INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of
MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN
160 W. Fort Street, Suite 400
Detroit, Michigan 48226

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of **MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of **MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN's** internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of **MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN**. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN

NOTES TO THE FINANCIAL STATEMENTS For the years ended December 31, 2021 and 2020

NOTE A - Description of the Plan

The following description of the **Michael J. Morse P.C. Employees 401(k) Trust Plan** (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Plan is a salary reduction plan and is for the exclusive benefit of eligible employees and their beneficiaries. Under this type of plan, participants may elect to contribute a percentage of pretax compensation to the Plan. Also, the Plan allows Roth contributions on a post-tax basis. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan adopted a prototype agreement effective May 15, 2019. The Plan does not accept rollovers of former employees.

Eligibility to participate - Generally, the Plan covers all employees of **Mike Morse Law Firm PLLC** (the "Company") who have attained age 21 years old and have completed 60 days of service. The Plan allows for automatic withholding deferrals for individuals hired after July 17, 2017 of 1% once eligible unless otherwise the participant selected a different percentage to withhold or opts out. Participants are eligible to receive non-matching contributions as of the Plan anniversary date (January 1st) or semi-anniversary date (July 1st) provided they have attained age 21 and have completed one year of service. If a participant terminates employment and is later re-employed, that employee shall become a participant upon re-employment. Normal retirement age is 62 years old.

Contributions - Individual participants may elect to contribute up to \$19,500 of their total compensation for the Plan years 2021 and 2020. In addition, participants who have attained age 50 by December 31, 2021 and 2020, may also make catch-up contributions of \$6,000 during those years. Catch-up contributions are not subject to any other contribution limits or the nondiscrimination rules. Participants direct the investments of their contributions into various investment options offered by the Plan. The Plan currently offers many registered investment company funds and interest-bearing cash as investment options for participants. Furthermore, the Company can make a matching contribution or certain special contributions determined on a discretionary basis within certain limits. Compensation includes all wages, bonuses, etc., excluding reimbursements or other expense allowances, fringe benefits (cash and non-cash), moving expenses, deferred compensation, welfare benefits, and unused leave time.

Participants' accounts - Each participant's account is credited with the participant's contribution and allocations of Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six or more years of credited service.

Forfeiture accounts - If a participant terminates employment before being fully vested, then the non-vested portion of the terminated participant's account balance remains in the Plan and is called a forfeiture. Forfeited amounts shall be used to pay Plan administrative expenses, used to reduce employer contributions, or used to restore previously forfeited amounts for eligible participants returning to employment. For the years ended December 31, 2021 and 2020 forfeited non-vested amounts totaled \$16,214 and \$16,288, respectively and forfeited non-vested amounts used to reduce employer contributions totaled \$300 and \$0, respectively.

Payment of benefits - Benefits are recorded when paid. There were no benefits requested before year-end that were not paid.

NOTES TO THE FINANCIAL STATEMENTS

(continued)

For the years ended December 31, 2021 and 2020

NOTE A - Description of Plan (continued)

Notes receivable from participants - Participants may borrow from their fund accounts up to the lesser of \$50,000 or 50% of their account balance. Loans shall provide for level amortization with payments not to exceed five years. However, loans used to purchase a primary residence may exceed five years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

NOTE B - Summary of Significant Accounting Policies

Basis of accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Expenses - Certain expenses of operating the plan are paid for by the Company and are therefore not recognized as an expense in these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's accounts.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note G for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants are valued at cost, which approximates fair value. The account balances are pledged as collateral on the loans. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of benefits - On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account only in the form of a single lump-sum payment. Minimum required distributions begin when the participant attains age 70½ (or age 72 for participants who reach age 70½ in 2020 or later).

Date of management's review - Subsequent events were evaluated through the date of the report, which is the date the financial statements were available to be issued.

NOTES TO THE FINANCIAL STATEMENTS

(continued)

For the years ended December 31, 2021 and 2020

NOTE C - Plan Termination

Upon the date of either full or partial termination of the Plan, or if applicable, upon the date of complete discontinuance of contributions to the Plan, an affected participant's right to his accrued benefit shall become one hundred percent (100%) vested. While it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA.

NOTE D - Tax Status

The IRS has determined and informed the Company by a favorable opinion letter dated March 31, 2014, that the Plan and related Trust are designed in accordance with applicable sections of the Internal Revenue Code. The opinion letter is being relied upon by the Plan. Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt. The Plan intends to update the plan in 2022.

U.S. GAAP require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE E - Investment Information and Information Certified by the Custodian

Information certified by the custodian - The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under this election, no audit procedures have been performed with respect to information certified as complete and accurate by the custodian of the Plan, Empower Retirement which acquired Massachusetts Mutual Life Insurance Company on December 31, 2020, which held the Plan's investment assets and executed investment transactions from January 1, 2020 to December 31, 2021. The unaudited information included in the accompanying financial statements and supplemental schedule, which are certified by the custodian, is summarized below.

NOTES TO THE FINANCIAL STATEMENTS

(continued)

NOTE F - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE G - Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

- Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 inputs to the valuation methodology include the following:
 - Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from, or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- *Pooled separate accounts* - is a sub-account that invests in mutual funds valued at the closing price reported on the active market on which the individual mutual funds are traded.
- *Mutual Funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Common/Collective Trust Fund*: Valued at the fair value based on daily closing price as provided by the custodian.

For the years ended December 31, 2021 and 2020

NOTE G - Fair Value Measurements (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy the plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

NOTE H - Related Party and Party-In-Interest Transactions

Certain administrative functions are performed by employees of the Company. No employee receives compensation from the Plan for these services.

Certain plan investments are managed by Empower Retirement. Empower Retirement as a service offered by Great-West Life & Insurance Company is the current custodian and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for services to the custodian and the third-party administrator amounted to \$59,670 and \$43,281 for the years ending December 31, 2021 and 2020, respectively.

INDEPENDENT AUDITORS' REPORT

To the Trustees and Participants of
MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN
160 W. Fort Street, Suite 400
Detroit, Michigan 48226

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of **MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN**, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note E to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of **MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN** and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about **MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN's** ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of **MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN's** internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about **MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN's** ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year) as of the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of **MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN**. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 6, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN

NOTES TO THE FINANCIAL STATEMENTS For the years ended December 31, 2021 and 2020

NOTE A - Description of the Plan

The following description of the **Michael J. Morse P.C. Employees 401(k) Trust Plan** (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General - The Plan is a salary reduction plan and is for the exclusive benefit of eligible employees and their beneficiaries. Under this type of plan, participants may elect to contribute a percentage of pretax compensation to the Plan. Also, the Plan allows Roth contributions on a post-tax basis. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan adopted a prototype agreement effective May 15, 2019. The Plan does not accept rollovers of former employees.

Eligibility to participate - Generally, the Plan covers all employees of **Mike Morse Law Firm PLLC** (the "Company") who have attained age 21 years old and have completed 60 days of service. The Plan allows for automatic withholding deferrals for individuals hired after July 17, 2017 of 1% once eligible unless otherwise the participant selected a different percentage to withhold or opts out. Participants are eligible to receive non-matching contributions as of the Plan anniversary date (January 1st) or semi-anniversary date (July 1st) provided they have attained age 21 and have completed one year of service. If a participant terminates employment and is later re-employed, that employee shall become a participant upon re-employment. Normal retirement age is 62 years old.

Contributions - Individual participants may elect to contribute up to \$19,500 of their total compensation for the Plan years 2021 and 2020. In addition, participants who have attained age 50 by December 31, 2021 and 2020, may also make catch-up contributions of \$6,000 during those years. Catch-up contributions are not subject to any other contribution limits or the nondiscrimination rules. Participants direct the investments of their contributions into various investment options offered by the Plan. The Plan currently offers many registered investment company funds and interest-bearing cash as investment options for participants. Furthermore, the Company can make a matching contribution or certain special contributions determined on a discretionary basis within certain limits. Compensation includes all wages, bonuses, etc., excluding reimbursements or other expense allowances, fringe benefits (cash and non-cash), moving expenses, deferred compensation, welfare benefits, and unused leave time.

Participants' accounts - Each participant's account is credited with the participant's contribution and allocations of Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six or more years of credited service.

Forfeiture accounts - If a participant terminates employment before being fully vested, then the non-vested portion of the terminated participant's account balance remains in the Plan and is called a forfeiture. Forfeited amounts shall be used to pay Plan administrative expenses, used to reduce employer contributions, or used to restore previously forfeited amounts for eligible participants returning to employment. For the years ended December 31, 2021 and 2020 forfeited non-vested amounts totaled \$16,214 and \$16,288, respectively and forfeited non-vested amounts used to reduce employer contributions totaled \$300 and \$0, respectively.

Payment of benefits - Benefits are recorded when paid. There were no benefits requested before year-end that were not paid.

MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN

NOTES TO THE FINANCIAL STATEMENTS

(continued)

For the years ended December 31, 2021 and 2020

NOTE A - Description of Plan (continued)

Notes receivable from participants - Participants may borrow from their fund accounts up to the lesser of \$50,000 or 50% of their account balance. Loans shall provide for level amortization with payments not to exceed five years. However, loans used to purchase a primary residence may exceed five years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

NOTE B - Summary of Significant Accounting Policies

Basis of accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Expenses - Certain expenses of operating the plan are paid for by the Company and are therefore not recognized as an expense in these financial statements. Investment-related expenses are included in net appreciation in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's accounts.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note G for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants - Notes receivable from participants are valued at cost, which approximates fair value. The account balances are pledged as collateral on the loans. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Payment of benefits - On termination of service due to death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account only in the form of a single lump-sum payment. Minimum required distributions begin when the participant attains age 70½ (or age 72 for participants who reach age 70½ in 2020 or later).

Date of management's review - Subsequent events were evaluated through the date of the report, which is the date the financial statements were available to be issued.

MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN

NOTES TO THE FINANCIAL STATEMENTS

(continued)

For the years ended December 31, 2021 and 2020

NOTE C - Plan Termination

Upon the date of either full or partial termination of the Plan, or if applicable, upon the date of complete discontinuance of contributions to the Plan, an affected participant's right to his accrued benefit shall become one hundred percent (100%) vested. While it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA.

NOTE D - Tax Status

The IRS has determined and informed the Company by a favorable opinion letter dated March 31, 2014, that the Plan and related Trust are designed in accordance with applicable sections of the Internal Revenue Code. The opinion letter is being relied upon by the Plan. Plan management believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt. The Plan intends to update the plan in 2022.

U.S. GAAP require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE E - Investment Information and Information Certified by the Custodian

Information certified by the custodian - The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under this election, no audit procedures have been performed with respect to information certified as complete and accurate by the custodian of the Plan, Empower Retirement which acquired Massachusetts Mutual Life Insurance Company on December 31, 2020, which held the Plan's investment assets and executed investment transactions from January 1, 2020 to December 31, 2021. The unaudited information included in the accompanying financial statements and supplemental schedule, which are certified by the custodian, is summarized below.

	<u>2021</u>	<u>2020</u>
Investments, at fair value:		
Mutual funds/common/collective trusts	\$ 12,195,714	\$ 9,605,087
Notes receivable from participants	\$ 71,208	\$ 105,360
Net investment income	\$ 1,733,070	\$ 1,329,518

MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN

NOTES TO THE FINANCIAL STATEMENTS

(continued)

For the years ended December 31, 2021 and 2020

NOTE F - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE G - Fair Value Measurements

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

- Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 inputs to the valuation methodology include the following:
 - Quoted prices for similar assets or liabilities in active markets
 - Quoted prices for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from, or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- *Pooled separate accounts* - is a sub-account that invests in mutual funds valued at the closing price reported on the active market on which the individual mutual funds are traded.
- *Mutual Funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- *Common/Collective Trust Fund*: Valued at the fair value based on daily closing price as provided by the custodian.

MICHAEL MORSE P.C. EMPLOYEES 401(K) TRUST PLAN

NOTES TO THE FINANCIAL STATEMENTS

(continued)

For the years ended December 31, 2021 and 2020

NOTE G - Fair Value Measurements (continued)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy the plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
December 31, 2021:				
Pooled separate accounts:				
Mutual funds	\$ 6,954,497	\$ 6,954,497	\$ -	\$ -
Common/Collective Trust Fund	<u>5,241,217</u>	<u>5,241,217</u>	<u>-</u>	<u>-</u>
Total	<u>\$ 12,195,714</u>	<u>\$ 12,195,714</u>	<u>\$ -</u>	<u>\$ -</u>
December 31, 2020:				
Pooled separate accounts:				
Mutual funds	\$ 5,517,564	\$ 5,517,564	\$ -	\$ -
Common/Collective Trust Fund	<u>4,087,523</u>	<u>4,087,523</u>	<u>-</u>	<u>-</u>
Total	<u>\$ 9,605,087</u>	<u>\$ 9,605,087</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE H - Related Party and Party-In-Interest Transactions

Certain administrative functions are performed by employees of the Company. No employee receives compensation from the Plan for these services.

Certain plan investments are managed by Empower Retirement. Empower Retirement as a service offered by Great-West Life & Insurance Company is the current custodian and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for services to the custodian and the third-party administrator amounted to \$59,670 and \$43,281 for the years ending December 31, 2021 and 2020, respectively.
