVE EXPENSES

Administrative expenses in the statement of changes in net assets available for benefits include recordkeeping fees paid to third-party administrators, audit fees, and transactional fees.

PAYMENT OF BENEFITS

Upon termination of service due to death, termination, or attaining age 72, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in the form of a single life annuity, joint and fifty percent survivor annuity, joint and seventy-five percent survivor annuity, fixed period annuity, installment payments, or single lump sum.

2. SIGNIFICANT ACCOUNTING POLICIES:

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

USE OF ESTIMATES

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes to Financial Statements

December 31, 2021 and 2020

2. SIGNIFICANT ACCOUNTING POLICIES, continued:

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements and Note 5 for a discussion on fully benefit-responsive investment contracts.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PARTICIPANT LOANS

Participants may apply for a loan from their participant account. The total of the loans that a participant has outstanding is limited to the lesser of \$50,000 or 50 percent of the participant's account balance. Participant loans bear interest at a rate determined by the Plan administrator. Each loan shall be amortized in level payments, not less frequently than quarterly, over a maximum of 5 years (with certain exceptions for loans used to acquire a principal residence). Participant loans are reported as notes receivable from participants on the statements of net assets available for benefits.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

3. INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTION:

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by TIAA and CREF, a qualified institution. TIAA, FSB is the custodian of the portion of TIAA and CREF Plan assets invested in mutual fund shares and has authorized TIAA to certify investments held by TIAA, FSB.

4. FAIR VALUE MEASUREMENTS:

The Plan uses appropriate valuation techniques to determine fair value based on inputs available. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs were not available. The following table presents the fair value measurements of assets and liabilities recognized in the accompanying statements of net assets available for benefits measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31:

	Fair Value	Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Investments at December 31, 2021:				
Mutual funds	\$ 35,137,223	\$ 35,137,223	\$ -	\$ -
Variable annuity contracts	16,654,338	16,654,338	-	-
Non benefit-responsive fixed annuity contracts	8,726,986	-	-	8,726,986
Pooled separate accounts	2,328,171	2,328,171	-	-
	<u>\$ 62,846,718</u>	<u>\$ 54,119,732</u>	<u>\$ -</u>	<u>\$ 8,726,986</u>
Investments at December 31, 2020:				
Mutual funds	\$ 31,209,357	\$ 31,209,357	\$ -	\$ -
Variable annuity contracts	17,770,293	17,770,293	-	-
Non benefit-responsive fixed annuity contracts	8,609,258	-	-	8,609,258
Pooled separate accounts	1,726,575	1,726,575	-	-
	<u>\$ 59,315,483</u>	<u>\$ 50,706,225</u>	<u>\$ -</u>	<u>\$ 8,609,258</u>

Mutual funds, variable annuity contracts, and pooled separate account units are valued using Level 1 inputs, and are primarily valued using market quotations or prices obtained from independent pricing sources. Non-benefit responsive fixed annuity contracts are reported at contract value, which represents fair value. The contract value equals the accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals. Crediting rates are a combination of a guaranteed rate and an annually established discretionary rate. Additionally, the discretionary rate applied to contributions received during a reporting period may vary from the discretionary rate applied to account balances at the end of the prior reporting period.

Notes to Financial Statements

December 31, 2021 and 2020

4. FAIR VALUE MEASUREMENTS, continued:

The following table provides further details for the Level 3 fair value measurements for the year ended December 31, 2021:

Purchases and issuances	\$ 1,124,460
Sales and settlements	\$ (1,315,719)

Quantitative information about Level 3 fair value measurements as of December 31, 2021:

	Fair Value at December 31, 2021	Valuation Technique	Significant Unobservable Inputs	Range (Weighted Average)
TIAA Traditional Annuity non benefit-responsive	\$ 8,726,986	Discounted cash flow	Risk-adjusted discount rate applied	3.75% - 4.25%

Quantitative information about Level 3 fair value measurements as of December 31, 2020:

	Fair Value at December 31, 2020	Valuation Technique	Significant Unobservable Inputs	Range (Weighted Average)
TIAA Traditional Annuity non benefit-responsive	\$ 8,609,258	Discounted cash flow	Risk-adjusted discount rate applied	2.00% - 3.00%

5. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANY:

The Plan has benefit-responsive guaranteed investment contracts with TIAA. TIAA maintains the contributions in general accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contracts are fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contracts. Contract value, as reported to the Plan by TIAA represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

HANOVER COLLEGE 403(B) RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

5. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANY, continued:

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of benefit-responsive guaranteed investment contracts at December 31, 2021 and 2020, was \$6,746,407 and \$6,216,712, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 3%, except for the TIAA Stable Value contract, which has no minimum crediting interest rate. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contracts do not permit the insurance company to terminate the agreements prior to the scheduled maturity date.

6. PARTIES-IN-INTEREST TRANSACTIONS:

Plan investments of \$34,619,082 and \$34,434,982 are accounts managed by TIAA and CREF for the years ending December 31, 2021 and 2020, respectively. TIAA and CREF are custodians of the Plan and therefore, these transactions qualify as party-in-interest. Fees of \$61,518 were paid to TIAA and CREF through the revenue sharing account for the year ending December 31, 2021.

HANOVER COLLEGE 403(B) RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

7. PLAN TERMINATION:

Although it has not expressed any intent to do so, the College has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

8. TAX STATUS:

The Plan has adopted a volume submitter Plan document sponsored by TIAA. The volume submitter Plan document has obtained an opinion letter from the Internal Revenue Service (IRS) dated August 8, 2017, which states that the volume submitter document satisfies the applicable provisions of the IRC. The Plan has not received a determination letter from the IRS; however the Plan administrator and the Plan's counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax-exempt.

9. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

The Plan's operations may be affected by the recent and ongoing outbreak of the coronavirus disease 2019 (COVID-19) which was declared a pandemic by the World Health Organization in March 2020. The ultimate disruption which may be caused by the outbreak is uncertain; however, it may result in a material adverse impact on the Plan's financial position and operations. Possible effects may include but are not limited to, disruption to contributions, as well as a decline in value of assets held by the Plan. The financial impact cannot be estimated at this time.

10. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through October 13, 2022, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.
